

Dalton Bruce of E.O.D.H. Exposed

For every work that we do in life, there will always be critics who will try to find fault and attempt to tarnish our achievements and reputation, especially those who disagree with our principles, beliefs, ideas and opinions.

Other people will try to criticize you maybe because of envy or due to professional jealousy, so-called, while some will persecute you because they hate your manner of exposing some form of a Truth that pertains to revelation of life's true issues on Salvation. Well, Jesus said that, "All that will live godly in Christ Jesus, shall suffer persecution".

There is a beneficial way of criticizing and it's called **Constructive Criticism**. That kind is good for us, but most of the time, malicious people resort to Destructive Criticism which engages in exaggeration or manipulation of facts to present an untrue picture of their target to humiliate them.

Destructive criticism involves spinning information that is sometimes technically true, but is presented in a misleading manner or is presented without the necessary context in order to malign a person. Such malicious act is commonly known as "**Character Assassination**".

Character assassination involves the issuance of false statements about another person, which causes that person to suffer harm, humiliation and loss of credibility.

Four most common methods of "character assassination" are often employed by shrewd individuals and these involve:

- (1) **discrediting** the targeted person by showing that their arguments and decisions are weak and that they are incapable in their work or ministry;
- (2) **using defamation** by damaging the good reputation and name of such person;
- (3) **demonizing** them by turning them into bad people that everyone should hate such that anything they do will be considered bad or evil; and
- (4) **dehumanizing** them by treating them as a 'thing' and framing them as non-human with negligible values.

It's sad to say that these demonic tactics are being employed maliciously today against some ministers of the End Time Message by one malicious person whose name is Mr. Dalton Bruce.

Just a week ago from the date of this writing, it has come to my attention that one of my articles in this website, specifically known as the “**Seven Thunders**”, has agitated Mr. **Dalton Bruce** who does not believe that the seven thunders were already revealed in the seven seals. Yet everyone in this Message knows that Brother Branham made it clear in his sermons that the “**SEVEN THUNDERS in Revelation 10 ARE the “REVELATIONS” CONTAINED in the SEVEN SEALS.** It will be these **Divinely revealed`mystery-truths'** that literally **turn the hearts of the children** to the Pentecostal fathers.” (327-1 LAODICEAN.CHURCH.AGE - CHURCH.AGE.BOOK.CPT.9),and he also preached that “**The THUNDER was the VOICE of GOD when the SEAL OPENED.**” (FIRST.SEAL.THE.title JEFF.IN 63-0318). Dalton Bruce could hardly have enough sense to understand and accept these quotes verbatim because he is waiting for a prophet to rise up from the dead whose name is **Robert Lambert** to interpret it for him.

The Seven Thunders, according to Brother Branham himself, were “**already written in the Bible but was missed back there**”. “Nothing more can be added nor taken away from the Bible,” according to the messenger himself, and everything “**were already revealed in those seven Seals**”. (For full transcript of my “**Seven Thunders**” article, click [here](#)).

In spite of these proven truths, **Dalton Bruce is trying to discredit me, ridicule me, and character-assassinate me**, just as he did to other notable **Message ministers whose names and photos are presented on the left side**, all in his **EODH** books. This dirty tactic of "branding", "name-calling" and "false accusations" of Bruce has earned himself the "**guillotine executioner**" title for all preachers of this Message, by destroying their influence and credibility, which according to the Bible, is as good as murder, which Dalton Bruce is guilty.

Dalton Bruce's latest book which he calls called **E.O.D.H.**, which is being circulated today, bears **my name** and that of **Owen Jorgensen's** name being tagged by him as “**heretics**” just because we do not adhere nor agree to his self-made theology.

