

## **Welcome to the Daisy Flower Garden Activity Plan 2 Amazing Daisy Award**

**Purpose:** When girls have earned this award, they'll begin to understand and live the Girl Scout Promise and Law and will recite both in front of friends and family.

**Planning Guides Link:** Leadership

**Activity Plan Length:** 1.5 hours

**Involve Family and Friends:** Participation from family and friends can enrich your troop's Girl Scout experience, both for the girls and for you. Use the suggestions below to make it easier for you to connect with additional support.

- Before the meeting:
  - Send a note to families to find those with interest in or expertise with the topic. Ask them to lead or support an activity or two, or even lead the whole meeting.
    - Offer this activity plan as a starting place and point out that they may choose alternative activities using the *Customize It!* section as a guide. For example: If an activity plan directs girls to sit outside and observe animal habitats, you may choose to go to the zoo and learn about animal habitats there instead.
- At home:
  - Encourage families to ask questions about their girls' Journey activities. Some examples that work for any Journey include: What did you learn? What surprised you? What does it make you think of trying next?
- Throughout the year:
  - Suggest to families ways that girls can share or display their Girl Scout accomplishments. Possibilities include a bulletin board, a scrapbook, a special memories box or family sharing time.

**Girls Take the Lead:** Include girl leadership through long-term planning, short-term meeting prep and specific activities at meetings.

- Long Term Planning
  - If you use "Plan Your Daisy Year", share this with the girls at the start of the year. Have them ask friends and family to help out with specific meetings or activities. Let the girls brainstorm ways to make the plans their own, such as thinking of related field trip activities. If a girl has experience with a field trip, ask her to be assistant tour guide.
  - If you are adapting the "Plan Your Daisy Year", get the girls' input on which petal and Journeys to choose. Offer just a few choices in each category or timeframe to make decisions easier. Every girl should have at least one petal or journey she's excited about.
- Short Term Planning
  - Ask a family to help lead a Journey. Make sure they have access to activity plans and any resources you might have. Keep additional requested materials to a minimum.
  - Choose two helpers to stay after a meeting for 15 minutes. Give them each an activity to introduce and either instruct or help guide at the next meeting.
  - Before a meeting, ask everyone to vote on some aspect of the activity: draw posters or perform skits, open with a song or game, etc.
  - Use a rotating list of helper tasks, called a 'kaper chart', to share responsibilities. Examples include acting as emcee of the meeting, leading an opening game, bringing a snack next meeting or taking attendance.

- At the Meeting
  - During the opening, have 1-2 girls share their answers to a get-to-know-you question.
  - Have girls fulfill their kaper chart responsibilities.
  - Try to find something in each activity that you can let girls decide or manage.

Customize It: If your group wants to expand work on this award or simply try different activities, go for it! There are many ways to complete this award, including: completing the activities as listed in the *Welcome to the Daisy Flower Garden Journey*, completing this activity plan, attending a council-sponsored event or customizing activities. Pick the one(s) that work best for your group. Girls will know they have earned the Amazing Daisy Award if:

- They begin to understand and live the Girl Scout Promise and Law.
- They recite the Promise and Law in front of family and friends.

Girls can continue their Daisy Flower Garden Journey by earning the remaining award: Golden Honey Bee Award.

Moving to Take Action: To complete the *Welcome to the Daisy Flower Garden* journey, girls plan and carry out a Take Action project that addresses the root cause of a community issue in a sustainable way. During the process, here are some things to think about.

- Girls should play an active part in determining the "what, where, when, how and why" of their project, but Girl Scout Daisies will need your support and guidance throughout the process.
- Help girls scale the project to a manageable size, so they can have a successful experience. Even if the project has a small scope, what they are doing is important.
- Take Action projects are different than community service projects. Take Action projects pick up where short-term community service projects leave off and are a long-term solution, rather than a short-term solution.
- Consider contacting Girl Scout Cadettes in your area to help with the Take Action project. This will help the Cadettes earn the Program Aide Pin. Contact your service unit manager for more information.
- It's up to the girls to find a Take Action project that they are passionate about, but to get started, here are a few ideas:
  - o Family project: Girls work with their families to determine what they can do to help with a garden. Maybe they can start seedlings, raise worms, or make compost. The families can then work together to start or update a garden at their meeting space, a community building, or even a troop member's yard. Girls invite their families and friends to come to their garden party.
  - o School project: With adult help, girls talk to their school principal to find out if anything can be done to help the gardens at their school. Girls can invite classmates to help with their project and attend their garden party.
  - o Community project: Where you live, girls can help find a community garden (i.e. church, government building, community vegetable garden, retirement community, etc.) and do a garden clean up day. Girls can help put in new plants or pull weeds and invite those who live, work, or worship there to attend their garden party.

**Steps:**

1. Introduce the group to Daisy from the flower friends. Daisy loves to do all the things from the Girl Scout Law. Explain to the girls that their last award is the Amazing Daisy Award. To earn this award, girls must use everything they learned to work together and help a garden in their community.
2. Lead the group in a discussion to brainstorm ideas for their take action project. While friends and family are encouraged to participate in this discussion, be sure that girls are able to contribute and make the final decision. Have someone record the group's ideas as they are said.
3. Ask the group what they can do to help a garden. Examples are:
  - Plant a new garden using the plants they grew.
  - Add new plants to a garden that will grow every year or that grow better in their area.
  - Create a compost pile to make healthy soil for plants.
  - Weed a garden so the plants there can grow better.
  - Add worms or ladybugs to a garden to help the plants be healthier.
4. Have girls think of gardens in their area that need their help or places that don't have gardens where they could add one. Examples are:
  - Schools
  - Churches
  - Libraries
  - Retirement communities or nursing homes
  - Senior centers
  - Local parks
  - Community centers
5. Ask the girls who they know that could help them with their project. Examples are:
  - Friends from school
  - Family
  - Church members
  - People from teams or clubs
  - Teachers
  - Coaches
6. Depending upon the time available, do one of the following:
  - Ask the girls to choose a Take Action project that they'd like to do. Develop the project plan today and Take Action in your next meeting.
  - Document the girls' ideas; bring the notes to your next meeting for girls to develop a Take Action project plan and put it into motion.

**Wrapping Up**

Time Allotment: 15 minutes

**Materials Needed:**

- Optional: Make New Friends printed on poster board
- Optional: Girl Scout Promise and Law printed out on poster board

**Steps:**

1. Instruct girls to stand in a line and recite the Girl Scout Promise and Law in front of their families and friends to hear. Recite the Promise and Law along with them if they need help.
2. Instruct girls to get into a Friendship Circle. Have girls stand in a circle and cross their right arms over their left, holding hands with the person on each side of them.

3. Sing "Make New Friends."

Make New Friends		
Verse One	Verse Two	Verse Three
Make new friends, but keep the old. One is silver, the other is gold.	A circle is round, it has no end. That's how long, I will be your friend.	You have one hand, I have the other. Put them together, We have each other.

4. After the song, ask everyone to be quiet.
5. Assign one girl to start the friendship squeeze by gently squeezing her neighbor's hand with her right hand. Then, that girl squeezes with her right hand. One by one, each girl passes the squeeze until it travels around the circle. When the squeeze returns to the girl who started, she says "Goodbye Sister Girl Scouts" and the girls unwrap and face outward instead of inward.
6. Optional: Have girls make a wish after their hand has been squeezed and before they pass the squeeze along. Girls can also put their right foot out into the circle when they receive the friendship squeeze, so that everyone can see it travel along the circle.
