Next Generation Artists Award 2022

Guidelines for Applicants

Deadline: 5.30pm (Ireland time), Thursday 14 April 2022

Note for people with disabilities or access requirements

The Arts Council makes every effort to provide reasonable accommodation for people with disabilities or access requirements who wish to submit an application or who have difficulties in accessing Online Services. If you have a requirement in this area, please contact the Arts Council's Access Officer, by phone (01 618 0200/01 618 0243) or by email (**access@artscouncil.ie**) as early as possible before the deadline.

CONTENTS

Getting help with your application

If you have questions about using the Online Services website, visit the FAQ section on our website: www.artscouncil.ie/FAQs/online-services/

If you have a technical question about the online application process and your question is not answered in the FAQ section, you can email onlineservices@artscouncil.ie or call the Arts Council on

- o **01 618 0200**
- o **01 618 0243**

If you have a query about your application that is not technical in nature, you should email or phone the arts team to which you are applying for funding. http://www.artscouncil.ie/Contact-us/Staff-and-adviser-lists/

To watch our video guide to making an application on YouTube, go to http://www.youtube.com/artscouncildemos

---

NOTE ON COVID-19-RELATED PUBLIC-HEALTH GUIDANCE

While it is anticipated that COVID-19 will be less of an issue later in 2022, in preparing your proposal, you should be aware of the possibility that it may still have an impact on the delivery of arts activities.

Given this, you should ensure that what you are proposing is feasible or adaptable should social distancing and/or other public-health measures impact on all or part of the period to which this proposal applies.

In the event that your application is successful and you subsequently need to change or alter some or all of your proposal on the basis of changed public-health advice, you should contact your arts team in advance to discuss this.

Key points to remember

- In order to make an application, you **must** be registered for an Arts Council Online Services (OLS) account. If you do not have one, you can sign up for one here. Please note that it can take up to **five working days** for a new user to be registered on OLS, so give yourself plenty of time to do this ahead of the deadline.

- We strongly advise that you read this document carefully before beginning the process of making your application.

- We also strongly advise that you start the process early, and give yourself **plenty of time** to make your application.

- We recommend that you aim to upload your application **at least forty-eight hours** before the advertised deadline. That way, if you encounter a technical problem, you will have time to contact us so that we can assist you in resolving it.

- Please note that, on account of the large volume of applicants using the online system on the last day of the deadline, we cannot guarantee that we can resolve any technical issues you may have if you contact us **after 2.00pm on the day of the deadline**.

- Please read the following checklist carefully:

☐ I have read and understand these guidelines.

☐ In the event that I have had an issue, I have contacted the Arts Council for assistance well in advance of the deadline.

☐ I have filled in all of the sections of the application form relevant to my application.

☐ I have prepared all required supporting material as set out in these guidelines, and have this ready to upload.

☐ I have asked someone else to check over my application to make sure there are no errors and that nothing is missing.

1. About the Next Generation Artists Award

1.1 Purpose and objectives of the award

First introduced to mark the 1916 centenary, the purpose of the Next Generation Artists Award is to support a group of promising artists across all disciplines at an early but pivotal stage in their career. This once-off and exceptional award is designed to support emerging artists to:

(i)   Buy time to develop their work and practice.

(ii)   Support unique development needs to advance their own practice (this might be through engagement with a mentor, research, non-formal study and/or non-vocational training, collaborative partnerships, etc.). Applicants **must** detail the development need that would most advance his or her career at this time.

Each Next Generation Artists Award recipient will receive €25,000. Recipients will also take part in a week-long residential programme in spring 2023.

Joint applications and interdisciplinary applications are welcome.

All awards are informed by the Arts Council's ten-year strategy (2016–25), *Making Great Art Work: Leading the Development of the Arts in Ireland* (see here: http://www.artscouncil.ie/arts-council-strategy/).

1.2 Priorities of the award – individual artforms and arts practices

In addition to the general purpose and objectives of the award (outlined in section 1.1), priority across all artform and practice areas will be given to emerging artists of proven talent, assurance and potential who:

- Demonstrate ambition and vision for their work
- Show potential to develop and strengthen a distinctive and assured creative practice
- Show how they will benefit artistically from timely support for their artistic development
- Demonstrate in a compelling way how the award and financial investment of this level and at this particular time will have a transformative effect in bringing them to the next stage of their artistic development.

