Fun Facts About Apple Farm Service

How many parts do we have?

At any given time, Apple Farm Service will have over 80,000 different kinds of parts in stock from over 120 vendor lines! We try to keep a large number of parts in stock at each location, and can quickly move parts from store to store when needed. Apple Farm Service has access to over 500,000 different parts through our network of vendors, and in most cases, can deliver the next day!

Did you know we work on small engines?

You probably know we work on all things large...tractors, combines, and anything diesel. But did you know we also can fix your weed eater, chainsaw, and lawnmower? Our technicians have certifications in small engines as well!

We're never too cool for school...

Apple Farm Service believes in continuing education. That's why we are constantly sending technicians to school to stay on top of the latest products from our vendors. We stay prepared so you never have to worry if we can service anything you buy from Apple Farm Service. If we sell it, we know how to service it.

Consider it sold with Auction Services!

Want an easy way to get quick cash from your used equipment? Apple Farm Service offers an auction service through the powerful "AuctionTime" service powered by Tractorhouse.com. Visit AppleFarmService.com/auctions to learn more!
