

**SPRING / SUMMER**

Dear Valued Customers,

Prepare yourself for some big news!

Since 1947, our Hat Quarters, resided in downtown Saint Louis. In 2019, Henschel packed up and headed north to New Town, Saint Charles. A breathtaking facility alongside a gorgeous new assortment of headwear; we're starting the new year with a bang!

Introducing new headwear for the Spring & Fall, explore a wide variety of options from outdoor to fashion. Utilizing the finest materials and latest fashion trends, we are fully committed to meeting the highest quality standards.

We proudly continue our American Made tradition, producing a majority of our styles in the "Rolling Hills" of Missouri.

Through innovation, consistency, and, most importantly, our loyal customers, Henschel remains a leader in the industry.

We appreciate you and your business and look forward to another successful year.

Tarek Deiab, President
