**The University of Adelaide offers Waseda University students the opportunity to improve their English language proficiency and study an intensive academic program with local and international students whilst immersing themselves in Australian culture.**

## THE UNIVERSITY OF ADELAIDE

Founded in 1874, the University of Adelaide is Australia's third-oldest university. We consistently rank in the top 1% globally and number one in South Australia for tertiary education. Our reputation for excellence and breaking new ground has been forged by a continuous stream of outstanding people. Our distinguished alumni includes five Nobel Laureates and over 110 Rhodes Scholars. Australia's first female prime minister and Supreme Court judge were also University of Adelaide alumni. Today, our vibrant culture continues to attract some of the world's best and brightest— academic leaders from all corners of the globe and students from more than 100 countries.

For more information about the University of Adelaide visit [www.adelaide.edu.au](http://www.adelaide.edu.au).

## 2023 PROGRAM OVERVIEW

This program offers Waseda University students the opportunity to immerse themselves in the academic and social life of an outstanding university in a city renowned for its culture and lifestyle.

Students will have the option of studying cultural, political, environmental and economic issues, as well as law and health science subjects, that are of current significance in Australia and worldwide. Courses are drawn from various University of Adelaide disciplines including Aboriginal Studies, History, Geographical and Environmental Studies,

Politics and International Studies, Business, Economics, Law\*, and Health Sciences.

\* Please note that language requirements for law differ from other study abroad options.

## LEARNING OUTCOMES

Students will gain...

- An understanding of the interaction between the environment and society from cultural, scientific, political and managerial perspectives that will help prepare them for a range of exciting international career opportunities.
- Knowledge of the choices we face in seeking to promote international social justice while protecting and managing the environment.
- A broader understanding of the range of political environments with which societies around the world are shaped.
- A learning experience alongside local and international students of the University.
- An official academic transcript confirming their achievement once they have returned home.

## ENTRY REQUIREMENTS

Students must:

- Have completed at least one year of study at Waseda University.
- Provide evidence of a GPA of at least 2.5 out of 4.0.
- Meet the English language requirements outlined on the relevant program page.

# LANGUAGE FOCUS (CS-L)

The Language Focus program includes one semester developing English language and communication skills to prepare for academic study at the University of Adelaide, and one semester studying academic courses in your chosen field.

The [Pre-Enrolment English Program \(PEP\)](#) is an interactive task-based course. Through active participation, you will learn by:

- Undertaking individual and group project work,
- Investigating the academic culture of the University,
- Making oral presentations and responding to questions on your ideas,
- Developing research and academic writing skills and reporting your findings in written form,
- Reading, listening and note taking,
- Reflecting on, and developing action plans for personal language progress, and
- Leading and participating in seminars and tutorials.

You will use blogs and discussion boards to share ideas and learning experiences with teachers and peers. The use of these technologies will enable you to develop your critical thinking skills and engage in a different way of communicating in English. By the end of the course, you develop:

- A willingness to speak out and participate actively in class, seminars, and group study sessions.
- Skills to succeed in self-directed study.
- An understanding of Australian tertiary academic culture, styles of thinking, learning and presentation of ideas.
- Solid written skills in English, including academic reports and discussion essays.
- Research skills, including referencing.
- Analytical and critical thinking skills and the ability to put forward and support arguments.
- Familiarity with, and confidence in, accessing student facilities and services, including the library.
- Intercultural understanding and a network of friends with whom to share your study experience.

After successful completion of PEP, you will be able to enrol into a semester of coursework at the University of Adelaide. Study Abroad is an academic fee-paying program for international students. Through participating in the Study Abroad program you can:

- Gain credit from your home institution,
- Satisfy your degree requirements by taking courses not available at Waseda University,
- Improve your language skills and cultural understanding,
- Develop your self-confidence and social skills,
- Build strong global networks and make new friends,
- Discover new knowledge and grow your international perspective, and
- Increase your employability.

