

*BOSTON COLLEGE*  
*WILLIAM F. CONNELL SCHOOL OF NURSING*  
*Chestnut Hill, MA 02467*

**CURRICULUM VITAE**

**CALLISTA ROY, PhD, RN, FAAN**

**EDUCATION:**

1983-1985	Post Doc Fellow	University of California, San Francisco; Neuroscience Nursing/Ethics Research Administration
1977	Ph.D.	University of California, Los Angeles; Sociology
1973	M.A.	University of California, Los Angeles; Sociology – Self and Role Systems
1970		Mount Saint Mary's College, Los Angeles, California; Sociology major
1966	M.S.	University of California, Los Angeles; Nursing – Pediatrics and Maternity
1963	B.A.	Mount Saint Mary's College, Los Angeles, California; Nursing

**PROFESSIONAL EXPERIENCE:**

1987-present	Professor and Nurse Theorist; Boston College School of Nursing, Chestnut Hill, MA
1987	Tenure Granted, Boston College, Chestnut Hill, MA
2007-present	Faculty Senior Scientist, Yvonne L. Munn Center for Nursing Research, Boston, MA
1987-present	Research Professor in Nursing; Mount St. Mary's College, Los Angeles, CA
2008-present	Visiting Professor, St. Mary's College, Kurume, Fukuoka, Japan
2000-2006	Clinical Associate Staff; Department of Nursing, Massachusetts General Hospital.
2004	Consulting professor, Universidad Autonoma De Nuevo Leon Monterey, Mexico, design and teaching, course on Philosophy of Nursing Knowledge in first PhD program in Mexico
1987-95	Neuroscience Nursing Staff Privileges, Beth Israel Hospital Nursing Services and the Center for the Advancement of Nursing Practice, Boston, MA
1986-87	Associate Research Nurse, Department of Neurosurgery; School of Medicine, University of California, San Francisco
1986	Distinguished Visiting Professor; School of Nursing, Vanderbilt University
1985-86	Associate Research Nurse; Department of Physiological Nursing, University of California, San Francisco
1985	Visiting Professor; School of Nursing, Boston College, Chestnut Hill, MA
1985-86	Lecturer; School of Nursing, University of San Francisco
1985	Guest Faculty; University of Lund, Malmo School of Education, Department of Nursing
1983	Professor; Department of Nursing, Mount Saint Mary's College, Los Angeles, CA
1983	Visiting Professor; University of Concepcion, Concepcion, Chile
1982-83	Scholar in Residence; Department of Nursing, Mount Saint Mary's College, Los Angeles, CA
1979	Tenure Granted, Mount St. Mary's College, Los Angeles, CA
1983	Tenure Granted, University of Portland, OR
1979-83	Associate Professor; Department of Nursing, Mount Saint Mary's College, Los Angeles, CA
1983-85	Adjunct Professor; School of Nursing, University of Portland, OR
1977-82	Adjunct Associate Professor; School of Nursing, University of Portland, OR

- 1977-82/1971-74 Chair; Department of Nursing, Mount Saint Mary's College, Los Angeles, CA
- 1969-73 Curriculum Coordinator; Department of Nursing, Mount Saint Mary's College, Los Angeles, CA
- 1966-79 Instructor and Assistant Professor; Pediatric, Maternity and Medical-Surgical Nursing; Mount Saint Mary's College, Los Angeles, CA
- 1966 Acting Director of Nursing; St. Joseph's Hospital, Lewiston, ID
- 1963-64 Staff and Charge Nurse; Pediatric Nursing, Intensive Care and Medical-Surgical Nursing, St. Mary's Hospital, Tucson, AZ
- 1963 Staff Nurse; Medical-Surgical Nursing, St. Joseph's Hospital, Lewiston, ID

**HONORS AND AWARDS:**

- 2014 Mary Starke Harper Leadership Interviewee, Hartford Center of Gerontological Nursing Academic Leadership. November 4, 2014.
- 2013 Distinguished Graduate Award, Bishop Conaty/Our Lady of Loretto High School. September 28, 2013.
- 2013 Alumni Award for Professional Achievement, University of California, Los Angeles
- 2013 Honorary Doctor of Humane Letters, Holy Family University. May 18, 2013.
- 2013 Excellence in Nursing, The University of Antioquia, Medellin Colombia. March 8, 2013.
- 2011 The Faculty Senior Scientist Poster Exemplar Award, Yvonne L. Munn Center for Nursing Research and the Nursing Research Expo Committee, Massachusetts General Hospital May 4, 2011
- 2011 The Sigma Mentor Award, Sigma Theta Tau International Alpha Chi Chapter. Boston College, Chestnut Hill, MA April 27, 2011
- 2010 Nurse Researcher Hall of Fame, Sigma Theta Tau International, Honor Society of Nursing (inaugural inductee one of 10)
- 2010 Featured in UCLA School of Nursing 60<sup>th</sup> Anniversary Edition Magazine in "Sixty Who have Made a Difference"
- 2009 Honored at University of Tamaulipas, MX with gift of University President's pin
- 2009 Honored with a commemorative ceremony and a dedication of a bridge connecting the new development of graduate program buildings to the existing undergraduate buildings at St. Mary's College in Kurume, Fukuoka, Japan on Tuesday, June 30, 2009.
- 2009 The Distinguished Nurse Scholar Award, Framingham State College Nursing Department, Framingham, MA, April 16
- 2008 Nursing Department Distinguished Award, University of Puerto Rico at Arecibo, Arecibo, Puerto Rico, May 2
- 2008 Living Legend in Massachusetts Nursing recognition, Massachusetts Association of Registered Nurses, Dedham, MA, April 25
- 2007 Living Legend recognition, American Academy of Nursing, Annual Conference, Washington, DC, November 8
- 2006 University Distinguished Teaching Award, Boston College, Chestnut Hill, MA
- 2006 Distinguished Lecturer, Regis College, Weston, MA
- 2006 Massachusetts Department of Corrections, Volunteer, Commissioner Recognition Ceremony, State House, Boston, MA, June

- 2006 15<sup>th</sup> Anniversary Visiting Professor, La Sabana University, Chia, Columbia. Voted by the University Governing Board and awarded by the President, March
- 2003 Distinguished Friend of Nursing Award, Minnesota State University, Mankato, Minnesota
- 2003 Doctorate of Humane Letters, 50<sup>th</sup> Anniversary of the St. Anselm's Department of Nursing, Manchester, NH
- 2000 Alpha Sigma Nu Jesuit Universities Faculty Book Award in Science for *Roy Adaptation Model-Based Research: 25 Years of Contributions to Nursing Science* published by Sigma Theta Tau International
- 1999 Doctor of Humane Letters, Honoris Causa, St. Joseph's College, Standish, ME
- 1999 Invited scholar of the Ministry of University Affairs, Thailand, for 4-day seminar on Roy Adaptation Model: A Tool for Nursing Science Development, Mahidol University, Bangkok, with 300 participating nurse leaders, educators from 19 schools
- 1998 O'Connor Chair Lecture Series, Philosophical Perspectives of the Person as an Adaptive System, Oneonta, NY
- 1995 Carondelet Medal, Mount St. Mary's College, Outstanding contribution to education for women, ethics, cultural diversity
- 1991-1994 Annual Sr. Callista Roy Lectureships at Mount St. Mary's College, Los Angeles, CA
- 1994 Florida International University, honoree at reception for leaders of nursing in the State of Florida
- 1994 Signatures provided for Sigma Theta Tau, Nurse Theorists Quilt
- 1993 Best dissertation of biennium, Sigma Theta Tau International, awarded to Dr. Karen Hassey-Dow, C. Roy, dissertation committee chair, Indianapolis, IN
- 1992 Visiting Scholar. Thomas Jefferson University, PA
- 1992 Conversations with Dr. Callista Roy, Sigma Theta Tau, Epsilon Beta and Eta Omega Chapters
- 1992 Commentary on Florence Nightingale, Notes on Nursing Commemorative Edition, Philadelphia: Lippincott
- 1991 Martha Rogers Award for advancing nursing science, National League for Nursing Biennial Convention, Nashville TN
- 1991 Outstanding Alumnae, gold medal for contributions to ones profession; Mount Saint Mary's College, Founders Day Celebration
- 1991 The Nurse Theorists: Excellence in Action, Sr. Callista Roy, filmed at Montefiore Hospital NY, Sharp Hospital, San Diego and Mount St. Mary's College, Los Angeles, pilot for series, Studio Three, Oakland, CA., funded by The Helen Fuld Foundation
- 1989 Fulbright Senior Scholar Award, Australian-American Educational Foundation
- 1989 International Tree Planting, Public Park, Brisbane, Queensland, Australia
- 1990,89,88,86 Who's Who in American Nursing
- 1988 Included in anthology of nurse leaders, Making choices, taking chances (Schorr, T. and Zimmerman, A. Eds.) Mosby, pp. 291-298.
- 1989 The Nurse Theorists: Portraits of Excellence, Sr. Callista Roy, filmed San Francisco General Hospital, produced by as part of award winning series, Studio Three, Oakland, CA, funded by The Helen Fuld Foundation

- 1987 Sr. Callista Roy Library, built at Community Health Post, Freetown, Sierra Leone, West Africa
- 1987 Nursing Theory: A Circle of Knowledge, C. Roy interview and neuro clinical practice and research filmed by the National League for Nursing at San Francisco General Hospital
- 1986 American Journal of Nursing Books of the Year Award for Essentials of the Roy Adaptation Model (with H. Andrews). Appleton-Lange.
- 1985 Honorary Doctor of Science, Eastern Michigan University (fellow honoree, U.S. Surgeon General C. Everett Koop)
- 1984 Inaugural Address, Geraldine Crawford Distinguished Nursing Lecture Series, School of Nursing, University of San Francisco
- 1984 Distinguished Visiting Anise J. Sorrell Professor to the School of Nursing, Troy State University, AL
- 1984 Outstanding Contribution Award, North American Nursing Diagnosis Association
- 1984 Distinguished Nurse Lecturer, Western Washington University, Bellingham, WA.
- 1983 Doctor of Humane Letters, Honoris Causa, Alverno College
- 1983-85 Robert Wood Johnson, Clinical Nurse Scholar
- 1981 Oral History, National Nursing Archives, Boston University
- 1981 Sigma Theta Tau, National Founder's Award for Excellence in Fostering Professional Nursing Standards
- 1978 Fellow of American Academy of Nursing
- 1978 World Who's Who of Women in Education
- 1978-79 Personalities of America
- 1979 Who's Who in California
- 1979 World's Who's Who of Women
- 1977 Sigma Theta Tau, Nursing Honor Society, Gamma Tau Chapter
- 1976 Isabel Hampton Robb Memorial Award, American Nurses Fund
- 1974 Faculty Achievement Award Mount Saint Mary's College
- 1965 Outstanding Graduate Student, Faculty Gold Medal, School of Nursing, University of California, Los Angeles
- 1963 Delta Epsilon Sigma, Scholastic Honor Society

**RESEARCH AND TRAINING GRANTS:**

- 2014 Knowledge of the Roy Adaptation Model, Coping, and Cultural Characteristics Of Patients With Heart Failure and Impact on Adaptation To The Condition, Supervisor for Gulcan Bakan, Post-doctoral Fellow, Pamukkale University, Denizli, Turkey, Funded by Tubitak, 7 months
- 2009-2013 Meta-analysis of intervention research based on the Roy Adaptation Model (with P. Senesac, S. Barone, D. Hanna, & E. Long, UG Research Fellows Program, costs funded by Roy Adaptation Association, with base at Boston College).
- 2000 – 2009 Improving Cognitive Recovery of Patients with Mild Head Injury Using a Protocol of Interventions in Collaboration with Families: A Pilot Investigation, Emergency Nurses Foundation, \$10,000

- 2008-2009 Use of Nursing Theory in Nursing Education: National online Survey (with Elizabeth Johnson, UG Research Fellows Program)
- 1996-2013 Nurse Theorist annual grant from the Sisters of St. Joseph of Carondelet (June 1, 2006 – May 31, 2013)
- 2007-2008 Research mentorship, Senior Fulbright Fellow Eunkwang “Gloria” Yoo, Korea, on Developing an Integrated Theoretical Foundation for Holistic Health Applicable in Korea
- 2006 Assessment of International Views on Doctoral Mentoring, including a 2-round US Delphi study, data from 10 countries synthesized in position paper. International Network for Doctoral Education (INDEN)
- 2006 Critical appraisal of instruments used, 30 years of research based on the Roy Adaptation Model (N=218 studies). Costs funded by the Roy Adaptation Association, based at Boston College.
- 2004 Research mentorship, Senior Fulbright Fellow Sumiko Tshako, Japan, on Chronic Pain Adaptation Assessment and Non-Pharmacological Intervention to Facilitate Effective Coping of School Children, Children’s Hospital, Boston
- 1994-2003 Critical Appraisal of 30 Years of Research based on the Roy Adaptation Model, 223 studies. Funded by Boston Based Adaptation Research in Nursing Society, Principle Investigator
- 1997-1998 International Nursing Knowledge Impact Conferences, Linking Knowledge to Practice Outcomes: Case Analysis from Three Philosophical and Theoretical Perspectives for Clinical and Ethical Reasoning, Co-PI, Raskob Foundation, \$10,000
- 1994-1998 Faculty Expense Grant, Boston College. Psychometric Evaluation of Cognitive Adaptation Processing Scale.
- 1992 Nursing Interventions in the First Month after Head Injury, Faculty Incentive Grant, Boston College.
- 1992 Cognitive Processing Activity in Adaptation of the Elderly to Hearing Loss. Dissertation Program, Sponsor, AHCPR, U.S.P.H.S., not funded.
- 1992 Cognitive Impairment with Chronic Disabling Conditions, PI, Exploratory Center for Biobehavioral Symptom Management National Center for Nursing Research, NIH, approved, not funded.
- 1992 Adaptation in Young Breast Cancer Survivors, collaborator, First Award, National Center for Nursing Research, NIH
- 1991 Measurement of Cognitive and Emotional Processes Used in Adapting to Situations of Health and Illness, Research Expense Grant, Boston College
- 1991 Roy Adaptation Model Cognitive Recovery from Head Injury faculty incentive grant, Boston College.
- 1991 Centennial Survey, Columbia University, Presbyterian Hospital, School of Nursing Alumni Association, design and analysis phase
- 1989-1991 Nursing Interventions in the First Month after Head Injury, Faculty Expense Grant, Boston College
- 1988-2001 Early interventions to promote cognitive recovery in mild head injury study: supplementary data collection in collaboration with emergency department at St. Elizabeth’s Hospital.

