Welcome to Delaware Technical Community College Summer Camps. We offer a wide variety of courses for kids of all ages. With lots of new topics to choose from, your child can improve his or her art skills, explore career options, whip up a tasty dish, participate in theatrical performances, blast off a rocket, show off sports abilities or have fun with NERF guns. We also offer the latest STEM camps based on LEGOS, robotics, Minecraft, and more.

We look forward to welcoming your child to Delaware Technical Community College for a summer of learning, creativity, and fun!

# CAMPUS EXPLORERS

## FULL DAY

Engage in a variety of fun activities while experiencing the college environment. Students ages 5-14 can join us at the Owens Campus for indoor classroom activities, outdoor athletic games, and weekly field trips. Plenty of on-campus activities give you a rewarding learning experience while guaranteeing excitement and fun.

### HIGHLIGHTS:

- College campus experience
- Small class sizes organized by age
- Students are in college classrooms with the latest technology
- Both indoor and outdoor activities daily
- Learn while having fun

### ACTIVITIES INCLUDE:

- Arts and crafts
- Guided computer use
- Athletics, games, and activities daily
- Science experiments and activities weekly

#### JUNE 15 - 19 (Ages 5-14)

ENU 582 201, 35 hrs, Fee \$199

5 sessions, MTWTRF, 9-4pm

#### AUGUST 10 - 14 (Ages 5-14)

ENU 582 202, 35 hrs, Fee \$199

5 sessions, MTWTRF, 9-4pm

#### Extended Care Available

See page 2 for details.

## AM/PM

Are you looking to make a full-day of camp for your child that only wants to attend one specialty camp?

Students ages 5-14 can join us at the Owens Campus for indoor classroom activities, outdoor athletic games and much more. Plenty of on campus activities give your child a rewarding learning experience while guaranteeing a summer filled with excitement and fun.

### HIGHLIGHTS:

- College campus experience
- Small class sizes organized by age
- Daily indoor and outdoor activities
- Learn while having fun

# AGES 2-5

## MULTIPLE WEEKS

### East Coast Garden Center Children's Garden (Ages 2-6)

Interested in getting your hands dirty and learning about the planet? Join East Coast Garden Center for a fun and exciting camp where children will be learning in the garden. Your child will learn and practice basic horticultural skills such as planting, digging, mulching, watering, weeding, and harvesting vegetables, and learn about insects such as pollinators, predatory insects, and pests. Each session includes a craft and a snack. Each child must be accompanied by an adult.

**Please note: This camp is located off campus at East Coast Garden Center in Millsboro, Del. in their Children's Garden.**

**Address: 30366 Cordrey Road  
Millsboro, DE 19966**

**ENU 261 271**

6/10-7/15

Wednesdays only, 9-11am, 6 sessions, \$99

### Toddler Time: Imagine, Create & Explore

Introduce your little one to summertime fun in this mini day camp! Our tiny campers will wiggle their way through music and explore textures and colors in art. Use your imagination to create and explore friends and fun at Toddler Time!

**Please note: An adult must accompany each child.**

This camp is offered multiple weeks and we welcome each child to register more than once.

**Please note: Some activities will repeat.**

**ENU 871 201**

6/22-6/26

9-10:15am, 5 sessions, \$69

**ENU 871 202**

7/13-7/17

9-10:15am, 5 sessions, \$69

**ENU 871 203**

8/3-8/7

9-10:15am, 5 sessions, \$69

# AGES 4-5

## MULTIPLE WEEKS

\*NO CAMP JULY 3

Welcome preschool campers! Most camps are offered during the morning session (9 a.m. – noon). Please bring a small snack each day of camp. Campers will have a supervised half hour snack time. **Please note: All campers must be potty trained.**

### JUNE 22 – 26

#### Frozen Fantasy

Dress up and act out your favorite Frozen character with Frozen Fantasy! Students will create, discover, and dramatize roles, characters, and scenes from various children's story favorites. Fun includes vocals, dance, creative movement, musicality, improvisation, theater games, and arts and crafts.

**ENU 826 201**

9am-noon, 5 sessions, \$99

### JUNE 29 – JULY 2 (NO CAMP ON JULY 3)

#### Beginning Tumbling

Participants will learn basic tumbling skills, such as forward rolls, backward rolls, and cartwheels. This camp will help students develop body awareness and coordination.

**Please note: this camp is from 10:45 am – noon.**

**ENU 578 201**

10:45am-noon, 4 sessions, \$59

### JULY 6 – 10

#### Animal Kingdom

Put on your adventure clothes and get ready for a wild ride through the animal kingdom! We are "traveling" to Africa, Asia, Antarctica and more to learn about different animals. Prepare for discovery and expedition as we use our five senses to learn about the different animals around the world!

