December 14, 2016

Dear Vendor Partner/Retailer,

We are continuing to operate under a temporary withdrawal situation on our Green Giant Whole Asparagus Spears due to limited product availability.

**Product Information:**

Item #           LGC 191981   12- 15 oz Whole Asparagus

UPC             0 20000 10039 5

This item is produced based on crop availability. Currently we are within crop harvest season and are producing product overseas which has begun to arrive and will continue to arrive over the next few months. The original issue was that last year's crop was less than expected, leaving us short of inventory.

We are estimating to have inventory to support the business in full by February 2017. If the situation changes, we will provide more details.

Once again, we apologize for the issues this is causing your organization and appreciate your patience.

Sincerely,

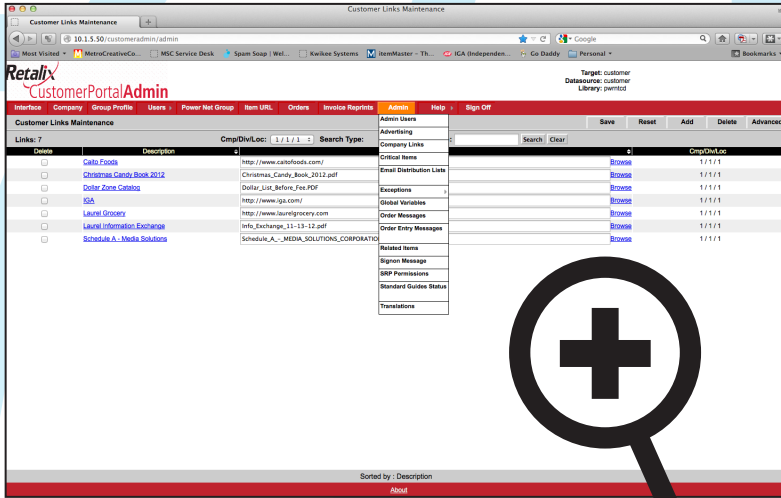

A handwritten signature in black ink that reads 'Jordan Greenberg'. The signature is fluid and cursive, with a large, sweeping 'J' and 'G'.