I have come to find out from reliable sources that this man **Dalton Bruce** is a self-proclaimed “**overseer**” of a group who call themselves “**The Defectors**” - a religious clan who thrives on attacking and character assassinating preachers who don't see eye-to-eye with Dalton Bruce, especially on his doctrines based on Robert Lambert's teachings. This guy I found out, hails from **Trinidad, West Indies**, and writes a lot of books whereby he enjoys lambasting those who he disagree with and calls other ministers in his books

as “**idiots**”, “**hell-bound**”, “**demonic**”, “**powerless ignoramus**”, “**monsters**”, “**mentally deluded**”, “**false prophets**”, “**imposters**”, “**blind guides fit for the lake of fire**” and more. He uses foul language to describe all these preachers and publishes them all in his website “**www.bethelthehouseofgod.net**” and also distributes them books in India, Africa, South America, Asia and Europe. He also brands those **sisters** who come out of his denomination that will not agree with his teachings as “**witches**”.

The words and adjectives used by Dalton Bruce in describing other ministers do not befit his so-called “servant of God” image but these words are sure signs of a highly-disturbed mind. Dalton Bruce is obviously trying hard to portray himself as somebody authoritative, forcing people to look up to him as a “**pope**” in the Message. He obviously shows a “know-it-all” attitude and desires the office of a “final say-so” in this Message circle. Well, he assumes that he (and his group) is infallible, trying to unsolicitedly meddle with the affairs of other churches that ought to enjoy their own God-given rights and sovereignty in their own private communities and local churches.

If you read any of Dalton Bruce's EODH books, one might lead to think that this man is psychotic, or simply out of his mind, because the words that he uses to name other ministers are very libelous in nature. When one visits Dalton Bruce's website, you can hardly find anything edifying. All you can find there is a conglomeration of hateful articles, all forms of mockery and verbal abuse against respectable ministers of this End Time Message; that's all you can find in there. So put on your spiritual eyeglasses when you do visit his website. Test every spirit whether they are of God or not. The Bible exhorts us to “mark those that cause contentions among you.”

Below is **Dalton Bruce**'s picture along with his group of cohorts called the “**Defectors**” for the awareness of everybody:

HABITUAL MOCKERY AND DEFAMATION

Dalton Bruce and his gang had already maligned and victimized a number of renowned preachers and other respectable individuals in the Message Ranks by publishing libelous materials against them through his printed materials and through his website. I wonder why he is still at-large considering these many offenses he has committed against these dignified individuals. Somebody from the International Human Rights Agency should take a look at his materials and see whether they could qualify for some "human rights violation".

The following is a short list of a few notable/respectable ministers whom he has slandered and has victimized in his website articles(anyone can verify the thing with these ministers by emailing them; or by downloading the derogative files from Dalton Bruce's website):

1. Rev. Vin Dayal, Pastor of [Third Exodus Assembly](#), Trinidad, West Indies.

(Rev. Vin Dayal is being branded by Dalton Bruce as "Vin the Crow", "Five Star General of Lucifer", "Idiot, powerless Ignoramus", a "false prophet", "proud", an "arrogant impersonator", an "anti Christ" and a "servant of Satan"); all such descriptive verbal abuse can be found at Dalton Bruce's website.

2. Rev. Brian Kocourek, Pastor of [Message Doctrine.net](#), was lambasted and defamed by Dalton Bruce for his stand on the Godhead and on his Parousia (Christ is Here) Doctrine.

3. Rev. Joseph Coleman, former Pastor of New York, was lambasted and defamed by Dalton Bruce for his stand on the "Seven Thunders-Seven Virtues" teaching and more.

4. Rev. C.W. Wood, pastor of Dewitt Tabernacle, Arkansas, USA, was lambasted and defamed by Dalton Bruce for his teaching on the "Seventh Seal" and for his Biblical mathematical prowess.

5. Rev. Richard Gan, a missionary from Singapore, was lambasted and defamed by Dalton Bruce for his "Seven Men-Seven Thunders" teaching, and more.

6. Rev. Ewald Frank, pastor in Krefeld, Germany, was defamed and lambasted by Dalton Bruce for his teaching on the 70 weeks of Daniel, and more.

7. Rev. Lee Vayle, teacher and editor of the **Seven Church Age Book**, was lambasted by Dalton Bruce for his teaching on the Godhead and more others.