**ENU 290 201**

9am-noon, 5 sessions, \$115

### JULY 13 - 17

#### Mini-Mad Scientist (STEM)

Every day will be filled with hands-on experiments to make learning fun. From making music to creating chemical reactions, this camp will keep your little scientist guessing and having fun!

**ENU 849 201**

9am-noon, 5 sessions, \$129

### JULY 20 – 24

#### Young Artists

Calling all young artists! Explore the many ways art is made and make your masterpiece. You will be introduced to various drawing materials and techniques as well as painting, printmaking, and collage.

**ENU 943 201**

9am-noon, 5 sessions, \$129

### JULY 27 – 31

#### Science of Storybook Classics (STEM)

We will be helping our favorite storybook characters solve problems through experiments, STEM challenges, and crafts. The Three Little Pigs need to build a strong house. How will we pass the troll with a float to help the Billy Goats Gruff get to the other side? Come learn how science can save your favorite storybook characters.

**ENU 944 202**

9am-noon, 5 sessions, \$129

### AUGUST 3 - 7

#### No Bake Cooking

Make healthy snacks and delectable desserts all without baking in the oven! This camp will help teach our campers how to measure and how to mix up fun treats for family and friends.

**ENU 937 202**

9am-noon, 5 sessions, \$109

### AUGUST 10 – 14

#### Kindergarten Prep

Are you ready for your first year of school? Join us this week as we focus on skills and concepts to help you adapt into a school environment and dive into early literacy. We will listen to stories, cut and paste crafts, draw, color, and more, all while learning how to socialize and behave at school.

**ENU 945 201**

9am-noon, 5 sessions, \$109

## REGISTER EARLY!

To get into the camp of your choice, take advantage of our online registration at [go.dtcc.edu/camps](http://go.dtcc.edu/camps)

# AGES 5 - 8

## JUNE 15 - 19

Welcome lower elementary campers! All campers ages 5-8 must have completed kindergarten. Please send a small snack each day of camp. **Please note: Camps are listed by date.**

### JUNE 15 - 19

#### No-Bake Cooking

Make healthy snacks and delectable desserts all without baking in the oven! This camp will help teach our campers how to measure and how to mix up fun treats for family and friends.

**ENU 937 201**

9am-noon, 5 sessions, \$109

#### Recess Rocks

Kids will be encouraged to work together as a team with laughter and fun while staying fit, as well as participate in individual exercises. The camp will include team-building activities, as well as fitness activities. Games such as capture the flag will help them get physical activity while working together. It will also include circuit training, such as push-ups, sit-ups, and exercises set to music. Who doesn't enjoy goodm old-fashioned Recess Fun? Please wear sneakers and loose clothing.

**ENU 825 201**

9am-noon, 5 sessions, \$99

#### Jurassic World Survival Camp

Join in the hunt to learn about dinosaurs! Do you want to observe the friendly triceratops or stalk a dangerous pack of velociraptors? You'll have to learn how to survive in their world first! Do you know which dinosaurs eat plants and which eat meat? Follow their tracks before they start to track you! When we're not in the field, we will learn about dinosaur fossils, how they're discovered, and also about the genetics that give us the dinosaurs of Jurassic World. Take an adventure millions of years in the making!

**ENU 231 201**

1-4pm, 5 sessions, \$119

#### Science of Fairytales (STEM)

Dive into fairytales as we learn about the science behind great adventures! Through experiments, STEM challenges, and crafts, we will be helping our favorite characters solve problems. The Three Little Pigs need to build a strong house. How will we pass the troll with a float to help the Billy Goats Gruff get to the other side? Jack needs you to get down the beanstalk with a parachute! Come learn how science can save your fairytale friends.

**ENU 874 201**

1-4pm, 5 sessions, \$119

# AGES 5 - 8

## JUNE 22 - 26 & JUNE 29 - JULY 2

\*NO CAMP JULY 3

### JUNE 22 - 26

#### Baseball (Ages 7-12) \*

This camp will concentrate on FUNdamentals and drills; basic mechanics of pitching, infield/outfield plays, hitting, base running, and some great sliding tips! Wear appropriate clothing and bring a glove and water bottle daily! Report to the softball field.

**ENU 214 201**

8:30-11:30am, 5 sessions, \$99

#### Pop Star Singing

Do you enjoy singing and performing? This is the camp for you. Not only will you have a blast singing and performing your favorite karaoke songs, but you will also provide silly dress-up and use props so you can perform and look like your favorite pop star. On the final day of camp, you will be video-recorded; videos will be made available online for you to view and enjoy. While having fun, you will also learn basic vocal warm-ups and performance tips that will help build your confidence. This is a super-fun class! Some dress-ups and props are provided; however, campers are welcome to bring their own favorite costumes too! Please pack a lunch for your child.

