

## **CURRICULUM VITAE**

**Ralph J. DiClemente**  
4279 Roswell Road, NE, Suite 102-256  
Atlanta, GA 30342  
(678) 641-2744  
e-mail: [rdiclem@emory.edu](mailto:rdiclem@emory.edu)

### **EDUCATION**

1984-1986	Fellow	Post-doctoral Fellow in Social and Behavioral Sciences of the American Cancer Society University of California, San Francisco
1984	Ph.D.	University of California San Francisco Center for Behavioral Sciences (Health Psychology)
1978	Sc.M.	Harvard University, School of Public Health Department of Behavioral Sciences
1973	B.A.	The City College of the City University of New York (CCNY)

### **HONORS/AWARDS**

Member; External Leadership Council, College of Health Sciences and Human Services, California State University, April 2016

Vice-Chair, Saint Petersburg AIDS Congress, St, Petersburg, Russia, Oct 2015

Visiting Distinguished Professor, Saint Petersburg State University, Faculty of Arts & Sciences, Russia, September 2014

Appointed to the National Institutes of Health, Office of AIDS Research Advisory Council, July 2014 - Sept 2017

CDC recognizes *AMIGAS* (for Latinas) and *EBAN* (for HIV serodiscordant heterosexual African American couples) as Tier I evidence-based HIV risk-reduction interventions

Ramsey Lecture in Public Health, University of Georgia, School of Public Health, GA, March 6, 2014

Douglas B. Kirby Adolescent Research Award, from the Healthy Teen Network, Savannah, GA, October 24, 2013

Ranked in top 5% of investigators for receipt of NIH funding over the past 25 years

Thomson ISI identified as a "Highly Cited Author"

HHS Office of Adolescent Health recognizes the *Horizons* program and the *SiHLE* program as demonstrating evidence of effectiveness in reducing teen pregnancy, STIs, and associated sexual risk behaviors; recommended for use and disseminated; 2010

Public Health Sciences Distinguished Speaker, Wake Forest University, NC, June 29, 2010

Finalist, Atlanta Health Heroes Award, May, 2009.

Appointed to the Board of Scientific Counselors, Coordinating Center for Infectious Diseases, United States Centers for Disease Control and Prevention, 2008-2011

Appointed to the National Advisory Mental Health Council, National Institute of Mental Health, National Institutes of Health, 2008-2012

Invited Guest speaker, Dean's Council, Rollins School of Public Health, May 2008

Visiting Distinguished Professor, Department of Psychology, University of Spain, 2007-2013  
 Prevention Pioneer Award in HIV/AIDS from the Morehouse School of Medicine and  
 Georgia Department of Community Health, Office of Minority Health, February 24, 2005  
 Selected for Academic Keys Who's Who in Health Sciences Education, 2003  
 McAuley Lecture, Georgetown University, November 3, 2003  
 Great Teachers Lecture, Emory University, February 17, 2000  
 Recipient of the 1999 Society for Adolescent Medicine/Organon Pharmaceutical Visiting  
 Professorship in Adolescent Research  
 Ira Hiscock Lecture for 1996, University of Hawaii, School of Public Health, Oahu, HI, October 29, 1996  
 Robert S. Rixse Memorial Lecture, Children's National Medical Center, Washington, DC, June 4, 1996  
 Kroeber Anthropological Society, Plenary Address, March 7, 1987, University of California, Berkeley, CA

**ACADEMIC DISTINCTION**

**University of California, San Francisco**

1984-1986 American Cancer Society Post-doctoral Fellowship in Behavioral & Social Sciences  
 University of California Dissertation Award  
 1982-1983 Fellow of Sierra Pacific Soroptomists International of the Americas  
 American Medical Association award for Student Medical Research  
 1981-1983 Robert F. Murphy Fellowship, research in cancer control, American Cancer Society

**Harvard University**

1976-1978 National Institutes of Mental Health Fellowship in Psychiatric Epidemiology  
 1976-1977 John E. Thayer Scholarship  
 1976-1977 Who's Who in American Colleges

**The City College of The City University of New York (CCNY)**

1973 Graduated cum laude  
 Psi Chi Honor Society in Psychology

**PROFESSIONAL EXPERIENCE**

**Current Positions**

Charles Howard Candler Professor of Public Health  
 Rollins School of Public Health of Emory University

Associate Director; Prevention Sciences, Center for AIDS Research

Co-Director, Developmental Core, Center for AIDS Research

Senior Scientist, Center for Contextual Genetics and Prevention Science

Senior Scientist, Atlanta Clinical and Translational Sciences Institute

Professor; Department of Pediatrics, Division of Infectious Diseases,  
 Epidemiology and Immunology, School of Medicine, Emory University

Professor; Department of Medicine, Division of Infectious Diseases,  
 School of Medicine, Emory University

Professor; Department of Psychiatry, School of Medicine, Emory University

Professor; Woodruff School of Nursing, Department of Community  
and Family Nursing

Adjunct Professor; Morehouse School of Medicine  
Department of Community Health and Preventive Medicine

Affiliated Faculty; Vulnerability and the Human Condition Initiative,  
Emory University School of Law

Affiliated Faculty; Emory Global Diabetes Research Center

Member; Advisory Board; Emory-Tibet Center for Contemplative Science  
and Secular Ethics

Sept 2006-Aug 2008 Co-Director; Graduate Studies, Department of Behavioral Sciences and  
Health Education, Rollins School of Public Health of Emory University

May 2000-Nov 2010 Co-Director, Behavioral Sciences Core, Center for AIDS Research

May 1998-Aug 2000 Chairman; Department of Behavioral Sciences & Health Education  
Rollins School of Public Health of Emory University

Aug 1994-May 1998 Professor; School of Public Health, Department of Health Behavior  
University of Alabama at Birmingham

Professor; School of Medicine, Department of Medicine, Division of  
Infectious Diseases, University of Alabama at Birmingham

Professor; Department of Pediatrics, Division of General Pediatrics  
and Adolescent Medicine, University of Alabama at Birmingham

Professor; Department of Sociology, Social Medicine Program, University  
of Alabama at Birmingham

Co-Director; Prevention Sciences Program, Center for AIDS Research  
University of Alabama at Birmingham

Senior Scientist; Comprehensive Cancer Center, Cancer Control &  
Prevention Program, University of Alabama at Birmingham

Senior Scientist; Center for Health Promotion, University of Alabama at  
Birmingham

Jan 1993-June 1993 Program Coordinator; PhD Program in Health Behavior, University of Alabama at Birmingham  
 Visiting AIDS Scholar; University of Maryland, College of Health, College Park, MD

1990-1993 Senior Research Scientist; Multicultural Research Institute, Bayview-Hunter's Point Foundation, San Francisco, California  
 Research Psychologist; Department of Epidemiology & Biostatistics and Center for AIDS Research, University of California, San Francisco

### **GRANT FUNDING**

#### **Pending Support with Fundable Score**

July 2016 – June 2021 Core Director/Investigator (Venkat Narayan, PI; 1P30DK111024-01)  
 Project title: Georgia Diabetes Translation Research Center  
 Source: National Institute of Diabetes and Digestive and Kidney Diseases/NIH  
 The goal of this center is to serve as a platform to increase investigator capacity, share expertise, and generate and disseminate knowledge to influence practice and policy to improve diabetes outcomes.  
 Total Costs: \$2,308,190  
 Role: Co-Director; Community Engagement & Behavior Change Core

Sept 2015 - Aug 2017 Investigator (Andrea Swartzendruber, PI; R03DA039797)  
 Project title: Impact of Drug Use on HIV/STI Risk across Development among African American Female Adolescents: An Integrative Data Analysis  
 Source: National Institute on Drug Abuse/NIH  
 Total Costs: \$168,157  
 This study will use existing data to examine the impact of drug use on HIV and sexually transmitted infection (STI) risk across development and investigate the extent to which behavioral HIV/STI prevention interventions reduce drug use behaviors among African American female adolescents.

July 2014 – June 2019 Investigator and Director, Translation & Implementation Science Core (Gene Brody, PI; 2P30DA027827-06)  
 Project Title: Center for Translation & Prevention Science: Vulnerability to Drug Use & HIV - Advancing Prevention for Rural African Americans  
 Source: National Institute on Drug Abuse/NIH  
 Total Costs: \$4,322,776  
 Role: Director, Translation Research Core

July 2013 – June 2018 Principal Investigator (Gene Brody, Co-PI) (1 U01 DA0362233-01)  
 Project Title: Reducing HIV and Substance Use in Detained Youth Using Implementation Science  
 Source: National Institute on Drug Abuse/NIH  
 Total Costs: \$3,375,848

May 2013 – April 2016	Co-Principal Investigator (Gina Wingood, PI)
Project Title:	Faith in Sustaining SISTA
Source:	AHRQ (1R24HS022059)
Total Costs:	\$298,284
Aug 2013-July 2015	Investigator (Safiya Dalmida PI)
Project Title:	Neurobiocultural African American Girls Study
Source:	National Science Foundation
Total Costs:	\$1,109,035
	Examine neuroimaging response to HIV messages among high-risk adolescents.
Aug 2012 – July 2017	Investigator (Igho Ofotokun and Gina Wingood, Co-PIs; IU01A1103408)
Project Title:	WIHS (Women’s Interagency HIV Study – V)
Source:	National Institute of Allergy and Infectious Diseases/NIH
Total Costs:	\$17,910,035
	Join other WIHS sites participating in the largest prospective multicenter cohort study of HIV+ and HIV- high-risk women in the U.S.
Aug 2012 – July 2017	Investigator/Associate Director, Co-Director, Developmental Core, Director, Scientist Training & Mentorship Program (PI/Center Director: James Curran)
Project Title:	Emory Center for AIDS Research (CFAR)
Source:	National Institute of Allergy and Infectious Diseases/NIH
Total Costs:	\$8,860,810
Sept 2012 – Aug 2016	Principal Investigator on subcontract (Michael Blank, PI; 1R13HD074468)
	Conferences grant to develop and produce the next five Social and Behavioral Sciences Research Network national conferences.
Source:	National Institute of Child Health and Human Development, National Institute of Aging, National Cancer Institute
Total Costs:	\$81,630
Sept 2012 – Aug 2013	Principal Investigator (3R01AA018096-03S1)
Project Title:	Supplement to existing NIAAA award 1R01 AA018096 to explore factors associated with ARV adherence and safer sex among young HIV+ women in St. Petersburg, Russia.
Source:	National Institute on Alcohol Abuse and Alcoholism/NIH
Total Costs:	\$125,934
Sept 2012 – Aug 2015	Investigator (Rana Chakraborty, Project PI; Michele Kegler, Center PI 5U48DP001909-04-1)
Project Title:	Contraceptive Decision-making and Practices among HIV+ Adolescents
Source:	CDC
Total Costs:	\$292,205
Sept 2012 – Aug 2017	Investigator (PI: David Stephens; 2 UL1TR000454)

Project Title: Atlanta Clinical and Translational Science Institute  
 Source: National Institutes of Health  
 Total Costs: \$26,563,947

Sept 2011 – Aug 2012  
 Project Title: Principal Investigator (3R01 AA018096-02S1)  
 Supplement to existing NIAAA award 1R01 AA018096 to explore the feasibility of adding Washington DC as a study site and Howard University as collaborating site to the study “Development and Evaluation of an Intervention to Reduce HIV/STD Risk among Alcohol-using Young African American Female Adolescents”.  
 Source: National Institute on Alcohol Abuse and Alcoholism/NIH  
 Total Costs: \$87,789

June 2011 – Mar 2016  
 Project Title: Investigator (Benjamin Druss, PI; RO1MH07043705)  
 A peer-led medical disease self-management program for mental health consumers  
 The goal of this project is to conduct a randomized trial of a group-based, medical disease management program for persons with serious mental illnesses.  
 Source: NIMH/NIH  
 Total Direct Costs: \$2,190,598

Aug 2011 – July 2016  
 Investigator (Andres Comacho-Gonzalez), PI; U01 PS003322)  
 Metropolitan Atlanta Community Adolescent Rapid HIV Testing Initiative  
 Develop is designed to implement and evaluate an innovative youth-friendly HIV testing program designed to enhance testing uptake by teens.  
 Source: Centers for Disease Control and Prevention  
 Total Costs: \$1,076,484

July 2011- May 2016  
 Project Title: Co-Principal Investigator on Northwestern University Subcontract  
 Hendricks Brown, PI, University of Miami, Gina Wingood, Co-PI, Emory  
 Center for Prevention Implementation Methods on Drug Abuse and Sexual Risk Behavior  
 Source: NIDA (P30DA027828-01A1)  
 Total Costs: \$255,740

Oct 2010 – Sept 2016  
 Project Title: Principal Investigator (1R01 AA018096)  
 Development and Evaluation of an Intervention to Reduce HIV/STD Risk among Alcohol-using Young African American Female Adolescents  
 Source: National Institute on Alcohol Abuse and Alcoholism/NIH  
 Total Costs: \$3,871,729  
 Description: This project develops an innovative intervention using group motivational interviewing designed to reduce HIV/STD sexual risk behaviors and STDs among alcohol-using African American female adolescents seeking sexual health care at clinics.