8. Brother Owen Jorgensen, Writer and Biographer of the "Supernatural Life of William Branham" Book Series, was lambasted by Dalton Bruce for his biography books/issues number 1 to 5 of William Branham, among others,

9. Ron Millevo, Webmaster of <http://endtimemessage.info> website, is being lambasted now by Bruce Dalton and his gang through some derogatory articles that they have currently published on their website against me just because that I have exposed his damnable heresies.

In Dalton Bruce's recent booklet, he has branded all other ministers that I am associated with as "**idiotic thunder preachers**", including all those who are affiliated with the **annual believer conventions** in the **USA and Canada**, such as the **Ohio Family Camp of Ptr. Jeff Jenkins**, the **International Believers Convention of Edmonton, Alberta, Canada of Harold Hildebrandt** and the **Cloverdale Conventions of Eddie Byskal** to be a gathering of "**heretics**". What right has this man to call us as such? What authority has he got to "brand" these precious souls as "heretics"?

I am praying for the man that God will bring him to his knees in repentance for his errors and offenses. He does not realize that he has fallen in the same old rut as the Pharisees who misjudged the disciples of

Jesus and has projected a “holier-than-thou” attitude amongst God's people. His disrespect and irreverence for other servants of God and his desecration of other people’s ministry has shown a Nicolaitanes spirit in him who's goal is to elevate himself above the rest, just like what Lucifer has done in the first place.

In Dalton Bruce's latest *EODH* books, he has maligned me and Owen Jorgensen and these articles can be found in the front page of his website. Well, who cares? If the Pharisees called Jesus a “Beelzebub”, how much more such people like Bruce will call the true servants of God today? I am but just a small pebble in the beach, a “nobody” who cares about nothing but serving the Lord in the best of my capacity and to share the good news about the present Truth to all. If he wants to call me heretic, Didn't Paul said, “In the way that's called “heresy”, that's the way we worship the God of our fathers”? I am saying the same thing today to these detractors whose past time and hobby is to throw away dirty laundry at somebody else who they disagree with. May God have mercy on your soul, Dalton Bruce. Repent while there is still mercy.

TESTIMONIAL LETTER from SISTER ELIZABETH CANZONI

A precious sister who left Bruce Dalton’s congregation because of his obvious Nicolaitan system, wrote to me from Connecticut:

Dear Bro. Ronnie Millevo,

Hello from Connecticut, USA. Your website is very nice. It has help me in so many ways. I came out of a very controversial church located in Connecticut, connected to Dalton Bruce in Trinidad WI.

They believe in another prophet after Br. Branham (Shout). His name is Robert Lambert (Voice of the Archangel) and he revealed the seven unknown thunders that were hidden in the capstone and not written in the Bible, according to them. His message was all about the capstone revelation (Token). They are still waiting for the Token to come to Connecticut. When they receive the Token, they will go on a world wide revival with this message (so they say). It will start in secret somewhere (Connecticut). This great revelation is not for the public yet, but it will be soon, after they receive the power.

The Seventh Seal by Owen Jorgensen goes against a lot of the teachings I was taught by Dalton Bruce. He loves to fight against people, this makes him stronger and stronger with his beliefs.

There are so many things I could get into about the doctrine they preach, but it is not written in the Bible. There is no place in the Bible it says to go to the east (Connecticut) and wait for the Token.

Dalton Bruce is a cult leader. The more people fight with him he will get stronger and stronger within. The best way to deal with him is ignore him and keep on preaching and posting the truth. Any letters to him will be twisted and he will only let the public see what he wants them to see. Dalton Bruce controls by fear of the mind. **He has a mind of a cult leader and has built an empire on the doctrine of Robert Lambert** and more of his own, too. Dalton Bruce is a mad man, he wants that golden nugget for himself. He wants to be the one to tell the secret to the world.

I want you to be aware of the fear that Dalton Bruce puts on his followers who leave his churches. The churches have local pastors, but Dalton Bruce is the overseer of all his sister churches.

I was five years old when my parents started attending the church in Connecticut in 1970. Our pastor was Robert Lambert. My parents moved from Canada to Connecticut to wait for the Token. This Token comes to Connecticut first because that is where the seven unknown thunders were preached by Robert Lambert. Right foot on the sea and the left foot on the land looking toward Israel. **Robert Lambert passed away in 1973. Dalton Bruce took over the church in 1979.**

They type Robert Lambert as the "Christ Ministry", Voice of the Archangel, White Horse Rider, White Eagle Message, and Lion of Judah, the "Voice" to make the shout plain.

