

## DAY ONE – THURSDAY 25 November 2021 (Online Conference)

Time (AEDT)	Main Session		
08:50 – 08:55	Conference Welcome and acknowledgement of country		
08:55 – 09:05	Opening address		
09:05 – 09:10	Official opening of conference		
09:10 – 10:10	Ant Williams – Keynote presentation		
10:10 – 10:55	Panel discussion: Future of paramedicine <b>Alecka Miles</b> (Course Coordinator of the Master of Paramedic Practitioner course, Edith Cowan University), <b>Kris Gagliardi</b> (Assistant Clinical Director, St John New Zealand) and <b>Emma-Kate Thornley</b> (Paramedic Practitioner in Rural General Practice, Intensive Care Paramedic, Academic in Postgraduate Paramedicine)		
10:55 – 11:15	Break		
Time (AEDT)	Virtual Space 1 Research Presentations Theme: Wellbeing	Virtual Space 2 Research Presentations Theme: Education	Virtual Space 3 Research Presentations Theme: Pain
11:15 – 11:35	So you think you are healthy: Think again <b>Richard Galeano</b> (Lecturer in paramedicine at Australian Catholic University)	Preparedness for Professional Practice: Investigating clinical preceptors and graduates perceptions <b>Lucinda Mayor</b> (Course Coordinator & Acting Senior Lecturer)	Morphine or Fentanyl, is there any difference in pain management outcomes in the treatment of acute coronary syndromes <b>Lauren Ahern</b> (Bachelor of Paramedicine Honours Graduate/Researcher)
11:35 – 11:55	Exploring the role and value of chaplains in the ambulance service: Paramedic perspectives <b>Katie Tunks Leach</b> (PhD Candidate, RN, New South Wales Ambulance Chaplain)	Exploring 'Queerspaces' within paramedicine curriculum: The LGBTQI+ vacuum <b>Caitlin Fitzgibbon</b> (Deputy Course Coordinator and Lecturer in Paramedicine, Australian Catholic University)	Evidence-based prehospital management of pain and distress in elderly hip fracture patients: A systematic review <b>Matt Curtis</b> (Paramedic intern, New South Wales Ambulance)

11:55 – 12:15	The everyday sexism experiences of female paramedics in Australia <b>Alisha McFarlane</b> (Lecturer in Paramedicine, Charles Sturt University and Intensive Care Paramedic)	The relationship between personality and occupational preferences of paramedicine students: A canonical correlation analysis <b>Cameron Gosling</b> (Undergraduate Program Coordinator, Monash University, Bachelor of Paramedicine)	Chronic pain management in the out-of-hospital setting – a scoping review <b>Lucinda Marinelli</b> (Graduate paramedic with NSW Ambulance, Honours Student at Monash University)
<b>Time (AEDT)</b>	<b>Virtual Space 1 Research Presentations Theme: Wellbeing</b>	<b>Virtual Space 2 Research Presentations Theme: Education</b>	<b>Virtual Space 3 Research Presentations Theme: Community Paramedicine</b>
12:15 – 12:35	What are the current mental health and wellbeing needs of paramedics and paramedic students <b>Kelly-Ann Bowles</b> (Director of Research, Department of Paramedicine Monash University)	Should I consider this drug? - The problems for students and trainee paramedics when using CPGs for education and learning <b>Sonja Maria</b> (Paramedic researcher, Associate Head of School, Paramedicine, CSU)	Pre-hospital health initiatives to reduce the potentially preventable hospitalisation of older people in rural and regional Australia: A growing opportunity <b>Tegwyn McManamny</b> (Intensive Care Paramedic/PhD Candidate)
12:35 – 12:55	The mental health and stress impacts of COVID-19 on Australian paramedics <b>Clare Sutton</b> (Senior Lecturer in Paramedicine, Charles Sturt University)	'Exploring situational awareness among paramedic students during high-fidelity simulation. A mixed-methods pilot study' <b>Justin Hunter</b> (Associate Professor of Paramedicine)	"A Known Player in a New Role" Implementing Community Paramedicine - opportunities and challenges: A review of reviews <b>Evelien Spelten</b> (Associate Professor in Rural Health)
12:55 – 13:35	<b>Lunch</b>		
<b>Time (AEDT)</b>	<b>Virtual Space 1 Research Presentations Theme: Clinical Practice</b>	<b>Virtual Space 2 Research Presentations Theme: Mental Health</b>	<b>Virtual Space 3 Research Presentations Theme: Registration</b>
13:35 – 13:55	Abdominal Pain in the Ambulance. Do our assumptions about low SES patients live up to reality? <b>Lily Lucent</b> (ALS Paramedic at Ambulance Victoria)	Safety and violence on "mental health calls": A qualitative analysis <b>Polly Ford-Jones</b> (Professor and Primary Care Paramedic)	A pre-registration survey of Australian paramedics: Qualitative findings <b>Buck Reed</b>
13:55 – 14:15	Management of cardiogenic shock; what can paramedics learn from current literature? <b>Sarah Sawyer</b> (Final year BParamedicine(Hons) student with Charles Sturt University)	Paramedic Assessment of Paediatric Mental Illness: A need for change <b>Kristina Maximous</b> (Paramedic, NSW Ambulance service and Casual Lecturer at CSU)	Paramedic incompetency and misconduct: An analysis of decisions made that have led to paramedics being struck off the register <b>Dr Ruth Townsend</b> (Senior Lecturer, paramedic law, ethics and professionalism, Charles Sturt University)