1.3 Who can apply?

The award is open to emerging artists working in all arts genres supported by the Arts Council.

- Emerging artists are defined as those, of any age, who are in the process of mastering their artform/arts practice through education or apprenticeship and are in the early years of establishing a professional career within their chosen artform/arts practice. Emerging artists have some experience but have not yet established a solid reputation as artists, but identify, and are recognised by their peers, as professional practising artists.

To be eligible to apply, an applicant must:
- State why s/he classifies him/herself as 'emerging' in line with the definition set out above
- Demonstrate recent artistic achievements
- Be resident in the Republic of Ireland. There are certain exceptions where the Arts Council may deem eligible applications made by those based outside the Republic of Ireland. However, before admitting as eligible any such application, the applicant would need to explicitly outline within the application how the outcomes of any such proposal would benefit the arts in the Republic of Ireland.
- Be a professional practising artist; although you might not earn income continuously or exclusively from your artistic practice, you must identify yourself, and be recognised by your peers, as a professional practising artist
- Have completed any academic education/training.

For the purpose of this award, the Arts Council's definition or focus in certain artforms is set out as follows:

NOTE: **Film**	The Arts Council supports film artists who engage in experimental or non-narrative film-making that is made for cinema exhibition in the first instance.
NOTE: **Literature**	The Arts Council supports literary writing. For the purposes of this award, **literary writing** is defined as fiction, poetry, creative non-fiction (e.g. memoir and essays), graphic novels, children's fiction and poetry, illustrated picture books, literary criticism and contemporary literary biography/autobiography. This definition specifically **excludes** writing in areas such as screenwriting, journalism, religious writing, professional, instructional and academic writing. This award supports writing in the English and Irish languages. Playwrights should apply under Theatre.
NOTE: **Traditional Arts**	The Arts Council supports traditional music, song, dance or the oral arts.

As part of its Equality, Human Rights and Diversity Policy, the Arts Council is committed to offering **equality of access, opportunity and outcomes** to all potential applicants regardless of their gender, sexual orientation, civil or family status, religion, age, disability, race or membership of the Traveller community, or socio-economic background. In this funding scheme the Arts Council particularly welcomes applications that are representative of the diversity of Irish society, including but not limited to any of the characteristics outlined above, and/or initiatives that deliver equitable opportunities or outcomes for those involved.

1.4   Who is the applicant?

The applicant is the person who will receive any grant offered and who will be required to accept the terms and conditions of that grant.

Any grant offered will only be paid into a bank account held in the name of the applicant.

All documentation provided must be in the name of the applicant. For example, if you apply to the Arts Council for funding under the name Máire de Barra, then all documentation, including bank and tax details, must be in that name. Variations such as Mary Barry or Máire Barry are not acceptable.

1.5   Who cannot apply?

People who are not eligible to apply include the following:

- Individuals currently in any form of academic activity, including undergraduate or postgraduate education (or similar academic studies deemed by the Arts Council as falling within this description), or who will be during the period for which this award is offered
- Aosdána members in receipt of a *cnuas*
- Successful recipients of the Next Generation Artists Award in previous years.

You may apply for only **one** of the following awards in **one arts area** in 2022:

- Bursary, Round 1
- Bursary, Round 2
- Next Generation Artists Award
- Markievicz Award

1.6   What may you apply for?

The amount awarded to each successful applicant will be: **€25,000**

Please note that your application will be deemed **ineligible** if you do not apply for the fixed amount of €25,000.

The emphasis of the award is on:

- Artists 'buying time' specifically to assist with the development of their creative practice. The award allows for costs that are intrinsic to supporting the development of the artist's practice, and in this context provides for living costs.
- Supporting unique development needs – this may include funding for mentoring, third-party expertise or the hiring of services (where it can be demonstrated that such costs are necessary to the development of the artist's practice).