This is the fear: Anyone who hears the Voice and turns it down or leaves the church is LOST. After 30 days of leaving the church the blood is removed. It is better that the Lord takes you home during the 30 days.

The seven unknown thunders is a secret and will not be revealed to the public until they receive the token. Then the revival will start in Connecticut (New England) go around the world six to nine months to give the bride rapturing faith for the rapture, according to them. Noah waited 120 years. They will hold

on to this promise as long as it takes. Because they will be able to give their loved ones salvation at that time if they accept their message. And if they don't accept it, they will drop down dead. They will be like little Jesus's on the earth again before the rapture. Tent and healing meetings around the world.

When Br. Branham preached a message, the tapes and books went around the world. When Robert Lambert preached a message it was kept in secret. **We were told never to tell this revelation to anyone or we would be cursed.** (*Oh, that's why it's encrypted in their website...eh? *Ron*)

This doctrine has torn families and friends apart over the years. Because once you leave the church it is total separation from them.

I want to say this about Robert Lambert: He was my first pastor and I loved him very much. I was 8 years old when he was murdered in 1973. We don't know if Robert Lambert (Br. Bob we called him) would have changed his doctrine if he was still living or that is why the Lord took him home. I don't know why.

From 1973 to 1979 before Dalton Bruce took over the church, the church was going back to more main stream like the other churches. **It was when Dalton Bruce took over in 1979, we went back to the doctrine of Robert Lambert and some more of Bruce's own doctrine. He was a very poor man and seen a great empire.** He took over the church slowly in Connecticut. Changing it little by little. Until it was too late.

My sister is in this group, I have not seen her or heard from her in four years. We live in the same town.

Keep preaching the truth. For the truth will set us free. Nice website!

'Glad to be free!

A TESTIMONY FROM GARY CANZONI

Br. Ron, My name is Gary Canzoni and this is my testimony. I left this church (Dalton Bruce's) many years ago and it's doctrines.

I was introduced to the Message in 1979. A brother gave me a few books and tapes of Bro. William Branham. I started attending the church located at that time in Durham, Connecticut in 1985. After a few months I realize this was a very different church.

They believe Bro. Branham was only the foundation for **another prophet** to come. This prophet they claim was Bro. **Robert Lambert**.

The Church moved to Middletown, Connecticut and they changed their name to Grace Covenant Church. **They believe in two prophets and two covenants**. The first prophet is **Bro. Branham**; which they type his ministry as John the Baptist. (The Shout). The second prophet is Br. **Robert Lambert**; they type his ministry as the Christ Ministry (The Voice of the Archangel of Rev. 10:1).

The Church in Middletown Ct. believes that **no one can be born again or receive the Baptism of the Holy Ghost under the ministry of Br. Branham**. The only ministry a person can be born again and receive the baptism of Holy Ghost is under the Voice Ministry (**Robert Lambert**). And you will have to find this secret place in the East.

They are still waiting in the East for the Token. The only revelation left is how to receive the Capstone, the Token. All of Robert Lambert's preaching was all about was written in the Capstone. They believe that Robert Lambert was the prophet to catch the secrets that are lying outside of the Bible, on the backside of the Book, not written in the Bible (REVELATION 22:18, 19).

I thought I was so special to find this secret place in the East. But, as time went by, I seen the Control of the leaders had over the people. **The leaders tried to put fear on me. They said if I left the church terrible things were going to happen to me.** I left the church after two years in 1987.

I was raised as a Roman Catholic and they have the same spirit. The only way for a Catholic to get to Jesus is through his mother Mary. And they believe the only way to the Lord Jesus Christ is through the Voice of the Christ ministry of Robert Lambert.

I want to WARN anyone under any ministers of this message that lifts himself or any other prophet higher than Br. William Branham. RUN and get AWAY from him. This doctrine brings a person back into **worse bondage than denomination**. This is a one man leadership. This is headship of a man. It is a **CULT. This is not the headship of The Lord Jesus Christ**. A minister should always point you to the Lord Jesus Christ and him alone.