Time (AEDT)	Virtual Space 1 Research Presentations Theme: Clinical Practice	Virtual Space 2 Research Presentations Theme: Grief	Virtual Space 3 Research Presentations Theme: COVID
14:15 – 14:35	An exploration of decision making when accessing emergency healthcare in moderate to severe asthma patients from rural and remote NSW <b>Alannah Stoneley</b> (Undergraduate Student-Charles Sturt University: Bachelor of Paramedicine (Honours))	An evaluation of a perinatal, infant and child grief workshop into paramedic undergraduate curriculum using the CARES skills framework <b>Matthew Warren-James</b> (Lecturer, Paramedicine University of the Sunshine Coast)	On the frontlines amidst uncertain times: Lived experiences of Canadian paramedics during the COVID-19 outbreak <b>Lindsey Boechler</b> (Researcher, Saskatchewan Polytechnic)
14:35 – 14:55	Are paramedics situationally aware? A cross-sectional study during emergency calls for service <b>Justin Hunter</b> (Associate Professor of Paramedicine)	Dealing with dying – progressing paramedics' role in grief support <b>Cheryl Cameron</b> (Director of Operations, Canadian Virtual Hospice)	Leveraging the experiences of firefighters and paramedics in Winnipeg, Manitoba: Lessons from the COVID-19 pandemic <b>Aman Hussain</b> (Assistant Professor)
Time (AEDT)	Main Session		
14:55 – 15:05	Understanding the health of paramedics in an ambulance service: A mixed methods study 5 minute thesis <b>Richard Galeano</b> (Lecturer in paramedicine at Australian Catholic University)		
15:05 – 15:15	Arousal, Intrusion, Avoidance: The experiences of secondary traumatic stress in partners of Critical Care Paramedics 5 minute thesis <b>Matthew Hill</b> (Research Associate)		
15:15 – 15:25	Out-of-hospital cardiac arrest - the shocking truth 5 minute thesis <b>Brian Haskins</b> (Ph.D. Scholar, NHMRC Centre of Research Excellence in Pre-hospital Emergency Care Australia and New Zealand (PEC-ANZ), part-time lecturer with the Monash Department of Paramedicine)		
15:25 – 15:35	Enhancing prehospital feedback for emergency ambulance staff to promote workforce wellbeing and patient safety: A mixed-methods multiple sub-study PhD project 5 minute thesis <b>Caitlin Wilson</b> (PhD student, University of Leeds (UK) and Paramedic, North West Ambulance Service NHS Trust)		
15:35 – 15:55	Break		
15:55 – 16:35	When worlds collide – Panel discussion <b>Dr Alex Markwell</b> (Senior Staff Specialist, Emergency and Trauma Centre, Royal Brisbane and Women's Hospital. Chair, Queensland Clinical Senate)		

	<b>Dr Ruth Townsend</b> (Senior Lecturer, paramedic law, ethics and professionalism, Charles Sturt University) and <b>Tony Hucker</b> (Adjunct Associate Professor, University of the Sunshine Coast)
16:35 – 16:55	FOAMed in the modern world: the good, the bad, the future <b>Rob Buttner</b> (Chief Editor, Life In The Fast Lane)
16:55 – 17:00	Conference Close