Access costs for artists with disabilities

In addition to the maximum amount permitted, the Arts Council will also consider access costs specifically relating to the making of work by artists with disabilities, and/or non-capital public-access costs (e.g. audio description, interpretation) in cases where your proposal has a public outcome.

If you wish to apply for additional funding on this basis, please upload the following information with your application:

- A short document outlining what your additional access costs are
- An amount for access costs in the expenditure section of your application-form budget. This figure should also be included in the total amount you request.

What is an access cost?

Access costs for artists with disabilities cover any requirements you may have in order to remove barriers that might stop you from completing your proposal. This may include, for example, costs towards additional time needed to complete an element of your proposal or additional assistance required to deliver your proposed activity.
We take the definition of disability from the UN Convention on the Rights of Persons with Disabilities, which states: 'Persons with disabilities include those who have long-term physical, mental, intellectual or sensory impairments which, in interaction with various barriers, may hinder their full and effective participation in society on an equal basis with others.'

How much funding must you apply for?
Each award has a fixed value of €25,000.

What are your chances of receiving support?

This is an extremely competitive award.

1.7 What may you not apply for?

Activities and costs that you may not apply for include the following:

- Activities or costs that do not fit the purpose of the award
- Activities that are more suited to another award funded by the Arts Council or operated by other state agencies, such as Culture Ireland
- Activities that have already taken place or which will have commenced before a decision is made on your application
- Activities undertaken for charity fund-raising purposes, for participation in a competition, or for primarily profit-making purposes
- Activities that have already been assessed by the Arts Council, unless you demonstrate that you have developed the proposal since previously applying. An exception will be made to this if the Council has specifically advised you to redirect your application to this award. Please bear in mind that such advice is not an indication of a successful outcome.
- Major capital requests for the purchase of equipment or improvements to workspace
- Academic activities.

1.8   What supporting material must you submit with your application?

Supporting material means material that is **separate from** and **additional to** your application form. This helps the person assessing your application to get a clearer understanding of your proposal. Please read the following list of what supporting material is required very carefully, as failure to comply with this is the most common reason for applications being deemed ineligible.

In order to be considered eligible for a Next Generation Artists Award, you **must** submit the following supporting material online:

- A detailed up-to-date CV (max. three pages)
- A separate statement of your artistic practice (of no more than one page). This should briefly set out your interests, influences, ambitions and motivations as an artist
- Letters of support or reference where applicable, including evidence of any financial or in-kind support itemised within your proposal

Additional material required in certain circumstances

If you are seeking additional access costs to support work by individuals with access requirements, or to support access to your work by audiences with disability requirements, please provide a document outlining these costs, and outlining how they have been arrived at. Please also ensure that you include this additional amount as part of your budget.

If your proposal involves working with animals, you must provide a copy of your *Animal Welfare Protection Policies and Procedures*.

For applications involving children and young people under the age of eighteen

The Arts Council requires all individuals and organisations providing services (e.g. cultural, recreational, educational) to children and young people under the age of eighteen to have suitable child-protection policies and procedures in place. When making an application, you **must** indicate in section 1 of the application form whether or not your proposal is relevant to this age group.

- If you answer 'Yes' to this question in the application form and your application is successful, as a condition of funding you will be required to confirm and demonstrate that you have suitable child-protection policies and procedures in place.

- If successful, you will be required to complete the Arts Council's Child Protection and Welfare Quality Assurance Self-audit at https://childprotection.artscouncil.ie/. Please visit www.tusla.ie for more information on Children First.

- You will also be required to update your details in the Profile Information tab in your Online Services account (do this by going to the 'Update your account' section).

For applications involving vulnerable adults

When making an application, you **must** indicate in section 1 of the application form whether or not your proposal involves work with or for vulnerable persons. By ticking the Yes box, you are indicating that you will work with, or present work to, this cohort as part of your

proposal, and that you acknowledge that you have familiarised yourself with and adhere to the *National Policy & Procedures on Safeguarding Vulnerable Persons at Risk of Abuse** (see [here](#)).

*Please note that you may be asked to provide more evidence of adherence to these policies should your application be successful.