Oct 2010-Sept 2011  
 Title: Investigator (Tami Thomas, PI)  
 Prevalence and Correlates of Human Papillomavirus (HPV) Vaccination in

Rural Areas

- Source: Robert Wood Johnson Foundation  
Total Costs: \$133,543  
Description: This project assesses parents' and adolescents' attitudes, beliefs, and intentions regarding the importance of being vaccinated with GARDASIL and whether these psychosocial constructs are predictive of adolescents actually being vaccinated.
- Sept 2010 – Aug 2014  
Project Title: Investigator  
Enhancing Adolescent Immunization through Parent and Teacher Interventions (PI: James Hughes; 1U01 IP000413-01)  
Source: Centers for Disease Control and Prevention  
Total Costs: \$1,466,405  
Description: This project develops an innovative intervention using teacher and parent interventions designed to enhance uptake of influenza vaccine among adolescents in rural Georgia.
- Oct 2009 – Sept 2011  
Project Title: Principal Investigator (Melissa Kottke, Co-PI)  
Exploring the Social Determinants of Dual Protection Use by Young African American Women  
Source: Centers for Disease Control and Prevention  
Total Costs: \$717,292  
Description: This project uses multi-methods, both qualitative and observational quantitative research, to identify the facilitators and barriers to using dual protection methods (contraceptives and condoms) during sexual intercourse among 600 African American adolescent girls, 14-18, attending an inner city Teen Clinic at Grady Hospital.
- Jan 2009 – Dec 2011  
Project Title: Principal Investigator  
Development of a Media-based Intervention to Enhance Gardasil Uptake among High-Risk African American Female Adolescents  
Source: Merck  
Total Costs: \$598,466  
Description: This project develops an innovation DVD-delivered intervention designed to enhance uptake of Gardasil among African American female adolescents seeking sexual health care at clinics.
- Oct 2009 – Sept 2010  
Project Title: Principal Investigator  
Supplement to: A Multi-level Intervention for High-Risk Youth  
Source: National Institute of Mental Health/NIH (3U01 MH066907-05S2)  
Total Costs: \$191,833  
Description: This project extends the follow-up of 1600 African American adolescents participating in a multi-level HIV/STD prevention program implemented in four US cities.

<p>Oct 2009 – Sept 2010  Project Title:  Source:  Total Costs:  Description:</p>	<p>Principal Investigator  Supplement to: A Multi-level Intervention for High-Risk Youth  National Institute of Mental Health/NIH (3U01 MH066907-05S1)  \$227,048  This project adds additional STD testing to the follow-up of 1600 African American adolescents participating in a multi-level HIV/STD prevention program in four US cities.</p>
<p>Oct 2009 – Sept 2010  Project Title:  Source:  Total Costs:  Description:</p>	<p>Principal Investigator (5 R01 MH070537-07)  Translating an Evidence-based, Group-delivered HIV/STD Risk-reduction Intervention for African American Adolescent Females to an Individually-delivered DVD Format to Enhance Likelihood of Adoption and Maintenance by County Health Departments  Office of Social and Behavioral Sciences Research/NIH  \$232,326  This project attempts to translate a group-delivered HIV/STD intervention developed for African American adolescent females to a DVD format to enhance its adoption and use by county health departments.</p>
<p>Sept 1 2009 – June 2014  Source:  Total Costs:  Description:</p>	<p>Co-Principal Investigator (Gene Brody, PI; 1 P30 DA027827-01)  Center for Contextual Genetics and Prevention Studies: A Transdisciplinary Center Focused on Rural African American Families  National Institute on Drug Abuse/NIH  \$5,964,484  The Core Center of Excellence’s goal is to increase our understanding of the causes of drug use and abuse and sexual risk behavior among rural African American youth and young adults. Research teams will use genetic and environmental information to better understand how they combine to forecast these risky behaviors. This information will be used to refine prevention programs to deter drug use and sexual risk behavior among rural African American youth and young adults.</p>
<p>Sept 2009 – April 2014  Project Title:  Source:  Total Costs:  Description:</p>	<p>Co-Principal Investigator (Gina Wingood, PI; R01 MD004117)  Faith based HIV prevention for African American Women  National Center on Minority Health and Health Disparities (NCMHD)/NIH  \$1,912,500  The study will assess the efficacy of a faith-based HIV prevention intervention for older African American women.</p>
<p>July 2009 – May 2014  Project Title:  Source:  Total Costs:  Description:</p>	<p>Investigator (Patrick Sullivan, PI)  Explaining Disparities in HIV Prevalence and Incidence Between Black and White MSM  National Institute of Mental Health/NIH  \$3,153,541  This longitudinal cohort study project is designed to examine differences in risk factors and STD and HIV incidence among White and Black MSM.</p>

Jun 2009 – May 2010	Principal Investigator
Project Title:	Assessing HPV Vaccine Acceptance Black and White College Males
Source:	Merck
Total Costs:	\$69,436
Description:	Conduct qualitative and quantitative assessments among White and Black college students to gauge their knowledge, attitudes, beliefs and perceived barriers to receiving Gardasil vaccination.
Aug 2009 – July 2011	Investigator (Patrick Sullivan, PI; 1 R34 MH086331)
Project Title:	Adaptation of Couples Voluntary Counseling and Testing (CVCT) for US MSM
Source:	National Institute of Mental Health/NIH
Total Costs:	\$357,170
Description:	This R34 intervention study is designed to develop, implement, and evaluate HIV counseling and testing for MSM in partnerships.
Jan 2009 – July 2009	Principal Investigator (subcontract to Scott Rhodes, PI, Wake Forest University)
Project Title:	A Partnership Approach to Reducing HIV Disparities among Latino Men
Source:	Center for Health Disparities/NIH
Total Costs:	\$37,035
May 2008 – Feb 2013	Investigator (PI: Gina Wingood; subcontract to Rochester University, David Olds, PI; R01 DA021624-01)
Project Title:	Age 17 Follow-up of a Home Visiting Intervention
Source:	National Institute on Drug Abuse/NIH
Total Costs:	\$209,802
Dec 2008 – Nov 2011	Co-Principal Investigator (Gina Wingood, PI)
Project Title:	Efficacy of a Faith-based HIV intervention among African-American Women
Source:	Centers for Disease Control and Prevention
Total Costs:	\$1,799,996
Oct 2008 – Sept 2011	Investigator
Project Title:	Evaluation of Abstinence only and Abstinence-Plus Programs for HIV Prevention (Subcontract to the University of Texas)
Source:	Centers for Disease Control and Prevention
Total Costs:	\$150,000
Aug 2008 - June 2012	Principal Investigator
Project Title:	HIV Prevention Maintenance for African American Teens Renewal/Continuation
Source:	National Institute of Mental Health/NIH (2R01 MH070537)
Total Costs:	\$3,319,796

May 2008-April 2011	Principal Investigator subcontract (Michael Blank, PI; R13-MH-081733) University of Pennsylvania School of Medicine Conference grant for supporting the CFAR Social and Behavioral Sciences Research Network
Source:	National Institute of Mental Health/NIH
Total Costs:	\$43,170
Sept 2008-Sept 2009	Julia Ellen Painter (Primary mentor on dissertation grant (1R36-IP000289-01 awarded to Ms. Painter)
Project Title:	Attitudes toward Influenza Vaccination and Vaccine Uptake among Rural Adolescents
Source:	Centers for Disease Control and Prevention
Total Costs:	\$37,800
Sept 2007 – Sept 2011	Principal Investigator (1 UR6 PS000679-01)
Project Title:	Adapting SiHLE for Detained African American Adolescent Females
Source:	Centers for Disease Control and Prevention
Total Costs:	\$1,799,386
Aug 2007 – July 2012	Investigator/Associate Director (PI/Center Director: James Curran)
Project Title:	Emory Center for AIDS Research (CFAR)
Source:	National Institute of Allergy and Infectious Diseases/NIH
Total Costs:	\$8,466,447
Sept 2007 – Aug 2012	Investigator (PI: David Stephens; 1 U54 RR024380-01)
Project Title:	Atlanta Clinical and Translational Science Institute
Source:	National Institutes of Health
Total Costs:	\$54,994,719
Sept 2007 - Sept 2010	Principal Investigator (3R01-MH070537-04S1)
Project Title:	Diversity supplement for Ms. Mary Ukuku
Source:	National Institute of Mental Health/NIH
Total Costs:	\$71,353
July 2006 - June 2008	Co-Principal Investigator (Walt Orenstein, PI; 1R181P000166)
Project Title:	Influenza Vaccine Delivery to Adolescents: Two Multicomponent Interventions
Source:	Centers for Disease Control and Prevention
Total Costs:	\$1,307,360
Description:	This project uses a cluster randomized design to test two interventions to enhance influenza vaccine uptake among rural minority youth.
Sept 2004 - Aug 2009	Principal Investigator
Project Title:	A Multi-level HIV-Prevention Strategy for High-risk Youth
Source:	National Institute of Mental Health/NIH

Total Costs: \$3,844,478  
Description: This project uses both small group HIV interventions and culturally-tailored media (TV and radio) to enhance sustainability of newly acquired HIV prevention knowledge, attitudes, beliefs, norms, and behaviors among 1600 African American youth in four cities.

Sept 2007 - Aug 2009 Principal Investigator  
Project Title: Trabajando Juntos: Working for Health Disparity Reduction amongst Latinos  
Source: National Institute of Mental Health/NIH (subcontract to Scott Rhodes, PI, Wake Forest University School of Medicine)  
Total Costs: \$37,706

Sept 2003 - Aug 2008 Principal Investigator  
Project Title: HIV Prevention Maintenance for African American Teens  
Source: National Institute of Mental Health/NIH (1R01 MH070537)  
Total Costs: \$2,177,985

May 2007 – April 2011 Principal Investigator  
Project Title: HIV Prevention among Adolescents with Severe Mental Illness (Competing Continuation 2 R01 MH063008-06)  
Source: National Institute of Mental Health/NIH  
Total Costs: \$ 2,413,403

Sept 2007 - Aug 2010 Investigator (Laura Salazar, PI)  
Project Title: Preventing Violence Against Women: A Web-Based Approach  
Source: Centers for Disease Control and Prevention  
Total Costs: \$869,083

Sept 2006 - Aug 2007 Principal Investigator  
Project Title: Center for AIDS Research supplement to develop the Social & Behavioral Sciences Research Network  
Source: NIAID  
Total Costs: \$75,385

Sept 2006 - Aug 2008 Principal Investigator  
Project Title: Pilot HIV-Risk Reduction Behavioral Intervention for Commercial Sex Workers in Yerevan, Armenia  
Source: U.S. Civilian Research & Development Foundation (ARX1-002719-YE-06)  
Total Costs: \$80,748

Sept 2006 - Aug 2011 Principal Investigator  
Project Title: Preventing Substance Use and High Risk Behavior among Rural African American Youth  
Source: National Institute on Drug Abuse/NIH  
Total Costs: \$716,073

June 2004 - July 2009	Co-Principal Investigator (Gina Wingood, PI)
Project Title:	National Survey on HIV Risk for African-American Women
Source:	National Institute of Child Health and Human Development/NIH
Total Costs:	\$4,257,564
Sept 2006 - Aug 2009	Investigator (Ben Druss, PI)
Project Title:	Adapting a Medical Self-Management Program for a Community Mental Health Center
Source:	NIMH/NIH
Total Costs:	\$2,052,080
Sept 2004 - Aug 2007	Co-Principal Investigator (Gina Wingood, PI)
Project Title:	HIV Prevention for Xhosa Women in South Africa
Source:	National Institute of Allergy and Infectious Diseases/NIH
Total Costs:	\$1,130,060
May 2001 - April 2008	Principal Investigator
Project Title:	Teens and Exposure to HIV Risk on the Web
Source:	National Institute of Mental Health/NIH (1R01 MH63696)
Total Costs:	\$3,186,553
Oct 1999 - Sept 2004	Principal Investigator
Project Title:	Reducing HIV Risk in Female Teens: A Tailored Approach
Source:	National Institute of Mental Health/NIH (R01 MH61210)
Total Costs:	\$3,106,553
May 2002 - April 2007	Principal Investigator
Project Title:	HIV Prevention for Youth with Severe Mental Illness (1R01 MH63008)
Source:	National Institute of Mental Health
Total Costs:	\$1,774,389
Sept 2002 - July 2007	Investigator/Associate Director (James Curran, PI, Director)
Project Title:	Centers for AIDS Research (CFAR)
Source:	National Institute of Allergy and Infectious Diseases/NIH
Total Costs:	\$7,386,447
Oct 2002 - Sept 2004	Co-Principal Investigator (Gina Wingood, PI)
Project Title:	Using STIs as Outcomes for a Relapse Prevention Trial (supplement)
Source:	National Institute of Mental Health/NIH
Total Costs:	\$185,492
Oct 2002 - Sept 2004	Co-Principal Investigator (Gina Wingood, PI)
Project Title:	An HIV Prevention Trial for Women Using STIs as Outcomes
Source:	National Institute on Drug Abuse/NIH