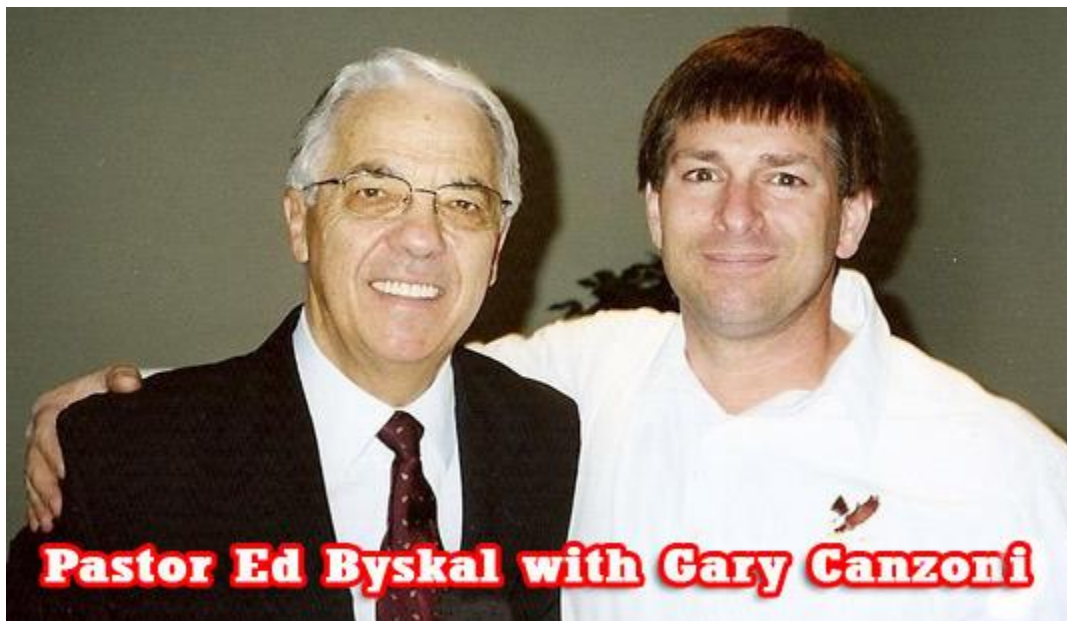

I thank the Lord for bringing my wife and children out of such bondage after so many years living under fear and control. **On Christ the Solid Rock I Stand! All Other Ground is Sinking Sand!**

If anyone has any questions on the doctrine of Robert Lambert, ASK Dalton Bruce to give you a COPY of the messages preached by Robert Lambert called "Harvest Time", July 29 & 30, 1972. Make SURE you receive all 3 messages. If he doesn't give them to you, he must be HIDING something.

Eagles are free and we fly high!

God Bless you,

Br. Gary Canzoni

FOLLOW-UP TESTIMONIAL LETTER

February 27, 2010

*Here's a Follow-Up Letter/Testimony from **Sister Elizabeth Canzoni** after she read Dalton Bruce's latest tirade/e-mail against me as posted in Dalton Bruce EODH website....*

Dear Brother Ron,

I was waiting for this letter! He knows it was me, who wrote that testimony letter. We are the only family that moved down from Canada. I know Dalton Bruce very well, I stayed in his home in Trinidad as a teenager for months. I know too much, I can expose him. When I received your e-mail my heart started pounding and my hands started to sweat. I remember the fear of that church. They told me never to tell this great revelation or I would be cursed.

Ignore him, he is mad. **He has a mind of a cult leader. He thinks like Jim Jones, David Koresh and Hitler.** He's trying to throw your attention to what you wrote about him and ignoring the name of the prophet **Robert Lambert**, the prophet who they believe revealed the seven thunders. **People are asking questions now and he is getting nervous.**

He is very clever and smart. Only the Connecticut Church has access to Robert Lambert's tapes. I am the only person that has come out of that church in over 25 years (I'm not talking about people that went into the world), **I stayed in the Message of William Marrion Branham.** I have Robert Lambert's tapes. He is trying to put me down to lift himself up high. Dalton Bruce never thought that I could get enough courage to write you.