Examples of work demonstrating your artistic ability – e.g. a ten-page writing sample, still or moving images, YouTube clips, or audio recordings. All still and moving images should be clearly labelled and accompanied by an image list, including a brief description of the work.

NOTE: **Architecture**	You **must** include evidence of your qualification in architecture. You **must** include good-quality visual and/or written examples of your work. Depending on the format you use, the following should be used as a guide: • A maximum of ten still images • A maximum of three excerpts from moving image work (three minute samples) with corresponding explanations.
NOTE: **Film**	You must submit up to three examples of your recent work in film that are indicative of your film practice. These should be in the form of three ten-minute (maximum) excerpts and should not be presented as a showreel. You may submit these as video files or as YouTube links only.
NOTE: **Literature**	If you are a writer applying for support, you **must** submit a ten-page writing sample with your application. This should be submitted as a **Microsoft Word or OpenOffice Writer document (not PDF).**
NOTE: **Music**	You **mus**t submit one-three (maximum) sound recordings and/or AV files and/or links to these that illustrate your artistic practice and recent track record. Composers who produce scores as part of their practice **must** additionally submit two-four (maximum) scores of compositions recently completed. **Note:** these **must** be uploaded as PDF files.
NOTE: **Visual Arts**	You **must** include good-quality visual and/or written examples of your work. Depending on the media used in your practice, the following should be used as a guide: • A maximum of ten still images, including detailed images and installation shots • A maximum of three excerpts from moving-image work (three minute samples), with corresponding explanations.

If you do not submit the required supporting material, your application will be deemed ineligible.

Format for supporting material
All supporting material for the Next Generation Artists Award must be submitted online. Hard-copy supporting material will not be accepted.

For information on the formats you may use for supporting material you wish to upload as part of your application, see section **2.3 Prepare any supporting material required for the application**

1.9 Eligibility

Your application will be deemed **ineligible**, and will not go any further in the process, if any of the following is true:

1. You miss the application deadline.

2. You fail to complete all of the sections in the application form relevant to your proposal.

3. You cannot apply as set out in sections 1.3 to 1.5 above.

4. You apply for an amount of funding greater than the maximum amount allowed for within the award to which you are applying, as set out in section 1.6 above (except where you are applying for an additional amount to cover access costs).

5. You apply for an activity or purpose that you cannot apply for, as set out in section 1.7 above.

6. You fail to provide all mandatory supporting materials, as set out in section 1.8 above.

7. Your application is better suited to another funding programme offered by the Arts Council or by another funding agency (in this case, we will redirect you to the more appropriate funding opportunity).

Note: in the event that your application is ruled ineligible, it will not be assessed, and you will be able to apply again with the same proposal in future funding rounds.

2.   How to make your application

2.1   Register with the Arts Council's Online Services

All applications must be made through the Arts Council's Online Services; applications made in any other way (by post, fax or email) will not be accepted.

You must have an Online Services account to make an application. If you do not already have an Online Services account, sign up by filling out the registration form here: https://onlineservices.artscouncil.ie/register.aspx.

Within five working days you will be emailed a unique ARN (Artist Reference Number) and password that you can use to sign in to Online Services.

Requirements for using Online Services

Your computer and Internet browser will need to meet the following requirements to use Online Services successfully:

PC	Windows 7 operating system or a newer version of Windows *with* browser versions: Microsoft Edge (v.94) or Firefox (v.27) or Chrome (v.33), or a newer version of any of these browsers.
Mac	Mac OS X v10.5 Leopard or a newer version of Mac operating system *with* browser versions: Safari (v.3.1) or Firefox (v.27) or Chrome (v.32) or Microsoft Edge (v.94), or a newer version of any of these browsers. **Note:** if Safari 11 prevents the upload of documents, use a newer version of Safari or use a different browser such as Firefox, Chrome or Microsoft Edge.

Note: you will also need to have Microsoft Word or OpenOffice Writer installed to complete the application form itself. OpenOffice Writer is free software that can be downloaded here: https://www.openoffice.org.