- 1988-1991 National Research Service Award NINR Sponsor, 4 pre doctoral , 1 post doctoral. Topics: Adaptation to Spinal Cord Injury, Becoming a mother after breast cancer; Adaptation after gynecological cancer; Testing biobehavioral models for stress reduction and Respiratory muscle training for dyspnea
- 1987-1989 Mild Head Injury: biobehavioral features and predicting outcomes. Consultant. award to Department of Psychiatry, San Francisco General Hospital, Funded by Center for Disease Control, Atlanta, RFA in Trauma Research
- 1987-1988 Models of nursing care: pilot test of comparisons of Orem, Rogers, and Roy clinical comparisons of three protocols, Sigma Theta Tau, Alpha Eta Chapter, Research Award
- 1986-1987 Prospective randomized trial of thyrotropin releasing hormone in spinal cord injury, Clinical Investigator, (L. Pitts, PI) American Paralysis Association and Paralyzed Veterans of America
- 1986-1987 Outcome of Head Injury, Clinical Investigator (Fishman, PI), National Institute of Neurological and Communicative Disorders and Stroke
- 1985-1987 Testing nursing interventions for cognitive recovery, a pilot P.I. American Nurses Foundation Scholar, Research Award
- 1985-1986 Designing and testing nursing interventions for cognitive recovery from mild head injury, Academic Senate, Faculty Research Award, University of California, San Francisco
- 1983-1984 Information processing in recovery from head injury, Biomedical Research Support Grant, University of California, San Francisco, School of Nursing
- 1983-1985 Changes in simultaneous and successive information processing patients with closed in head injury, P.I., Robert Wood Johnson, Clinical Nurse Scholar Research Fund
- 1982-1985 Coping with disability and handicap following acoustic neuroma surgery, Survey research with national sample, P.I. Acoustic Neuroma Association
- 1983 Mobility Options Curriculum, United States Public Health Service - Division of Nursing, author of approved grant
- 1979-1980 Director, Roy Adaptation Model, Small Grants, Mount Saint Mary's College
- 1978-1979 Adaptation nursing care: The patient perspective. Clinical research involving students of four nursing programs and patients of three hospitals, Mount Saint Mary's College
- 1974 & 1977-80 Capitation Grant Program, United States Public Health Service, Author and Director, Division of Nursing
- 1976-1977 Patient decision making and adaptation during illness, Loeb Center for Nursing Rehabilitation, NY; Rush Presbyterian Hospital, Chicago; Greater El Monte Community Hospital, Queen of the Valley Hospital, University of California at Los Angeles Medical Center, CA, P.I. American Nurses Fund, Isabel Hampton Rob Research Award
- 1975 Psycho-Social Adaptation and the cognator-regulator adaptive processes, qualitative study
- 1975 Selected Individual Level and Social Structural Determinants of Preventive Health Behavior. Imperial County Survey data set, secondary analysis, including factor analysis, P.I., Leo J. Reeder, UCLA.
- 1973-76 Curriculum Revision Based on Core Content and Adaptation Model of Nursing, author of Funded 3-year project USPHS, Division of Nursing
- 1972-74 Open Curriculum Project, National League for Nursing, Project Author and Director
- 1971 Nursing interventions to promote adaptation for patients after surgery. Pilot study. National Institute of Mental Health Grant to Integrate Psychiatric Concepts

- 1970-79 Evaluation of Use of Adaptation Theory by Student Nurses. Two Nursing Programs, Mount Saint Mary's , USPHS, Training Grant
- 1968-73 Undergraduate Psychiatric Training Grant, Project Director
- 1966 Nursing Activities Study, Saint Joseph's Hospital, Lewiston, ID.
- 1966 Nursing Audit Study, Saint Joseph's Hospital, Lewiston ID.
- 1964-66 The Nurse's Introduction of Role Cues and the Adequacy of the Mother in Relating to Her Hospitalized Child. Graduate Traineeship, United States Public Health Service

**PROFESSIONAL AND LEARNED SOCIETIES:**

- American Academy of Nursing
- American Nurses' Association
- American Nurses Association of Massachusetts
- Council for the Advancement of Nursing Science
- Faith and Science Exchange, Board Member
- Network, National, State, and Local Social Justice Lobby
- International Network Doctoral Education in Nursing
  - Task Force on Mentoring-4 years
  - Elected to Board of Directors for three year term
- Roy Adaptation Association, co-founder and Chair
- Sigma Theta Tau, Alpha Chi Chapter
  - Member, Program Committee-2 years
- Society of Ordained Scientists
  - Associate Member
- Eastern Nursing Research Society
  - Co-Chair, Theory Research Interest Group 10 yrs
- Western Institute for Nursing, committee member
- Western Society for Research in Nursing
- Acoustic Neuroma Association, 12-year board member

**FEDERAL APPOINTMENTS:**

- 2014 NIH Scientist Noon Lecture. Symptom Management Theory Development: Its Application to Science. with S. Bond, E. Keen, A. Gilmer, G. Kalnins, S. Sukha, , sponsored by NATIONAL INSTITUTE OF NURSING RESEARCH, Division of Intramural Research, Symptom Management Branch, Campus, Bethesda, MD, October 15, 2014
- 1998 Speaker/Participant, State of the Science of Nursing Research in Pediatric Oncology, NIH Reviewer, Nursing Research Study Section, Center for Scientific Review, NIH
- 1992 Conference on Research on Research Priorities in Nursing 1995-2000, NCNR, NI
- 1988 Select Panel, Division Research Grants, National Institute of Health, Integrity in Scientific Research Report to Congress
- 1987-1991 Charter Member, Nursing Research Study Section, Division of Research Grants, National Institutes of Health

**CONSULTATION AND ADVISORY SERVICE:**

- |          |  |
|----------|--|
| On-going | Consultations with students on life and work of the Nurse Theorist, by phone and email, weekly, world-wide, several hundred each year. |
|----------|--|

On-going Consultation with graduate students and colleagues world-wide on use of the Roy Adaptation Model in nursing research and educational practice by Skype videoconference, phone and email, monthly, about 100 each year.

2015 Invited Guest Preacher, Grace Episcopal Church, Everett, MA. Evolution Sunday, May 31,  
2015

2014 Post-doctoral Fellow, Gulcan Bakan, RN, PhD, Pamukkale University, Denizli, Turkey, Funded by TUBITAK, 7 months; collaborated on projects on Knowledge of the Roy Adaptation Model and Coping and development CAPS: Short Form: Co-investigator and facilitated data collection for *Cultural Characteristics Of Patients With Heart Failure and Impact on Adaptation To The Condition*.

2014 PhD Student, María Cibeles Moreno Chico, Nursing Department. Medicine and Health Science Faculty. International University of Catalonia, Barcelona, Spain. Dissertation co-Director, completed pilot study, defense of proposal, grant funding from School of Nursing, U. of Catalonia, completed study and is writing dissertation papers 1) Chronic Patient Activation after a Spanish tailored competency based educational intervention led by nursing and based on motivational interviewing technique. 2) CAPS: Short Form translation for Spain and item response theory validation.

2013 International tutorship with PhD student Alejandra Alvarado from University of Antioquia, Medellin, Colombia on dissertation research "Learning to live with pain: From adversity to adaptation"

2010 International tutorship with PhD student Maria Elisa Moreno from the National University of Colombia, Bogota worked on her research "Processes and Meanings of Body and Embodiment in Adults with Paraplegia Secondary to a Spinal Cord injury"

2009 Consultant to planning PhD in nursing program at Sophia Jesuit University, Tokyo, Japan

2008-2011 Academic Title of Visiting Professor, St. Mary's College, Kurume, Fukuoka, Japan

2007 Consultation with four educators from St. Mary's College of Nursing, Kurume, Fukuoka, Japan to initiate a formal student and faculty exchange program with a college of nursing in the United States.

2007 Consultation with Sumiko Tsuhako, President of Seibo College to discuss application of Roy Adaptation Model in Japan and to maintain relations with Boston College for future exchange programs in nursing.

2007 Tutorship at Boston College with international visiting doctoral student, Yolanda Gonzalez, of National University Bogata, Columbia. Jan. 16 – Feb. 16.

2007 Consultation with Dr. Kathryn Gaylord to advise on use of the Roy Model in research study, "A Comparison of PTSD and Mild TBI in Burned Military Service Members" VA Medical Center, Fort San Houston, TX

2007 Consultation with PhD student from Azusa Pacific University, research on coping and adaptation of Mexican-American women survivors of cancer.

2006 Faculty, Universidad de la Sabana School of Nursing, Chia, Colombia, on the use of the Roy Model in Practice and Curriculum. March 6.

2006 Faculty Research Team, Universidad de la Sabana School of Nursing, Chia, Colombia, on developing and standardizing instrument for assessment of adaptation in pre-school children based on the Roy Adaptation Model. March 8.

- 2006 Faculty Research Team and visiting doctoral students, Universidad de la Sabana, Chia, Colombia, on testing of Spanish version of CAPS tool and planning future research. March 10.
- 2006 Nurses and administration of Instituto de Cardiologica, Bogota, Colombia, on the use of the Roy Model in critical care, pediatrics and administration. March 10.
- 2006 Nurses and administration of Clinica Universitaria Teleton, Chia, Columbia use of the Roy Model in Rehabilitation and Critical Care. March 7.
- 2003- 2004 Consultant on development of doctoral program at the Universidad Autonoma de Nuevo Leon, School of Nursing, Monterrey, Mexico
- 2003 Eastern Nursing Research Society discussant for session entitled: "Developing Science: Application of Nursing Theory."
- 2003 Eastern Nursing Research Society – held consulting sessions on Theory-Based Research and Cognitive Processing.
- 2002 Planned and implemented two week visit of four educators from Japan to learn about nursing education in the U.S. and use the Roy Model, particularly in nursing research, diagnosis and with groups.
- 2002 Three week study experience with professor from Tsukuba College of Allied Health, Japan, to help prepare for implementation project with the Roy Model in Sri Lanka and for enhancing use of the Model in her research with children. Resulted in two publications, one co-authored.
- 2002 Group consultation on recent developments in the Roy Adaptation Model for faculty of University of Sabana, Bogata, Colombia.
- 2002 Critique of tool for categorizing patients' levels of acuity of need for nursing based on the four adaptive modes, for two nurses from Colegio de Enfermeras de Costa Rica.
- 2000 Consultant for curriculum planning for Science and Religion Certificate Program at Boston Theological Institute, Boston, MA
- 2000 Consultation for Research on Cognitive Processing, Theory Based Practice, and Roy Adaptation Model. ENRS 12<sup>th</sup> Annual Scientific Sessions, Newport, RI.
- 2000 Met with editors of school papers and with scholars from several cities in Spain for interviews and consultation on topics related to the life and work of Theorist, Alicante, Spain.
- 2000 Group consultation on philosophical basis of the Roy Model with faculty of University College, Dublin, Ireland.
- 2000 Group consultation with nurses working on implementing the Roy Model in practice in Tokyo, Japan.
- 1999 Consultation for Research on Cognitive Processing and Roy Adaptation Model Research, Syracuse, New York
- 1999 Catholic Philosophy for Nursing Education and Practice. President and Executive Board. St. Mary's Health Care Center, Kurume, Japan.
- 1997 Consultation via teleconference with chief quality officer and her administrative team at Cleveland Clinic Foundation Health Care Ventures. "Deriving Model-based Outcomes for Nursing Practice." With S. Barone and C. Corliss. June 27.
- 1995 The Roy Adaptation Model as the Basis for Research, visiting professor at University of Montreal and McGill University, Schools of Nursing
- 1994-1996 Consultation for research and publications. Mount St. Mary's College, Los Angeles

- 1994 Video Address: The Essential Concepts and Development of the Roy Adaptation Model, Lewis Clark State University, ID
- 1994 Video Address: Roy Adaptation Happenings around the Globe, Nursing's Future Innovation and Adaptation, Mount St. Mary's College, Los Angeles
- 1994 Use of the Roy Adaptation Model in clinical Practice: Selected Issues. University of California, Davis Medical Center, for Nursing staff, faculty and advisors
- 1993 Visiting Professor in Nursing Theory Series at University of Tennessee at Knoxville, involved formal and informal presentations to faculty and students, and individual consultation with doctoral students
- 1991 Summarizing the State of Instrument Utilization and Adaptation as Defined by the Roy Adaptation Model (with Barone, S). For pilot project of the Electronic Conference on Nursing Care Research of the Educational Technology Branch, National Library, Bethesda, MD
- 1990 Forum on issues in implementing the Roy Model in nursing education, Nursing Faculty, St. Mary's Hospital School of Nursing, Kurme, Japan
- 1989 Issues in Nursing Theory and Other Developments in Nursing Education in the United States, Nursing Faculty, Canberra College of Advanced Education, Canberra, ACT, Australia.
- 1989 Open Forum with Directors of Nursing, Clinical Associate Directors, and Ward Nursing Staff, Royal Adelaide Hospital, Adelaide, So. Australia.
- 1989 Open Forum on Nursing Theory and Neurological Nursing, School of Nursing Studies, South Australia College of Advanced Education, Adalaide, So. Australia.
- 1989 Issues in Graduate Education, Faculty, Phillip Institute of Technology, Melbourne, Victoria, Australia.
- 1988 Group consultation for Graduate Curriculum Committee, Faculty Practice Think Tank Nursing Diagnosis Implementation at University Hospitals, and Nursing Decision-making Systems Research at School of Nursing, Medical College of Virginia.
- 1986 Consultant to Advisory Committee for Program for the Critically Ill Hospitalized Adult. Robert Wood Johnson Foundation.
- 1986 Individual Faculty and Doctoral Student Research Projects and Teaching with the Roy Adaptation model, Baccalaureate Program, School of Nursing, University of Minnesota, Minneapolis, MN.
- 1986 Individual Faculty and Graduate Research Projects, School of Nursing, Vanderbilt, University, Nashville, TN.
- 1986 The Roy Adaptation Model in Nursing Education, Faculty Division of Nursing, Northeast Missouri State University, Kirksville, MO
- 1986 Individual Research Projects in Cognitive Processing, Physiological Adaptation, and Theories of Nursing, School of Nursing, University of Washington, Seattle
- 1985 Individual research projects of Nurse Scholars from Norway, Denmark, Sweden, and Finland
- 1983 Master of Nursing Faculty and Associate Degree Faculty, Curriculum, Troy State University.

