

# David R. Steeb, PharmD, MPH

Office: 301 Pharmacy Lane  
115 Beard Hall CB 7574  
Chapel Hill, NC 27599  
(919) 966-9789  
David\_Steeb@unc.edu

## EDUCATION

---

- Master of Public Health** 2015-2017  
Concentration in Global Health & Implementation Science  
Gillings School of Global Public Health  
University of North Carolina at Chapel Hill, Chapel Hill, NC
- Doctor of Pharmacy with Distinction** 2009-2013  
UNC Eshelman School of Pharmacy  
University of North Carolina at Chapel Hill, Chapel Hill, NC
- Bachelor of Science in Chemistry and Biology** 2005-2009  
**Minor in Mathematics**  
University of Miami, Coral Gables, FL

## PROFESSIONAL EXPERIENCE

---

- Adjunct Senior Lecturer** 2018-present  
Monash University Faculty of Pharmacy & Pharmaceutical Sciences  
Melbourne, Australia
- Engage students in the Global Leaders in Development (GLIDE) Module
- Clinical Assistant Professor and Director of Global Engagement** 2015-present  
UNC Eshelman School of Pharmacy  
Chapel Hill, NC
- Develop and oversee strategic international partnerships and programs
  - Collaborate with other UNC health affairs schools on global initiatives
  - Conduct global health education and training research
  - Train the next generation of globally minded pharmacists
- Global Engagement Fellow** 2013-2015  
UNC Eshelman School of Pharmacy  
Chapel Hill, NC
- Assisted the Associate Dean of Global Engagement with global projects
  - Conducted global health education and training research
  - Created and developed the UNC Global Engagement Fellowship program
- Instructor** 2008-2012  
Kaplan Inc.  
Chapel Hill, NC
- Taught the Dental (DAT) and Pharmacy (PCAT) admissions exam

**Summer Intern in Association Management** 2010  
American Pharmacists Association  
Washington DC

- Identified and analyzed high priority issues within the profession
- Participated in the direction, planning, and operation of the Association

**Pharmacy Technician** 2007-2008  
CVS/Pharmacy  
Miami, FL

- Provided optimal patient care

---

### PROFESSIONAL TRAINING AND LICENSES

---

**North Carolina Board of Pharmacy** 2013-present  
Active-License #23685

**ACCP Mentored Research Investigator Training (MeRIT) Program** 2016-2018  
American Colleges of Clinical Pharmacy  
*Mentor: Stuart T. Haines, PharmD, BCPS, BCACP*

**LEAD 360: The Leader Within** 2017  
American Pharmacists Association

**Public Health Leadership Certificate Program** 2014-2015  
UNC Gillings School of Global Public Health

**Pharmacy-Based Immunization Delivery** 2012  
American Pharmacists Association

---

### HONORS & AWARDS

---

**AACP Academic Leadership Fellows Program (ALFP)** 2019-present  
Yearlong immersive program that develops individuals into becoming leaders at their home institution, the Academy, and higher education

**APhA Distinguished New Practitioner Award** 2018  
Recognizes an individual new practitioner who has demonstrated distinctive achievement in mentorship, service, and commitment to the profession of pharmacy

**AACP Walmart Scholar (Mentee)** 2014  
One of 85 individuals selected to receive scholarship funding to attend the AACP Annual Meeting and the Teacher's Seminar

**UNC Global Partnership Award** 2013  
Travel award to help develop and sustain an international partnership in Moldova

<b>Boka Hadzija Student Excellence Award</b>	2013
The student body presents this award as peer recognition for all-around service and dedication to the profession of pharmacy	
<b>Joe Hollingsworth Memorial Scholarship</b>	2011-2013
Prestigious full tuition merit scholarship awarded by the Pharmacy Foundation of North Carolina. Scholars are chosen based on high scholastic achievement, high moral and ethical character, and record of service and leadership	
<b>Phi Lambda Sigma Leadership Award</b>	2012
Recognizes a student who has most noticeably developed and exercised effective leadership skills within the UNC Eshelman School of Pharmacy by creating positive change, developing relationships, and empowering others	
<b>Phi Lambda Sigma – Epsilon Chapter</b>	2010
Leadership honor society that recognizes the top 5% of leaders within the School	
<b>Phi Delta Chi (Alpha Gamma) Brother of the Year Award</b>	2010
Given to the brother who exemplifies the virtues of the fraternity while promoting scholastic, professional, and social growth within the chapter	
<b>Pharmacy Foundation Scholarship</b>	2010
Given to a student pharmacist in the Virginia/North Carolina/South Carolina Region that exemplifies leadership both inside and outside of the classroom	
<b>University of Miami Teaching Assistant of the Year</b>	2009
Given to a TA in one of the science disciplines who embodies excellence in assisting the development and education of his/her students	
<b>American Red Cross Executive Leadership and Humanitarian Award</b>	2005
Given to an individual who best displays collaborative action within a team