OpenOffice Users

Please refer to our video *Using OpenOffice to download, complete and upload the application form* at https://www.youtube.com/watch?v=iT9XxgmgoEo

You **must** use OpenOffice Writer version 4.0.1 or earlier. More recent versions of OpenOffice Writer than 4.0.1 have changed how our application forms appear when they are submitted through Online Services.

Important notes for Apple Mac users

- Note the section in the YouTube video (at 1 min. 20 secs; link provided above) that deals with the issue of downloading version 4.0.1 on Macs with the operating system Mac OS Mojave or an earlier version installed.
- You cannot download OpenOffice 4.0.1 onto a Mac with the operating system Mac OS Catalina. If your Mac has this operating system or a newer version installed, you will have to download and use OpenOffice version 4.1.9 or newer.

If you cannot meet, or do not understand, any of these requirements, please contact us for advice as far as possible in advance of the deadline.

Give yourself enough time to complete the application

You should become familiar with the Online Services website well in advance of the deadline and in advance of preparing an application. It is likely that there will be heavy traffic on the site on the final afternoon of the closing date. You should prepare your application and submit it well in advance of the deadline.

Upload times can be much longer than download times. It may take longer than you think to upload your supporting materials.

Getting technical support

If you need technical support while making an online application, you can contact the Arts Council by emailing onlineservices@artscouncil.ie or by phoning 01 6180200/01 6180243. We recommend you report any technical issues with us well in advance of the deadline. Please provide a contact phone number and make sure that you are available to receive a return call from us.

We deal with queries on a first-come first-served basis.

Please note that there is often a high volume of calls as the deadline approaches and that technical-support calls received after 2.00pm on the closing date may not be resolved before the deadline.

2.2 Fill in the application form

If you have not already done so, download the application form for the award you wish to apply for. The application form is a Microsoft Word/OpenOffice Writer document that you fill in offline (on your own computer). The application form includes guidance on how to fill in each of its sections.

Note: the application form is formatted in such a way that the Arts Council can extract information from the form for assessment purposes. It is **very important** that you type inside the grey boxes in the form, and that you do not delete them and/or type outside them. If you do this, the form will not upload properly.

2.3 Prepare any supporting material required for the application

You are required to include supporting material with your application. For example, this might include a CV or samples of your current work – e.g. text, video, images or sound recordings (see section **1.8 What supporting material must you submit with your application?**).

You must submit all such supporting material online – if necessary, you should scan or save material in electronic format.

Acceptable file formats

The following table lists file formats for supporting material.

File type	File extension
text files	.rtf/.doc/.docx/.txt
image files	.jpg/.gif/.tiff/.png
sound files	.wav/.mp3/.m4a
video files	.avi/.mov/.mp4
spreadsheets	.xls/.xlsx
Adobe Acrobat Reader files	.pdf

For convenience, gather together all the files you need in an accessible location on your computer.

Submitting URL links

You may provide links to material hosted on YouTube (www.youtube.com) or other file-sharing sites (e.g. Vimeo, SoundCloud) instead of uploading the material directly. To do this, copy the URL (the full address of where your material is hosted) into a Microsoft Word/OpenOffice Writer or a PDF document and upload it as a weblink-supporting document.

Note: assessors will only view materials as submitted by you according to the URL link that you provide. Check that the link works from within the document you upload – i.e. that it links correctly to your material.

If you do not wish material you upload to YouTube for your application to be publicly viewable, you can flag your video as 'unlisted' in the settings. Please do not flag your material as 'private' as it will not be accessible to Arts Council assessors.

Naming files appropriately

Give all files that you intend to upload filenames that make it clear what they contain or represent – i.e. it should be clear from the filename whether the document is a CV, a sample text or a review of previous work.

Please submit supporting documents in separate, appropriately named files.

Good filenames for an applicant called Jack Russell	russelljack Architecture Project application.doc
	russelljack performance clip.mp4
	russelljack Architecture Project budget template round 2.xls
	russelljack youtube link.doc

The total combined limit for all supporting material uploaded with a single application is **40MB**.

2.4 Make your application online

To make your application online, you go through four main stages. Click **Save draft** at the end of each stage. You can come back to your application and revise it at any time before you finally submit it.

