The non-conference doubleheader was originally scheduled for 2:30 p.m., but has changed their starting time for the first game to 4 p.m. The games will be held at Lewis and Clark Stadium—the home of Sioux City Explorers Baseball Club LLC (3400 Line Drive) in Sioux City, Iowa.

GEOFF SCHAAB Head Coach

3rd Season (5-64 at Dakota State)

Career Record: 5-64

Alma Mater: Edinboro (Pa.)

Geoff Schaff begins his third season as Dakota State University Baseball Head Coach.

Prior arriving to Dakota State, Schaab served as the Head Coach, Associate Head Coach and Director of Baseball Operations with the Northern Virginia (NoVA) Fellowship of Christian Athletes travel (16-18 years old) baseball team, where his team rose from finishing 25th out of 26 teams in 2014 (2-17 overall record), to No. 8 the following season (19-14 overall record) and No. 2 in 2016 (19-8 overall record).

He was also a regular instructor at local and regional baseball camps to include NoVA FCA Baseball Academy and at Messiah College as a hitting coach and infield instructor.

Schaab played collegiate baseball at Edinboro University (Pa.) – formerly NCAA Division II – in what it recognized as one of the premier NCAA Division II conferences – the Pennsylvania State Athletic Conference. He was named a ‘Newcomer to Watch’ as an incoming freshman by Collegiate Baseball Magazine in 2000 and started at second base and left field, finishing with a career .315 batting average. He only struck out 26 times in 409 career plate appearances.

Upon graduation at Edinboro in 2003, Schaab moved to Northern Virginia in 2004 and worked for four years as an Intelligence Analyst with the Defense Intelligence Agency. He then served as a Senior Sanctions Investigator with the U.S. Department of the Treasury Office of Foreign Assets Control for seven years.

“I’ve had very good mentors and friends in the collegiate game to include NCAA Division I Head Coach Bruce Peddie (University of Kansas)” said Schaab. “I am very Passionate about wanting to coach these young men and further excited about changing the direction and path of DSU Baseball.”

Geoff has an older brother Robert Todd Schaab, who played at NCAA Division I Youngstown State (Ohio) from 1998-99 and then at NCAA Division II Indiana University (Pa.) from 2000-02 (where they played against one another a total of eight times).

In his second season at DSU, the Trojans upset the #1 seed Mayville State Comets (RV) in the first round of the North Star Athletic Association baseball playoffs; marking the first win in DSU history in North Star tournament play.

Geoff is a native of Tonawanda, N.Y. where he graduated from Kenmore West High School. He currently resides in Madison, S.D.

DERRION HARDIE Assistant Coach

1st Season

Alma Mater: Sioux Falls (S.D.)

Derrion Hardie is entering his first season as Dakota State's head assistant baseball coach and recruiting coordinator.

"I am excited to become a DSU Trojan," stated Hardie. "My wife and I wanted to return back to our home state of South Dakota to be closer to family and this is the right opportunity. I have learned that vision, mission, core values and continually asking why we do what we do is what drives organizational excellence. Coach Schaab has an aggressive 'brick by brick' vision for building DSU Trojans Baseball into an eventual North Star Athletic Conference contender, a vision I believe in and am grateful that he has entrusted me to assist him with."

"DSU is innovative and provides a great academic setting that rivals private schools and costs significantly less," added Hardie. "Additionally, the DSU Athletics Master Plan is impressive and will significantly change the landscape of Trojans Athletics. DSU, Trojans Athletics and its baseball program has a motivating future that I am thrilled to be a part of! Brick by Brick... We Are Rising...Go Trojans!"

Prior to arriving at Dakota State University, Hardie was the head baseball coach at Ecclesia College (Ark.) where he was hired to lead the development of the baseball program that began play in 2013. Hardie pioneered the Royals to six consecutive winning seasons, post-season berths and executed a five-year plan to qualify for the NCCAA World Series which occurred in 2017.

Hardie engineered 175 wins in his six seasons as the head coach at Ecclesia. During that time, he produced five players that went on to sign professional contracts, five (5) All-Americans, eighteen (18) All-Region, twenty-four (24) All-Conference, two (2) Conference Player-of-the-Year and two (2) Conference Pitcher-of-the-Year selections.

As the former head baseball coach at Northwestern College (Iowa), Hardie's teams finished at the top of the Great Plains Athletic Conference in team offense and defense. His Red Raider teams were most known for their offensive production that earned them NAIA national recognition in various team statistical categories, such as his 2003 team that finished 16th in the nation in team home runs (43). He additionally coached two All-Americans while at Northwestern.

Previous to his time at Northwestern, Hardie served as an assistant baseball/catchers and hitting coach at his alma mater, the University of Sioux Falls (S.D.).

In addition to his collegiate coaching, Hardie spent ten years as a highly successful high school head baseball coach in Minnesota and South Dakota. His teams qualified for the state tournament nine of his ten years, reaching the state championship game five times, winning two state championships and receiving two state Coach-of-the-Year honors. During his high school coaching career, Hardie coached 29 All-State Players and 46 All-Region Players and had 18 players sign collegiate national letters of Intent.

"Bringing Derrion on to the staff makes us immediately stronger of baseball team by adding proven veteran coaching experience," said Schaab. "His ability to successfully recruit in areas – specifically the South and Midwest – combined with his servant leadership attitude and transformational coaching style make him the exact type of coach DSU Baseball needs to continue growing positively. We also look forward to implementing many of his hitting principles and philosophies into our offense, which furthers the 'chaos' offense that has been work in progress to date."

Hardie will also be the DSU Trojans catchers position coach as well as the team hitting/offensive coach.

Derrion, a native of Aberdeen, S.D., has been married to his wife, Lisa, for 24 years and they have three children: Sierra, Zach and Madisyn.

JOSH OK Assistant Coach

1st Season

Alma Mater: Illinois

Josh Ok is entering his first season as an assistant baseball coach at DSU. Ok also coaches tight ends for DSU Football.

Ok was a graduate of the University of Illinois. He worked as a football student manager during his undergraduate years. He has coached at the NAIA level for 4 years.

“Dakota State University has been a wonderful place to work at and call home the last few years in my coaching career. I look forward to working with our DSU Baseball program and building a solid foundation for future success under Coach Schaab’s vision of ‘Brick By Brick’. My experience in football translates well to the team aspect the game of baseball demands to perform at a high level

year in and year out.”

For DSU Baseball, Ok will coach the Outfielders and serve as Head Coach for the Developmental (DV) Team.

He is a native of Libertyville, Ill. and currently resides in Madison.

DR. MICHAEL ROACH Assistant Coach

2nd Season

Alma Mater: South Dakota

Dr. Michael Roach is in his second season with DSU baseball as an assistant coach.

He originally joined DSU as an Instructor of Economics teaching at University Center in Sioux Falls. He is now on campus in Madison full-time as an Assistant Professor of Management in the University’s College of Business and Information Systems.

Dr. Roach played his college baseball as a starting pitcher at Yankton College in Yankton, S.D., where he also played amateur baseball in the summers. He was an integral part of the development of Brandon Valley baseball as a coach, a board member, and most recently as the Director of Baseball Operations. He has coached from tee ball to high school, developed and taught winter

pitching and hitting camps, and helped over a dozen players achieve their dreams of playing college baseball.

“DSU has an unlimited future right now. Great things are happening on campus, both academically and athletically. Coach Schaab has a fantastic vision and plan for the future of this program and I am thrilled to have the opportunity to be a part of it.”

Originally from Yankton, S.D., Dr. Roach and his wife Debra have two children attending the University of South Dakota.