Total Costs:	\$247,964
Sept 2003 - Sept 2005	Co-Principal Investigator (Gina Wingood, PI)
Project Title:	Biological Outcomes as Measures of Risk among African American Couples in an HIV Sexual Risk Reduction Trial (supplement)
Source:	National Institute of Mental Health/NIH
Total Costs:	\$552,707
Dec 2003 - Nov 2004	Investigator (David Holtgrave, PI)
Project Title:	HIV Prevention, Cost-Utility Analysis and Race/Ethnicity
Source:	National Institute of Mental Health/NIH
Total Costs:	\$191,250
Aug 2003 - July 2005	Principal Investigator
Project Title:	STD/HIV Prevention Fellowship (for Natalya Revzina, MD)
Source:	CDC and Association of Teachers of Preventive Medicine
Total Cost:	\$86,600
July 1, 2002 - June 2005	Co-Principal Investigator (Elizabeth Woods, PI)
Project Title:	HIV Prevention: Providers as Agents of Change for Youth
Source:	National Institute of Mental Health/NIH (R03 MH065152)
Total Costs:	\$162,200
Feb 2003 - Jan 2007	Investigator (Richard Rothenberg, PI)
Project Title:	Behavioral Clustering in Adolescents with STDs
Source:	National Institute of Child Health & Human Development/NIH (R01 HD043678)
Total Costs:	\$2,546,873
Oct 1997 - August 2002	Principal Investigator
Project Title:	HIV Prevention in High-Risk Adolescents
Source:	Center for Mental Health Services/SAMHSA
Total Costs:	\$1,162,467
April 2002 - Mar 2007	Co-Principal Investigator (Gina Wingood, PI)
Project Title:	HIV Sexual Risk-Reduction Interventions for African-American Couples
Source:	National Institute of Mental Health/NIH
Total Costs:	\$4,746,875
Sept 2000 - Sept 2005	Co-Principal Investigator (Gina Wingood, PI)
Project Title:	STARS: Students Talking About Real Solutions
Source:	National Institute of Mental Health/NIH/(1R01 MH62717)
Total Costs:	\$2,506,553
Sept 2001 -Aug 2002	Principal Investigator

Project Title:	HIV Prevention for High-Risk Youth on St. Maarten
Source:	Office of AIDS Research/NIH (supplement)
Total Cost:	\$157,689
Dec 2001 - Dec 2003	Investigator (Richard Crosby, PI)
Project Title:	Partner Notification to Identify & Diagnose Asymptomatic HSV-2
Source:	GlaxoSmithKline
Total Costs:	\$199,025
Oct 1995 - April 2002	Principal Investigator
Project Title:	Using Social Networks to Reduce Risky Sex in HIV+ Women
Source:	National Institute of Mental Health/NIH (R01 MH55726)
Total Costs:	\$1,810,769
Oct 1995 - April 2001	Principal Investigator
Project Title:	HIV Prevention in African-American Adolescent Females
Source:	National Institute of Mental Health/NIH (R01 MH 54412)
Total Costs:	\$1,841,353
Oct 1998 - April 2002	Principal Investigator
Project Title:	A Risk-Reduction Intervention for Urban HIV+ Women
Source:	Office of AIDS Research/NIH (supplement)
Total Costs:	\$159,932
Jan 1998 - Nov 2001	Principal Investigator
Project Title:	Substance Use as a Moderator of Treatment Efficacy in a Sexual Risk Reduction Intervention
Source:	National Institute on Drug Abuse (supplement)
Total Cost:	\$363,850
July 2000 - June 2002	Principal Investigator
Project Title:	STD/HIV Prevention Fellowship (for Kim Williams, PhD)
Source:	CDC and Association of Teachers of Preventive Medicine
Total Cost:	\$80,600
Aug 2001 - July 2003	Principal Investigator
Project Title:	STD/HIV Prevention Fellowship (for Delia Lang, PhD)
Source:	CDC and Association of Teachers of Preventive Medicine
Total Cost:	\$80,600
Sept 1999 - Aug 2003	Investigator (Richard Rothenberg, PI)
Project Title:	Adolescents in the Drug Culture and STD Transmission
Source:	National Institute of Allergy and Infectious Diseases
Total Costs:	\$1,108,072

Sept 1999 - Aug 2003	Investigator (Steven Nesheim, PI)
Project Title:	Mother Infant Rapid Intervention at Delivery (MIRIAD)
Source:	Centers for Disease Control and Prevention (U64/CC U417719)
Total Costs:	\$1,487,338
July 1998 - June 2001	Principal Investigator
Project Title:	STD/HIV Prevention Fellowship (for Richard Crosby, PhD)
Source:	Centers for Disease Control and Prevention/Association of Teachers of Preventive Medicine
Total Cost:	\$80,600
July 1998 - June 2001	Principal Investigator
Project Title:	STD/HIV Prevention Fellowship (for Catlainn Sionean, PhD)
Source:	CDC and Association of Teachers of Preventive Medicine
Total Cost:	\$80,600
Sept 1997 - Aug 1999	Principal Investigator
Project Title:	HIV Prevention in Rural Pregnant African-American Youth
Source:	Office of AIDS Research
Total Costs:	\$368,633
	The objectives of the proposed project are to develop, implement and evaluate a primary prevention project to reduce HIV/STD-associated sexual risk behaviors among rural, pregnant African-American adolescent females.
Jan 1997 - July 1998	Principal Investigator
Project Title:	Victims of Partner Violence: Adverse Sexual & Mental Health Consequences
Source:	UAB Center for Social Medicine and Sexually Transmitted Diseases
Total Costs:	\$13,500
July 1997 - June 1999	Principal Investigator
Project Title:	STD/HIV Prevention Fellowship (for Robert Pack, PhD)
Source:	CDC and Prevention/Association of Teachers of Preventive Medicine
Total Cost:	\$80,600
Jan 1996 - July 1996	Investigator (Gina Wingood, PI)
Project Title:	STD Risk Practices among Women in Domestic Violent Shelters
Source:	UAB Center for Social Medicine and Sexually Transmitted Diseases
Total Costs:	\$15,000
July 1996 - June 1998	Principal Investigator
Project Title:	STD/HIV Prevention Fellowship (for Anita Raj, PhD)
Source:	CDC and Association of Teachers of Preventive Medicine
Total Cost:	\$74,600
July 1995 - June 1999	Principal Investigator (Edward Hook, III, PI for Center)

Project Title: A Targeted Intervention to Prevent Recurrent Urethritis  
 Source: National Institute of Allergy and Infectious Diseases (NIH)  
 Total Costs: \$328,801 (project only costs)  
 Develop a clinic risk-reduction intervention for men with urethritis.

Sept 1995 - Aug 1998  
 Project Title: Principal Investigator  
 Community-based Comprehensive HIV/STD/TB Outreach Services for High Risk Substance Abusers Demonstration Project  
 Source: Center for Substance Abuse Treatment/SAMHSA  
 Total Costs: \$1,057,449  
 Develop and evaluate community-based HIV/STD/TB risk-reduction and early detection interventions for hard-to-access drug using populations.

Oct 1995 - Sept 1996  
 Project Title: Investigator (M. Kim Oh, PI)  
 STD Prevention and Treatment for High-Risk Youth  
 Source: Alabama Department of Health (C60117041)  
 Total Costs: \$323,161  
 The major goals of this project is to make STD/HIV prevention services accessible to a large number of at-risk youth and develop profile and STD/HIV service need assessment of Birmingham's homeless youth.

Oct 1994 - Sept 1998  
 Project Title: Co-Principal Investigator (Edward Hook, III, PI)  
 Research and Evaluation Issues in Prevention of Infertility Due to Sexually Transmitted Diseases  
 Source: Centers for Disease Control and Prevention  
 Total Costs: \$1,133,081  
 Develop behavior change interventions for women diagnosed with chlamydia at Jefferson County STD Clinic and Children's Hospital Adolescent Clinic.

Oct 1994 - Sept 1997  
 Project Title: Investigator (Maurizio Macaluso, PI)  
 Women of Reproductive Age Female Controlled Contraception  
 Source: Centers for Disease Control and Prevention  
 Total Costs: \$1,404,341  
 The objectives of the proposed project are 1) to gain insight into the social, cultural, psychological and behavioral variables that influence sexual decision making; 2) to assess the impact that the introduction of the female condom may have on the sexual decision making process; 3) to formulate recommendations for designing effective intervention strategies to enhance a woman's control of sexual decision making and to promote the female condom use.

Oct 1994 - Sept 1997  
 Project Title: Investigator (Sten Vermund, PI)  
 Clinical Epidemiology of HIV Disease in Alabama  
 Source: Alabama Department of Health  
 Total Costs: \$323,161  
 Study the characteristics and socio-demographic behavior and migrant

behavior of HIV-infected persons in Alabama and estimate the relative burden of autochthonous and imported infection.

Sept. 1994 - Sept 1996      Investigator (Sten Vermund, PI)  
Project Title:              HIV/AIDS/STD Training in 3 Asian Nations: Bangladesh, Pakistan and Mongolia  
Source:                      University of California, Los Angeles  
Total Costs:                \$181,030  
To provide technical assistance to clinicians, researchers and public health specialists concerned with developing HIV risk-reduction interventions for high-risk populations.

Oct 1993 - Sept 1996      Investigator (Marsha Sturdevant, PI)  
Project Title:              Teenage Access Project  
Source:                      Maternal & Child Health Bureau (BRH970150)  
Total Costs:                \$633,740  
Outreach, education, HIV testing and case management for at-risk women.

#### TEACHING EXPERIENCE

**Emory, Rollins School of Public Health, Department of Behavioral Sciences & Health Education**

Adolescent Health Promotion  
Grantwriting/Research Ethics (for doctoral-level students)  
Approaches to Health Promotion (for doctoral-level students)

**UAB, School of Public Health, Department of Health Behavior**

Behavioral Sciences and Health  
Adolescents and AIDS  
Advanced Theories of Behavior Change

**Mentoring Post-doctoral Social Scientists and Physicians**

Anita Raj, PhD, 1994-1996. Current position: Professor, University of California San Diego School of Medicine, Department of Preventive Medicine.

Robert Pack, PhD, 1996-1998. Current position: Associate Dean, University of Tennessee, School of Public Health

Isis Mikhail, MD, DrPH, MPH. Current position: Senior Scientist, National Cancer Institute, NIH.

Richard Crosby, PhD, 1998-2000. Current position: Professor, Chair; Department of Health Promotion, Associate Dean for Research, College of Public Health, University of Kentucky.

Brenda Cobb, PhD, 2000. Current position: Assistant Research Professor, Medical College of Georgia.

Catlainn Sionean, PhD, 1999-2000. Current position: Scientist, CDC, Division of STD.

\*Laura Salazar, PhD, 2000-2002. Current position: Associate Dean of Research and Associate Professor, Georgia State University, Institute for Urban Health Disparities.

Delia Lang, PhD, MPH, 2000-2002. Current position: Associate Research Professor, Rollins School of Public Health, Emory University.

Sherry Broadwell, PhD, 2003. Current position: Scientist, CDC, Division of HIV.

\*Kim Williams, PhD, 2002-2004. Current position: Scientist, CDC.

Natalya Revzina, MD, 2003-2005. Current position: Scientist, CDC.

Robin Milhausen, PhD, 2004-2005. Current position: Associate Professor, Guelph University, Department of Sexuality and Family Relations, Canada

Jessica McDermott Sales, PhD, 2004-2007. Current position: Associate Professor, Rollins School of Public Health, Emory University.

\*Sinead Young, PhD, 2005-2007. Current position: Associate Professor, Department of Psychology, Morehouse College.

Julia Painter, PhD, 2011-2012, Assistant Professor, Department of Global Health, George Mason University, VA.

Jennifer Brown, PhD, 2011- 2013, Associate Professor, Department of Psychiatry, University of Cincinnati, OH.

\*Colleen Crittenden, PhD, 2010-2007, Current position: Scientist, ICF International.