Why wasn't Robert Lambert mentioned in the e-mail, the prophet they claim is the Voice of the Archangel? **Dalton Bruce is trying very hard to prove that the seventh seal was not revealed by William Marrion Branham.**

Dalton Bruce is mad that I am still in the Message, living an overcoming life. They believe no one can live this Christian Life outside of them. He knows he can't attack me now with big sins. I didn't go back to the world like all the others (except a few). So he has to attack my childhood and teenage. Dalton Bruce also hated it, when I obeyed my husband over him. My husband only came to church for 2 years and then he left in 1987. The church told me he was a backslider and I should not obey him. I told them the Bible says to obey your husband. And my husband didn't want me to do anything sinful or against the Word. What a low blow. **This man is harsh like Hitler.** He has the pure race.

When I was a teenager, I was a brat! Because I asked too many questions they couldn't answer! I told you the truth! Brother Pruitt knows that I speak the truth! I believe in no secrets when it comes to doctrines. **Brother Elijah**

Gibbs is my pastor, you can e-mail him about Book 12. He kept all his letters to Dalton Bruce. My relatives are not ashamed of me. I see all my relatives except for my sister because the church does not allow her to see me. She doesn't even see her own Dad (79 years old). **Tattling: Yes I exposed their doctrine.** I am a sister. My husband is Gary Canzoni. I have two children. We attend Amazing Grace Fellowship in Yalesville, Connecticut.

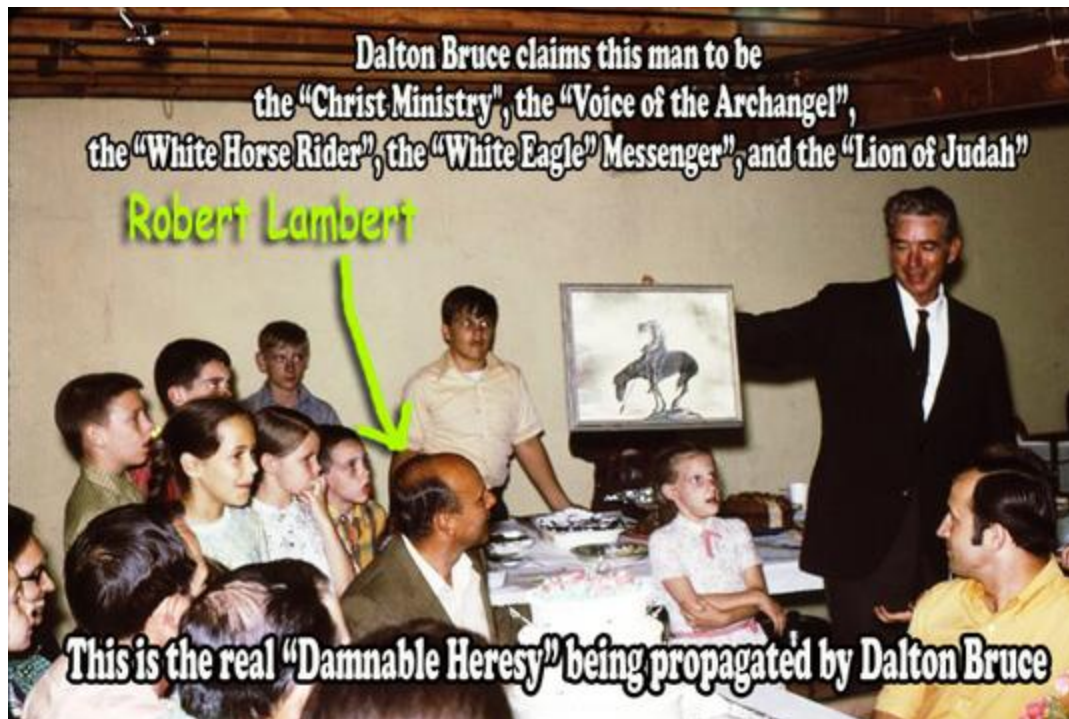

My testimony is the Truth, they want to hide Robert Lambert, that they believe he is the prophet. You have to get it by revelation at their church only. **That is what they are mad about!** They believe that WMB (Plain Message) brought the ABC's of the Gospel and Robert Lambert brought the deeper things of God.

