Joseph Benton has been involved in alternative healing activities for more than 10 years. He is a Reiki master/teacher, studied with Hanna Kroeger, and draws on Edgar Cayce's information. His work combines body working techniques along with the Trinity Table. A typical session with him consists of 30 minutes of body work followed by 30 minutes on the Trinity Table. The Trinity Table was developed by James Harmon. It is an electromagnetic balancing tool that aligns the subtle energy bodies, induces relaxation, and allows "stuck" energies to be released. Joseph has been connected with the development of this method since 1997.

Body/Energy Work and Trinity Table - \$60 for 60 minutes

Brian Burghardt has been doing healing work for 20 years. As an Energy Healer, he incorporates several "healing modalities" to provide for optimum results. All clients listen to sacred music while he does his energy healing work. Brian starts with Ancient prayer and a song for the soul. He scans the body for blockages and removes them. This technique was taught to him by a Shaman from New Zealand. He has had much success in "shifting negative energy" away from muscles and joints thereby relieving and releasing pain. His work will help make a change in you. Brian received formal training in Reiki 1, 2 & 3 and Massage Therapy in 1995. All Brian's energy healing work is done in conjunction with his Spirit Guides.

Faye Henry utilizes the sound and vibration of gongs, crystal pyramids, and other fun sound instruments. Faye creates a unique sonic massage just for you. She plays intuitively so no two sessions are the same. The mind has no defense against a properly played gong, so it simply shuts down and allows the mind, body and spirit to become one, in the still quiet place within. The body relaxes and moves into its healing mode. A person typically experiences total relaxation, stress reduction, pain *removal or reduction*, and balance. Many experience shamanic journeys throughout the cosmos. A sonic massage leaves you feeling energized and at peace. The vibration simply sweeps the issues right out of our tissues in an easy and enjoyable way. The comment we get most often is WOW! Ask someone what it is like....and they will tell you that it is amazing and there are no words to describe it....you just have to experience it to understand. So if this sounds fun to you....come experience the vibration of the gongs.

Sonic Massage with Gongs - \$55 for 45 minutes