Andrea Swartzendruber, PhD, 2013-current

\*designates racial/ethnic minority student

**K Award Mentor**

Kym Ahern, MD, 2012-current, University of Washington, Seattle, Washington

Stephanie Staras, PhD, 2010-2015, University of Florida, Gainesville, FL  
Robert Bednarczyk, PhD, 2014-current, Emory University, Atlanta, GA  
Jessica Sales, PhD, 2010-2015, Emory University, Atlanta, GA

### **Thesis (MPH) Committee Membership**

- Chair; *Examining Predictors of Protective and High-Risk Sexual Behaviors among Incoming Students at a Historically Black College/University* (Lynsey Terrell, 2016).
- Chair; *Abuse and Mental Health Outcomes Among Detained African American Adolescent Females: The Mediating Role of Attachment* (Penelope Theodorou, 2015).
- Chair; *Predictors of Prenatal Care Among Case & Control Mothers in the National Birth Defects Prevention Study, 1997-2009* (Valerie Godoshian, 2015).
- Chair; *Perceived Caregiver Support and Sexual Partner Communication Mediators of Condom Use among African American Female Adolescents* (Erikka Woolfork, 2015).
- Chair; *Diffusion of Innovations Theory as a Model for Examining HPV Vaccine Uptake among High-Risk African American Adolescent Females* (Julia Still, 2014).
- Chair; *Education, Power, and Sex: A Qualitative Study on the Interrelationship of Factors that Influence the Sexual Behavior of African American Women Attending a Historically Black College* (Carmen Collins, 2013)
- Committee Member; *Associations between Self-Esteem, Partner Communication, and Consistent Condom Use: A Mediation Model for Reducing HIV/STI Related Risk Behaviors* (Danielle Lambert, 2013)
- Committee Member; *Application of the Theory of Gender and Power to Examine Partner Notification Practices Among A Population of Urban Adolescent and Young Adult African American Females in the Southeastern United States* (Emiko Petrosky, 2013).
- Chair; *The Power of Influence: A Study of the Interrelationship Between the Environment and Individual Level Risky Behavior in Detained African American Female Adolescents* (Shelby Cash, 2012).
- Chair; *"I dared to tell": Young Paraguayan Men's Navigation of Contrasting Normative Masculinities and their Romantic Relationships* (Paul Fleming, 2011).
- Chair; *Knowledge and Attitudes Regarding HPV Vaccinations among Students in Two- and Four-year Colleges in Atlanta, GA* (Onaedo Ilozumba, 2011).
- Chair; *"I'd like to think I'm the same no matter what:" A Qualitative Exploration of Alcohol and Condom Use in College-age Couples* (Andrea Stokfisz, 2011).
- Committee Member; *Racial Identity and Risky Sexual Behaviors, Attitudes and Beliefs Among Black Heterosexual Men* (Adannaa Oparanozic, 2010).
- Chair; *Relationship Between Detained African-American Adolescent Females' Perceived Life Chances And HIV-Associated Sexual Risk Behaviors.* (Jamila Rashida Margaret LaFleur, 2010).
- Chair; *Using Focus Groups to Explore Means of Developing Self-esteem Enhancement Programs for Adolescent Males* (Leon Sawh, 2009).
- Chair; *Implementing a Health Education Curriculum on Family Planning and Sex Education among Health Practitioners in Rural Honduras* (Azizeh Nuriddin, 2009).
- Committee Member; *Using the Social-Ecological Model to Understand the Behavioral and Environmental Influences of Overweight and Obesity among African American Adolescents in Middle Georgia* (Shantrice Jones, 2009).
- Chair; *Feasibility Assessment: Recruiting from an Internet Social Networking Site to Measure Young*

*Adults' Knowledge, Attitudes, Behaviors, and Perceptions of Oral Sex* (Erin Grasso, 2008).

Committee Member; *A Comparison of Health Issues Between International Students and American Students in U.S. Colleges and Universities: A Secondary Data Analysis of the National College Health Assessment* (Julia Kibunja, 2008).

Chair; *Why Parents Matter: The Relationship of Parenting Processes as a Protective Factor Against High-Risk Behavior in a Mixed Method Design* (Mary Ukuku, 2008).

Chair; *Are They Buying It? Effects of Sexual Media on Self-Esteem, Sexual Behavior, and Body Image* (Amie Lynn Nisler, 2008).

Chair; *Self-efficacy for HIV Prevention and its Relationship to Condom Use among African American Female Adolescents in a Major Metropolitan Area* (Wendi Branch, 2008).

Committee Member; *The Impact of Fast Food Advertisements on the Eating Behaviors of Young Adults* (Lauren Kimberly Dickey, 2008).

Committee Member; *A Qualitative Assessment of College Men's Normative Beliefs about Issues Surrounding Sexual Assault* (Kira McGroaty, 2008).

Chair; *Ecological Factors Associated with STI Diagnosis in a Clinic-Recruited Sample of Black Female Youth* (Sara Nieuwoudt, 2007).

Chair; *The Relationship between Self-Esteem and Sexually Transmitted Diseases (STD) among African American Adolescent Females* (Erin Bradley, 2007).

Chair; *Human Papillomavirus Health Beliefs and Vaccine Acceptability among College Students* (Elizabeth Levy, 2006).

Committee Member; *Media Correlates of Physical Activity and Nutrition Among Teens in the U.S.* (Inuka Gakhar Midha, 2006).

Committee Member; *Indirect Transactional Sex: Seeking Acceptance and Prestige among Peers: Social Determinants of the Sexual Behavior of Youth, Tsumeb, Namibia* (Sara Wright, 2006).

Committee Member; *Hitting Back: Differences Between Reciprocal and Non-Reciprocal Young-Adult Perpetrators of Intimate Partner Violence* (Dyanna Charles, 2006).

Chair; *Condom Use Self-Efficacy and Risky Behavior Among Adolescent African American Females Reporting Depressive Symptomatology* (Elizabeth Dawn Jacobs, 2005).

Committee Member; *Association Between Social-Demographic Factors and Decision on Chosen Condom Distribution Channels Among Vietnamese Married People* (Hang Thu Trinh, 2004).

Committee Member; *A Brief Assessment: An Eritrean Ethnic Church and The Potential Forum for Adolescent Health Promotion* (Mesgana H. Aria, 2004).

Committee Member; *Associations Between Internet Sex-Seeking and Risk Behaviors Among Men Attending a Sex Resort* (Aaron Mettey, 2003).

Committee Member; *Stressful Life Events and Coping: A Study of Depression, Suicide, and Risky Behaviors Among Incarcerated Adolescents* (Alyson L. Richmond, 2003).

Committee Member; *Effects of Sexual Assault Prevention Program on Middle School Adolescents: RESPECT Curriculum* (Angela Sang Kim, 2002).

Committee Member; *Assessing Risk Behaviors of HIV/AIDS and Categorizing Stages of Change for Condom Use Behavior Among Burmese Migrant Fishermen in Thailand* (Naing, 2001).

Committee Member; *The Association Between Adolescent Physical Partner Abuse and High-Risk Behaviors for Contracting HIV/STDs* (Melanie L. Wallentine, 2000).

Committee Member; *Sexual Risk Behaviors of Adolescents Ages 15-18 Years in Relation to Their Social Networks Perceived Sexually Transmitted Disease Risk* (Akilah N'kenge Thomas, 2000).

## **Doctoral (PhD) Committee Membership**

Chair; *Explanatory Model of Sexual Risk Behavior and Sexually Transmitted Disease Prevalence in Incarcerated African American Male Youth* (Robert Pack, 1998).

Chair; *Determinants of Nonviolent Behavior among High-risk Inner-city Youth* (Kathleen B. Powell, 1996).

Chair; *Perception of Health, HIV Clinical Disease Status, and the Use of Complementary and Alternative Medicines among a Cohort of HIV-Positive Women* (Isis Mikhail, 2003).

Member; *Reflections of HIV Positive Women: An Exploration of Adolescence* (Michelle DiGiovanni, PhD; 2009).

Chair; *Use of Complementary and Alternative Medicines among a Cohort of HIV-Patients* (Ashli Owen Smith, 2009).

Chair; *Test of the Theory of Gender and Power* (Lace DePadilla, 2009).

Chair; *The Association Between Attitudes toward Vaccination and Vaccine Uptake among Adolescents* (Julia Painter, 2010).

Chair; *Exploring Secondary Abstinence among Sexually Experienced African-American Females at Risk for HIV/STI: A Mixed-Methods Investigation* (Erin Bradley, 2011).

Chair; *The esoto dance, circumcision practices and negative condom beliefs: A survey assessing HIV risk among the Maasai of Tanzania* (Aaron Siegler, 2012).

Member; *A Mixed Methods Examination of Concurrent Sexual Partnerships among African American Young Women* (Tina Latham Davis, 2012).

Chair; *HIV Vaccination among High-risk Drug Users in Appalachia: Insights from Social Network Analysis on Feasibility, Consequences, and Dissemination Strategies* (April Young, 2014).

Member; *HIV prevention in transnational communities: Developing a Model of Trust and Social Influence among Immigrant Latinos in North Carolina* (Aaron Vissman, July 2015).

## **SERVICE TO THE UNIVERSITY**

### **Emory University**

Executive Board Member, HIV and Aging Committee, Emory University, 2014-2015  
Board Member, Emory Social and Behavioral Sciences Research Center, 2008-2010  
Member, Dean's Graduate Studies Executive Council, 2007-2011  
Co-Chair, Race, Racism, and Society, Emory University Strategic Planning Group, 2005  
Member; Advisory Board, Master of Science in Clinical Investigation Program, 2002-2005,  
Rollins School of Public Health and the Emory University School of Medicine  
Member, Search Committee for the Chair, Department of Epidemiology, 2005  
Member, Search Committee for the Foege Chair, Department of Global Health, 2005  
Member, Search Committee for the Chair, Department of Behavioral Sciences & Health  
Education, 2005

## **SERVICE TO THE DEPARTMENT**

### **Emory University, Department of Behavioral Sciences and Health Education**

Chair, Faculty Search Committee (Sexual Health faculty), 2008  
Member, Departmental Executive Committee, 2007-2014  
Co-Director, Graduate Studies Program (PhD Program), 2007-2010  
Member, PhD Committee, 2007-2014  
Chair, CFAR Faculty Search Committee, 2006-2007  
Member, Search Committee for the BSHE Department Chair, 2005-2006  
Chair, Faculty Search Committee, 2000-2001  
Member, Behavioral Sciences Process Team for Accreditation/self-study, 2003-2004

Member, Standing Search Committee for Research Professors, 2003-2004

### **University of Alabama, Birmingham**

Member; Faculty Compensation and Incentives Committee, 1997-1998  
Alternate Member, Educational Policy Committee, 1996-1998  
Member, Excellence in Teaching Award Committee, 1995  
Chairman; Self-Study Committee on Research, 1994  
Member; Self-Study Committee of Public Health, 1994  
Member; Sexual Harassment Complaint Investigation Faculty Committee, 1994-1995  
Chairman; Faculty Search Committee, Department of Health Behavior, 1995  
Member; School-wide Incentive Work Group Committee, 1995-1995  
Executive Committee, Center for AIDS Research, 1996-1997  
Member, University-wide Grievance Panel, 1996-1997

### **COMMUNITY SERVICE**

Member; Department of Health, Commercial Sexual Exploitation Prevention Coalition, Atlanta, GA  
2015-current  
Co-Chair; Atlanta Clinical & Translational Sciences Institute, Community Health Matters Forum,  
May 28-29, 2015, at the Morehouse School of Medicine, 2015  
Member, Board of Directors, The Children's Place, Chicago, IL, 2009-  
Member; Regional Advisory Council, Boys & Girls Clubs of Central Georgia, 2009-  
Board Member; Community AIDS Partnership of Birmingham, 1995-1996  
Member, Board of Directors, AIDS Task Force of Alabama, 1994-1995  
Member; Fundraising Committee, Riley Community Center, 1996  
Member; Evaluation Committee, National AIDS Fund, 1995-1997

### **ADVISORY COMMITTEES/SERVICE TO THE PROFESSION**

**Member;** Advisory Committee, *NHHF: Hispanic Health Mentoring Program*, 2016-  
**Member;** International Planning Committee, *HIV Infection: Issues of Diagnosis, Treatment, Prevention  
and Prognosis*. Saint Petersburg, Russia; 2014-2015.  
**Member;** International Planning Committee, *Women, Children, and HIV*. Saint Petersburg, Russia; 2013-  
2014.  
**Member;** Georgia Cancer Control Consortium (GC3), Cervical Cancer Prevention Education Workgroup,  
2014.  
**Member;** External Scientific Advisory Board, UCSF Center for AIDS Research, San Francisco, CA, April  
24, 2014.  
**Member;** *Optimizing NIH HIV/AIDS Research in a Time of Budget Constraint*, Report of the HIV/AIDS  
Portfolio Review Working Group of the NIH Office of AIDS Research Advisory Council (OARAC) to  
the NIH Director, MD, 2014.  
**Mentor;** Society for Adolescent Health & Medicine Mentoring Program (Penelope Morrison, PhD,  
MPH), 2013.  
**Member;** International Reference Panel for the development of school-based HIV prevention programs  
for the South African Department of Basic Education; 2013.  
**Member;** Office of AIDS Research, Behavioral and Social Science Research External Review Group,

Rockville, MD, February - June, 2013.

**Member;** ZRG1 AARR-H 51 R, RFA DA14-001: U.S.-RUSSIA Bilateral Collaborative Research Partnerships (CRP) On the Prevention and Treatment of HIV/AIDS and Co-Morbidities (R21), March 19, 2013 - March 20, 2013.

**Member;** External Review Committee; Department of Health, Behavior and Society, Bloomberg School of Public Health, Johns Hopkins University, February, 2013.