I just want to say thank you for giving me the opportunity to tell the truth to the world. One of the first signs of a cult is Secrecy in their doctrine or beliefs. Second is keeping people away from their families. Bro. Branham was so against this message turning into a cult. The truth was spoken to us by God through Bro. Branham. We have the books and tapes. It is very simple stay with the message that we have heard.

Dalton Bruce has wasted 10 years in trying to prove to the message world that the seventh seal/seven thunders was not revealed by Bro. Branham. What a waste of time and energy. They do no missionary work at all. They won't until they receive the Token with the power. Meanwhile souls are dying. Makes no sense at all.

They believe that the Only Revelation left is how to receive the Capstone. And the only way that you can receive the Capstone (Token) is by a revelation from God through the ministry of the Voice of the Archangel - Robert Lambert, the only covenant angel that had the rainbow over his head that will bring the rainbow trout. The rainbow covenant is only to the predestined Bride of the Bride. Anyone outside of this revelation is LOST, according to Dalton Bruce.

This is Brother Robert Lambert (Bob's) Birthday Party (picture below) in July of 1972. I am the little girl in the picture, my hand is holding my elbow under the picture. **Brother Robert Lambert** is in the brown suit and with bald head. I loved my pastor very much. I was only seven in this picture. I didn't know what he preached until years later.

The man holding the picture is Br. Carlton McGahee, he became the pastor after Br. Bob's death. Both Br. Bob and Br. McGahee sat in Br. Branham's meetings. Br. McGahee was a wonderful Pastor! So nice! So kind! So patient. He passed away in 2002.

My parents left Canada because the only place on this earth you can get the Token was Connecticut! New England!

(Dalton Bruce is using the quote below to promote **Robert Lambert** as the "Christ Ministry", Voice of the Archangel, White Horse Rider, White Eagle Message, and Lion of Judah, the "Voice" to make the shout plain.).. REVIVAL TO START IN NEW ENGLAND .. Quote W.M.B.: E-3 ..." *If we'll be sincere and believe in the God that they believed in and serve Him with the same reverence that they served Him with, we'll see a revival again. **And I believe it will start in New England.** God's willing to do it if we're willing to carry it.*" (Tested Faith Produces Goods 58-0518).

Throw his letter in the trash! Don't respond! I want to close this chapter in my life. If you receive any e-mail from DB, trash them, I don't want to see them. I have not gone on their website for past month and I will not be going on in the future. **Any debating with a cult leader would be a total waste of time.**

Your Sister, **Elizabeth Canzoni**

Thank you for your e mail! I listened to Brother Byskal's message " The Absolute Truth" 2-14-10. That was for me. Brother Byskal and Brother Pruitt have helped me so much. God Bless them. The Truth will set you free! That is Eagle Food.

COMMENTARY

Based on the above letters sent by Dalton Bruce's former members to me, it follows that **Dalton Bruce admits that he has not received the Baptism of the Holy Ghost in his life yet, which is the "Token"**. Until now, he seems to be searching for It and is waiting for such Token to come down in New England to fill him and his people, just like what the foolish virgins of Matthew 25 are doing right now. The Message clearly states that a minister who has no Holy Ghost is not even fit to stand in the pulpit nor is even qualified to lead a congregation. Bruce Dalton could be doing God a service without His will. Why? Brother Branham said that,

"No man has the right to take the pulpit to preach the Gospel, unless he's had a backside of the desert experience. No man, no person has the right to call themselves a Christian until they've had a backside of the desert experience... we call it "Upper Room," but it's still the backside of the desert too. It's where you meet God. (TIME.TESTED.FAITH_ NEW.YORK.NY FRIDAY_ 58-0530)