- 1983 Nursing Research Committee and Curriculum Committee, University of Concepcion, Graduate Program, Department of Nursing, Concepcion, Chile.
- 1983-84 Nursing Theory in Doctoral Education, Doctoral Feasibility Committee, Boston College Department of Nursing.
- 1983 Value of Models in Education and Practice, The Roy Adaptation Model: An Overview, Adaptation: A Framework for Nursing Education. Daniel Freeman Hospital, Inglewood, CA.
- 1983 Implementation of the Roy Adaptation Model in a Children's Hospital, Children's Hospital of Orange County, Orange, CA.
- 1983 Implementation of the Roy Adaptation Model in a Long Term Care Facility, Veteran's Administration Hospital, Roseburg, OR.
- 1982 Use of Nursing Frameworks in Computerized Nursing Care Plans - Adventist Health Care System - Eastern and Midwest Divisions.
- 1981 Issues related to Implementing the Roy Model in Baccalaureate Nursing Education, Faculty of the School of Nursing, Mankato State University, Mankato, MN.
- 1981 Use of the Roy Model in Diploma Nursing Education, Faculty and Nursing Service Administrators, Royal Alexandra Hospital, Edmonton, Alberta, Canada.
- 1981 Issues in Masters Program Development, Graduate Faculty, School of Nursing, The University of Calgary, Calgary, Alberta, Canada.
- 1978-81 Issues Related to Implementing the Roy Model in Baccalaureate, Masters, and Doctoral Nursing Education, Faculty and Students, University of Texas, School of Nursing, Austin, Texas.
- 1981 Issues Related to Implementing the Roy Model in Diploma Nursing Education, Bryan Memorial Hospital, School of Nursing, Lincoln, Nebraska.
- 1981 Issues Related to Implementing the Roy Model in Nursing Practice. National Hospital for Orthopedics and Rehabilitation, Arlington, VA.
- 1978 Workshop on Developing a Model for Nursing Service Evaluation, Immanuel Hospital, Portland, OR.
- 1977 Workshop on Nursing Theories, University of Delaware.
- 1976 Developing a Model for Nursing Practice, The University of Western Ontario, London, Canada.
- 1970-79 Workshops on Roy Adaptation Model as the Basis of a Nursing Curriculum:  
Point Loma College, San Diego, CA  
Central State College, Edmond, OK  
Kansas State College, Pittsburg, KS  
Golden West College, Huntington Beach, CA  
Vanier College, Montreal, Canada  
Alverno College, Milwaukee, WI  
Merritt Hospital School of Nursing, Oakland, CA  
University of Minnesota  
South Dakota State University  
Los Angeles County General Hospital, School of Nursing  
Widener College, Chester, PA  
University of Utah  
Los Angeles Trade Technical College  
California State University, Long Beach

Arizona State University, Tempe, AZ  
Columbia Hospital School of Nursing, Milwaukee, WI  
Wesley Passavant School of Nursing, Chicago, IL  
Edinboro State College and Villa Maria College, PA  
University of Tulsa, OK  
University of Portland, OR  
Maryland General Hospital School of Nursing  
Saginaw Valley College, Saginaw, MI  
Jewish Hospital School of Nursing, Saint Louis, MO  
Duchess Community, Poughkeepsie, NY  
1966 Consultant to Nursing Service, Saint Joseph's Hospital, Lewiston, ID

### **SPEECHES AND INVITED LECTURES**

- 2015 International Education Symposium HAUTE ÉCOLE DE SANTÉ VAUD (HESAV), Lausanne, Switzerland, Keynote-*Nursing Sciences in Bachelor Curriculum: Changes over 50 Years*. June 8-9, 2015,
- 2015 Haute école de santé Vaud (HESAV ), Lucerne, Switzerland, Summer Global Health Program, Faculty and students from Lucerne, Boston, India, China, and Brazil. Invited class presentation: *The Roy Adaptation Model*. June 9, 2015
- 2015 Roy Adaptation Association International Workshops and Conference, June 13, 2015 Global Perspectives The Roy Adaptation Model: Countries and Cultures, Keynote-*Global Perspective of Roy Adaptation Model: Theorist's View*, Boston College
- 2014 Roy, S. C. The Roy Adaptation Model: Moving forward in the 21<sup>st</sup> Century. U. of Memphis, two campus, Memphis, TN, Nov. 7, 2014
- 2014 Roy, S. C., Theory and Research for Practice: The Roy Adaptation Model and Middle Range Theory. Keynote Second International Roy Adaptation Association-J Conference, St. Mary's College-Kurume, Fukukoa, Japan
- 2014 Roy, S. C. Application of Roy Adaptation Model to Practice: Individual, Family, Community, Keynote. International Forum, Kyoto Tachibana University. Faculty of Nursing 10 Year Celebration.
- 2014 Roy, S. C. Veritivity in Nursing Science: Present and Future Perspectives. Keynote UNIVERSIDAD DE PANAMA FACULTAD DE ENFERMIA Nursing Knowledge International Expo, 15th Annual Meeting of the International Roy Adaptation Association Workshop and Conference, Panama City, Panama
- 2014 Roy, S. C. Roy Adaptation Model: Insights for Practice and Research, Keynote. 15th Annual Meeting of the International Roy Adaptation, Panama City June 19, 2014
- 2014 Roy, S. C. Y. with Gonzalez, & E. de Osegueda Developing Middle-range Theories based on Roy Adaptation Model- based Research, Workshop—June 19, 2014 RAA Panama C. Roy.
- 2014 Roy, S. C. The Roy Adaptation Model. Undergraduate Students, Haute Ecole De Sante Vaud, Lausanne, Switzerland, by live video.

- 2013 Roy, S. C., *Nursing Knowledge: A Transforming Energy*. Holy Family University, Philadelphia, PA. October 25, 2013.

- 2011 Roy, S. C., Theory Class and Faculty (about 20), "Tape of Development of Roy Model and discussion," Regis College, Boston College Conference Room. (April 30, 2011).
- 2011 Roy, S. C., Graduate students in Research, "Questions and Answers taped," Simmons College, Boston College, Cushing Hall office. (April 6, 2011).
- 2011 Roy, S. C., Students from Theory Class, "Questions and Answers on Theorist's Work, taped," Regis College, visited in office at Boston College, Cushing Hall. (March 31, 2011).
- 2011 Roy, S. C., 20th Anniversary Nursing Program at University of La Sabana Hospital, "Celebrating Knowledge and Practice Based on the Roy Adaptation Model: Advances and Projections," University of La Sabana, Chia, Colombia. (March 8, 2011).
- 2011 Roy, S. C., Open meeting, clinical and faculty leaders, "Introduction and Open Dialogue with Theorist about Knowledge-based Practice," La Sabana University Hospital and Rehabilitation Center, Chia, Columbia. (March 8, 2011).
- 2011 Roy, S. C., Roy Adaptation Association-Colombia Chapter, "Nursing Visibility based on Knowledge Now and in the Future," University of La Sabana, Chia, Colombia. (March 7, 2011).
- 2011 Roy, S. C., Graduate Program, "Grand Theory, Middle range Theory and Case Applications," St. Mary's College, Kurume, Japan. (February 11, 2011).
- 2011 Roy, S. C., Graduate Program, "Grand Theory in Nursing: Peplau and Roy," St. Mary's College, Krume, Japan (by live video). (February 4, 2011).
- 2010 Roy, S. C. (Author & Presenter), 2010 State of the Science Congress on Nursing Research, "Interventions: Cognitive Recovery from Mild Head Injury," The Council for the Advancement of Nursing Science, Washington, DC. (September 29, 2010).
- 2010 Roy, S. C., "The Roy Adaptation Model and Knowledge for Practice," Sigma Theta Tau International Upsilon Beta Chapter, at California State University of Fullerton in Orange County, CA. (July 28, 2010).

- 2010 Roy, S. C., "New Developments in Roy Adaptation Model Research," Nurse Scientists of Orange County, California, San Juan Capistrano, CA. (July 25, 2010).
- 2010 Roy, S. C., National Association of Hispanic Nurses 35th Annual Conference, "Theory-based Values and Strategies for Decreasing Health Disparities," National Association of Hispanic Nurses, Washington, DC. (July 23, 2010).
- 2010 Roy, S. C., Roy Adaptation Association International Workshops and Conference, "Research with Persons and Groups as Adaptive Systems," Roy Adaptation Association, Boston College Chestnut Hill, MA. (June 19, 2010).
- 2010 Barone, S. H. (Presenter), Roy, S. C. (Presenter), Padovano, C. (Presenter), Lauchner, K. (Presenter), "Workshop: Roy Adaptation Model in Practice: Deriving Evidence for Practice from Model-Based Research," Roy Adaptation Association, Boston College. (June 19, 2010).
- 2010 Presented: *Roy Adaptation Model-Based Research 1970-2009: A Meta-analysis to Examine Effectiveness of Theory in Practice* with Stacey Barone, PhD, RN, Debra Hanna, PhD, RN, Pamela Senesac, PhD, SM, RN at Eastern Nursing Research Society RIG Symposium, Providence, RI on Thursday, March 25, 2010.
- 2009 Presented the key note address "The Roy Adaptation Model Working to Satisfy the Needs of Society" to an audience of more than 1,500 nurse professionals, nursing students, professors and administrators from numerous states of Mexico and from the countries of Colombia, Panama and the United States. The address was given at the International Nursing Conference, in the Nuevo Laredo Cultural Center, Nuevo Laredo, Tamaulipas, Mexico on Thursday October 22, 2009.
- 2009 Presented "How to Apply the Roy Adaptation Model in a Research Project" to nursing faculty and students at the International Nursing Conference, in the Nuevo Laredo Cultural Center, Nuevo Laredo, Tamaulipas, Mexico on Thursday October 22, 2009.
- 2009 Participated in the Panel Presentation "Nursing Standards and Spiritual Care" with Dr. Lois Hamel, Dr. Linda Rooney and Carol Lombard at the Symposium, *The Call to Heal: Finding Meaning and Purpose in the Healthcare Vocation*, a one week course at Saint Joseph's College, in Standish, ME on Monday, July 20, 2009.
- 2009 Presented the keynote "Reflections on a Life Lived in Response to a Call to Heal", at the Symposium, *The Call to Heal: Finding Meaning and Purpose in the Healthcare Vocation*, a one week course at Saint Joseph's College, in Standish, ME on Sunday, July 19, 2009.
- 2009 Presented "Development of a Theorist and a Nursing Theory" to students and faculty at St. Mary's College in Karume, Fukuoka, Japan on Tuesday, June 30, 2009.

- 2009 Presented "Notes on the Roy Adaptation Model, Third Edition" at the first conference of the Japan Chapter of the Roy Adaptation Association At St. Mary's College in Karume, Fukuoka, Japan on Monday, June 29, 2009.
- 2009 Presented an inaugural speech "Starting the Journey of learning Nursing: Starting from Here and Now" to students and faculty to commemorate the opening of the International University of Healthcare and Welfare in Fukuoka City, Fukuoka, Japan on Saturday, June 27, 2009.
- 2009 Presented the keynote speech, "Assessment and the Roy Adaptation Model" at the 15<sup>th</sup> Japanese Society of Nursing Diagnosis conference, in Fukuoka City, Fukuoka, Japan on Saturday, June 27, 2009.
- 2009 Presented "The Roy Adaptation Model and Nursing Process" a preconference seminar for the 15<sup>th</sup> Japanese Society of Nursing Diagnosis conference, in Fukuoka City, Fukuoka, Japan on Friday, June 26, 2009.
- 2009 Presented keynote speech, "Knowledge for the Future: Making the RAM Work for the Needs of Society" at the 10<sup>th</sup> Annual Roy Adaptation Association Conference at Boston College in Chestnut Hill, MA on Saturday, June 13, 2009.
- 2009 The Roy Adaptation Model and Knowledge Based Practice, at a program co-sponsored by the Sigma Theta Tau Rho Phi Chapter and Framingham State College at Framingham State College in Framingham, MA on Thursday, April 16, 2009.
- 2009 Chair and speaker at the Theory RIG Symposium, Knowledge Base for Interventions for the Good of the Individual and Society at the Eastern Nursing Research 21<sup>st</sup> Annual Scientific Sessions, March 21.
- 2009 University of Panama-three keynote lectures and one discussion group at 4-day , Conference Linking Nursing Theory, Research, and Practice Using the Roy Adaptation Model Nursing Models and Theories in Educational Curricula, Perspectives of Nursing Discipline for 21st Century based on Vision of RAM Reflections on the life of a postgraduate student
- 2008 Overview of Roy Adaptation Model as a Basis for Nursing Practice. Presentation given to the nursing staff as well as the hospital council chairs and members at the Morristown Memorial Hospital, Morristown, NJ on October 23
- 2008 Nursing Knowledge and Global Health Policy, Expert Panel on Theory-Based Practice Symposium, American Academy of Nursing. Phoenix, AZ, Nov. 8
- 2008 Challenges of Globalization 2008: The Roy Adaptation Model Focus on the Good of Society. Keynote address given at the Roy Adaptation Association Conference at Massachusetts General Hospital in Boston, MA on September 27.

- 2008            Creating a Quantum Shift in the Global Nursing Brain. Closing address at the Combined 12<sup>th</sup> International Philosophy of Nursing Conference in association with IPONS and 15<sup>th</sup> New England Nursing Knowledge Conference in Boston, MA on September 26.
- 2008            The Roy Adaptation Model: Philosophy and Science for Nursing Practice. Presentation given to City University of New York (CUNY) Nursing Science Faculty and Doctoral Students at the CUNY Graduate Center in New York, NY on June 10.
- 2008            The Roy Adaptation Model: Philosophy and Science for Nursing Practice. Presentation given to Nursing Faculty and Students at the Autonomous University of San Luis Potosi, San Luis Potosi, México on June 3.
- 2008            Roy Adaptation Model-based Practice for Individuals and Groups. Presentation given to Nursing Students at the Autonomous University of San Luis Potosi, San Luis Potosi, México on June 2.
- 2008            Leadership in Transition. Nurses Week presentation VA Memorial Hospital. New Bedford, MA. May 9.
- 2008            Nursing Philosophy as a Basis for Practice. University of Puerto Rico at Arecibo, speech presented to academic assembly on May 2
- 2008            Nursing Knowledge Based Practice and the Roy Adaptation Model University of Puerto Rico at Arecibo, speech presented to nursing faculty and students on May 2
- 2008            Philosophical Basis and Levels of Theory and Knowledge for Practice based on Roy Adaptation Model, University of CT PhD Students
- 2008            The Story of my Life in Higher Education. Veritas et Vinum, Sponsored by the office of Graduate Student Life and the Church in the 21<sup>st</sup> Century Center, Boston College
- 2007            Panel Discussion and Response to Nursing Theory-guided Practice: Focusing on Evidence-Based Care. Expert Panel on Nursing Theory-Guided Practice Symposium, American Academy of Nursing Annual Conference, Washington, DC.
- 2007            Philosophical Basis and Levels of Theory and Knowledge for Practice Based on Roy Adaptation Model. University of Massachusetts, Amherst.
- 2007            Nursing Leadership for the 21st Century, Sigma Theta Tau International, Alpha Lambda Chapter Induction, University of Illinois, Chicago, October 28.
- 2007            Cosmic Unity: What, Why and Whither? Plenary session, 11<sup>th</sup> Annual International Philosophy of Nursing Conference (IPONS), Dundee, Scotland, September 3.
- 2007            Exploring timing and dose effects of interventions for cognitive recovery from mild head injury under three conditions." (with P. Underwood & R. Looper) Poster ENRS Conference, Providence, RI.