**Member;** NIH HIV Prevention Trials Network (HPTN) Adolescent Science Committee, 2011.

**Member;** Search Committee, Director, Division of HIV/AIDS, National Institute of Mental Health, 2011.

**Ex officio Member,** Office of AIDS Research Advisory Council (OARAC), 2009-2012

**Member,** National Advisory Mental Health Council, National Institute of Mental Health, National Institutes of Health, 2008-2012.

**Member,** Scientific Advisory Committee, The National Campaign to Prevent Teen Pregnancy, Washington, DC.

**Member,** Board of Scientific Counselors, Coordinating Center for Infectious Diseases, Centers for Disease Control and Prevention, 2008-2010

**Member,** Expert Panel Meeting; Identifying Efficacious Programs to Reduce Adolescent Sexual Risk Behavior, CDC, August 24-25, 2010.

**Member,** Committee on Psychology and AIDS, American Psychological Association, 2008- 2010

**Member,** Executive Committee, Social & Behavioral Sciences Research Network, Centers for AIDS Research, 2005-current.

**Member,** National Institute of General Medical Sciences Special Emphasis Panel (ZGM1 BRT), Bethesda, MD, January 15, 2008.

**Member,** Nominations Committee, American Society for Sexually Transmitted Diseases Research, 2006-2007.

**President,** Society for Adolescent Medicine, Georgia Chapter, 2006-2008.

**President-Elect,** Society for Adolescent Medicine, Georgia Chapter, 2005-2006.

**Member;** Behavioral and Social Science Approaches to Preventing HIV/AIDS Study Section, NIH, July, 2005.

**Member;** Executive Committee, American Sexually Transmitted Diseases Association, 2005-2011.

**Member;** Abstract Review Committee, Society for Adolescent Medicine, 2005-2008.

**Member;** Nominations Committee, Society for Adolescent Medicine, 2005-2006.

**Member;** Research Working Group, Ministerial Task Team on the Introduction of Antiretrovirals in South Africa, South Africa, Sept 2003.

**Member;** Scientific Advisory Committee, National Campaign to Prevent Teen Pregnancy, Washington, DC, 2003-2006.

**Member;** Data and Safety Monitoring Board, HIV/AIDS Vaccine and Prevention Clinical Trials, NIAID, 2001-2005.

**Member;** Advisory Panel on American Youth and Sexually Transmitted Diseases, American Social Health Association, 2001.

**Co-Chair,** Psychosocial Sub-committee, Panel on American Youth and Sexually Transmitted Diseases, American Social Health Association, 2001.

**Member;** National Board of Directors, Rural Center for AIDS Prevention, 2001.

**Member;** HIV Section, American Public Health Association, 2000-2013.

**Member;** National Advisory Panel for the American Social Health Association Teen Website, 2000-2001.

**Member;** Advisory Panel for the Dallas Behavioral Intervention Training Center (part of the CDC National Network of STD/HIV Prevention Training Centers), 2000-2005.

**Member;** Syphilis Elimination Working Group of the Advisory Committee on HIV and STD Prevention, Center for Disease Control and Prevention, 1999-2000.

**Member;** CDC Consultation Team for the Guide to Community Preventive Services "Changing Sexual Behaviors", 1999.

**Member;** AIDS and Related Risk (AARR-8) Initial Review Group, NIH, Division of Research Grants, 1998-1999.

**Member;** Council on Behavioral and Social Sciences, American Schools of Public Health, Washington, DC, 1998-1999.

**Participant;** NIH Training and Career Development Workshop on HIV Prevention Research for and by Racial Ethnic Minorities, sponsored by the Office of AIDS Research and Office of Minority Health, NIH, Atlanta, GA, August 28-29, 1999.

**Member,** National Advisory Group, American Social Health Association, 1999.

**Member;** HIV Program Dissemination Committee, Centers for Disease Control, Atlanta, 1995.

**HIV Consultant;** Ministry of Health, Singapore, February 13 - March 1, 1995.

**Special Review Committee,** National Institute on Drug Abuse, Bethesda, MD March 13-14, 1995.

**Panel Member;** White House Office of AIDS Policy, AIDS and Adolescents: Policy Perspectives, Washington, DC, August 14, 1995.

**Member;** CDC Review Committee for Dissemination of HIV Prevention Programs; September, 1994.

**Member;** External Peer Review Committee of Behavioral HIV Prevention Research at CDC; September, 1994.

**Consultant;** Adolescent Working Group, AIDS Clinical Trials Group, National Institutes of Health, National Institute of Child Health & Human Development, Bethesda, MD, 1993.

**Member;** Evaluation Committee, National Community AIDS Partnership, Washington, DC, 1993-2000.

**Member;** Advisory Committee, National Survey of Adolescent Male's Contraceptive Use. National Institute of Child Health and Human Development (NICHD), 1992.

**Member;** AIDS Task Force, American Academy of Child and Adolescent Psychiatry Committee member; National Institutes of Health, Division of Research Grants, Modification of AIDS Risk Behaviors, 1992.

**Advisor;** World Health Organization, Global Programme on AIDS, Geneva, Switzerland, 1990. Technical Working Group on Adolescent HIV Prevention in Developing Countries.

**Member;** Search Committee for Director of the HIV Division at NIMH, 2011-2012.

### **INVITED PRESENTATIONS AT SCIENTIFIC AND PROFESSIONAL CONFERENCES**

#### **2016**

231. Society for Prevention Research, annual conference, San Francisco, CA, June 3, 2016.  
Plenary Address: ***JJ-TRIALS: Using Implementation Science to Enhance the Adoption and Sustainment of Evidence-Based Screening, Assessment and Treatment of Juvenile Justice Involved Youth.***
230. Mercer University, Leadership Academy, March 5, 2016. Keynote Address: ***Leadership, Education and Technology: A Powerful Triumvirate for Ending the HIV Epidemic.***

## 2015

229. International Congress on HIV Infection: Issues of Diagnosis, Treatment, Prevention and Prognosis, Saint Petersburg, Russia, October 15, 2014. ***Substance Use among Russian Women with HIV and Hepatitis C Co-Infection: Implications for Assessment and Intervention.***
228. Pediatric Academic Societies, Annual Meeting, San Diego, CA, April 25-28, 2015. ***Promising and Innovative Technologies for Enhancing Sexual and Reproductive Health among Adolescents.***
227. 2015 Latino Health Equity Conference, Long Beach, CA, 17, 2015. ***Addressing the Challenges of Teen Pregnancy and Sexually Transmitted Diseases among Young Latinas: Can Evidence-based Interventions Be Effectively Adapted for Latinas?***
226. University of South Florida, Tampa, FL. ***Changing Adolescents' Sexual Risk Behavior: The Effectiveness of Strategies that Incorporate Emerging Communication Technologies.***

## 2014

225. International Congress on HIV and Co-infections, Saint Petersburg, Russia, October 15, 2014. ***The Continuum of Alcohol Use and its Association with ARV Adherence and Risky Sexual Behavior.***
224. Georgia Campaign for Adolescent Power & Potential, Atlanta, GA, October 2, 2014. ***Building a Technology Framework for Enhancing Adolescent Sexual Health Promotion.***
223. Getting Better All the Time: Reflecting and Moving Forward. Cornell University Bronfenbrenner Center for Translational Research. Albany, NY, September 15, 2014. ***Bytes, Bits and Memory Sticks: The Technological Revolution in HIV, STD and Teen Pregnancy Prevention.***
222. University of Georgia, School of Public Health, Ramsey Lecture, Athens, GA, March 6, 2014. ***Sex, Media, and HIV/STDs: The Evolution of Prevention Strategies in the Age of Media.***

## 2013

221. Congreso Internacional de Ciencias de la Education y del Desarrollo (International Congress of Educational Sciences and Development), Santander, Spain, October 8, 2013. ***The Psychological Basis of HIV/STI Prevention for Adolescents and Young Adults.***
220. Third Annual Office of Adolescent Health, Administration on Children, Youth and Families and the Centers for Disease Control and Prevention Teen Pregnancy Prevention Conference, Gaylord National Resort in National Harbor, Maryland, May 20-22, 2013. ***Strategies to Sustain Community Programs and Partnerships for Promoting Sexual and Reproductive Health and Pregnancy Prevention.***
219. Third Annual Office of Adolescent Health, Administration on Children, Youth and Families and the Centers for Disease Control and Prevention Teen Pregnancy Prevention Conference, Gaylord National Resort in National Harbor, Maryland, May 20-22, 2013. Keynote Address: ***Risk, Reason and Reality: Building a Science of Sexual and Reproductive Health to Prevent Unintended Pregnancy among Adolescents.***

## 2012

218. Johns Hopkins University Leadership Education in Adolescent Health (LEAH) Program, Health Disparities in Adolescents: A Focus on Media and Health Conference, Keynote Presentation, December 7, 2012. ***Media Approaches to Designing Effective Sexual Health***

***Promotion Interventions.***

217. Saint Petersburg City Government, Saint Petersburg, Russia, October 15, 2012, Keynote Presentation. ***Designing Effective Health Promotion Programs: Models, Strategies, and Techniques: With Application to HIV Prevention for Adolescents.***
216. St. Petersburg, Russia, Women, Children, and HIV Congress, October 12, 2012. ***Mobile Phone Technology to Promote the Adoption and Maintenance of HIV-Prevention Behaviors and Reduce Chlamydial Infections among High-Risk Young Women.***
215. University of Houston Drug Abuse Research Development Program Workshop/ Lecture Series, Houston, TX, August 14, 2012. ***HIV and STDs among Minority Adolescents – A Persistent, Complex, and Growing Health Disparity.***
214. HIV Prevention Trials Network, Annual Meeting, plenary Address, Washington DC, June 22-26, 2012. ***Optimizing HIV Biomedical Interventions for Prevention of HIV Using Complementary Behavioral Approaches.***
213. International Association of Dental Research, Iguacu, Brazil, June 223, 2012. ***New Technological Advances for Enhancing the Validity of Self-Report Data for Dental Health Research.***
212. Chicago Developmental Center for AIDS Research, May 14, 2012. ***Decay of Behavioral Intervention Effects - The Achilles Heel of HIV Prevention Interventions.***
211. University of Miami Developmental CFAR-Miami-Dade County Health Department, Project SHARE Seminar, May 9, 2012. ***The AMIGAS Study - Development of a CDC-defined Evidence-based HIV Intervention for Latina Women.***

**2011**

210. University of Chicago, AIDS Center, Keynote Address, Chicago, IL, October 19, 2011. ***The State of HIV/STI Prevention among Adolescents: Directions for Future Research.***
209. Medical University of South Carolina, Department of Psychiatry Grand Rounds, October 14, 2011. ***Enhancing HIV/STI Risk-Reduction Behavior Change Continuance through Brief Telephone Counseling.***
208. UNICEF Global HIV Prevention Strategy Consultation, Plenary Presentation, UNICEF, New York, NY, October 10-11, 2011. ***Social Media Approaches to Designing Effective HIV Interventions Trying Not to Get Lost in Translation.***
207. North-West Department of Russian Academy of Medical Science, D.O. Ott Research Institute of Obstetrics and Gynecology, Russian Academy of Medical Sciences, Baltic Medical Education Center Symposium “Woman, Children & HIV-infection” June 28, 2011. ***New Technologies for Enhancing Adherence to Antiretroviral Medications and Safer Sex Behaviors among Women Living with HIV.***
206. Center for Health, Intervention and Prevention, University of Connecticut, Storrs, CT, May 12, 2011. ***Intensifying HIV/STD Prevention Interventions Using Brief, Personalized Telephone Counseling: A Randomized Controlled Supplemental Treatment Trial.***
205. 10<sup>th</sup> Annual State of the Art Management of HIV Infection, University of Cincinnati School of Medicine, March 12, 2011. ***Adolescents and HIV: Looking Back, Moving Forward.***

**2010**

204. UNFP Global Consultation on Sexuality Education, Bogota, Colombia, Nov 30 – Dec 2, 2010.

- New Solutions for Old Problems: Preventing HIV, STDs, and Pregnancy.*
203. Public Health Sciences Distinguished Speaker, June 29, 2010, Wake Forest University, NC. *Swimming upstream: How Can We Sustain the Effectiveness of Sexual Health Promotion Programs to Have a Public Health Impact on the Intersecting Epidemics of HIV and STDs.*
202. Hunter College, Center for Community Health, July 12, 2010. *Adapting Evidence-Based Interventions to Enhance Dissemination and Uptake by Community-based Organizations.*
201. SOPHE and ASCD Summit, June 21-22, 2010. *Addressing Health and Educational Disparities in Minority Youth: Breaking Down the Silos in Sexual Health Promotion.*
200. Indiana University, School of Medicine, Department of Medicine Grand Rounds, March 26, 2010. *Personalized Prevention: Evaluation of a Brief Mobile Phone Counseling Intervention to Sustain HIV/STD Risk-Reduction Effectiveness.*
199. Planned Parenthood, Southeast Region, January 21, 2010, Savannah, GA. *New Solutions to Old Problems: Addressing the Intersecting Epidemics of Unintended Pregnancy, Sexually Transmitted Diseases, and HIV among Young African American Women in the United States.*