The letters also indicate that Dalton Bruce is not teaching the full Word of God to his congregation since Brother Branham taught us that "**Full Obedience to the Word entitles you to the Token**". True believers today have already received the Token in their lives. The true Bride of Christ has the Baptism of the Holy Ghost right now. Brother Branham made it clear in his sermon, The Token:

"There come from the body of our Lord Jesus Christ, water, blood and life. And the whole church, the Bride, together has been made up through justification, sanctification, and **the baptism of the Holy Ghost, which is the Token**...And the Holy Ghost is a positive Token that your Lamb died, and **you received the Token upon yourself; for His very Life is in you**. See? There's no make-belief. There's no put-on. There's no impersonation. It's there. You know it. You know it; the world knows it. The Token is there...**Apply the Token**, then serve the living God, for living works, living signs: signs that heal the sick, raise the dead, foretell things, speak in tongues, interpret every time perfectly right, prophesies and says this and such a thing will happen, show signs in the heaven above and on earth, signs and wonders. Amen. Speaking exactly what the Bible said would take place... Serve the Living God. **Apply the Token.**"(TOKEN_ JEFF.IN

V-2 N-19 SUNDAY_ 63-0901M)

Therefore, if the rapture comes today or tomorrow, those without the “Oil”, the “Token” or the Baptism of the Holy Ghost will be left behind wailing, weeping and gnashing their teeth. It follows from the teaching of Dalton Bruce that he and his followers have not received the “Token” yet and they could be left behind in the Tribulation Period if he continually base it on his teaching which acknowledges that he has no revelation yet of the “seven thunders” which only through **these “seven thunders’ will the Bride of Christ get rapturing faith.**

It’s clearly understandable now why Dalton Bruce had to resort to “**fear tactics**” in order to hold his members and congregation to himself and to his strange doctrines, because there is no Token Life in his ministry. But what did Rev. William Branham said about people who have to rule their congregations by fear?

This is what he said: “**Have you ever noticed how the people who lead others astray bind them closely to themselves by fear? They say that if the people don't do what they say, or if they leave, then destruction will follow. They are false prophets, for a true prophet will always lead one to the Word and bind the people to Jesus Christ and he won't tell the people to fear him or what he says, but to fear what the Word says.**” (LAODICEAN.CHURCH.AGE - CHURCH.AGE.BOOK.CPT.9)

This scenario truly summarizes the system that people under the leadership of Dalton Bruce has gotten into. It’s a great pity, indeed, for these people to be under such a Nicolaitanes system. I hope God delivers them from such a bondage.

Beware of Dalton Bruce's influence. Do not believe everything that he says. He can easily fabricate lies and manufacture stories to destroy anyone and/or any minister that will not submit to his headship. He believes that every ministry who preaches the End Time Message ought to be sanctioned by him first before he/you can go preaching. You are considered an “idiotic preacher” if you don’t agree with him on the basis of his claim that he alone holds the “secret” to the “Seventh Seal” and to the “Seven Thunders” which will soon be revealed to him in the near future by a prophet greater than William Branham, whose name is Robert Lambert. He considers Lambert as the “Voice of the Archangel” and the real “Christ Ministry”. Now, it’s up to you people to swallow such a heresy, if you can take it.

A LETTER FROM A BROTHER FROM CONGO

Dear Pastor Ronnie,

Why do you let yourself be dragged into the exchange of your precious time (devoted to Jesus Christ 's people) against vain discussions with a so

quarrelsome man in the person of Dalton Bruce, THE SUPER PASTOR, who :
criticizes everybody ; Lambasts every man of God ; does not have regard for the Gospel of Jesus today; does not act in the ways the apostles did in the past days ; and who through his character, can be felt as having no discernment, or revelation spirit in the Word.

Please dear pastor, we know what you do even afar from Africa. Things (publications, and missionary works) as being precious and instructive and advantageous works for us, but please please don't even mention this guy, he has no respect for the WORD, the revealed Word.

NOTE: Any precious brother or sister in this EndTime Message who has been victimized by Bruce Dalton's Nicolaitanes system are encouraged to come out in the open. We will entertain and welcome your e-mails and give you the necessary encouragement. This assault and aggression by DB upon God's people must be stopped.