- 2007 Co-Chair (with N. Dluhy) Theory Research Interest Group, Pre conference Workshop, Expanding Ways of Knowing as Evidence for Practice. ENRS Scientific Sessions, Providence, RI April 12-14
- 2007 Integrated Knowing: Cosmic Imperative. at ENRS Pre-Conference Workshop, Providence, RI April 12-14
- 2007 Use of the Roy Adaptation Model in redefinition of Evidence-based Practice. Keynote RAA Conference, Mount St. Mary's College, Doheny Campus, Los Angeles, CA, June 15
- 2007 The Roy Adaptation Model 2007. Public Lecture. Mount St. Mary's College, Doheny Campus, Los Angeles, CA, June 14
- 2006 Nursing Theory-Guided Practice and Health Policy, Panel member Nursing Theory-Guided Practice Expert Panel Symposium, American Academy of Nursing (AAN), Miami, FL. Nov. 9.
- 2006 The status and moral implications of nursing knowledge development – dialect or dialectic? (with Danny G. Willis, Pamela J. Grace and Dorothy A. Jones). Concurrent session, 10<sup>th</sup> International Philosophy of Nursing (IPONS) Conference, Dublin City University, Dublin, Ireland. Sept. 5.
- 2006 Nursing ... A Stronger Foundation Today: Leadership in Transition,” Keynote address and Inducting Officer, Philippine Nurses Association of America National Convention, Boston, MA. July 1.
- 2006 The Roy Adaptation Model Relevance Today. Keynote speech. Roy Adaptation Association Conference. Mount St. Mary's, Los Angeles, CA, June, 16
- 2006 The Roy Adaptation Model: Then and Now. Public Lecture. Roy Adaptation Association Conference. Mount St. Mary's, Los Angeles, CA, June, 15
- 2006 21<sup>st</sup> Century Demands for Knowledge Development and the Voice of Nursing, Opening address, ENRS Conference, Cherry Hill, NJ, April 19.
- 2006 Momentum for Integrating Theory and Research: Use of Multiple Strategies. Eastern Nursing research Society, pre-conference workshop co-chair. Boston, April 2007
- 2006 The Roy Adaptation Model and Knowledge Development for Practice, Distinguished Scholar Lecture, Regis College, Weston, MA, April 3.
- 2006 The Roy Adaptation Model Relevance Today. Keynote speech, Roy Adaptation Association Conference. Mount St. Mary's, Los Angeles, CA, June, 16
- 2006 Coping and Adaptation Processing Scale (CAPS), Paper Presentation. Mount St. Mary's College
- 2006 Open Discussion for Visiting Scholars from Latin American Seminar, Chia, Colombia, March 10.

- 2006 Philosophy as Basis of Knowledge for Practice and Levels of Theory and Knowledge for Practice, Two keynote addresses at the 15<sup>th</sup> Anniversary Conference, Universidad de la Sabana School of Nursing, Chia, Colombia. March 8-9.
- 2006 Use of the Roy Model for a Case Study of teenager with diabetes, Respondent, Student Seminar, Universidad de la Sabana School of Nursing, Chia, Colombia, March 7.
- 2005 Global Doctoral Education in Nursing (with L. Eisenhauer and L. Zhan). PhD Colloquium, Boston College, CSON. Nov. 14.
- 2005 Innovator/Stabilizer: Clinical Management Using the Roy Adaptation Model. Commentary on paper by Debra Hanna (BC CSON alumna). Expert Panel on Nursing Theory-Guided Practice Symposium, American Academy of Nursing, Scottsdale, AZ. Nov. 11.
- 2005 Spiritualism in Nursing Theory, Practice and Management, Conference Participant and Presenter. Yonsei University Medical Center 120<sup>th</sup> Anniversary Conference, Seoul, Korea, Sept. 8-9.
- 2005 Evidence Based Practice and Spiritualism in Nursing, Conference Participant and Presenter. Yonsei University Medical Center 120<sup>th</sup> Anniversary Conference, Seoul, Korea, Sept. 8-9.
- 2005 History of Nursing Theory Development in the USA, Conference Participant and Presenter. College of Nursing Yonsei University, Seoul, Korea, Sept. 8-9.
- 2005 Current Trends in Nursing Theory Development in the USA, Conference Participant and Presenter. College of Nursing Yonsei University, Seoul, Korea, Sept. 8-9.
- 2005 A Global Agenda for Doctoral Nursing Education, Conference Participant and Paper Presentation. INDEN: International Network for Doctoral Education in Nursing, Taipei, Taiwan, May 18-21.
- 2005 The Importance of Theory-Based Practice, Paper Presentation and Workshop. 6<sup>th</sup> Annual College of Nursing Distinguished Lectureship, University of Akron College of Nursing, April 20-22.
- 2005 Deriving a Method International Consensus-Building, Paper Presentation. Annual Scientific Sessions of Eastern Nursing Research Society Pre-Conference, New York City, April 7-9.
- 2005 Using Theory-Based Research to Re-define Evidence for Practice, Paper Presentation. Annual Scientific Sessions of ENRS Pre-Conference, New York City, April 7-9.
- 2005 Roy Adaptation Model- Based Curriculum: Example 1. Roy Adaptation Association Conference, Boston, June 9-10
- 2005 The Roy Adaptation Model as a Basis for Integrating Knowledge for Education, Practice and Research. Keynote speech, Roy Adaptation Association Conference, Boston, June 9-10

- 2005 Roy Adaptation Model: Grand and Middle Range Theory Used to derive Research-based Evidence for Practice, Inaugural Lecture of series on Leaders in Thought. University of Pennsylvania, School of Nursing, Mar. 3.
- 2004 Leadership in Theory-Guided Practice, Paper Presentation. American Academy of Nursing, Washington DC, Nov. 11.
- 2004 Implications for Practice: Critical Analysis and Synthesis of Theory-Based Research Using One Nursing Model 1995-2001, Poster. Sigma Theta Tau International Honor Society of Nursing Congress, Dublin, Ireland, June 22
- 2004 INDEN Project on Mentoring in Doctoral Programs in Nursing, Sigma Theta Tau International Honor Society of Nursing Congress, Dublin, Ireland, June 24
- 2004 Roy Adaptation Model: Concepts and Application, Invited Speaker, Globalization of Higher Nursing Education in the 21<sup>st</sup> Century, Second Military Medical University, June 9-13
- 2004 The Roy Adaptation Model and Application, Invited Speaker, Conference on Nursing Knowledge Development: Dr. Roy's Adaptation Model, Kiang Wu Nursing College, Macau, China, June 5-7
- 2004 The Links of Theory to Practice and Research, Roy Adaptation Association, 5<sup>th</sup> Annual Conference, Wentworth-by-the-Sea, New Hampshire, May 26.
- 2004 Instruments for RAM Research: Critique, Examples, and Future Directions, Roy Adaptation Association, 5<sup>th</sup> Annual Conference, Wentworth-by-the-Sea, New Hampshire, May 26
- 2004 Knowledge for Practice: Theory and Research Synergy, Invited Speaker, University of Quebec in Ottawa, April 29
- 2004 The Roy Adaptation Model: Concepts and Applications, Universidad Autonoma de San Luis Potosi, April 22 (via videoconference)
- 2004 Improving Cognitive Recovery in Patients with Mild Head Injury Using Protocol of Intervention in Collaboration with Families, Eastern Nursing Research Society, Conference, Quincy, Massachusetts, April 2
- 2004 Partnership of Theory and Practice: Integration and Application, Eastern Nursing Research Society, Pre-Conference, Quincy, Massachusetts, April 1
- 2004 Roy Adaptation Model and Knowledge Development, State University of New York, New Paltz, NY, Omicron Chapter of Sigma Theta Tau, March 26
- 2004 Addressing Health Disparities through Theory-Based Research. Tenth Annual Research Conference, Howard University College of Pharmacy, Nursing and Allied Health Sciences Division of Nursing, March 11-12
- 2004 Truth Taught by Creation: Basis of Healing Practice and Stories of Healing Presence Nursing and in the Nurse, Association of Christian Therapists Annual Conference, San Diego, California, February 5-7

- 2003 World View, Scientific Practice, and Pastoral Ministry, Boston University School of Theology, December 8
- 2003 The Roy Adaptation Model and Knowledge Development from Grand and Middle-Range Theory, Sigma Theta Tau Nursing Society, Salem State, October 8
- 2003 Implications of the 21<sup>st</sup> Century Developments of the Roy Adaptation Model, Roy Adaptation Association 4<sup>th</sup> Annual Conference, Kennebunkport, Maine. May 18.
- 2002 Influence of the Roy Adaptation Model on the Discipline of Nursing. University of Sabana, Bogota, Colombia, August 8-9
- 2002 Roy Adaptation Model: Development and Application. Keynote Address. Hallym University, Seoul, Korea, May 30-31
- 2002 The Roy Adaptation Model: Core Concepts, Relations, and Definitions. Keynote Address, Hallym University, Seoul, Korea, May 30-31.
- 2002 Expanding on Roy Adaptation Model Developments for the 21<sup>st</sup> Century. Keynote Address. Roy Adaptation Association, 3<sup>rd</sup> Annual Meeting, Kennebunkport, Maine.
- 2002 Nursing Knowledge Impact on Practice: Looking to the Future. Endnote Address. 39<sup>th</sup> Annual Isabel Maitland Stewart Conference on Research in Nursing, Nursing Education Alumni Association of Teachers College, Columbia University, New York, NY
- 2002 The Trends and Future of Nursing. Keynote Address. Pan American International Nursing Forum, El Salvador, San Salvador.
- 2002 Principles for Change in a Time of Transition. Epsilon Beta Chapter, Sigma Theta Tau International, Fitchburg State College. Fitchburg, Massachusetts.
- 2002 Principles for Change in a Time of Transition. Nurses Week Celebration Caritas Norwood Hospital, Norwood, MA.
- 2002 Closing The Gap in Health Disparities. AAN program, November, Boston, MA
- 2002 Roy Adaptation Model and Nursing Diagnosis (with D. Jones) for Visiting Nurse Educators from Japan, Boston College, Chestnut Hill, MA
- 2002 Roy Adaptation Model: Major Themes, Philosophy, and Science. Visiting Nurse Educators from Japan, Boston College, Chestnut Hill, MA
- 2001 Middle Range Theory Development in Nursing: Using Examples from 25 Years of Roy Adaptation Model Research. Symposium Paper. Sigma Theta Tau International 12<sup>th</sup> International Nursing Research Conference, Copenhagen, Denmark.
- 2001 Knowledge as Cosmic Imperative and Impact on the Health Care System. Plenary Session Paper. Knowledge Impact Conference 2001. Sheraton Newton Hotel, Newton, MA
- 2001 Challenges of Many Faces: Unity, Diversity and Subjectivity. Keynote Address. Philippine Nurses Association of New England, Inc. 4<sup>th</sup> Eastern Regional Convention: Quincy, MA
- 2001 Unity, Diversity and the Challenge of the Future. Keynote Address First Conference of the American Nurses Association of Maine. Portland, ME
- 2001 21<sup>st</sup> Century Directions for the Roy Adaptation Model. Boston Based Adaptation in Research in Nursing Society, Second Annual Meeting of Extended Membership, Kennebunkport, ME.
- 2001 Nursing Theory: Is it Relevant in Today's Academic and Clinical Setting? Concurrent Session. New Century, New Challenge. Towards Excellence in Promoting Productive Learning. Maine Educators Conference. Kennebunkport, ME
- 2000 Nursing Contributions to the 21<sup>st</sup> Century: Practice and Possibilities of Nursing Theories. Invited Lecture and Panel discussion. 15<sup>th</sup> Anniversary Expert Nurse

- Conference on the 21<sup>st</sup> Century with 800 and 1,000 participants. Osaka, Japan, repeated Tokyo, Japan.
- 2000 The Roy Adaptation Model in the Context of Nursing Models with Examples of Application and Difficulties. Culture of Caring for Nurses, University of Alicante, Alicante, Spain.
- 2000 Update on the Roy Model by the Theorist. Boston Based Adaptation Research in Nursing Society, First Annual Meeting of Extended Membership, Falmouth, MA.
- 2000 Theoretical Implications of Standardized Nursing Languages and Electronic Databases. North American Nursing Diagnosis Association Conference 2000, Forging Links, Orlando, FL.
- 2000 Middle Range Theory Development in Nursing: The Roy Adaptation Model and Middle Range Theory in Research. Pre-conference Workshop Eastern Nursing Research Society (ENRS), Annual Scientific Sessions, Newport, RI
- 2000 Quality of Life: Synthesis of Session. ENRS, Annual Scientific Sessions, Newport, RI
- 2000 Knowledge for Practice: Research on Cognitive Recovery. Nurses Week Celebration, Massachusetts General Hospital, Boston, MA.
- 1999 State of the Science in Pediatric Oncology Research Summit, at NIH Natcher Conference Center, Bethesda, MD. Attended and gave critique.
- 1999 Four speeches given at 2 Day Conference in Tokyo, Japan Aug. 9-10 and Osaka Japan, August 12 - 13, 1999.
- Development and Evolution of Roy's Adaptation Theory Research.  
The Roy Adaptation Model: Core Concepts, Relations, and Definitions.  
Roy Adaptation Model-Based Knowledge of Individuals.  
Roy Adaptation Model-Based Knowledge of Groups  
Dialogue on Assumptions Related to Values and Spirituality
- 1999 Philosophical and Practice Implications of Roy Model Update for Students, St Mary's Junior School, Kurume, Japan
- 1999 Insights into Interpreting 1999 Edition of the Roy Adaptation Model for Faculty, St Mary's Junior School, Kurume, Japan
- 1999 The Roy Adaptation Model: A Tool for Nursing Science Development-Four day Conference for Faculty of 19 Schools of Nursing in Thailand, Sponsored by Federal Ministry of University Affairs, held at Faculty of Nursing (Siriraj), Mahidol University, Bangkok, Thailand
- Epistemology of Nursing Science  
Structure of Nursing Knowledge  
Strategies for Nursing Theory Development  
Overview of the Roy Adaptation Model  
Classification of Nursing Diagnosis Based on the Roy Adaptation Model  
Advanced Nursing Practice through the Roy Adaptation Model  
Instrument Development using the Roy Adaptation Model  
Research Based on the Roy Adaptation Model  
A Tension Between Theory and Practice
- 1999 The Roy Adaptation Model: An Approach to Knowledge for Effective Practice. Annual Public Lecture. University College Dublin-National University of Ireland.
- 1999 Nursing Science and Spirituality, with faculty of University College Dublin, Ireland. Feb.

- 11.
- 1999 Nursing Education and Scholarship, with faculty of Trinity College, Dublin, Ireland. Feb. 15.
- 1999 Recent Developments of the Roy Adaptation Model video teleconference lecture and discussion with faculty and students of North Carolina Tech. Apr. 16.
- 1999 Introduction; Conference Summary and Plans for the Future. Knowledge Consensus Conference 1998: Generation of a Value-based Position Paper Linking Nursing Knowledge and Practice Outcomes, Boston, MA. Oct. 22-24.
- 1999 Recent Developments of the Roy Adaptation Model. Video Teleconference. Faculty and Students of North Carolina Tech.
- 1999 Conceptual Basis for Advanced Nursing Practice-Discovering Theories Throughout the Lifespan and Across Cultures (with S. Chase and C. Mandle). National Organization of Nurse Practitioner Faculty. 25<sup>th</sup> Annual Conference, San Francisco, CA.
- 1999 Research Symposium. Knowledge Development: Implications of an Integrated Research Review of the Roy Adaptation Model Research (with BBARNS). Eastern Nursing Research Society Annual Conference, New York, New York.
- 1999 The Roy Adaptation Model: History and Update. Sigma Theta Tau International, Lambda XI Chapter, Chicopee, MA. Mar. 21.
- 1999 Acute Phase Nursing Interventions for Improving Cognitive Functional Status in Patients with Mild and Moderate Closed Head Injury (with D. Hanna). Eastern Nursing Research Society Annual Conference, New York, New York. Apr. 9-11.
- 1999 A Conversation with Sister Callista Roy, Discussing Development and Implications of the Roy Adaptation Model for the 21<sup>st</sup> Century. Educational Program, Lambda XI Chapter, Sigma Theta Tau International, Holyoke, MA.
- 1999 Practice and Research Imperatives from Roy Model-Based Research Synthesis, Research Poster, Annual Spring Research Program, Alpha Chi Chapter, Sigma Theta Tau International, Boston College, Chestnut Hill, MA.
- 1998 Guest Lecturer at O'Connor Chair of Nursing Winter Lecture and Workshop Series at Hartwick College, Oneonta, New York, March 12 and 13, 1998.
- 1998 Conversations with Sister Callista Roy, Sigma Theta Tau, Theta Alpha Chapter College of Nursing at University of Massachusetts at Boston.
- 1998 Mentorship: A Personal Story. Delivered to MNA District 5 at Boston College. Nov. 4.
- 1998 Practice and Research Imperatives from Roy Model-Based Research Synthesis, Poster, American Academy of Nursing Annual Scientific Sessions, Acapulco, Mexico. Oct. 31-Nov. 1.
- 1998 Introduction, Summary and Plans for the Future. Delivered at Knowledge Consensus Conference, Boston, MA. Oct. 22-24.
- 1998 Research Symposium, Synthesis of Research Based on the Roy Adaptation Model: Directions for Practice and Theory Development. 10<sup>th</sup> International Research Congress, Sigma Theta Tau International, Utrecht, The Netherlands. July 13-14.
- 1998 NANDA and Nurse Theorists: The Truth of Theory. Delivered at NANDA 25<sup>th</sup> Anniversary Conference, St. Louis, MO. Apr. 23-25.
- 1998 Served as the opponent in the public disputation of a doctoral dissertation at the University of Tampere, Helsinki, Finland: "The Older Person's Adaptation and the Promotion of Adaptation in Home Nursing Care," by Alli Taival. Apr. 3.