## **2009**

198. Illinois Department of Public Health 18<sup>th</sup> annual HIV/STD Conference, Springfield, IL, September 23, 2009. Keynote Address: *Adolescents, STDs, and HIV: Is There a Light at the End of the Tunnel?*
197. Virginia Commonwealth University, Richmond, VA, June 30, 2009. First Annual Multidisciplinary HIV Research Retreat - Keynote Address: *Interdisciplinary Collaboration is Critical to Extend the Boundaries of HIV Research.*
196. National Institutes of Health, Health Maintenance Consortium, Bethesda, MD, March 2, 2009. *HIV Prevention Maintenance for African American Teens: The Afiya Program.*
195. University of Chicago – The Children’s Place, HIV/AIDS Prevention & Youth Forum, Chicago, IL, Feb. 27, 2009. *Adolescents and HIV: Is There a Light at The End of the Tunnel?*
194. New York State Department of Health, Adolescent Sexual Health Symposium, NY, NY, February 3-4, 2009. *Disparities in Access to Adolescent Sexual Health Services, Information, and Education.*

## **2008**

193. The Fulton County Department of Health and Wellness Community Summit, Atlanta, GA, Invited Workshop, December 1, 2008. *Effective Behavioral Interventions for HIV/STD Prevention.*
192. Georgia Coalition for Adolescent Pregnancy Prevention, Atlanta, GA, Invited Workshop, September 25, 2008. *Dual Protection: Strategies for Reducing the Risk of Unplanned Pregnancy and Sexually Transmitted Infections among Adolescents.*
191. Morehouse School of Medicine, Public Health Seminar, Atlanta, GA, June 26, 2008. *Adapting Evidence-based HIV Prevention Interventions to Enhance their Uptake by Community-based Organizations.*
190. RAND Corporation, Santa Monica, CA, June 19, 2008. *Believe it or Not? Adolescents’ Self-reported Sexual Abstinence.*

189. Morehouse School of Medicine, Atlanta, GA, June 5, 2008. *Translating Public Health Research into Practice: HIV/AIDS Prevention.*
188. Wake Forest Medical Center, Wake Forest, NC, May 27, 2008. *Adapting Evidence-based HIV Prevention Interventions: Development and Implementation of the ADAPT-ITT Model to Systematically Guide the Adaptation Process.*
187. Advisory Board Meeting, Regional Training Center, Region IV Infertility Prevention Project, May 15, 2008. *Are Behavioral Interventions able to Reduce Chlamydia among High-Risk Adolescents? Findings from a Randomized Controlled Trial.*
186. Center for Health Promotion, University of Toronto, Canada, March 18, 2008. *Building a Science for Adaptation: A Focus on Evidence-based HIV Interventions.*

## **2007**

185. New York State Department of Health, Division of HIV Prevention, New York, NY, October 19, 2007. *Promoting the Health of African American Women: The Continuum of HIV Prevention Interventions.*
184. University of Connecticut, Center for Health, Intervention, and Prevention, October 18, 2007. *A Randomized Controlled Trial of an HIV Risk-Reduction Intervention for Depressed African American Adolescent Females: A Subset Analysis.*
183. Centers for Disease Control and Prevention, National Conference on Health Communication, Marketing, and Media, Atlanta, GA, August 29, 2007. *Using Individually Targeted and Electronic Mass Media as STD/HIV Prevention Strategies.*
182. Centers for Disease Control and Prevention, Atlanta, GA, August 21, 2007. *Programmatic and Methodologic Challenges in Dual Protection Intervention Research.*
181. UCLA AIDS Institute and Charles R. Drew University of Medicine and Sciences, Los Angeles, California, May 18-19, 2007. *Successful HIV Prevention Strategies for Pediatric and Adolescent Populations.*
180. Alabama Campaign to Prevent Teen Pregnancy, Birmingham, AL, April 24, 2007. *Reducing Adolescent Sexual Risk-taking and Adverse Health Outcomes: New Solutions to Old Problems.*

## **2006**

179. University of Florida, Department of Psychology, Gainesville, FL, Nov. 17, 2006. *Designing Effective HIV Interventions for Adolescents: Psychology in Action.*
178. National Institutes of Health, Centers for AIDS Research (CFAR), Annual Directors Meeting, University of Alabama, Birmingham, AL, Nov. 8, 2006. *Adolescents and HIV: State of the Science and Future Challenges for Optimizing Prevention Research.*
177. Yale AIDS Colloquium Series at the Center for Interdisciplinary Research on AIDS, New Haven, CT, Nov. 2, 2006. *Designing, Implementing, and Disseminating HIV Prevention Interventions for African American Adolescents and Women.*
176. The University of Pennsylvania, Annenberg Public Policy Center, Adolescent Risk Communication Institute, Oct. 5, 2006. *The Nature of Sexually Explicit Material on the Web or "I Know It When I See It".*
175. New York Academy of Medicine, New York, NY, September 26, 2006. *Adapting and Disseminating Evidence-based HIV Interventions for Adolescents and Women.*
174. 7th Annual Summer Institute to Prevent Teen Pregnancy, Charleston, SC, June 20-23, 2006. *The Impact of Media on Adolescent Sexuality.*

173. South Carolina Campaign to Prevent Teen Pregnancy, Charleston, SC, June 20-23, 2006. ***Changing Adolescent Sexual Risk Behavior: The Impact of SiHLE.***
172. 7th Annual Summer Institute to Prevent Teen Pregnancy, Charleston, SC, June 20-23, 2006. ***Media Matters: The Good, the Bad, and How to Manage the Ugly.***
171. Grand Rounds, Emory University School of Medicine, Department of Obstetrics & Gynecology, Atlanta, GA, May 10, 2006. ***Adolescents, STIs and Pregnancy: New Approaches to an Old Problem.***
170. Grand Rounds, Emory University School of Medicine, Department of Medicine, Division of Infectious Diseases, Atlanta, GA, May 4, 2006. ***Reducing STI/HIV Risk Behavior and STIs among African American Girls: The SiHLE Program.***
169. Annual Meeting, American Academy of Health Behavior, Carmel, CA, March 6, 2006. ***Media Influences on the Attitudes, Beliefs, Norms and Behaviors of Teens.***
168. Emory School of Medicine, Department of Gynecology and Obstetrics, Grand Rounds, May 10, 2006. ***Adolescent STI and Pregnancy Prevention: New Approaches to an Old Problem.***

## **2005**

167. Centers for Disease Control and Prevention, Division of Adolescent & School Health, DASH Funded Partners Meeting, Washington, DC, February 1, 2006. ***Reducing HIV/STD-associated Risk Behaviors among African American Adolescents: The SiHLE Program.***
166. 10th Annual Georgia Conference on Adolescent Pregnancy Prevention, Atlanta, GA, Sept. 27-30, 2005. ***Taking It to the Next Level: Adding HIV/STI Risk Reduction to Pregnancy Prevention Programs.***
165. National Research Council/Institute of Medicine Workshop on the Science of Adolescent Health and Development, September 8-9, 2005. ***Exposure to Media and its Affect on Adolescent Decision-Making.***
164. 2nd Annual Adolescent Sexual Risk Behavior Prevention Institute, Milwaukee, WI, Aug 4, 2005. Plenary Address: ***Characteristics of Effective Sexual Risk Behavior Prevention Programs.***
163. 2nd Annual Adolescent Sexual Risk Behavior Prevention Institute, Milwaukee, WI, Aug 4, 2005. ***Plenary Address: Selecting, Adapting, and Replicating Effective Programs.***
162. University of Pennsylvania, Center for AIDS Research, June 16, 2005. ***HIV Prevention for Women and Adolescents: Reducing the Risk.***
161. Evidence-based Integrated Practices for Positive Clinical Outcomes, Orlando, FL, June 11, 2005. Plenary: ***State of the Science for Reducing Adolescent HIV/STD Risk Behaviors.***
160. The University of West Indies HIV/AIDS Response Programme 3rd Scientific Conference, A Caribbean Strategic Framework for HIV/AIDS Research to Guide the Regional Response, Barbados, May 5, 2005. ***Keynote Address: Preventing HIV among Adolescents: Effective Strategies, Emerging Opportunities, and Continuing Challenges.***
159. Population Council Conference on Reproductive Tract Infections: Setting Research Priorities and Forging Collaborations, New York, April 20-21, 2005. ***Behavior Change Interventions to Prevent Sexually Transmitted Infections among Youth: A Status Report of Programmatic Effectiveness and Directions for Future Research.***
158. Jackson State University, Jackson NIMH-COR colloquium, MS, April 26, 2005. Keynote Address: ***Adolescents and AIDS: The Design of Gender- and Culturally-Congruent Programs to Enhance the Adoption and Maintenance of HIV-Preventive Behaviors.***

157. SAMSHA-NIH 2005 Joint Meeting on Adolescent Treatment Effectiveness, March 21-23, 2005. *HIV Prevention among Adolescents: The State-of-the Science.*
156. University of Kentucky, College of Public Health, Grand Rounds, Feb. 11, 2005. *Adolescents at Risk for HIV/STD: Opportunities for Prevention.*
155. International Conference on Risk Behavior Research in International Settings, St. Maarten, NA, January 13-14, 2005. *A Multi-level Contextual Perspective for Conceptualizing Adolescents' Sexual Health and Risk Behaviors.*

#### 2004

154. Columbia University, Mailman School of Public Health, Center for Youth Violence Prevention, New York, NY, September 13, 2004. *Relationship of IPV to Sexual Risk and Contraceptive Behavior among Adolescents and Young Adult Women.*
153. 34th Annual Congressional Black Caucus Legislative Conference, Washington, DC, September 9, 2004; Glamorized Self-Destruction: A Discussion of the Negative Influence of Urban Music. *Exposure to Rap Music Videos and Adolescents' Health Behaviors.*
152. Puerto Rico Latino Research Training Program in HIV/AIDS, San Juan, PR, March 29-31, 2004. Two- day seminar “*Designing and implementing HIV/STD interventions for Youth: Translating Behavioral Theory into Prevention Practice*”.
151. Puerto Rico Latino Research Training Program in HIV/AIDS, San Juan, PR, March 29-31, 2004. *Adolescents and HIV/STD Prevention.*
150. Puerto Rico Psychological Association, San Juan, PR, March 31, 2004. *A Multi-level Contextual Model of Adolescent Risk Behavior: Implications for Prevention and Treatment.*
149. Washington University, George Warren Brown School of Social Work, Comorbidity & Addictions Center, March 19, 2004. *Adolescents and HIV/STD: Research to Practice.*

#### 2003

148. Georgetown University, November 3, 2003. Second McAuley Lecture - *Fighting AIDS: A New Global Resolve.*
147. Northern Ireland Drug and Alcohol Campaign Group, Belfast, Northern Ireland, October 20-26, 2003. Plenary Address: *Creating Behavior Change: Theory, Mechanisms, and Strategies for Enhancing Health Promotion.*
146. Northern Ireland Drug and Alcohol Campaign Group, Belfast, Northern Ireland, October 20-26, 2003. *Enhancing Adolescent Health: Linking Prevention Science Research with Practice.*
145. Department of Health, Miami, FL, Sept 26-29, 2003. *Theory-driven and Evidence-based Strategies for HIV Prevention among African American Women.*
144. University of Miami School of Medicine, Comprehensive Drug Research Center, Miami, FL, August 4, 2003. *Development and Evaluation of Gender and Culturally-Appropriate Intervention for At-Risk African American Female Adolescents.*
143. NIH/CDC/HRSA Update, Prevention Interventions for Persons Living with HIV/AIDS, Atlanta, July 26-27, 2003. *The WILLOW Intervention for HIV-positive Women in the South.*
142. 10<sup>th</sup> Anniversary Southeast Region Conference on Co-occurring Mental & Substance Related Disorders, New Orleans, LA, June 25, 2003. *Substance Use, Psychiatric Disorder, and HIV: Intersecting Epidemics.*

141. 10<sup>th</sup> Anniversary Southeast Region Conference on Co-occurring Mental & Substance Related Disorders, New Orleans, LA, June 25, 2003. ***African American Teens, Marijuana Use, Psychological Distress and HIV-Related Risk Behaviors, Pregnancy, and STDs.***
140. Delta Region AIDS Education and Training, Jackson, MS, April 2, 2003. ***Bridging the Gap Between Clinical care and Prevention for People Living with HIV.***