Students may choose from one of the following options:

<p><b>Program 1: PEP20+</b> 20 Week Pre-Enrolment English Program (PEP) at the English Language Centre + Semester 2, 2023 Academic Study Abroad (see course areas pages 5-11)</p>	<p><b>Program 2: PEP15+</b> 15 Week Pre-Enrolment English Program (PEP) at the English Language Centre + Semester 2, 2023 Academic Study Abroad (see course areas pages 5-11)</p>	<p><b>Program 3: PEP10+</b> 10 Week Pre-Enrolment English Program (PEP) at the English Language Centre + Semester 2, 2023 Academic Study Abroad (see course areas pages 5-11)</p>

# ACADEMIC FOCUS (CS-R)

Study Abroad is an academic fee-paying program for international students. The University of Adelaide offers studies in a wide range of disciplines, allowing you to find courses you need to complement your academic studies and enjoy a great lifestyle experience

## STUDY ABROAD DATES AND FEES

### SEMESTER 1, 2023

#### Course Fee (TBC):

2022 fees indicated below:

3 courses per Semester: AUD \$10,200

4 courses per Semester: AUD \$13,700

#### Orientation:

15 February – 24 February 2023

#### Teaching Period:

27 February – 9 June 2023

#### Examinations:

17 July – 1 July 2023

#### Replacement Examinations:

17 July – 22 July 2023

Students must be in Adelaide in this period if they require a replacement examination.

### SEMESTER 2, 2023

#### Course Fee (TBC):

2022 fees indicated below:

3 courses per Semester: AUD \$10,200

4 courses per Semester: AUD \$13,700

#### Orientation:

17 July – 21 July 2023

#### Teaching Period:

24 July – 27 October 2023

#### Examinations:

4 November – 18 November 2023

#### Replacement Examinations:

6 December – 12 December 2023

Students must be in Adelaide in this period if they require a replacement examination.

## STUDY ABROAD ENGLISH LANGUAGE REQUIREMENTS

### Most Courses\*:

**TOEFL (internet based)** Total score of 79  
Writing 21, Speaking 18, Reading and Listening 13

\* Higher scores are required for certain programs and courses.

### Most Courses\*:

**IELTS** Total score of 6.5  
Writing, Speaking, Reading and Listening 6.0

\* Higher scores are required for certain programs and courses.

For information about other acceptable language tests, please refer to the University of Adelaide website at [adelaide.edu.au/inbound-study-abroad/steps-to-apply/entry-requirements](https://adelaide.edu.au/inbound-study-abroad/steps-to-apply/entry-requirements).

# COURSE OPTIONS

Courses available to Waseda University students are listed below. More information on these courses can be found in the [Course Outlines section](#) of the University's website or from Waseda Program Coordinators. Although students should select courses that are of interest to them, it is also important they consult with the Center for International Education to ensure that selected courses at the University of Adelaide will be recognised towards their studies at Waseda University.

**Please note** that these courses are only indicative of the options available in 2023. Course information for 2023 will be available in December 2022.

\*Please note that confirmation of successful enrolment into Law and Health Sciences courses requires faculty approval and that not all applications will be successful. Students interested in taking Law or Health Sciences courses should select alternative course choices in case they are not able to enter their chosen courses.

# ADELAIDE CITY

## WHY ADELAIDE?

Students can truly immerse themselves in Australian culture by studying and socialising with local and other international students, while still earning valuable academic credit from a prestigious Australian university and exploring some of South Australia's best cultural landmarks. Students will be surprised how quickly they can 'feel at home' in the beautiful compact city of Adelaide.

You will be amazed by the beauty and variety of nature found in South Australia, all within short reach of Adelaide. Lush hills to the east, white sandy beaches to the west, dusty outback to the north and rugged coastline to the south mean that they will never tire of exploring their Australian home, even in the cooler winter months.

## OUTSTANDING LOCATION

The University of Adelaide is located in the beating heart of Adelaide, the capital city of South Australia. The University's attractive main campus is situated in the centre of Adelaide's vibrant retail, dining and cultural district, bordered by the Art Gallery, Museum, State Library, Festival Centre, Botanical Gardens, Central Business District and the River Torrens—an ideal location for local and international students alike.

Known for its pleasant Mediterranean climate, thriving economy, dynamic cultural scene and relatively low cost of living, Adelaide offers an enviable lifestyle in an environment that is ideal for study and recreation. Adelaide is one of the most affordable mainland cities, with a cost of living up to 12% lower than Sydney and Melbourne.\* It is an attractive, friendly, safe and well-planned city of wide streets and boulevards, squares, parklands and a mixture of historic and modern buildings. With a population of 1.3 million, Adelaide is Australia's fifth largest city.