## DAY TWO – FRIDAY 26 November 2021 (Face-to-face locations & Online)

Christchurch (NZDT)			Christchurch Stream
10:00			Welcome
10:10			Fishing for answers in hypothermic cardiac arrest <b>Anna Scott</b> (Flight ICP, Otago Rescue Helicopter) and <b>Darren Khodaverdi</b> (Consultant Emergency Physician, Dunedin Hospital)
10:35			Out of Scope Cardiac Arrest: Case Study <b>Andrew Odgers</b> (Paramedic)
10:55			Break (10:55 – 11:30)
Christchurch (NZDT)	Hobart (AEDT)	Sunshine Coast (AEST)	Main Session / Plenary room
11:20	09:20	08:20	Local Welcome at each venue
11:30	09:30	08:30	Welcome to day two
11:35	09:35	08:35	Adverse events from nitrate administration during right ventricular myocardial infarction: A systematic review and meta-analysis Best of the Best research presentation <b>Matt Wilkinson-Stokes</b> (Paramedic) – presented online
11:55	09:55	08:55	Survival outcomes in traumatic out-of-hospital cardiac arrest after the introduction of a trauma-focused resuscitation protocol Best of the Best research presentation <b>Zainab Alqudah</b> (PhD candidate) – presented online
12:15	10:15	09:15	Accessing emergency healthcare services during COVID-19: Perceptions of the Australian Community Best of the Best research presentation

<b>Michella Hill</b> (Research Associate) – presented online The effects of a leaflet-based intervention, ‘Hypos can strike twice’, on recurrent hypoglycaemic attendances’ Highest Quality Research prize winner EMS999 2021 <b>Dr Vanessa Botan</b> (Research Associate, Lincoln University) – presented online					
Christchurch (NZDT)	Hobart (AEDT)	Sunshine Coast (AEST)	Hobart	Sunshine Coast	Christchurch stream
12:35	10:35	09:35			
12:55	10:55	09:55	Critical appraisal of the literature <b>Rachael Berry</b> (Associate Lecturer, UTAS) and <b>Leigh Parker</b> (Senior Lecturer, Undergraduate Course Coordinator Discipline of Paramedicine, UTAS)  (Presented F2F in Hobart)	How to critically appraise an article for a peer-reviewed journal <b>Dr Scott Devenish</b> (Senior Lecturer, Paramedicine and International Engagement Coordinator, School of Clinical Silences, QUT)  (Presented F2F in Sunshine Coast)	Critical Appraisal of the Literature: What Will You Decide? <b>Isabel Jamieson</b> (Senior Lecturer University of Canterbury/Principal Lecturer Ara Institute of Canterbury) and <b>Cathy Andrew</b> (Associate Professor and Head of School, School of Health Sciences, University of Canterbury)
<b>Break</b>					
Christchurch (NZDT)	Hobart (AEDT)	Sunshine Coast (AEST)	Hobart	Sunshine Coast	Christchurch Stream
13:45	11:45	10:45	Referral – Enabling Success: Starting with education <b>Emma-Kate Thornley</b> (Paramedic Practitioner in Rural General Practice, Intensive Care Paramedic, Academic in Postgraduate Paramedicine) (Presented F2F in Hobart)	Wicked Ramping <b>Vivienne Tippett</b> (Head of School, Clinical Sciences, QUT) (Presented F2F in Sunshine Coast)	KnowYourStuffNZ: The fence at the top of the cliff <b>Wendy Allison</b> (Managing Director, KnowYourStuffNZ)
14:00	12:00	11:00	Referral – Enabling Success: Early Adopters <b>Kathryn Eastwood</b> (MICA Paramedic, Ambulance Victoria, Research Fellow for Monash University and the Victorian Institute of Forensic Medicine) (Presented remotely)	Conversations not Consultations <b>Sonia Martin and Dr Nova Evans</b> (Co-founders of Sunny Street)  (Presented F2F in Sunshine Coast)	
14:15	12:15	11:15	Referral – Enabling Success: A System Shift <b>Sam Allendar</b> (Project Manager – Secondary Triage, Ambulance Tasmania)  (Presented F2F in Hobart)	MN Virtual ED – Is there a better Option Than ED? <b>Matt Langley</b> (Nursing Director Virtual Healthcare Services – Metro North Health) (Presented F2F in Sunshine Coast)	