- 1997 Nursing Knowledge: Linking philosophy, theory and research. Keynote for International Conference on Research Based Nursing Practice. Jyvaskyla, Finland. February.
- 1997 International Workshop, Nursing Research Institute, Padua, Italy. Life and Professional Experiences of Callista Roy; The Roy Adaptation Model: Core Concepts, Relations and Definitions; The Roy Adaptation Model in Clinical Practice; Critical Factors in the Use of Roy's Model in Practice; Curriculum Development from Roy's Presepective; The Model Validation: Cuirrent State; Final Debate and Questions of the Roy Adaptation Model. June 2-3.
- 1995 The Roy Adaptation Model as the Basis for Research. University of Montreal and McGill University Schools of Nursing. October.
- 1995 The Roy Adaptation Model: Influences in Inception, Development and Future. Keynote Address. Accepted Invitations (delivered by Stacey Barone). Barcelona, Spain and Padua, Italy. October.
- 1995 Roy Adaptation Happenings Around the Globe: Nursing's Future Innovation and Adaptation. Mount Saint Mary's College, Los Angeles. October.
- 1995 Coping and Adaptation Processing and Recovery from Acoustic Neuroma. National Symposium of Acoustic Neuroma Association, Boston. July.
- 1995 Adaptation Processing and Health Outcomes, closing speech for plenary sessions at University of Athens. June.
- 1994 Adaptation Processing and Health Outcomes, podium paper. Workgroup of European Nurse Researchers Scientific Sessions, Oslo, Norway.
- 1994 The Philosophical Assumptions of the Roy Adaptation Model in Nursing Education, Lewis and Clark State University, ID. November.
- 1994 The Essential Concepts and Development of the Roy Adaptation Model, by auditorium audio-video telecasting to several state universities, Indiana. November.
- 1994 Current Developments with the Roy Adaptation Model in Practice and Research. Keynote Address. Conference the Use of the Roy Model in Nursing Practice. St. Joseph's Hospital, Lewiston, ID. November.
- 1994 Cognitive Adaptation Processing Scale: Development and Testing. Research Podium paper. With K. Frederickson. Work group of European Nurse Researchers, Biannual Conference, Oslo, Norway.
- 1991 Testing Concepts from the Roy Adaptation Model. Symposium Moderator and paper Model Concepts and Developing Knowledge for Practice, International Research Conference, Council of Nurse Researchers, American Nurses Association, Los Angeles, CA
- 1991 Treatment of Dyspnea and Functional Status in Chronic Obstructive Pulmonaryaa Disease, PI on NRSA Grant of the Convener of Symposium and co-author of paper. Breathing Re-training: Pursed Lip Breathing and Dyspnea in COPD.
- 1991 Diaphragmatic breathing and dyspnea in COPD. Poster (with Breslin, E. Celli, B., Jairo, R.)
- 1991 Dealing with Fatigue after Acoustic Neuroma, Workshop at Annual National Symposium of the Acoustic Neuroma Association, Atlanta, GA
- 1991 National and International Perspective on Use of the Roy Model. Keynote for Annual West Coast Colloquium of schools and health care agencies using the Roy Adaptation Model

- 1990 Structure of knowledge: Paradigm, model and research specifications for differentiated practice. In American Academy of Nursing. Annual meeting Differentiating Nursing Practice: into the Twenty-First Century, Charleston, South Carolina
- 1990 Theory and Research for Clinical Knowledge Development. Keynote, Nursing Research Society. of Japan, Kyoto
- 1990 Background, Use, and Values of the Roy Adaptation Model, Plenary session, St. Mary's Hospital Annual Medical Conference, Krume, Japan
- 1990 Strategies in Commitment to Clinical Knowledge Development, Sigma Theta Tau, Epsilon Tau Chapter Induction Ceremony Address, Manchester, New Hampshire.
- 1989 Clinical Knowledge Development. Major Address, Research Day, School of Nursing Boston College.
- 1989 Commitment to Scholarship, Sigma Theta Tau, Iota Alpha Chapter, Induction Ceremony Address, Wayne, New Jersey.
- 1989 The Person as an Adaptive System: Twenty-five Years Later. Keynote for Research Conference, An Adaptation Approach to Stress and Coping. William Paterson College, Wayne, New Jersey.
- 1989 Practical Application of Roy's Adaptation Model, Public Lecture for educators and practitioners, Queensland Cancer Fund, Brisbane, Australia.
- 1989 The Necessity of Support for a Brain Tumor Person and the Family, Lecture for Multidisciplinary health care providers, patients, and families, at Queensland Cancer Fund, Brisbane, Australia.
- Nursing Theory in Practice: Roy's Adaptation Model, Public Lecture, Canberra College of Advanced Education, Canberra ACT, Australia.
- 1988 Nursing in Society: Image and Impact. Keynote Address, Seventh Annual National Nursing Symposium, Los Angeles, CA
- 1988 Adaptation Nursing at Work in Education and Practice. Major Address, Nursing Resources Conference, Theoretical Orientations for Nursing, Halifax, Nova Scotia
- 1987 Nursing Practice, Adaptation of Nurses, Medical Practitioners, Patients to Trauma and Rehabilitation. Pre-Conference Day Workshop. Institute for the Study of Learning Disabilities, Stuart Campus, South Australian College of Advanced Education. Bedford Park, So. Australia.
- 1988 International Conference on Recovery from Brain Injury, Institute for the Study Learning Difficulties and the Australian Brain Foundation, One of four international keynote speakers. Adalaide, So. Australia. Day two: Keynote, Nursing Care in Theory and Practice: Early Intervention in Brain Injury, Panel on Distinct Issues of the Day's Proceedings. Day four: Keynote, Ethical, Legal and Social Issues: Return to Community Life; Summary of day's proceedings. Closing Forum, Conference Outcomes, with other Keynote Speakers and Hon. Dame Roma Mitchell.
- 1989 National Nursing Theory Conference, South Australian College of Advanced Education, Adelaide, So. Australia. Day one: Keynote, The Roy Adaptation Model: Origins and Development, Critique workshop and Plenary Session, Replies from Speakers. Day two: Keynote, The Roy Model in Practice.
- 1989 Theory and Model Development and Applications, Public Lecture for Faculty and Nursing Service Staff of affiliated institutions, Phillip Institute of Technology, Melbourne, Victoria, Australia.

- 1989 Nursing Models and Knowledge for Neurological Nursing, Public Lecture for Faculty of Colleges in Victoria, Phillip Institute of Technology, Melbourne, Victoria, Australia.
- 1988 Adaptation Nursing at Work in Education and Practice. Major address, The Registered Nurses Association of Nova Scotia, Conference on Theoretical Orientations for Nursing, Halifax, Nova Scotia.
- 1988 The Adaptation Framework - A Model for Nursing Practice, School of Nursing, Medical College of Virginia, Richmond, VA.
- 1988 Clinical Knowledge Development: Can Practice Make Theory. Public lecture, Medical College of Virginia, Richmond, VA.
- 1988 Nursing in Society: Image and Impact. Keynote, Seventh Annual National Nursing Symposium, Cedars-Sinai Medical Center, Los Angeles, CA.
- 1988 Nursing Research Based on the Roy Adaptation Model, University of Michigan School of Nursing.
- 1987 Nursing Knowledge for Clinical Practice: Focus and Process for Development. One of two American Plenary Speakers. Sigma Theta Tau International Research Congress, University of Edinburgh, Scotland.
- 1987 Information Processing: Testing Model Based Interventions. Podium Paper. International Nursing Research Conference, Council of Nurse Researchers, Washington, D.C.
- 1987 Philosophy and Development of the Roy Adaptation Model; Application of the Roy Model in a Hospital Setting; and Future Directions for the Model. Major Speaker for Workshop, Marianjoy Rehabilitation Center, Wheaton, IL
- 1989 Influence of Nursing Models on Clinical Decision Making. International Conference on Clinical Judgment and Decision Making, Calgary, Alberta, Canada.
- 1987 The Roy Adaptation Model Approach to Nursing Science. Plenary session, two forum sessions and theorists panel, Chaired by R. Scholfeld and H. Peplau. Nurse Theorist Conference, Discovery International, Pittsburgh, PA.
- 1988 Cognitive Processing: A Nursing Model with Clinical Applications; Acoustic Neuoma: 500 Patients Describe Life After Surgery, research paper; Bioethical Issues for Neuroscience Nurses (3-hour special session with interdisciplinary panel), American Association of Neuroscience Nurses Annual Meeting, Dallas, TX.
- 1987 Nursing Interventions for Cognitive Recovery: A Pilot, Poster Presentation. 20th Annual Communicating Nursing Research Conference. Western Society for Research in Nursing, Tempe, AZ.
- 1987 Let's Celebrate the Unity and Pluralism of Nursing. Dinner Speaker, Regional Assembly of California Nurses Association.
- 1987 Developing Knowledge for Practice: Theory, Research, and Practice. Arizona State University, Tempe, AZ
- 1987 Testing Nursing Interventions for Cognitive Recovery. First Annual Nursing Research Conference, San Francisco General Hospital, San Francisco, CA.
- 1987 The Roy Adaptation Model: Theory, Practice, and Research. California State University, Sonoma, CA.
- 1986 Reaching for Excellence as a Practice Discipline: A Neuroscience Nursing Contribution, Keynote Address, Nursing Research Conference, University of Minnesota, MN
- 1986 Roy's Model by the Theorist, School of Nursing, University of Minnesota, MN.

- 1986 Unity and Pluralism: Nursing Theory, Research, and Practice, Sigma Theta Tau, Villanova University, Third Research Day, Villanova, PA
- 1986 Nursing Theory and Practice. Class on Issues in Nursing, San Francisco State University, San Francisco, CA.
- 1986 Research: Link Between Theory and Practice, Keynote Address, Octoberquest, Nursing Research Conference, Veterans Administration and UCLA, Santa Monica, CA.
- 1986 Nursing Models, Research, and Their Relevance to Practice, The First Nursing Colloquium, Daniel Freeman Memorial Hospital, Inglewood, CA.
- 1986 Neurological Assessment of the Head Injury Patient, Continuing Education, Intensive Care Nursing, San Francisco General Hospital, San Francisco, CA
- 1986 Application of Research to Theory and Models; Relationship Between Theory and Research, in Graduate Courses, School of Nursing, Vanderbilt University, Nashville, TN.
- 1986 Nursing Intervention for Cognitive Recovery: A Program of Clinical Research; Unity of the Discipline: Plurality of Models, Distinguished Professor Lectures, School of Nursing, Vanderbilt University, Nashville, TN.
- 1986 Overview of the Roy Adaptation Model and Its Contribution to Nursing as a Practice Discipline. Nursing Theory Congress, Toronto, Ontario, Canada.
- 1986 The Roy Adaptation Model: New Perspectives and Clinical Research, Nursing Faculty Dinner, Mount St.Mary's College, Los Angeles, CA.
- 1986 Cognitive Recovery in Head Injury, Public Lecture; Designing Nursing Interventions for Cognitive Recovery, Doctoral Colloquium on Clinical Therapeutics, University of Washington School of Nursing, Seattle, WA.
- 1986 Clinical Scholarship: Theory and Research in Practice, Keynote Address, Annual Clinical Conference, Sigma Theta Tau, Vanderbilt University, Nashville, TN
- 1986 Scholarship in Nursing, Sigma Theta Tau Induction dinner, Vanderbilt University, Nashville, TN.
- 1986 The Roy Adaptation Model: Origin, Development, and Update, Northeast Missouri State University, Division of Nursing, Kirksville, Missouri
- 1987 Planning and Testing Information Processing Interventions During the First Month after Injury. A Nursing Model to Guide Head Injury Rehabilitation. Santa Clara Valley Medical Center, National Head Trauma Rehabilitation Conference, San Jose, CA.
- 1988 Methodological Issues in Testing Theories, the Roy Model, Sigma Theta Tau National Conference on Nursing Knowledge: Improving Research Through Theory, San Francisco, CA.
- 1989 The History of the Nursing Diagnosis Movement, Opening Paper, and panel on Implications for Curriculum, University of California, San Francisco, Department of Physiological Nursing, Faculty In-Service Day.
- 1985 Cognitive Recovery in Head Injury: Descriptive study of Patients, with Mild and Moderate Injuries, Podium Paper, Council of Nurse Researchers, San Diego, CA.
- 1985 The Future of Nursing Science: Response of the Academy, Annual Meeting, American Academy of Nursing, San Diego, CA.
- 1985 The Roy Adaptation Model and Rehabilitation Nursing, Closing Address, Association of Rehabilitation Nurses, 11th Annual Educational Conference, Atlanta, GA. (delivered by B. Randell).
- Keynote for Roy Adaptation Model Conference, Niagara University, Niagara NY.