## **2002**

139. International Commission for the Prevention of Alcoholism and Drug Dependency, Bethesda, MD, October 7, 2002. ***HIV and Adolescents: Translating Prevention into Health Promotion Practice.***
138. University of California, Los Angeles (UCLA), Los Angeles, CA, June 25, 2002. ***Media Exposure and Adolescents' Health: Does Life Imitate Art?***
137. NIMH Conference on Community Impact for HIV Prevention, Chicago, IL, June 5-6, 2002. ***Community-level HIV Prevention Interventions: Theoretical and Methodological Issues.***
136. University of California, San Diego Medical Center, May 21, 2002. ***Adolescents and HIV Infection: Bridging Theory and Practice in the Design and Implementation of Risk Reduction Interventions.***
135. American Academy of Health Behavior, Second Scientific Meeting, Napa Valley, CA, March 24-27, 2002. ***Designing Successful Interventions to Enhance Adolescents' Adoption and Maintenance of HIV Prevention Strategies.***
134. American Academy of Dermatology, Annual Meeting, New Orleans, LA, Feb 22-27, 2002. ***HIV Prevention Strategies for Adolescents: Translating Theory into Practice.***

## **2001**

133. GlaxoSmithKline Pharmaceuticals, Inc, Expert Panel on HIV Screening and Service Utilization for People Living with HIV/AIDS, RTP, NC, Oct 10, 2001. ***Understanding the Barriers and Facilitators Predictive of HIV Screening.***
132. South Carolina HIV/STD Conference, Columbia, SC, October 4, 2001. Plenary Address. ***Creating Change: The Path from Theory to Practice.***
131. Columbia University Seminar Series, New York, NY, September 28, 2001. ***Reducing Adolescents' Risk for STD/HIV: Models and Techniques for Behavior Change.***
130. American Psychological Association, San Francisco, CA, August 25, 2001. Plenary Address. ***Adolescents and the HIV Epidemic: Challenges and Opportunities for Prevention.***
129. Kinsey Institute Summer Seminar for Research on Sex, Gender and Reproduction, Indianapolis, IN, July 22 - July 29, 2001. ***Reducing Adolescents' Risk of HIV, STDs and Unintended Pregnancy.***
128. University of North Carolina Seventh Annual Summer Public Health Research Institute and Videoconference on Minority Health, Chapel Hill, NC, June 22, 2001. ***The Triadic Partnership Model and its Applicability for Enhancing Community-level HIV Prevention.***
127. University of California, Los Angeles (UCLA), Los Angeles, CA, May 14, 2001. ***Successful HIV Risk Reduction Interventions for Adolescents: Bridging the Gap Between Theory and Practice.***
126. Georgia Campaign for Adolescent Pregnancy Prevention (G-CAP), Atlanta, GA, Feb. 26, 2001. ***Adolescent Health, HIV/AIDS & Sexually Transmitted Diseases: Current Trends and Issues.***

125. American College of Preventive Medicine, Annual meeting, Preventive Medicine 2001, Miami, FL, Feb. 22-25, 2001. ***STD Prevention among Adolescents.***

## **2000**

124. Un Futur Meilleur Pour les Jeunes Malagasy (A Better Future for Madagascar Youth), Antananarivo, Madagascar, Dec. 20, 2000. ***Prevention of HIV and STDs in Madagascar: Developing an Effective Strategy to Monitor the Epidemic and Reduce Risk Behaviors.***
123. Association Des Medecins de Madagascar (Madagascar Medical Association), Antananarivo, Madagascar, Dec. 16, 2000. ***HIV Prevention among Adolescents and Young Adult Women.***
122. HIV/AIDS Conference 2000, Great Bay Beach, St. Maarten, Netherland Antilles, November 30, 2000. ***The Role of Behavioral Research and Surveillance in Tracking and Modifying HIV-associated Risk Behaviors, STDs and HIV.***
121. Association of Emory Alumni, San Francisco, CA, October 29, 2000. ***Exposure to Sexually-Oriented Videos and its Association with Adolescent Risk Behaviors: A Prospective Study.***
120. Association of Emory Alumni - UCLA, Los Angeles, CA, October 28, 2000. ***Exposure to Sexually-Oriented Videos and its Association with Adolescent Risk Behaviors: A Prospective Study.***
119. Prevention Research Center, Loma Linda University, Loma Linda, CA, October 19, 2000. ***Adolescents and HIV: Opportunities for Intervention.***
118. The 5<sup>th</sup> Annual NFL Program for Substances of Abuse Treating Clinicians Conference, Washington, DC, September 21-23, 2000. ***Clustering of Risk behaviors: Opportunities for Early Detection, Prevention, and Treatment.***
117. 8th Annual Principles of STD & HIV Research, Seattle, Washington, July 23, 2000. The University of Washington, Seattle, Center for AIDS and STD. ***Changing STD/HIV Risk Behavior: Theories & Interventions.***
116. Mid-Florida Center for Mental Health and Substance Abuse Services, Best Clinical Practices: Treating Persons with HIV/AIDS, Substance Related & Mental Disorders. June 28-30, 2000. ***HIV Prevention Approaches for Adolescents.***
115. Mid-Florida Center for Mental Health and Substance Abuse Services, Best Clinical Practices: Treating Persons with HIV/AIDS, Substance Related & Mental Disorders. June 28-30, 2000. ***Issues Affecting Prevention and Health-Seeking Behavior among Persons with HIV in Rural Areas.***
114. Morehouse School of Medicine and the Georgia Chapter of the Society for Adolescent Medicine Conference on the Consequences of Adolescent Sexuality: Prevention and Intervention. April 28, 2000. Keynote address: ***Promoting Healthy Adolescent Development.***
113. Brown University, Pediatric Grand Rounds, April 28, 2000. ***HIV Prevention for Adolescents: The Impact of Culture.***
112. Brown University, Child Psychiatry Grand Rounds, April 26, 2000. ***Psychological Distress and Sexual Risk Behavior: A Potential Moderator of Intervention Efficacy among African American Adolescent Females.***
111. Brown University AIDS Program, April 26, 2000. ***Risk Reduction Strategies for Women Living with HIV.***
110. Morehouse School of Medicine Conference on Community-Based Research Issues and

- Methods, April 7, 2000. *Designing Community Intervention Trials*.
109. Institute of Medicine, sponsored committee meeting on “Capitalizing on Social Science and Behavioral Research to Improve the Public’s Health”, Atlanta, GA, Feb. 2, 2000. Discussant in response to report on *Influences on the Health of Adolescents*.
108. Mercer School of Medicine, Macon, GA, Medicine Grand Rounds, January 19, 2000. *The Changing Risk for HIV among Adolescents: Opportunities for Prevention*.

### 1999

107. Emerging HIV/STD Risk in Children and Youth, sponsored by the Center for Mental Health Research on AIDS, NIMH/NIH. *Association Between Exposure to Rap Music Videos and Adolescents’ Risky Sexual Behaviors and Sexually Transmitted Diseases*.
106. The 5th Annual Children Caregiver Conference and Teleconference, Loma Linda, CA, October 12, 1999. *Saving Our Children*.
105. Statewide STD/HIV Conference, On the Road to the 21st Century, Baton Rouge, LA, September 8-10, 1999. *Peer HIV Prevention Programs for Women: SISTA*.
104. NIMH Conference on Role of Families in Preventing and Adapting to HIV/AIDS, Philadelphia, PA, July 21-23, 1999. Workshop panel member, *Designing Secondary Preventive Interventions*.
103. 7th Annual Principles of STD & HIV Research Course, Seattle, Washington, July 19, 1999. The University of Washington, Seattle, Center for AIDS and STD. *Changing STD/HIV Risk Behavior: Theories & Interventions*.

### 1998

102. National STD Prevention Conference, Dallas, TX, December 6-9, 1998. *Behavioral Interventions to Prevent Genital Herpes: Options for Public Health*.  
Alaska Health Summit, Anchorage, AK, December 2-4, 1998. *Promoting Adolescent Health*.
101. Second Annual Overcoming Barriers for Condom Use, County of Los Angeles, Department of Health Services, Public Health Programs and Services, Los Angeles, March 18-19, 1997. *Determinants and Predictors of Condom Use among Adolescents*.
100. Staying Negative in a Positive World, Symposium sponsored by the California State Department of Health, Office of AIDS, April 9, 1998. *HIV Prevention for People of Color*.

### 1997

99. Mid-South HIV/STD Conference, Jackson, MS, October 27-29, 1997. Opening Plenary. *Circle of Healing: Teaching Each Other Through Our Experiences*.
98. Mid-South HIV/STD Conference, Jackson, MS, October 27-29, 1997. *Designing Youth-Centered HIV/STD Skills Training Programs*.
97. Mid-South HIV/STD Conference, Jackson, MS, October 27-29, 1997. Closing Plenary. *There is No Hope Without a Fight*.
96. SIECUS Symposium - Sexuality Education for Underserved Youth in Communities of Color, Vicksburg, MS, September 11, 1997. Keynote address, *Developing Culturally Appropriate and Effective Prevention Approaches for STDs and Unintended Pregnancies*.
95. Cooperative Health Manpower Education Program/Tuskegee Area Health Education Center/Minorities Prevention of AIDS Through Collaborative Choices & Training Center, September 9-10, 1997. Keynote address. *Confronting the Challenge of STD/HIV*

***Prevention through Behavior Modification.***

94. Adolescent Health 2000 - Adolescents and Public Health in the Twenty-first Century: National and International Perspectives. George Washington University Medical Center, June 13, 1997. ***Changing Teen's Behavior: What is Possible, What is Likely.***
93. Annual Meeting, Alabama section American College of Obstetrics and Gynecology, April 11, 1997. Invited address: ***Adolescent Sexuality: Clinician-initiated Prevention Efforts.***

**1996**

92. 2nd Annual South Carolina Conference on STD/HIV, Columbia, SC, November 6-8, 1996. ***Development and Evaluation of an STD/HIV Risk-reduction intervention for High-Risk Women.***
91. The University of Hawaii, School of Public Health, 1996 Ira Hiscock Lecture, October 29, 1996, Oahu, HI, ***HIV Prevention: Looking Back, Looking Forward.***
90. Michigan Society of Public Health Education, Annual Conference, Cedar, MI, September 26, 1996. Keynote Address, ***Reducing Women's Risk of HIV: A Promising Community-Based Model.***
89. Michigan Society of Public Health Education, Annual Conference, Cedar, MI, September 26, 1996. ***Translating Theory into Practice: Design and Implementation of a Gender-sensitive HIV/STD Sexual Risk-reduction intervention for Women.***
88. The 1996 Texas HIV/STD Conference, Annual Conference, Austin, TX, August 28, 1996. Keynote Address, ***HIV Prevention for Women: Test of a Gender and Culturally Relevant Community-based Model.***
87. Society for Adolescent Medicine, Chesapeake Chapter, Baltimore, MD, June 4, 1996. ***Adolescents and HIV: Let's "Get Real" About Prevention!***
86. Children's National Medical Center, Washington, D.C., June 4, 1996, Department of Psychiatry Grand Rounds. ***Do the Epidemics of Violence and High-Risk Sexual Behavior among Adolescents Intersect?***
85. Children's National Medical Center, Washington, D.C., June 4, 1996. Robert S. Rixse Memorial Lecturer for 1996. ***Promoting HIV Preventive Behavior among High-Risk Urban Youth: Is It Possible?***
84. University of South Carolina, School of Public Health, April 23, 1996. ***New Directions and Theoretical Approaches for Promoting HIV Behavior Changes.***
83. Chiang Mai University, School of Medicine, Chiang Mai, Thailand, March 6, 1996. ***Advanced Theory and Practice in Behavioral Science for HIV Prevention.***
82. Mississippi State Department of Health and the University of Mississippi School of Medicine, AIDS Update 1996, February 27, 1996. ***Intervention Strategies for Teens that Work.***
81. Mississippi State Department of Health and the University of Mississippi School of Medicine, AIDS Update 1996, February 27, 1996. ***HIV and Adolescent Sexuality.***
80. Pacific Island Regional training, sponsored by the Centers for Disease Control and Prevention, January 28 - February 2, 1996, Honolulu, Hawaii. ***What Good is Theory? How does Behavior Change Theory Translate into Practice for Pacific Island HIV/STD Education?***
79. Pacific Island Regional training, sponsored by the Centers for Disease Control and Prevention, January 28 - February 2, 1996, Honolulu, Hawaii. ***Are There Core Elements of Effective HIV/STD Prevention Programs that are Translatable to Pacific Island Cultures?***
78. 9th Alabama AIDS Symposium, Montgomery, AL, January 22-24, 1996. ***Designing Peer-***