## PRESENTATIONS

---

### International

1. Succession planning. Why is it important? Ways to ensure a stable handover of local or international YPG roles. International Pharmaceutical Federation (FIP) World Congress. Seville, Spain. September 2021. *\*Postponed to 2021 due to COVID19\**
2. Global experiences and opportunities at the UNC Eshelman School of Pharmacy. Presentation to interested exchange students. Audience: 40. Keio University. Tokyo, Japan. December 2019.
3. Overview to pharmacy practice, education, and research at the UNC Eshelman School of Pharmacy. Presentation to prospective students and faculty. Audience: 50. China Pharmaceutical University. Nanjing, China. December 2019.
4. Overview to pharmacy practice, education, and research at the UNC Eshelman School of Pharmacy. Presentation to prospective students and faculty. Audience: 100. East China University of Science and Technology. Shanghai, China. December 2019.
5. Succession planning. Why is it important? Ways to ensure a stable handover of local or international YPG roles. International Pharmaceutical Federation (FIP) World Congress. Audience: 40. Abu Dhabi, UAE. September 2019.
6. Empowering students and the profession through global citizenship. Workshop on global citizenship presented to attendees. Audience: 30. 10<sup>th</sup> Biennial Monash Pharmacy Education Symposium 2019. Prato, Italy. July 2019.
7. The role of pharmacy in global health. Plenary lecture presented to attendees. Audience: 100. Monash Malaysia 10<sup>th</sup> Anniversary Celebration of Pharmacy Education Excellence. Kuala Lumpur, Malaysia. May 2019.

8. Implementation research in health and pharmacy. Presentation to Masters of Research pharmacy students on implementation research across pharmacy settings. Audience: 15. University of Zambia. Lusaka, Zambia. February 2019.
9. Leading change: Strategies for success. Presentation on how to lead change and define metrics of success presented to Monash pharmacy students. Audience: 35. Monash University Faculty of Pharmacy and Pharmaceutical Sciences. Parkville, Australia. February 2019.
10. Professional development tools to advance your pharmacy career. Presentation on professional engagement and networking to advance career development. Audience: 110. International Pharmaceutical Federation (FIP) World Congress. Glasgow, Scotland. September 2018.
11. Succession planning. Why is it important? Ways to ensure a stable handover of local or international YPG roles. . Presentation on succession planning in leadership and project management to the inaugural Young Pharmacists Group Leadership Pre-Satellite. Audience: 20. International Pharmaceutical Federation (FIP) World Congress. Glasgow, Scotland. September 2018.
12. Zambia Medicines Regulatory Authority (ZAMRA) health shops project: Assessing organizational readiness. Overview of potential project delivered to implementation scientists. Audience: 25. Global Implementation Conference. Toronto, Canada. June 2017.
13. Pharmacy education & practice in the United States. Overview of Doctorate of Pharmacy training and pharmacy practice in the US. Audience: 40. Pharmaceutical Society of Zambia. Lusaka, Zambia. October 2016.
14. Pharmacy education and training in the United States. Overview of Doctorate of Pharmacy training in the US and at UNC delivered to pharmacy students. Audience: 15. Shanghai Jiao Tong University. Shanghai, China. September 2016.
15. Pharmacy education and training in the United States. Overview of Doctorate of Pharmacy training in the US and at UNC delivered to pharmacy students. Audience: 45. Fudan University. Shanghai, China. September 2016.
16. Community pharmacy practice in the United States. Overview of community pharmacy practice in the US given to PharmD students at JSS University. Audience: 40. JSS University. Mysore, India. January 2016.
17. A competent pharmacist: Do our patients deserve more? Panel presentation to attendees. Audience: 50. International Pharmaceutical Federation (FIP) World Congress. Bangkok, Thailand. September 2014.

### **National**

18. Exploring career development through an individualized learning experience: the student directed practicum. Presentation on best practices for hosting international visitors. Audience: 40. American Association of Colleges of Pharmacy Annual Meeting. Virtual. July 2020.

