RE: Registration for Self-Governance Training Session - Sunday, May 2, 2010

We will conduct a one day Self-Governance Training Session at the 2010 Annual Self-Governance Conference to be held next month in beautiful Scottsdale, Arizona. This training will be held on Sunday, May 2nd from 8:30 am to 4:15 pm at the Talking Stick Resort and Spa. The objective of the Self-Governance training is to offer interested Tribes and others an opportunity to learn more about the process, requirements, and responsibilities under Self-Governance compacting. The training is sponsored by the Self-Governance Communication and Education office, the Indian Health Service (IHS) Office of Tribal Self-Governance (OTSG) and the Department of the Interior (DOI) Office of Self-Governance (OSG).

This training is more comprehensive than the workshops that have been conducted at previous Self-Governance Conferences and is designed to address many major topics that have been identified by the Tribes. Representatives from Self-Governance Tribal Leadership, Self-Governance Communication and Education staff, OTSG and OSG will provide the participants with first-hand experience and knowledge about transitioning into Self-Governance.

Attached is a copy of the agenda for the Self-Governance Training. The curriculum and training materials are designed to provide participants with a fundamental overview of Self-Governance and to encourage interactive dialogue between the trainers and participants. The afternoon break-out sessions with OTSG and OSG will allow for more specific dialogue about how Self-Governance works and how these offices provide knowledge, skills and resources to address guidance and practical technical assistance to Tribes considering or entering Self-Governance.

This training is included as part of the Conference registration fee and there will be no additional charge for materials. However, we request that participants indicate if they plan to attend the training in order to assist us in ensuring we have adequate copies of training materials.