*based Skills Training Programs.*

**1995**

77. Association of Science-Technology Centers and the National Museum of Health and Medicine, HIV/AIDS Training, Durham, N.C., September 30, 1995. ***Adolescents and AIDS: A Generation in Jeopardy.***
76. University of Texas Health Science Center at San Antonio, South Texas AIDS Training, South Padre Island, September 29, 1995. ***Adolescents and AIDS: A Generation in Jeopardy.***
75. Massachusetts Department of Education, African-American Youth at Risk, Boston, MA, August 21 & September 18, 1995. ***HIV Prevention Targeting African-Americans.***
74. Southwestern Conference on Communicating HIV/AIDS Prevention with Unique Populations, Albuquerque, NM, May 24, 1995. Keynote address: ***Adolescents and AIDS: Promising Prevention Approaches.***
73. Texas Department of Health Sixth Annual HIV Prevention Conference, Austin, Texas, May 17, 1995. Keynote address: ***Designing Effective HIV Prevention Programs for Youth.***
72. Alabama State Department of Public Health, the Alabama Summit on AIDS, May 10, 1995. ***Designing and Evaluating Interventions: Examples of Peer Education, Outreach, and Mentoring with Youth.***
71. Commission of the European Communities Directorate General XII Biomedical and Health Research Programme on AIDS; Ethics, Justice and European Policy: AIDS and Children. Seville, Spain, May, 1995. ***Preventing HIV among Adolescents: Directions for Research.***
70. AIDS Council of Greater Kansas City, HIV Prevention Conference, Kansas City, MO, April 5-7, 1995. Keynote address: ***Developing Effective HIV Prevention Strategies for Adolescents: State of the Science.***
69. The Children's Hospital of Alabama, Focus on Children, Birmingham, AL, March 8-10, 1995. ***Preventing HIV and AIDS in Children and Adolescents: State of the Science.***

**1994**

68. Center for Disease Control and Prevention, Atlanta, GA, December 14-15, 1994. Conference on Setting the Course for AIDS Surveillance. ***Data Needs for Prevention Evaluation.***
67. Update on STD/HIV/AIDS, Annual Conference, Birmingham, AL, November 3, 1994. ***Behavioral Assessment and Change: An Underemphasized Aspect of STD/HIV Prevention and Management.***
66. American School Health Association, Houston, TX, October 8, 1994. Keynote address: ***Epidemiology of HIV and Predictors of Safer Sex Behavior among Adolescents: Implications for the Development of School-based HIV Prevention Programs.***
65. Sixth Annual Adolescent AIDS Conference, Chicago, IL, October 7, 1994. Keynote address: ***The Changing HIV Epidemic among Youth: Implications for Prevention.***
64. American Medical Association, Chicago, IL, October 4, 1994. ***Physicians as Behavior Change Agents: Implications for Office-based Prevention Services.***
63. American Psychological Association, Annual Meeting, Los Angeles, CA, August, 1994. ***Intersecting Epidemics: High-Risk Sexual Behavior and Violence Among Adolescents.***
62. International Association for Child and Adolescent Psychiatry, Annual Meeting, San Francisco, CA, July 24-28, 1994. ***Predictors of Condom Use among High-risk Adolescents: A Synthesis of Findings.***

- 61. Cancer Prevention Research Consortium, Kingston, RI, July 11, 1994. Invited address:  
*Adolescents in Public Housing Projects Do Use Condoms: Results from a Prospective Study of the Determinants of Condom Use among Vulnerable Youth.*
- 60. National Community AIDS Partnership, Annual Meeting, Tucson, AZ, July 6 - 9, 1994. *Youth and HIV: The Need for Community-level Behavioral Interventions.*
- 59. Centers for Disease Control, Perspectives on HIV Prevention and Community Planning, Atlanta, GA, June 6-7, 1994. *Understanding the HIV Epidemic in Youth.*
- 58. Society for Adolescent Medicine, Annual Meeting, Los Angeles, CA, March 16-20, 1994. *Practice and Science of Modifying Adolescents' Sexual Risk Behaviors.*

### 1993

- 57. Arizona Department of Health Services Sixth Annual HIV Prevention Conference, Phoenix, AZ, December 2-4, 1993. *Teaching HIV Prevention to Adolescents.*
- 56. First International Seminar on AIDS Prevention for Youth, San Paulo, Brazil, September 22-25, 1993. *Predictors of Safe Sex Behavior among High-Risk Adolescents: Implications for the Development of HIV Prevention Programs.*
- 55. Institute of Medicine, National Academy of Sciences, San Francisco, CA, July 19, 1993. Invited presentation to the Committee on Substance Abuse and Mental Health Issues in AIDS Research. *African-American Adolescents At-Risk for AIDS.*
- 54. Society for the Scientific Study of Sex, Regional Conference, State College, PA, Sexuality in Context, June 10-13, 1993. *The Importance of Peer Norms on Adolescents' Decisions to Use Condoms.*
- 53. University of California, San Diego, National Conference on HIV and Alcohol Impairment: Reducing Risks, April 22-24, 1993. *HIV and Alcohol Risk Behaviors within Ethnic Subpopulations.*
- 52. University of California, San Diego, National Conference on HIV and Alcohol Impairment: Reducing Risks, April 22-24, 1993. *Reducing HIV Risks among Adolescents in High-Risk Environments.*

### 1992

- 51. Harvard AIDS Institute, Harvard University, Cambridge, Massachusetts, World AIDS Day, December 1, 1992. *Determinants of HIV Preventive Sexual Behavior: Implications for Developing more Effective Risk Reduction Programs.*
- 50. Grand Rounds, George Washington University, Washington, D.C., September, 23, 1992. *Adolescents and AIDS: A Generation in Jeopardy.*
- 49. Fifteenth Annual Scientific Meeting of the International Society of Political Psychology, San Francisco, CA, July 4-8, 1992. *The Politics of Safer Sex.*
- 48. Society for Adolescent Medicine, Washington, D.C., March 21, 1992. *HIV and AIDS: Behavioral Research in Adolescents.*
- 47. National Commission on Acquired Immunodeficiency Syndrome (AIDS), Washington, D.C., January 14, 1992. *The Future of the AIDS Epidemic among Adolescents: Changing Epidemiology and Prospects for Prevention.*

### 1991

- 46. Columbia University HIV Center, November 21, 1991, New York, New York. *The Effect of*

***Social Influences on Adolescents' Use of HIV-Preventive Sexual Behavior.***

45. Women and HIV/AIDS: The Emerging Epidemic, October 19, 1991, Houston, Texas. The AIDS Regional Education and Training Centers for Texas and Oklahoma at the University of Texas Health Science Center. Plenary Address. ***Adolescent Females at Increased Risk: The Role of HIV/AIDS Education in Changing Behavior.***
44. Texas Health Promotion Conference, June 3-7, 1991, San Marcos, Texas. ***Adolescents as a Risk Group for HIV Infection.***
43. Texas Health Promotion Conference, June 3-7, 1991, San Marcos, Texas. ***Policy Implications of HIV Education in Schools.***
42. Prevention of AIDS and Other STDs in Young Populations: Culturally Sensitive Approaches for Design and Evaluation of Behavioral and Educational Interventions, May 30-31, 1991, Hayward, CA. ***Using the Social Influence Model to Develop Effective Intervention Strategies for Adolescents.***

**1990**

41. Twelfth Annual Adolescent Medicine and Health Care Conference, October 12-13, 1990, Minneapolis, Minnesota. Plenary Address: ***Adolescents' HIV-related Knowledge, Attitudes and Behaviors: Changes over the Course of the Epidemic.***
40. National Commission on Correctional Health Care, Annual Meeting, AIDS Forum, June 18-20, 1990, San Diego, CA. Keynote Address: ***A Risk Hierarchy among Adolescents: A Comparison Between Juvenile Detention and School-based Samples in San Francisco.***
39. Prevention 1990: The Future Is Now. Sponsored by the California State Department of Alcohol and Drug Programs, January 26-27, 1990, Costa Mesa, Ca. ***The Association Between Alcohol and Drug Use and Frequency of High-Risk Sexual Behavior Among Adolescents.***
38. Bowman Gray Medical College, Winston-Salem, North Carolina, Colloquium presentation, February 26, 1990. ***Predictors of Adolescent Sexual Behavior.***
37. Texas Health Promotion Conference, June 4-8, 1990, San Marcos, Texas. Plenary Address. ***Adolescents and AIDS: The Silent Epidemic.***
36. Texas Health Promotion Conference, June 4-8, 1990, San Marcos, Texas. ***Minorities and AIDS.***  
Texas Health Promotion Conference, June 4-8, 1990, San Marcos, Texas. ***AIDS and the Schools: Policy Perspectives.***

**1989**

35. Speech Communication Association, November 17, 1989, San Francisco, CA. Summary Address: ***Prospects and Pitfalls in HIV Prevention Research.***
34. HIV Infection: Meeting the Needs of Children and Youth. Regional AIDS Conference sponsored by the Society for Adolescent Medicine and the National Institute of Child Health and Development, September 22-23, 1989, Houston, TX. Plenary Address: ***Psychosocial Factors Associated with HIV Risk-Taking and Risk-Reduction among Adolescents.***
33. Third International Conference of AIDS Education, September 10-13, 1989, Nashville, TN. Plenary Address. ***Changes in Adolescents' Knowledge and Attitudes about AIDS and Risk-taking Behavior over a Three-Year Period.***
32. Texas Health Promotion Conference, June 5, 1989, San Marcos, TX. Plenary Address. ***Development and Evaluation of AIDS Risk-Reduction Strategies for Adolescents.***
31. International Communications Association, May 27, 1989, San Francisco, CA. ***Impact of the***

***Mass Media on Behavioral Change Among Adolescents.***

30. American Association of Adolescent Psychiatry, May 5-7, 1989, San Francisco, CA. Adolescents and AIDS Symposium presentation: ***Comparison of High-Risk Behaviors Related to HIV Transmission Among Emotionally Disturbed and a School-based Adolescent Sample.***
29. HIV Infection and Youth. Regional AIDS Conference sponsored by the Society for Adolescent Medicine and the National Institute of Child Health and Development, April, 24, 1989, Washington, D.C. ***Issues in the Design and Analysis of HIV Prevention Programs for Adolescents.***
28. HIV Infection and Youth. Regional AIDS Conference sponsored by the Society for Adolescent Medicine and the National Institute of Child Health and Development, April, 24, 1989, Washington, D.C. Plenary Address: ***Factors Associated with Risk-Reduction among Adolescents.***
27. Fifth Biennial Conference on Adolescence Research, March 2-4, 1989, Tucson, AZ. Plenary Address. ***Development of a Multifactorial Model for Studying Adolescent Decision-Making: The Case of HIV Risk-Taking Behavior.***
26. California State Psychological Association, February 24, 1989, San Francisco, CA. ***The Impact of AIDS Education on Adolescent Sexual Risk Behavior.***

**1988**

25. Second International Conference on AIDS Education, August 2-4, 1988, Charleston, SC. Plenary Address. ***Policy Issues Affecting the Development and Implementation of School-based HIV Prevention Programs in the United States.***
24. National Institutes of Mental Health - Georgetown University Child Development Center Conference on The Prevention and Treatment of AIDS among Adolescents with Serious Emotional Disturbances, June 9-10, 1988, Washington, DC. ***Prevalence of Risk-taking Behavior Associated HIV Transmission in Psychiatrically Hospitalized Adolescents.***
23. Texas Health Promotion Conference, June 6-10, 1988, San Marcos, TX. ***School Board Policy and AIDS Education/Prevention Programs: The Critical Dynamics.***
21. International Communications Conference, May 29-31, 1988, New Orleans, LA. ***Strategies for Effectively Communicating AIDS Information to Adolescents.***
20. Grand Rounds, Pennsylvania College of Medicine, October 18, 1988, Philadelphia, PA. ***Prevalence of Adolescent Risk Behaviors Associated with HIV Infection.***
19. Grand Rounds, University of Washington, School of Medicine, Children's Hospital, October 29, 1988, Seattle, WA. ***Prevalence of High-Risk Behaviors Among Severely Emotionally Disturbed Adolescents.***
18. Center for Population Options, Rockville, MD., AIDS and Adolescents: The Time for Prevention Is Now, April 27-28, 1988. Plenary Address: ***Current Research on Adolescents' Knowledge, Attitudes and Behaviors Related to AIDS.***
17. University of California, Berkeley, CA. Anita M. Baldwin Lecture Series, April 15, 1988. ***Quasi-Experimental and Experimental Designs in AIDS Prevention Evaluation Research.***
16. National Education Association, April 8-9, 1988, Washington, D.C. Plenary Address. ***AIDS Education: Teachers as Change Agents and Role Models.***
15. California Teachers Association, High-Risk Committee on Adolescent Health, March 24, 1988,

- Los Angeles. ***Key Components in Developing Effective HIV Prevention Curricula.***
14. California Teachers Association, Good Teaching Conference, March 5, 1988, San Francisco, CA. Plenary Address. ***The Need for Developing and Implementing AIDS Information Programs for Teachers.***
  13. California Teachers Association Statewide High-Risk Youth Conference, February 26-27, Oakland, CA. ***AIDS Prevention - Impact on Our Schools.***
  11. National Education Association, February 19-21, 1988, San Francisco, CA. ***AIDS Education: The Critical Role of Teachers in Communicating AIDS Risk-Reduction Information.***
  10. Institute of Medicine - Public Health Service Regional Hearing on National Health Objectives for the Year 2000, January 22-23, 1988, Los Angeles, CA. ***The Critical Need for Implementation of Adolescent AIDS Education in U.S. Public School Systems.***

### **1987**

9. First International Conference on AIDS Education, July 31-August 1, 1987, Columbia, SC. Plenary Address: ***AIDS Education and Prevention Programs in the United States.***