19. How to be the host with the most: Key considerations for hosting visiting international students. Presentation on best practices for hosting international visitors. Presentation on best practices for hosting international visitors. Audience: 60. American Association of Colleges of Pharmacy Annual Meeting. Virtual. July 2020.
20. Strengthening global health experiences through interprofessional collaboration. Presentation on the use of entrustable professional activities and learning outcomes for global health. Audience: 210. American Association of Colleges of Pharmacy Annual Meeting. Virtual. July 2020.
21. Developing students to become global leaders. Presentation on the PharmAlliance global leaders in development (GLIDE) module. Audience: 60. American Association of Colleges of Pharmacy Annual Meeting. Virtual. July 2020.
22. Global education business meeting. Annual business meeting of the AACP Global Education Special Interest Group. Audience: 25. American Association of Colleges of Pharmacy Annual Meeting. Virtual. July 2020.
23. ALFP debate II: Pharmacy schools should do more to address the dwindling quality of the applicant pool. Debate presentation (con side) in discussing issues related to the quality of prospective students. Audience: 125. American Association of Colleges of Pharmacy Interim Meeting. San Juan, Puerto Rico. February 2020.
24. PharmAlliance: Reflections on a global partnership. Presentation on the challenges and success across the PharmAlliance partnership. Audience: 50. American Association of Colleges of Pharmacy Interim Meeting. San Juan, Puerto Rico. February 2020
25. Enhancing professional identity formation through international experiences. Presentation on how identify formation can be enhanced through global opportunities. Audience: 40. American Association of Colleges of Pharmacy Interim Meeting. San Juan, Puerto Rico. February 2020.
26. Lessons from leaders. Interviewed on stage about my leadership experiences to date. Audience: 550. American Pharmacists Association Academy of Student Pharmacists Midyear Regional Meeting. Atlanta, GA. October 2019.
27. Global to local: Connecting global health to local practice. Presentation on how to develop global health education opportunities in local environments. Audience: 80. American Association of Colleges of Pharmacy Annual Meeting. Chicago, IL. July 2019.
28. Connecting the elements to amplify global change. Presentation on how to develop faculty and students into global citizens and leaders. Audience: 60. American Association of Colleges of Pharmacy Annual Meeting. Chicago, IL. July 2019.
29. Global pharmacy education business meeting. Annual business meeting of the AACP Global Pharmacy Education Special Interest Group. Audience: 35. American Association of Colleges of Pharmacy Annual Meeting. Chicago, IL. July 2019.

30. APhA-APPM open forum on public health. Forum discussion to practitioners regarding opportunities for APhA to become more active and collaborative in public health. Audience: 40. American Pharmacists Month Annual Meeting & Exposition. Seattle, WA. March 2019.
31. APhA-ASP 50<sup>th</sup> anniversary lessons from leaders. TED talk to student leaders on the importance of leading change. Audience: 250. American Pharmacists Month Annual Meeting & Exposition. Seattle, WA. March 2019.
32. International residency training innovations: A global perspective. Moderated a session discussing international residency training across Australia, Canada, and Saudi Arabia. Audience: 40. American College of Clinical Pharmacy Annual Meeting. Seattle, WA. October 2018.
33. Phi Delta Chi chapter advisor workshop. Two-day workshop to chapter advisors on advising best practices. Audience: 10. Phi Delta Chi Leader-Development Seminar. Virginia Beach, VA. August 2018.
34. Adapting global health experiences to solve local healthcare issues. Webinar presented to network members of Dispensary of Hope on applying global health for local underserved populations. Audience: 20. Dispensary of Hope. Online. July 2018.
35. Integrating global health into the PharmD curriculum. Special session discussing ways to integrate global health across didactic and experiential settings. Audience: 100. American Association of Colleges of Pharmacy Annual Meeting. Boston, MA. July 2018.
36. Emphasizing the 'LAB' in collaboration – demonstrating how to work together scientifically across cultures. Special session discussing how to collaborate internationally. Audience: 45. American Association of Colleges of Pharmacy Annual Meeting. Boston, MA. July 2018
37. Global and rural health – improving community outcomes through interprofessional teams (GRIT). PharmTalk session discussing the connectivity between global and rural health. Audience: 50. American Pharmacists Association Annual Meeting & Exposition. Nashville, TN. March 2018.
38. APhA-ASP chapter officer leadership session. Workshop discussing foundational leadership skills around building a vision and defining success. Audience: 200. American Pharmacists Association Annual Meeting & Exposition. Nashville, TN. March 2018.
39. Begin your legacy: Going global. TedTalk style presentation to student pharmacists about global engagement. Audience: 400. American Pharmacists Association Academy of Student Pharmacists Midyear Regional Meeting. Charleston, SC. November 2017.
40. The promise and pitfalls of technology in addressing non-communicable diseases in developing countries. Global Health PRN session on the utilization of mHealth in global health. Audience: 40. American College of Clinical Pharmacy Annual Meeting. Phoenix, AZ. October 2017.
41. A 'rosetta stone' for pharmacy education—a global language and shared vision for collaboration. Special Session on how to establish develop a common vision among international partners. Audience: 140. American Association of Colleges of Pharmacy Annual Meeting. Nashville, TN. July 2017

42. New Practitioner Network advocacy & leadership. Workshop style presentation on getting new practitioners engaged with advocacy and leadership. Audience: 35. American Pharmacists Association Annual Meeting & Exposition. San Francisco, CA. March 2017.
43. Financial planning workshop. Moderated a workshop to new practitioners on financial planning. Audience: 60. American Pharmacists Association Annual Meeting & Exposition. San Francisco, CA. March 2017.