14:30	12:30	11:30	<p>Panel discussion  <b>Emma-Kate Thornley, Katherine Eastwood, Sam Allendar</b>  (Presented F2F in Hobart)</p>	<p>Panel Discussion:  Health System Pressures  <b>Vivienne Tippett, Matt Langley, Sonia Martin and Dr Nova Evans</b>  (Presented F2F in Sunshine Coast)</p>	<p>Telehealth - an exciting career prospect for paramedics</p> <p><b>Fenella Aldridge</b> (Director of Health Services – Healthline, Complex Callers and Partnerships) and <b>Jo Wilson</b> (People Leader – Health Services)</p>
15:10	13:10	12:10	<b>Lunch</b>		
16:10	14:10	13:10	<p>Don't cut the LVAD wire – an overview  <b>Lucy Oatley</b>  (Intensive Care Paramedic and Clinical Services Officer, Ambulance Tasmania)  (Presented F2F in Hobart)</p>	<p>The Hijacked Ambulance – Amygdala activation in paramedic care  <b>Sunny Whitfield</b> (Paramedic)  (Presented F2F in Sunshine Coast)</p>	<p>The role of advance care planning in delivering care that aligns with what matters most to a person. The Canterbury experience.  <b>Jane Goodwin</b> (Advance care planning facilitator, Canterbury + senior project manager, advance care planning team at the Health Quality and Safety Commission)</p>
16:30	14:30	13:30	<p>Move your leg I need to wee  <b>Libby Hanrahan</b> (Critical Care Helicopter Paramedic, NSW Ambulance) and <b>Luke Frost</b> (Critical Care Helicopter Paramedic, NSW Ambulance) – Presented online</p>		
16:50	14:50	13:50	<p>Tales of lysis: Sub acute stent thrombosis in the rural prehospital setting  <b>Ryan Davis</b>  (Intensive Care Paramedic Student North-West Tasmania)  (Presented F2F in Hobart)</p>	<p>Refractory cardiac arrest and the pathway to ECMO  <b>Tim Fry</b> (Critical Care Paramedic, High Acuity Response Unit, Queensland Ambulance Service)  (Presented F2F in Sunshine Coast)</p>	<p>Volunteering pathways in St John <b>James Stewart</b> (National Operations Manager - EAS Volunteering, St John Ambulance New Zealand)</p>
17:10	15:10	14:10	<p>The benefits of prehospital ultrasound and solid organ fractures  <b>Caity Little</b> (Intensive Care Flight Paramedic, Ambulance Tasmania) and <b>Dr Jo Kippax</b></p>	<p>Shark encounter: Survival against the odds  <b>Ruiyi Yin</b> (Critical care flight paramedic)  (Presented F2F in Sunshine Coast)</p>	<p>Right hospital, first time: The destination decision  <b>Kris Gagliardi</b> (Assistant Clinical Director, St John New Zealand)</p>

# ACPIC 2021

17:30	15:30	14:30	(Ambulance Tasmania AMR Consultant (Retrievalist and Coordinator) and Emergency Specialist, RHH  (Presented F2F in Hobart)	Penetrating chest trauma <b>Ben Harris</b> (Critical Care Paramedic, Queensland Ambulance Service)  (Presented F2F in Sunshine Coast)	TBC
17:50	15:50	14:50	Industrial campaigning as a registered profession <b>Sally McManus</b> (Australian Council of Trade Unions( ACTU) Secretary)		
18:05	16:05	15:05	Industrial action and “controversial” service policy in the context of professional responsibility under registration <b>Dr Ruth Townsend</b> (Senior Lecturer, paramedic law, ethics and professionalism, Charles Sturt University) – Presented online		
18:20	16:20	15:20	<b>Break</b>		
	16:50	15:50	Roles and responsibilities in the Hot zone <b>Chris Harn</b> (Medic)	Fishing for answers in hypothermic cardiac arrest <b>Anna Scott</b> (Flight ICP, Otago Rescue Helicopter) and <b>Darren Khodaverdi</b> (Consultant Emergency Physician, Dunedin Hospital) (Recording from Christchurch stream)	Conference ends for Christchurch stream at 18:20 (NZDT)
	17:05	16:05	Out of Scope Cardiac Arrest: Case Study <b>Andrew Odgers</b> (Paramedic) (Recording from Christchurch stream)		
	17:35	16:35	<b>Awards</b>		
	17:55	16:55	<b>Conference close</b>