# ORIENTATION

Students will be provided with a comprehensive Orientation Program including a tour of the University of Adelaide campus. Student ID cards will be issued to students after arrival. This will allow access to all University facilities including computer labs, the University library and the many clubs and cafes on campus. Student cards also provide discounts for students on public transport, at some restaurants, the cinema and other popular student activities.

# ACCOMMODATION

## HOMESTAY (PEP STUDENTS ONLY)

During their time at the English Language Centre, students may choose to stay in homestay accommodation in an Australian family home, allowing them to experience Australian family life and culture. As in most modern societies, Australian households vary. A homestay family does not necessarily mean a two-parent family with children. Hosts may be single individuals, married couples, single parents with children, couples or partners with or without children. Backgrounds vary greatly. Typically host families have an interest in sharing their own culture with others and are eager to learn about other cultures.

The University will endeavour to match students with like-minded families (i.e. pets/no pets, like music, like sport, smoking/non-smoking, etc.). Homestay accommodation will be located near public transport which students can catch to and from the University. Students will have their own bedroom and will be provided with breakfast, lunch and dinner each day.

## THE UNIVERSITY OF ADELAIDE VILLAGE

The Village is the largest of the University-managed student accommodation options and is the recommended accommodation option for Waseda University students. Situated in Adelaide's central business district in the dynamic Central Market and Chinatown precinct, The Village offers students a well-balanced University lifestyle.

Fully furnished five bedroom townhouses or four bedroom apartments, complete with generous common living spaces, functional bedrooms, decorated with warm and happy colours, elevate the Village living experience above more contemporary student accommodation options.

Designed to provide additional support to students during intensive study periods and to encourage them to make the most of University life, our award winning student engagement program offers Village residents the opportunity to participate in learning support programs, sport and social activities, planned, co-ordinated and conducted in-house.

The Village offers University of Adelaide students the perfect platform from which to make a supported transition into University life.

## Other Accommodation Options

Students can enjoy the benefits of access to quality accommodation options across the city, at various price points. For detailed information on your options please visit the Accommodation Service website: <https://www.adelaide.edu.au/accommodation/enhancing-the-education-experience>

# SUPPORT, FACILITIES & CONTACTS

## SUPPORT SERVICES

From the moment students arrive, the University of Adelaide has a range of [high quality support services](#) designed to help international students settle in quickly and succeed in their studies.

Students who have chosen homestay will be met at the airport by their host families when they arrive. Other students can take a taxi or public transport from the airport (estimated 20 minute travel time).

## INTERNATIONAL STUDENT SUPPORT

The [International Student Support service](#) is responsible for the ongoing support of international students. Their services include general counselling, assistance with student issues, and welfare support.

## ADDITIONAL SUPPORT SERVICES

In addition to the International Student Advisors, the University also operates a [Counselling Centre](#) on campus, which is staffed by professional psychologists. Located next to the Counselling Centre is the [University Health Service](#) which provides standard medical treatment and advice. These services are available to all students.

## LIBRARY

With over 2.2 million print and electronic resources, [the Library](#) is well placed to support learning, teaching and research at the University of Adelaide. Students can take advantage of a number of services including wireless internet access, individual or group study areas, 24 hour computer suite, photocopiers and an interlibrary loan service.

## STUDENT FACILITIES

The University of Adelaide has a state-of-the-art 24-hour student facility known as Hub Central. The Hub offers food and retail outlets, student services, study and relaxation areas and bookable group study rooms. This flexible space is well utilised by both local and international students.

## STUDENT CLUBS

In addition to those facilities offered by Hub Central, the [Adelaide University Union](#) provides a variety of on-campus eating places, a bar, and theatre facilities.

The University also has its own gym on campus, [the Fitness Hub](#). [AUU Clubs](#) offers over 150 clubs that represent all kinds of activities, and joining one is the best way to make friends and connections on campus

## LIVING COSTS

Please Note: Living costs will vary significantly depending on a student's type of housing and lifestyle. The following is a guide only. Further information can be found on the [university website](#). Students living in Village will be responsible for rent, food and personal expenses.