- 1985 The Roy Adaptation Model, Overview and Moral Ethical Dimensions, Mid-American Nazarene College, Olatha, KS.
- 1985 Conference on Nursing Models, Royal College of Nursing, University of Ulster, Northern Ireland.
- 1985 Roy Adaptation Model. Royal College of Nursing, London, England.
- 1985 Nursing Theory Related to Clinical Research and Practice, the University Hospitals, Copenhagen, Denmark.
- 1985 Research and Adaptation Theory Workshop (Major Faculty Presenter), University of Lund, the Malmo School of Education, funded by Nordiska Forskarkurser, Malmo, Sweden. Related lectures in Arhus, Denmark; Stockholm and Uppsala, Sweden; and Lararhogskolan in Malmo.
- 1985 Nursing Theory in Action. Major address and chair of Research Sessions on Roy Adaptation Model, Edmonton, Alberta, Canada.
- 1985 Nursing diagnosis in concert with nursing science, practice, and research. Address to Southern California Nursing Diagnosis Association, Long Beach, CA.
- 1985 Roy, C. Kirk, L. and Wu, R. Defining and measuring the impact of three nursing practice models, (delivered by Kirk) Measurement of Clinical and Educational Nursing Outcomes Conference, New Orleans, LA.
- 1985 Senior Nurse Educators Panel, 18th Quadrennial Congress, International Council of Nurses, Tel Aviv, Israel.
- 1985 Changes in Cognitive Processes: Head Injury Patients, Research Paper, Sigma Theta Tau Conference, Clinical Scholarship, Networking Internationally, Jerusalem, Israel.
- 1985 Plenary Session. Synthesis of Proceedings, Clinical Scholarship: Networking Internationally, Sigma Theta Tau, Jerusalem, Israel.
- 1985 Roy Model Assumptions, Concepts, and Principles, Nurse Theorist Conference, Discovery International, Pittsburg, PA.
- 1986 Roy's Model: Dimensions of Theory and Practice, One Day Conference, Health Sciences Division, Humber College and Registered Nurses' Association of Ontario, Toronto, Ontario.
- 1985 Cognitive Processing in Patients with Closed Head Injury, Poster Session, Western Society for Research in Nursing, 18th Annual Communicating Nursing Research Conference, Seattle WA.
- 1986 Cognitive Recovery of Patients with Closed Head Injury, Research Paper, Annual Scientific Program of the American Association of Neuroscience Nurses, Atlanta, GA.
- 1985 Theory and Research with a Clinical Focus, Keynote address, Fifth Annual Nursing Theory and Research Conference, University of Evansville, Evansville, IN
- 1985 Directions for the Roy Adaptation Model as Influenced by Clinical Research, Dinner Speech, University of Evansville, Evansville, IN.
- 1985 Clinical Research: Recovery from Head-Injury, Robert Wood Johnson sponsored colloquium, Rutgers University and Middlesex General-University Hospital, New Brunswick, New Jersey.
- 1985 Nursing Theory Conference - The Adaptation Model: From Theory into Practice. The State University of New Jersey, Rutgers, Newark, NJ.

- 1985 Neuroscience Nursing - Cognitive Processing in Patients with Closed Head Injury. Second Annual Faculty Research Day, University of California, San Francisco, School of Nursing.  
Nursing Research: Models for Clinical Practice, Keynote address, Fifth Annual Spring Nursing Symposium. Division of Nursing, Lewis Clark State College, Lewiston, ID
- 1985 Nursing Theory: The Bridge to Excellence in Practice (by way of clinical research), Keynote Address, Sigma Theta Tau Chapter, Annual Research Symposium, City of Hope, Duarte, CA.
- 1984 Changes in Simultaneous and Successive Information Processing in Patients with Closed Head Injury: A Preliminary Report. National Advisory Committee, Robert Wood Johnson Clinical Nurse Scholars Program, University of California, San Francisco.
- 1984 Values for Science: A Clinical Nurse Scholar's Perspective, Inaugural Address Geraldine Crawford Distinguished Nursing Lecture Series, University of San Francisco, School of Nursing.
- 1984 Progress with the Roy Adaptation Model. University of Alabama, School of Nursing, University of Alabama in Birmingham
- 1984 Collaboration: Strategy for Nursing Effectiveness. Sixth Annual Graduate Conference, University of Portland School of Nursing.
- 1984 The Roy Model in Community Health Nursing. Keynote, and Application Sessions, Eighth Annual Community Health Nursing Conference, Chapel Hill, North Carolina.
- 1984 Explanation in Nursing: The Theorists Perspective. Symposium chaired by S. Gortner (delivered by B. Randell). Western Inter-state Commission on Higher Education in Nursing, Research Conference, San Francisco.
- 1984 The Roy Adaptation Model: Plenary session, and two sessions on application. Nurse Theorist Conference (attended by persons from 16 different countries), Edmonton, Canada
- 1984 Overview of the Roy Adaptation Model and Issues for Implementation. Kaiser Permanente, Anaheim, CA.
- 1984 The Roy Adaptation Model: New Developments, New Demands. Lecture, School of Nursing, University of California, San Francisco.
- 1985 Advances in practice and the case of neuroscience nursing, Keynote Address, 16th annual meeting of American Neuroscience Nurses, San Francisco.
- 1986 Panel: Models in Nursing Practice, National Conference for Clinical Nurse Specialists, University of California Hospital, San Francisco.
- 1983 Roy's Adaptation Model: Further Dimensions. Invited lecture. Case Western Reserve University, School of Nursing.
- 1983 New Dimensions: Roy's Adaptation Model. Keynote address, Fourth Roy Adaptation Model Conference, Mount Saint Mary's College, Los Angeles, CA.
- 1983 Commentary on the Development of Nursing Knowledge. Annual Graduate Conference, University of Portland, Portland, OR.
- 1983 Scholarly Expectations of Graduate Students, University of Portland, School of Nursing, Portland, OR.
- 1983 Jornadas Sobre Modelo de Enfermeria de la Adaptacion de Roy y Desarrollo Curricular, for Nurse leaders of Chile, Concepcion, Chile.

- 1983 The Roy Adaptation Model in Practice and Education. Conference of the Scientific Committee of College of Nursing, Lima, Peru.
- 1983 Nursing Advancements: Models in Practice for the 80's. Workshop for Oregon Nurses' Association, Roseburg, OR.
- 1982 Diagnostic Nomenclature in Nursing: A Professional Issue. Sigma Theta Tau, Loma Linda University.
- 1982 Visions of Nursing for the 80's. Sigma Theta Tau Program for Texas Panhandle Nurses. Enhancing Nursing Practice Through Research. Sigma Theta Tau Luncheon Program, Amarillo, Texas.
- 1982 Nursing Research and the Roy Adaptation Model. Fourth Annual Graduate Conference, University of Portland.
- 1982 Nursing: A Theoretical Approach. Nursing Services, Shawnee Mission Medical Center.
- 1982 Framework for Classification Systems Development: Progress and Issues. Fifth National Conference on Classification of Nursing Diagnoses, St. Louis, Missouri.
- 1982 Conceptual Frameworks in Nursing. Faculty In-service, University of Portland.
- 1982 The Accountability of Nursing Science. Sigma Theta Tau Research Lectureship, Hampton Institute, Hampton, VA.
- 1981 A Vision of Nursing in the 1980's. Panel Member with Claire Fagin and Luther Christman at Sigma Theta Tau Convention, Minneapolis, Minnesota.
- 1981 Roy's Adaptation Theory: A Conceptual Model for Nursing Practice, and the Implementation via the Nursing Care Plan. Baptist Medical Care Center, Springfield, MA.
- 1981 Roy's Adaptation Model: Evaluating Ten Years of Progress and Setting Future Goals. Keynote address: The Third International Conference on the Roy Adaptation Model of Nursing. Mount Saint Mary's College, Los Angeles, CA.
- 1981 Implementing the Roy Adaptation Model in Education and Practice. Faculty and Students, The University of Calgary, Calgary, Alberta, Canada.
- 1981 Adaptation Model of Nursing: Historical Review and Current Developments. University of Texas, School of Nursing, Austin, Texas.
- 1981 Nursing Theory in Education and Practice: Progress and Potential. Fifth National Leadership Conference, sponsored by Journal of Nursing Administration and Nurse Educator, Houston, Texas.
- 1980 A Systems Model of Nursing Care and Its Effect on the Quality of Human Life, The International Congress on Applied Systems Research and Cybernetics, Acapulco, Mexico.
- 1980 Nursing Theory and the Roy Adaptation Model. Louisiana State University. Nurse Theorists Series.
- 1980 Nursing 1980: Priorities for Action, Induction Speech, Sigma Theta Tau, Gamma Tau, University of California at Los Angeles, CA.
- 1980 Nursing 1980: A Time for Priorities. Induction Speech, Sigma Theta Tau, Alpha Chi Chapter Boston College School of Nursing, Boston, MA.
- 1979 Theory Development of the Roy Adaptation Model, In-Service Educators of Orange County, CA.
- 1980 Preliminary Thoughts on the use of the Roy Adaptation Model in Community Environment Specialization. First Annual Graduate Conference, Planned Change in Nursing Practice. The University of Portland, School of Nursing.

- 1978 The Roy Adaptation Model Workshop. A Practical Look at Nursing Models. Sigma Theta Tau, Gamma Tau Chapter, University of California, Los Angeles.
- 1978 First Annual Nursing Seminar, Keynote address, St. John's Hospital, Santa Monica, CA
- 1978 Nursing Diagnoses: Tomorrow's Language. American Nurses' Association Convention, Honolulu, Hawaii.
- 1978 The Stress of Hospital Events: Measuring Changes in Level of Stress, Part of Research Symposium on Stress, Western Council on Higher Education in Nursing, 11th Annual Communicating Nursing Research Conference, Portland, OR.
- 1978 Conceptual Frameworks in Nursing Curriculum. In Nursing Horizons: Current Changes, Future Directions, The University of Texas, San Antonio, Texas.
- 1978 Conceptual Framework in Nursing Education. Nurse Educator Conference, Chicago, IL.
- 1978 Progress and Challenge of the Roy Model in Nursing Education. Keynote Address, A National Conference on Roy's Adaptation Model in Nursing Curricula, Alverno College, Milwaukee, WI.
- 1978 The Future of Nursing. Keynote Address, National League for Nursing Forum for Nursing Service Administrators, San Diego, CA.
- 1978 Conceptual Framework for Primary Care in Baccalaureate Programs, Keynote address, United States Department of Health, Education, and Welfare, Primary Care Conference, Denver, CO.
- 1977 Conceptual Framework in Nursing Education, and Application of a Research Model in Basic Education, Panel Member, Nurse Educator Conference, Chicago, IL.
- 1977 The Roy Adaptation Model of Nursing, in Colloquium Series, Conceptual Models of Nursing - Implications for Practice, Research and Education, University of Connecticut.
- 1977 The Roy Adaptation Model, Workshop: A Practical look at Nursing Models, Sigma Theta Tau, Gamma Tau Chapter, University of California at Los Angeles, CA.
- 1976 Nursing Taxonomy Development. Regional Conference on Classification of Nursing Diagnoses, Cherry Hills, New Jersey.
- 1976 The Roy Adaptation Model - Past, Present, and Future, Frontiers of Knowledge Series, Wayne State University, Detroit, Michigan.
- 1975 The Impact of Nursing Diagnoses, American Operating Nurses Congress, Dallas, TX.
- 1974 Research Methodology and the Roy Model, Western Council on Higher Education in Nursing, Open Forum on Nursing Research, Los Angeles, CA.
- 1974 Nomenclature and Classification System of Nursing Diagnoses, Panel Member, American Nurses' Association Convention, San Francisco, CA.
- 1973 Adaptation Nursing in Home Health. Allied Home Health Agency, San Diego, CA.
- 1973 Growth of the Adaptation Model: A Challenge for Practice, Adaptation Revisited Symposium, Mount Saint Mary's College, Los Angeles, CA.
- 1972 Clinical Performance Evaluation. Continuing Education Workshop, Loma Linda University, Loma Linda, CA.
- 1972 Pilot Study to Develop Test of One Aspect of Nursing as the Promotion of Patient Adaptation. Fifth Annual Conference, Communicating Nursing Research, Western Council on Higher Education in Nursing, Reno, NV.
- 1972 Implementation of a Nursing Model and the Problem-Oriented Record. Neuropsychiatric Institute, University of California at Los Angeles.

- 2004                    Role Cues for the Mother of the Hospitalized Child, Clinical Session, American Nurses' Association Convention, 1968, and California Nurses' Association Institute co-sponsored with American Academy of Pediatrics.

**CONTINUING EDUCATION CONFERENCES, AND COURSEWORK:**

- 1978-2015            Annual Scientific Sessions of American Academy of Nursing
- 1992-2013            Eastern Nursing Research Society Annual Research Conference
- 2014                    Christology (3 unit summer session course), School of Theology and Ministry, Boston College
- 2009                    Symposium, *The Call to Heal: Finding Meaning and Purpose in the Healthcare Vocation*, a one week course at Saint Joseph's College, in Standish, ME July 19-26, 2009. Gave the keynote "Reflections on a Life Lived in Response to a Call to Heal."
- 2008                    Expert Panel on Global Nursing and Health, American Academy of Nursing Annual Meeting and Conference, Scottsdale, AZ, November 8, 2008
- 2008                    Council for Advancement of Nursing Science, 2008 National State of the Science Congress on Nursing Research. Omni Shoreham Hotel, Washington, D.C. October 2-4, 2008
- 2008                    Roy Adaptation Association 9<sup>th</sup> Annual Conference, "Challenges of Globalization 2008: The Roy Adaptation Model Focus on the Good Of Society". Gave the Keynote address at Massachusetts General Hospital, Boston, Massachusetts. September 27, 2008.
- 2008                    The Combined 12<sup>th</sup> International Philosophy of Nursing Conference in association with IPONS and the 15<sup>th</sup> New England Nursing Knowledge Conference, "Nursing Science: Knowledge Development for the Good of Persons and Society" gave closing address at Boston Park Plaza Hotel, Boston, MA September 24-26, 2008.
- 2008                    Roy Adaptation Model Practice and Research, Autonomous University of San Luis Potosi, San Luis Potosi, Mexico. Presented two speeches and ran two days of workshops for Nursing Faculty and Students. June 1-5, 2008.
- 2007                    Professional Responsibility, Interdisciplinary Collaboration and leadership in Clinical ethics, Discussion leader
- 2003                    Clinical Researcher's Beware; Privacy Rule is Closer Than You Think, Massachusetts General Hospital, March 11, 2003
- 2003                    Policy on Obtaining Informed Consent for Non-English Speaking Research Patients, St. Elizabeth's Medical Center, January 27, 2003
- 2003                    Clinical Innovations and Entrepreneurial Ventures: Once Nurse Practitioner's Experiences Thinking Outside the Clinical Box, Sigma Theta Tau International Honor Society of Nursing, Alpha Chi Chapter, Connell School of Nursing, Boston College, January 22, 2003
- 2003                    Doctoral Education Conference, "Seeking Clarity in the Complexities of Doctoral Education, January 29 – February 1, Sanibel Island, Florida
- 2002                    Board of International Faith and Science Exchange. Stem Cell Research and Ethics, conference co-host. November 2, Boston

- 1999 American Academy of Nursing, Scientific Program on Shaping Health Policy. Nov. 18-20.
- 1999 Nursing Theory: Into the 21<sup>st</sup> Century. Community Hospital. Toms River, NJ. Dec. 1.
- 1999 Carondelet Health Care System, annual meeting, on changes in health care related to ministry. July 29.
- 1999 Annual spring research program, How a Patient Problem Drives Clinical Research: Managing Resistiveness to Care in Patients with Dementia, Alpha Chi Chapter, Sigma Theta Tau International, Boston College. May 12.
- 1998 State of the Art and Science of Genetics Nursing: A Knowledge Development Conference, Johns Hopkins Institute, Sept. 18-19.
- 1998 Inaugural Susan Gortnor Nursing Knowledge Conference, University of California, San Francisco. Apr. 16-17.
- 1998 Continuing Education on Multicultural Realities, Sisters of St. Joseph of Carondelet. Aug. 7-9.
- 1992 Philosophy Department Monthly Seminars on Philosophy of Science
- 1991 Psychology Department Weekly Workshop of Faculty and Doctoral Students interested in Cognition
- 1991 Council of Nurse Researchers, Biennial Research Conference
- 1991 Conference on Shaping the Future of Religious Life , Cultural Diversity, and Goal Setting for the Province
- 1991 National Center for Nursing Research, National Institutes of Health, Fifth Anniversary Celebration featuring newly appointed head of NIH
- 1991 NCLEX Exams, Boston College
- 1990 Tour of Japanese Hospital and meetings with nurse educators and clinicians
- 1991 Tour of Wesley Hospital out-patient chemotherapy department, and demonstration of ongoing research of nursing intervention to reduce edema and discomfort in women post-mastectomy, Queensland Cancer Fund, Brisbane, Queensland, Australia.
- 1989 Individual conference on comparison of U.S. & Australian health care systems, Mr. Graeme Brien, Executive Director, Queensland Cancer Fund, Brisbane, Queensland, Australia.
- 1989 Informal session regarding changing educational and health care delivery patterns in Canberra, Professors Irving, Irwin, James, and Proctor, Canberra College of Advanced Education, Ms. C. Sakamoto, Acting Director of Nursing, Royal Canberra Hospital, Ms. Geri Taylor, Senior Nurse Advisor, Dept. of Health & Comm. Services, and Sister Beverly Neil, Director of Nursing, Calvary Hospital.
- 1989 Visit with Miss Aileen Monck, Director of Nursing, Flinders Medical Centre.
- 1989 Visit with neurosurgical nursing staff/administration, Austin Hospital, Melbourne, Australia.
- 1988 Braintree Annual conference on Head Injury Rehabilitation (3 days), Boston, MA.

