Custom wood, Custom stained finish, Custom windows

stunning handcrafted wood doors

Architectural details for homes of distinction.

Wayne Dalton's wood doors combine the convenience of modern sectional doors with the classic appearance of swing-open carriage house style wood doors. Our Amish craftsmen in Mt. Hope, Ohio, and our wood artisans in Centralia, Washington, hand-build beautiful wood doors to your specification with thorough attention to every detail.

As one of the largest makers of wood garage doors, we make a point to be involved in the complete life cycle of every wood door. We offer several premium wood options for our doors to enhance the overall beauty and ensure the highest quality.

No matter what type of wood you choose, the result is a fine quality, beautiful wood door that will yield many years of reliable performance. Hemlock makes a superb painting surface. Cedar is an excellent exterior grade material, highly resistant to rot and insects. Mahogany has a tight smooth grain and is naturally weather resistant. Since each type of wood is different, your door will be uniquely yours.