2.4.1 Choose a funding programme and download application form

To start a new application, click the **Make an application** button on your home page, and follow the prompts to choose the funding programme you wish to apply for and to give your application a unique reference by which to identify it. At this stage you can also download the application form (if you have not already done so).

2.4.2 Request funding amount

At this stage specify the expenditure and income related to your proposal, and the amount of funding you are requesting. The **Amount requested** should equal the **Total expenditure** minus the **Total income**. The final figures you enter here should be the same as those you enter in section 3 of the application form and in your detailed budget.

2.4.3 Upload application form and supporting material

Follow the prompts to upload your completed application form, CV or CVs, detailed budget and any other required supporting material (see section **1.8 What supporting material must you submit with your application?**). You do not have to upload everything at the same time. You can save your application as a draft and come back to it later.

Note: if you have completed your application form as a **.docx** file, and you are confident that your application form is filled in correctly (including typing inside the grey fields), but online services displays a message saying 'Cannot upload form', please try saving it as a **.doc** file and uploading it again.

2.4.4 Submit application

When you are satisfied that you have uploaded everything you need to support your application and have ticked the declaration, click **Submit**.

Once submitted, your application cannot be amended. Do not submit your application until you are completely satisfied.

You should receive two emails. The first will be issued immediately your application is received by the Arts Council. The second may arrive a few minutes later and will contain your application number, which will be used in all correspondence relating to this application. **Note:** it is important that you contact onlineservices@artscouncil.ie if you **do not** receive the second confirmation email containing the application number.

3. Processing and assessment of applications

3.1 Overview

The Arts Council considers all applications, makes decisions and communicates these to applicants in accordance with set procedures. The aim is to ensure that the system for awarding funding is fair and transparent.

3.2 The assessment process

All applications received are processed by the Arts Council as follows:

1   After you submit your application, you should receive two emails:

- The first will be sent immediately and will acknowledge your application.

- The second should arrive a few minutes later. It will contain your application number, which we will use in all correspondence about your application.

Note: these emails only mean that our online system recognises that you have submitted an application. They do not mean that your application is eligible to be assessed.

If you do not receive the email with your application number, contact onlineservices@artscouncil.ie

2   Your application is checked for eligibility. Please see section **1.9 Eligibility** above.

3   In some cases, the arts area to which you have applied may not be the best fit for your proposal. In such a case, we will contact you and ask you if you are happy for us to move your application to a more appropriate arts team. You will then have a choice to have your application moved, or for it to remain under the arts area to which you applied.

4   Adviser(s) and/or staff make a written assessment of the application based on the criteria for assessment set out in section 3.3 below.

5   Adviser(s) and/or staff recommend an application as shortlisted or not shortlisted.

6   A peer panel reviews all shortlisted applications and associated materials, then scores and makes decisions.

7   Decisions are communicated in writing to applicants.

8   Decisions are noted by Council.

Time frame

The Arts Council endeavours to assess applications as quickly as possible, but the volume of applications and the rigorous assessment process means that it will take **up to ten weeks** from closing date to decision.

3.3 Criteria for the assessment of applications

Applications are assessed in a competitive context and with consideration of the available resources. All applications are assessed against criteria of:

- Artistic quality
- How they meet the objectives and priorities of the award
- Feasibility.

Each of these criteria is assessed as follows:

Artistic quality

The assessment of artistic quality focuses on the artist's previous practice as well as on the nature of the proposal. This includes:

- The track record and/or the potential of the artist demonstrated through the application form, CV and other supporting materials submitted

- The proposed arts activity or activities as outlined in the application form

- The practice of the artist demonstrated through the supporting materials submitted

- The artform/arts-practice context in which the activity is proposed

- The ambition, originality and competency demonstrated by the artist.

Meeting the objectives and priorities of the award

Applications are assessed on how well they meet the objectives and priorities of the award – see section **1.1 Purpose and objectives of the award** for details.

Such assessment might include, for example, consideration of the extent to which the artist's practice might benefit and be developed as a result of the proposed activity or the extent to which particular identified priorities are addressed.

