WHO WE ARE

In 1953, Edward Creske founded Wausau Tile with a simple formula for success: quality and service. With Ed's unwavering commitment to quality and personalized customer service, Wausau Tile has forged lasting partnerships with many architects, designers and companies worldwide. Our company has never wavered from Ed's founding values which has ensured that the name Wausau Tile is synonymous with American craftsmanship, dependability and innovation.

Throughout the past six decades, Wausau Tile has grown to become the preeminent manufacturer of architectural concrete, terrazzo and metal products. We were the first American manufacturer of cementitious terrazzo tile and among the first domestic producers of hydraulically pressed concrete pavers. Today we are a leader in innovative sustainable manufacturing practices, using recycled materials and green technology, and our products are found in virtually every community in the United States.

Wausau Tile is the trusted choice for many of the world's leading designers, engineers and building professionals. Whether they're creating projects on Main Street U.S.A. or at iconic destinations such as Time Square or Cleveland Public Square, they choose to partner with our collaborative, creative and responsive team time and time again.

OUR CUSTOM PRECAST CONCRETE

Big ideas start with a blank canvas and Wausau Tile's custom precast concrete provides the palette for painting a masterpiece. Concrete wall panels, columns, seat walls, coping and tree grates are just a glimpse in to Wausau Tile's capabilities. From stunning streetscapes to cascading stairs to contoured curbing, the applications are endless. Wausau Tile has the experience to solve your complex custom concrete design challenges.

Turn big ideas into bold and beautiful showstoppers with custom concrete installations by Wausau Tile.

OUR COMPLEMENTARY PRODUCTS

CUSTOM COLORS

At Wausau Tile, we have a large selection of colors for you to choose from to fit any space. However, we know that sometimes our customers are looking for an exact color match to an existing piece or something extra special. With our free sample process, Wausau Tile offers you the ability to create custom colors from scratch or match existing products. The quickest way to achieve a custom match is to provide us with a physical sample. If you are looking to create a custom color, provide us with a Benjamin Moore, Sherwin Williams or Pantone color and we will go to work.

VISTA APARTMENTS

The outdoor courtyard and entertaining space at the Vista Apartment complex in Fitchburg, WI showcases Wausau Tile's full line of products. Custom precast concrete walls were created with a woodgrain look to tie into the aesthetic of the Vista courtyard. Our custom precast terrazzo was used as countertops at the grilling stations as well as on the top of the custom metal bench. Several precast concrete planters were placed throughout the courtyard to bring in some greenery to the neutral earth tones of this outdoor space. Finally, Stoney Creek pavers were used throughout the entire Vista Apartment courtyard to bring in a natural stone look to tie in the look and feel of the coordinating Wausau Tile products.

WAUSAU TILE TREAD & RISERS

Damen Ave. | Chicago, IL | Custom Precast Concrete Fully-Supported Tread and Risers

TREAD AND RISERS

Wausau Tile makes a variety of treads, coping and bases to give your next project the style and strength it needs. Our precast concrete tread and risers are reinforced with fiber or rebar. Our base and coping complete the finished look around the base of our column covers, wall panels and other surfaces. Let Wausau Tile complement or match any existing concrete floors or indoor stairs with ease.