- 1988-91 Seminars in Behavioral Neurosciences with M. Muselum, Director, Division of Neuroscience and Behavioral Neurology, and multidisciplinary staff, Beth Israel Hospital, Boston, MA.
- 1992 National Forum on Doctoral Education in Nursing, University of Arizona College of Nursing, Tucson, AZ
- 1988 Sybil Palmer Bellos Lecture in honor of the 90th birthday of Virginia Henderson, The Yale University School of Nursing.
- 1987-88 Four days of orientation to Nursing Practice at Beth Israel Hospital, Boston, MA.
- 1988 Nursing in the Neurosurgical ICU. Symposium. Massachusetts General Hospital, Boston, MA.
- 1987 Mild to Moderate Brain Injury, University of Michigan, Section of Neurosurgery, State of Art Papers (12 cr. hr.). Member of interdisciplinary consensus committee on direction for research for next 5 years.
- 1987 International Nursing Research Conference, Council of Nurse Researchers, Washington, D.C.
- 1990 Annual Scientific Sessions of the American Academy of Nursing (also 1989, 1987, 1986, 1985, 1984, 1983, 1982, 1981, 1979, and 1978).
- 1986 Faculty Computer Seminar, Boston College, School of Nursing.
- 1987 Visitor to Clinical and Research Programs in Neurosurgery/Neuropsychology, Astley Ainslie Rehabilitation Hospital Edinburgh, Scotland.
- 1987 Visitor to Clinical and Research Programs, Institute of Neurological Sciences, Southern General Hospital, Glasgow, Scotland.
- 1987 Malignant Gliomas. Department of Neurosurgery, University of California, San Francisco, CA.
- 1987 Neurotrauma--Workshop. University of Michigan, Section of Neurosurgery.
- 1986 Consultation on Head Injury Research. University of California, San Diego; St. Joseph's, Phoenix; and Marionjoy, IL.
- 1986 Annual Meeting, Society for Neuroscience, Washington, D.C.
- 1987 Fifth Health Care Assembly, Sisters of St. Joseph, Los Angeles, CA.
- 1986 Cognitive Information Processing Testing Workshop, J.P. Das, University of Alberta, Edmonton, Alberta, CA.
- 1988 Visits to Head Injury Treatment Facilities: Massachusetts General Hospital, Neuro Intensive Care; The Greenery Rehabilitation Center; New England Sinai Chronic Disease/Rehabilitation Hospital, Boston, MA.
- 1986 Neurotrauma '86, American Association Neurosurgeons Joint Section on Trauma, Santa Barbara, CA.
- 1985 Traumatic Brain Injury 1985: An Advanced Approach to Acute and Chronic Treatment, International Conference, Sacramento, CA.
- 1985 Changing Brain Seminar (7.5 hours). California Neuropsychology Services, San Rafael, CA.
- 1984 8th Annual Conference on Brain Injury Rehabilitation, Coma to Community, San Jose, CA (21.5 hours).
- 1985 The Basics of Searching Medline. University of California San Francisco Library (10 hours).

- Plasticity in Neurobiology: Cell to Behavior. Short Course, and Proceedings of 14th Annual Meeting, Society for Neuroscience, Anaheim, CA.
- 1984 Neurological Foundation of Behavior: Implications for Health, Psychology, Education Seminar (7.5 hours). California Neuropsychology Services, Oakland, CA.
- 1984 Nursing Action: From politics to patients. Sixth Annual Graduate Conference. University of Portland School of Nursing.
- 1985 Twenty-Fourth Annual Meeting of Sleep Research Society, Toronto, Ontario, Canada.
- 1984 Coma to Community, Seventh Annual Conference - Head Trauma Rehabilitation, Santa Clara Valley Medical Center.
- 1983 Structure to Outcome, Making it Work, The First Annual Symposium on Faculty Practice, American Academy of Nursing. Orlando, FL.
- 1983 Values in Health Care, University of California, San Francisco, Al Jonsen. (1 unit graduate course)
- 1983 Council of Nurse Researchers, Minneapolis, Minnesota.
- 1983 Western States Conference on Research in Oncology Nursing, Portland, OR
- 1983 Comprehensive Exams for Graduate Students, Faculty Workshop, School of Nursing, University of Portland, Portland, OR
- 1983 First National Rogerian Conference, New York University, NY
- 1982 Neurological Assessment and ICP Monitoring (8 hours). Queen of the Valley Hospital, Covina, CA.
- 1983 Career Mobility: Levels of Competency from LVN to BSN, Los Angeles, CA. (12 hours)
- 1982 National Conference on Nursing Diagnoses (also 1972, 1974, 1976, 1978, 1980).
- 1982 Nursing Research: Tools and Strategies. Sigma Theta Tau and City of Hope Medical Center.
- 1982 Social Analysis and Consumerism, Social Justice Secretariat, Sisters of St. Joseph. Los Angeles, CA.
- 1981 In Defense of life: A Conference on Nuclear War, Human Survival, and Christian Responsibility. Loyola/Marymount University, Los Angeles, CA.
- 1981 Scholars in Action. Sigma Theta Tau Convention, Minneapolis, Minnesota.
- 1981 Roy's Adaptation Theory. Two-day Seminar, Baystate Medical Center, Springfield, MA.
- 1981 International Council of Nursing, Quadrennial Congress. Los Angeles, CA.
- 1981 The Third International Conference/Workshop on the Roy Adaptation Model in Nursing. Mount Saint Mary's College, Los Angeles, CA.
- 1981 Nursing Theory Symposium. Grant MacEwan Community College, Edmonton, Alberta, Canada.
- 1982 Roy's Adaptation Model for Nursing. Conference in Fredericksburg, VA.
- 1980 Fifth National Leadership Conference, sponsored by Journal of Nursing Administration, Houston, TX.
- 1980 Changes: A Life Transition Workshop. La Jolla, CA.
- 1978, 1990 American Nurses Association Convention (also 1972 and 1974)
- 1977-78 Nurse Educator Conferences, Chicago and New York.

- 1976-77 Leadership Seminar, Sisters of St. Joseph of Carondelet, Los Angeles, CA (120 hour course)
- 1976 Nursing Theory Colloquium, University of Arizona.
- 1974 Developing an Effective Leadership Style. California State University, Los Angeles, CA.
- 1973 Western Council on Higher Education in Nursing, Workshop on Minority Cultures.
- 1973 & 1980 Adaptation Revisited. Conference, Mount Saint Mary's College, Los Angeles, CA.  
On Death and Dying, Elisabeth Kubler-Ross, Los Angeles, CA.  
Human Potential Conference, Los Angeles, CA.
- 1972, '78, '85, '87 Western Council on Higher Education in Nursing Research Conferences.
- 1970 The Use of Videotape in Teaching Nursing, California State University, Los Angeles, CA. (Semester Course)
- 1969 California Nurses' Association Conventions (also 1973 & 1977).
- 1969 Crisis Intervention Theory, California State University, Los Angeles, CA. (Semester Course)
- 1966 & 1971-74 National League for Nursing, Council of Baccalaureate and Higher Degree Programs, Agency Representative.

**PROFESSIONAL ACTIVITIES:**

**Appointments**

- 2000-present Research Associate, Munn Center for Nursing Research, Massachusetts General Hospital
- 2014- present Reviewer, *Advances in Nursing Science*
- 2016-present  
Chile Editorial Board, *Official journal of the Nursing School of the University of Valparaiso*,
- 2001-2006 Editorial Board for *Research and Theory for Nursing Practice: An International Journal*
- 2000 Participant in NIH State of the Science Summit for pediatric oncology nursing research, to critique the research of Dr. Ki Moore on cognitive changes in children who have had treatment for cancer. February.
- 2000 Committee to Defend and Improve Health Care (For Patients Not Profit), Founding Member
- 2000-present Executive Committee of the Faith and Science Exchange for the Boston Theological Institute; later, Board member Inter F&S Exchange
- 1998 Advisory Board of the Faith and Science Exchange, Boston Theological Institute
- 1998-1999 Planning committee (BTI connected) for faculty seminar for 1998-1999 at Harvard Divinity School on Religions, Medicine and Healing, chaired by medical anthropologist Dr. Linda Barne.
- 1998 Appointed by the Chair of IRB, St. Elizabeth Hospital, to subcommittee to review committee's policies and procedures in the light of congressional hearings concerning instructional review boards.
- 1998 Temporary member, nursing research study section, National Institutes of Health Center for Scientific Review
- 1998 Review panel, *Scandinavian Journal of Caring Sciences*

- 1998 Ad Hoc Reviewer, Nursing Research Study Section Division of Research Grants, National Institutes of Health.
- 1995-2006 Human Subjects Institutional Review Board, St. Elizabeth's Medical Center, Boston, MA.
- 1981-1991 Acoustic Neuroma Association, Board Member
- 1987-89 Conference Planning Committee, Wingspread Conference on Knowledge about Care and Caring: State of the Art and Future Developments, American Academy of Nursing.
- 1989 Special Site Visitor, Small Business Grants, Division of Research Grants, National Institutes of Health.
- 1988 Select committee on Integrity in Science Division of Research Grants National Institutes of Health.
- 1987-91 Charter Member, Nursing Research Study Section Division of Research Grants, National Institutes of Health.
- 1987 Ad Hoc Nursing Research Study Section, Division of Research Grants, National Institutes of Health.
- 1987 Manuscript Reviewer, Swedish International Journal on Caring.
- 1987 External Examiner, Ph.D. thesis, University of Alberta.
- 1986 Review Panel, Sigma Theta Tau, International Research Congress.
- 1986-2008 Advisory Board, *Nursing Science Quarterly*.
- 1983- Task Force, Knowledge Development and Utilization, American Academy of Nursing.  
Expert Panel on Collaboration in Nursing Education, Practice, and Research, Division of Nursing, U.S. Department of Health and Human Services.
- 1978-80 Committee on Aging, Sisters of St. Joseph of Carondelet, Los Angeles, CA.
- 1978-79 Academic Advisory Committee, Pepperdine University, Department of Nursing, Los Angeles, CA.
- 1979 Manuscript Reviewer, *Journal of Research in Nursing and Health*
- 1981 Acoustic Neuroma Association Executive Board Member and Program Development Committee Chair.
- 1981 Manuscript Reviewer, Reston Publishing Company.
- 1981-83 Editorial Board, Image, The Journal of Nursing Scholarship
- 1980 Manuscript Reviewer, Appleton-Century-Crofts Publishing Co.
- 1977-83 Editorial Board, Nurse Educator
- 1976-80 Editor, Nursing Series Prentice-Hall Publishing Co.
- 1975-85 Manuscript Reviewer, Prentice-Hall Publishing Co.
- 1998 Appointed by the Faculty of Medicine of the University of Tampere, Helsinki, Finland, as the opponent in the public disputation of a doctoral dissertation given by Alli Taival on April 3, 1998.
- 1989 Host for group of Nurse Educators from the United Kingdom interested in nursing theory, Boston College, Boston, MA.
- 1987 Hosted Canadian Scholar, Professor J. P. Das, for two-day visit to Department of Neurosurgery, University of California, San Francisco, CA.
- 1989 Planned and conducted first Leadership Roundtable for Acoustic Neuroma Association National Symposium; led two workshops on Returning to Work.

- 1986 Commencement Address Nursing Students, Cerritos College, Crystal Cathedral, Anaheim, CA.
- 1970-89 International visitors hosted regarding Roy Adaptation Model, Curriculum, and Research, including Japan, Korea, Australia, New Zealand, India, Kenya, Iceland, Denmark, France, United Kingdom, Egypt, Canada, The Netherlands, Sweden, and Switzerland.
- 1984 Group Leader, Life after Acoustic Neuroma: Returning to the Job, Fourth Annual Symposium of the Acoustic Neuroma Association.
- 1984 Cognitive Recovery in Head Injury. Neurology-Neurosurgery Conference, School of Medicine, University of California, San Francisco General Hospital.
- 1984 Address to the graduates, Mount Saint Mary's College, Department of Nursing.
- 1984 Acoustic Neuroma: A Life Experience. Third Annual Symposium of the Acoustic Neuroma Association.
- 1984 Booth for National Acoustic Neuroma Association at American Association of Neurological Surgeons, Annual Meeting, San Francisco
- 1983 Luncheon Address, Regional Acoustic Neuroma Association Meeting Sacramento, CA.
- 1983 National Advisory Board Panel, Acoustic Neuroma Association Symposium, Nashville, TN
- 1983 Commencement Address, School of Nursing, University of Tulsa, Tulsa, OK
- 1983 Commencement Address, Royal Alexandra Hospital School of Nursing, Edmonton, Alberta, Canada.
- 1982 One-Sided Hearing Loss: The Patient's View. Acoustic Neuroma Association, Fist National Symposium, Hershey, PN
- 1982 Marina Mercy Hospital Health Fair, Marina del Rey, CA.
- 1980 Graduation Address, Columbus Hospital, School of Nursing, Milwaukee, WI
- 1978 University Commencement Address, University of Portland, Portland, OR
- 1977-80 Health Care Consultant for Social Justice Secretariat, Sisters of St. Joseph, Western States
- 1976-82 Founder and Chair, Nurse Theorists Group of National Conference on Nursing Diagnosis
- 1974-75 Western Council on Higher Education for Nursing, Curriculum Steering Committee.
- 1973-76 Social Justice Secretariat, Sisters of Saint Joseph of Carondelet, Western States, Core Team
- 1973-74 Tripartite Liaison Committee on Nursing Education, Independent Colleges Representative
- 1973 Dialogues with Leaders in Education. National League for Nursing, Council of Baccalaureate and Higher degree Programs, Kansas City, Missouri.
- 1972-75; 1975-81 Hospital Council of Southern California, Personnel and Education Committee
- 1972-78 National Task Force for Classification of Nursing Diagnoses
- 1972-82 National Group for Classification of Nursing Diagnoses.
- 1972-73 California Nurses' Association, Sub-Committee Nursing Educators
- 1971-74 Directors of Baccalaureate and Higher Degree Programs in California (Chair 1973-74).