While applicants may choose other artforms/arts practices relevant to their application, the assessment will be undertaken by the team specific to the chosen primary artform, which may, in certain instances, ask for a secondary assessment from another arts team.

Feasibility

The assessment of feasibility considers the extent to which the applicant demonstrates a capacity to deliver the proposed activity. This includes consideration of:

- The proposed timetable or schedule

- The amount of funding requested relative to the nature and duration of the work proposed

- Where relevant, the availability of other supports/partners identified in the application.

3.4 Peer-panel process

The purpose of peer-panel meetings is to allow for a diversity of expert views to inform the decision-making process. Peer panels normally consist of at least three external adjudicators with relevant artform and/or arts practice expertise.

Each meeting is usually led by an Arts Council member acting as non-voting chair. Arts Council advisers and staff attend as required, and those involved in the initial assessment of applications are on hand to provide information as required. Panellists have access to all shortlisted applications and associated materials prior to the day of the meeting, at which

point they review, discuss and score shortlisted applications. Following this, applications are ranked by score. In light of the competitive context and the available budget, it is likely that the Arts Council will be able to fund only a proportion of the applications received.

Scoring process

The panel is asked to score applications according to the following system:

- **A – Must Fund (10 points):** this means that, in the view of the panel member, the application is deemed to have fully met the criteria for the award and merits funding on that basis, to the amount requested where possible.

- **B – Should Fund (8 points):** this means that, in the view of the panel member, the application is deemed to have met the criteria to an extent sufficient to merit funding should resources allow.

- **C – Could Fund (5 points):** this means that, in the view of the panel member, the application is deemed to have met the criteria, but to a lesser extent within the competitive context than other applications.

- **D – Not a Priority (2 points):** this means that, in the view of the panel member, the application is deemed to have not met the criteria to an extent sufficient to merit funding.

Declaration of interest

In order to ensure fairness and equity in decision-making, a panel member must declare an interest where they have a close personal or professional link with the applicant or are linked in any way with the application. An 'interest' is either 'pecuniary' (e.g. where a person may stand to gain financially from a decision) or 'non-pecuniary' (e.g. familial relationships or partnerships, personal friendships, or formal or informal business partnerships, etc.).

The interest must be declared as soon as the panellist becomes aware of it. This may be at the point when s/he is approached to sit on the panel (if the 'interest' is known at that stage) or following receipt of the list of applicants. Where an interest is declared, the panellist will not receive papers relating to that applicant and will be required to leave the room when the specific application is being reviewed. Where this situation arises, the chair will vote in lieu of the panellist.

In some instances a panellist may not realise that a conflict of interest exists until s/he receives and reviews the panel papers. In such instances the panellist must alert an Arts Council staff member or the panel chair as soon as they become aware that a conflict may exist.

In the event of two panellists declaring a conflict of interest for the same application, the chair will be part of the decision-making process for that specific application.

If the nominated panel chair has a conflict of interest s/he must declare it in writing in advance of the meeting as soon as s/he becomes aware of it. In this instance the head of team will chair the discussion on the conflicted application.

3.5 Outcome of applications

All applicants are informed in writing about the outcome of their application.

If your application is successful, you will be sent a letter of offer detailing the amount of funding you have been awarded and the terms and conditions of the award. You will also be told how to go about drawing down your award.

The Arts Council receives a large volume of applications, and demand for funding always exceeds the available resources. If your application is not successful, you can request feedback from Arts Council staff. Eligibility and compliance with application procedures alone do not guarantee receipt of an award.

Unsuccessful applicants are not eligible to apply for another Arts Council award to undertake the same activity. If the Arts Council feels that the proposed activity would have been better suited to a different award programme, an exception may be made. In such circumstances you will be informed in writing.

3.6 Appeals

Applicants may appeal against a funding decision on the basis of an alleged infringement or unfair application of, or deviation from, the Arts Council's published procedures. If you feel that the Arts Council's procedures have not been followed, please see the appeals process at http://www.artscouncil.ie/en/fundInfo/funding_appeals.aspx or contact the Arts Council for a copy of the appeals-process information sheet.