**Legislative Activity:**

- 1973-74 Testimony at Public Hearings and at State Assembly Committee Hearings, and headed delegation of leading Deans on the State of California to reach compromises with Assemblyman Gordon Duffy on legislation aimed at curriculum changes in higher education in nursing.
- 1974 KNBC Radio News, Los Angeles. Live broadcast on federal impoundment (by President Nixon) of funds for nursing education and research.
- 1972 Network-one week training in Social Justice Lobbying, Washington, DC

**Public Media:**

- 2008 Televised Interview with Fr. Robert Reed, for Catholic Televisión program *This is the Day* April 25
- 2006 Videotaped interview, Universidad de la Sabana, Chia, Colombia, Marketing Department, March 8.
- 2006 Videotaped interview, Universidad de la Sabana, Chia, Colombia, Administration, March 10.
- 1998 Audiotaped interview for Howard University, Mar. 5.
- 1998 Videotaped interview for students from Brockton Hospital School of Nursing and graduate students at UMass Boston, Feb. 19.
- 1991 *The Nurse Theorist: Excellence in Action*. Sr. Callista Roy, Pilot for second series produced by David Wallace, Studio Three, Oakland, CA, filmed in New York and California.
- 1990 Interviews for major nursing journals in Japan
- 1990 *The Nurse Theorists: Portraits of Excellence*, Sr. Callista Roy, produced by David Wallace, Studio Three, Oakland, CA, filmed in Boston, MA.
- 1989 Interview for newspapers on nursing and on head injury in Canberra Times and The News, Adelaide, South Australia.
- 1989 Live radio interview on social-ethical problems in head injury. Public radio, 5 UV, with Simon Royal, University of Adalaide, South Australia.
- 1989 Live radio interview on nursing and ethical issues. ABC, with Judith Lester, held at Royal Show Grounds, Adelaide, South Australia.
- 1989 Taped TV interview on head injury. Australian Broadcasting Company. Aired on evening news.
- 1970-88 News features and articles, Los Angeles Times, Los Angeles Examiner, Newspapers in Augusta, Milwaukee, New Orleans, Amarillo, Lewiston, UCSF Magazine, Toronto Star, Boston College Biweekly.
- 1987 *Nursing Theory: Circle of Knowledge*, Video Tape, National League for Nursing, Clinical practice, research, taped interview at San Francisco General Hospital.
- 1987 *Nurse Researchers History*, Photos, Tape, story, and Oil Paintings, Ann Lyness, University of Pittsburg.
- 1987 *Roy Adaptation Model*, Video Journal, Toronto, Canada.
- 1987 TV Ontario, photos, biographical materials for educational program on nursing conceptual models.
- 1985 *Issues Related to Model Developments*, Video interview for Idaho Nurse Educators.
- 1983 *On Campus, the Roy Adaptation Model*, 30 minute television broadcast for Independent Colleges done by NBC, Los Angeles.

1981 Nightly TV News, Springfield, MA

**Mount Saint Mary's College:**

**University Activities:**

1977-79 Chairs and Deans Policy Committee  
1977-78 Task Force II Committee on Liberal Arts Education  
1977-78 Ad Hoc Committee on Fee Structure  
1977-78 Honors Committee  
1972-1973 Interdepartment Symposium Planning Committee  
1971-72 President's Core Committee for Institutional Concerns  
1970-71 Student Life Policy Board  
1969-71 General Education Committee

**Mount Saint Mary's College:**

**School of Nursing:**

1982-83 Committee to combine A.D. and B.S. Curricula  
1977-80 Curriculum Committee Chair  
1977-80 Executive Committee Chair  
1977-79 Roy Model Small Grants Committee, Chair  
1972-74 Committee on Career Ladder Articulation  
1972-73 Committee on Medical-Moral Issues  
1977-78 Admissions Committee  
1970-74 Admissions Committee  
1969-74 Curriculum Committee Chair  
1968-73 Undergraduate Psychiatric Training Project, Director  
1968-69 Committee for Re-writing Philosophy of Nursing Department

**University of Portland:**

**School of Nursing:**

1977-84 Curriculum Committee  
1977-84 Admissions Committee  
1979, 81 82,-83 Chair and Member Oral Comprehensive Examination Committee  
1980-82 Subcommittee on Curriculum Framework, Curriculum Committee

**University of California, San Francisco:**

**School of Nursing:**

1970-83 Visiting Lecturer in Graduate Nursing Theory and Curriculum Courses, Frequently  
1983-1987 Visiting lecturer-School of Medicine and Other University Hospitals: Nurse Management Group, Veterans Administration Hospital, Presentation on implementing the Roy Adaptation Model in practice settings, San Francisco, CA.

**International Visitors to UCSF:**

**School of Nursing**

1987 Lund, Sweden on clinical research; Umea Sweden on patient information processing; Quebec, Canada on the Roy Adaptation Model and Nursing Diagnosis; Australia, Clinical research; France, Nursing Education and Practice.

1986 Wales, on the Roy Adaptation Model with the dying. Professional Education:

**Consultation in Neuro Research and Clinical Practice**

- 1986 Supervision of independent study by SICU Head Nurse, San Francisco General Hospital (SFGH), on stress related to transfer from SICU
- 1986 Critical Care Nurses SFGH, Neurosurgical Assessment and Head Injury
- 1986 Department of Physiological Nursing, Faculty Workshop on Nursing Diagnosis, Major Speaker
- 1985 SFGH Nursing Education and Research Staff - Presentation and discussion of the process of clinical research
- 1985 UCSF Clinical Nurse Specialists - Discussion of the National Task Force on Nursing Diagnosis, Prior to their implementation project
- 1989 Clinical Neurosurgery and Intensive Care Teaching Ward Rounds, with D. Simpson, Professor of Neurosurgery, and staff, Royal Adelaide Hospital, Adelaide, So. Australia.
- 1990 Ward Teaching Rounds, Neurological Case Study, with R. Burns, Director Neurology, Flinders Medical Center, Adelaide, So. Australia.
- 1987 Neurosurgery, House Staff, SFGH, Cognitive Processing Measurement
- 1985 Nursing, San Francisco General Hospital, Cognitive Recovery Research
- 1984 Neurology, Neurosurgical and Psychiatry attending and House Staff, San Francisco General Hospital, Minor Head Injury
- 1983 Neurosurgical Nursing General Rounds, Moffitt Hospital, ICU, Care of AVM Patient

**University of Binghamton, NY**

**School of Nursing**

- 2008 External reviewer for Doctoral Dissertation on Multiple Ways of Knowing by Rural Nursing in the Community

**University of Alberta, Edmonton:**

**School of Nursing**

- 1991 External reviewer for Doctoral Dissertation on the Roy adaptation Model in Canadian Education.

**University of Tampereen Teknillinen Korkeakoulu, Finland.**

**School of Nursing**

1988. External examiner for Doctoral Dissertation. Taival: *The older person's adaptation and the promotion in home nursing care: action research of the intervention through training based on the Roy Adaptation Model*

**Pepperdine University:**

**School of Nursing:**

- 1978-79 Academic Advisory Committee

**External Reviewer for Promotion and/Tenure, US Schools of Nursing**

On-going—about 4 a year

**Boston College:**

**School of Nursing:**

- 2012-2014 Chair, Faculty Search Committee

2012-2016	Member, Promotions Committee
2011-2013	Core Group for conducting PhD comprehensive committees
2010-2012; 2015-	Member, Educational Policy Committee
2009-2010	Member, PhD Program Committee
2008-2009	Member, PhD Program Committee
2006-2007	Chair, PhD Program Committee
2005-2006	Chair, Core Planning Group
2005	Chair, Faculty Retreat on Ten Year Plan
2004-2005	Chair, Task Force for University Planning
2002-2003	Chair, PhD Program Committee
2002-2003	Faculty Forums on Mentoring PhD Students, Co-Planned Chair, PhD Program Committee; Member, Search Committee for Associate Dean for Graduate Programs
1999-2001	Promotions Committee
1999-2000	Chair, PhD Program Committee
1999	Search Committee for Associate Dean for Graduate Programs
1998-1999	Faculty Search Committee
1998	Subcommittee on PhD student admissions
1998	Subgroup to draft statement on PhD student research development, including practica, symposia, and research day
1998	Co-Chair – 10 Year Evaluation of PhD Program
1995-1996	PhD Program Committee Chair
1994-95	Educational Policy Committee, with extra responsibilities related to NLN accreditation report and visit.
1995-1996	Promotions subcommittee, temporary member
1995-2013	Committee on writing PhD comprehensive exams
1994-1995	Policy Committee, with extra responsibilities related to NLN accreditation report and visit.
1991-1993	Faculty Affairs Committee
1991-1993	Promotion Committee
1991-2006	Doctoral Colloquium Committee, Advisor
1991	Co-Chair Committee to Evaluate Doctoral Program and prepare report for Board of Trustees on first three years
1991-93	Faculty Affairs Committee, member; Chair Faculty Development
1991	Faculty Self-Study and Retreat Day, Co-Chair
1987 - 1991	Doctoral Planning and Implementation Group Member
1989,90,91	Faculty workshops and consultations on research grants, including NRSA applications
1988-90	Faculty Promotion Committee, Member
1988 - 89	Faculty Resource Committee, Member
1988 - 89	Curriculum Task Force

1988 - 89 Vice Chair Faculty  
1988 - 89 Core Elements Work Group, Nursing Theory  
1988 - 90 Faculty Promotion Committee, Member  
1988 Visiting Scholar Committee, Volunteer Member  
1987 - 89 Doctoral Admission Committee, Member  
1987 - 88 Curriculum Task Force on Nursing Research, Member  
1988 Visiting Scholar Committee, Volunteer Member  
  
1983 - 86 Consultant, Doctoral Feasibility Committee

**University Wide:**

2005- 2012 Provost/Academic Vice President advisory committee  
2005-2008 University Assessment and Planning committee in preparation for 150<sup>th</sup> anniversary  
1999-2002 Faculty Review Panel  
1992 University Hearing Committee, Alternate for School of Nursing  
  
2002 Church in the 21<sup>st</sup> Century Project, Volunteer  
1999 Appointed to serve on the Jesuit Institute Faculty Seminar on Crimes, Corrections and Social Justice, Chaired by Dr. Pat Byrne.  
1999 Speaker for Experiencing God V series, sponsored by the Jesuit Community at Boston College. Oct. 19.  
1999 Assistant director, faculty study group  
1998-1999 University Committee on Student Formation for The Center for Ignatian Spirituality, report to President Leahy  
  
1998 Faculty Review Committee, Boston College  
1991 University Hearing Committee, Alternate for School of Nursing  
1988 Work Group, Implementing Human Subjects Institutional Review Board, Chair  
1987 - 90 University Research Council, Member

**TEACHING AND ADVISEMENT:**

**Boston College:**

**Doctoral level:** Program Planning

Co-Chair PhD Program Implementation, Three year Evaluation and Report to Board of Trustees  
Epistemology of Nursing (planned and taught)  
Re-designed course Epistemology: Historical and Contemporary Influences on Knowledge—taught 2015  
Strategies of Knowledge Development (planned and taught)  
Themes of Inquiry: I Clinical Topics (teaching first time S 09)  
Research Practica  
Dissertation Advisement  
Dissertation Continuation

Themes of Inquiry (guest seminars)  
Co-Chair PhD Program Ten Year Evaluation

**Dissertation Chair:**

**Masters level:**

Nursing Theory and Process  
Research Practicum  
Conceptual Basis for Advanced Nursing Practice  
Ethical Decision-making in Advanced Practice

**Mount Saint Mary's College**

Undergraduate courses in maternity nursing, pediatric nursing, nursing in long term illness, health care issues, nursing research and selected topics such as Roy Adaptation Model and Issues in Nursing Education.  
Leadership experience for students in Boston

**University of Portland:**

Developed Graduate courses in Theoretical Frameworks in Nursing, Comparing Models in Nursing Practice, Developing Knowledge in Clinical Practice; formal lectures, student evaluation, group discussions, project guidance.  
Guest lecturer Graduate Course on Power and Change  
7 Independent Study Graduate Courses  
Faculty In-Service to Implement a Nursing Model

**University of California, San Francisco:**

Seminars on Developments of the Roy Adaptation Model; Nursing Theory and Roy Adaptation Model; Physiology and Pathophysiology; Nursing Theory, The Roy Model, and Clinical Theory, Clinical Research on Human Information Processing, Nursing Models and Diagnosis, and Family Health Care. Courses at Masters and Doctoral levels in three departments.  
Presentation of Stress/Adaptation Theories Basic to Roy Adaptation Model.

**California State University System Teaching:**

San Francisco: Nursing Theory and Practice

Sonoma: Roy Model Development and Current Research

Hayward: Roy Model in Practice and Research

**University San Francisco:**

Theory Development in Nursing (semester course for new M.S. program in Nursing).

Trends and Issues in Nursing and Health Care (as above)

**Vanderbilt University:**

Theory and Research

Theory Development

**Guest Faculty:**

Frequently 1991 to present in 36 countries, plus virtual in 7 additional countries

- |           |  |
|-----------|--|
| 1991      | Nursing Theory Class for Masters Students, University of Massachusetts, Amherst  |
| 1991      | Roy Adaptation Seminar for undergraduate students who financed trip from Ontario, Canada   |
| 1991      | Theory Class for Masters Students, University of Rhode Island  |
| 1990      | University of Alabama, 1 unit, doctoral course, Issues in the Epistemology of Nursing  |
| 1987      | Forum for Post graduate nursing students, Canberra College of Advanced Education, Canberra, ACT, Australia.  |
| 1989      | Guest seminar, Masters Class, Stuart campus, South Australian College of Advanced Education.   |
| 1989      | Joint Masters Students Discussion, Programs in area, Phillip Institute of Technology, Melbourne, Australia.  |
| 1993      | Clinical teaching of physical assessment with head injury patients, Baccalaureate students of Phillip Institute at Austin Hospital, Melbourne, Australia.  |
| 1987      | Medical College of Virginia, Doctoral student class on Knowledge Development with the Roy Adaptation Model: Focus and Progress.  |
| 1988      | The University of Michigan, School of Nursing, lecturer in doctoral course on Selected Topics in Nursing: Neuroscience Research and Theory, on Cognitive Function/Information Processing.                                      |
| 1986      | Clinical Nursing Study, agency mentor for B.S. student at Holy Names College, Oakland, project entitled, "The Nurse's Role in Reducing Stressors Experienced by Trauma Patients on Transfer From Critical Care to Floor Care". |