**ENU 520 201**

9am-4pm, 5 sessions, \$299

#### Tie-Dye Camp

Do you ever feel that your world is too plain? Come learn how to brighten things up with tie-dye. In this camp, you will learn that there is more than one way to tie-dye anything. Each day you will learn a different technique whether it's twisting, stretching, or wrapping. At the end of the week, you'll be able to take home your own homemade colorful creations. Please bring one item that you would like to tie-dye. Other materials will be provided.

**ENU 241 201**

1-4pm, 5 sessions, \$109

#### Computer Kids (STEM)

Using state-of-the-art college labs, campers will participate in various computer related activities using kid-friendly websites and Microsoft Office applications. Practice keyboarding skills, develop a PowerPoint presentation, create digital art, and learn about internet safety.

**ENU 946 201**

1-4pm, 5 sessions, \$109

### JUNE 29 - JULY 2

#### Cupcakes with Kids

**NEW**

It's cupcake time! Learn how to safely work your way around a kitchen and bake yummy cupcakes from scratch. Go beyond chocolate and vanilla to create your unique cupcake design. **Please note: There will no camp on July 3.**

**ENU 932 201**

9am-noon, 4 sessions, \$129

#### Cheerleading

Jump into a week of learning cheerleading basics and team fun! Arm motions, jumps, tumbling, stunts, cheers, and routines will be the focus of the week. Participants will learn how to work as a team along with the fundamentals of a new sport. Parents are invited to come early the last day of camp for a special performance. Wear sneakers and comfortable clothing.

**Please note: There will no camp on July 3.**

**ENU 255 201**

1-4pm, 4 sessions, \$99

### MULTIPLE CAMP DISCOUNT

When a camper signs up for three camps, they get \$10 off the regular tuition for each additional camp.

To receive this special discount, please call our registration team at (302) 259-6330.

Scholarship recipients are not eligible for discount.

# AGES 5 - 8

## JULY 6 - 10 & JULY 13 - 17

### JULY 6 - 10

#### Baseball (Ages 7-12)

This camp will concentrate on FUNdamentals and drills, basic mechanics of pitching, infield/outfield plays, hitting, base running, and some great sliding tips! Wear appropriate clothing and bring a glove and water bottle daily! Report to the softball field.

**ENU 214 202**

8:30-11:30am, 5 sessions, \$99

#### How to be a YouTube Sensation (STEM)

Do you like to watch movies, TV shows, and YouTube videos? Do you like to take your own pictures? Have you ever wanted to make your own movie or use pictures to make your own movie? Here's your chance!

Learn the basics to making your own movie as you take your idea from the planning process to writing a script, developing your shots, taking your pictures, taping your video, and editing the video into a real movie you can show to your family and friends.

**ENU 286 201**

9am-noon, 5 sessions, \$119

#### Harry Potter: Hogwarts School

Calling all Muggles! Unlock the Chamber of Secrets to the Wizarding World of Harry Potter. Discover the magic of "The Boy Who Lived" through fun trivia, games, herbology classes, and more! You will be sorted by the Sorting Hat the first day. Step outside the classroom to learn and practice Quidditch. New to the world of Harry Potter? Fear not, an overview of the series will be given, allowing witches and wizards of all levels to participate. Come dressed up and be prepared to learn and have fun at Hogwarts School of Witchcraft and Wizardry!

**ENU 274 201**

9am-noon, 5 sessions, \$119

#### Magical, Mystical Unicorn Camp

Join us for a week of whimsy and wonder in our unicorn camp. Campers will use their creativity and imagination to make a unicorn canvas painting and decorate other unicorn memorabilia. This camp is perfect for anyone who loves the magic and sparkle of all things unicorn!

**ENU 947 201**

1-4pm, 5 sessions, \$119

#### Ooey Goey Galore - STEM

What is stinky, gooey, oozy, and green all over? YOU at this fun summer camp. Campers will discover loads of horribly fantastic experiments while learning fun science! Join us for a hilarious journey of all things NOT allowed at the dinner table—boogers, burps, slime, fake blood, and more!

**ENU 833 201**

1-4pm, 5 sessions, \$139

### JULY 13 - 17

#### Baseball Pitching (Ages 7-12)

This camp will focus on baseball principles; pitching absolutes, mechanics, strategies, physical conditioning, and fielding techniques. Wear appropriate clothing and bring a glove and water bottle daily! Report to the softball field.

**ENU 234 201**

8:30-11:30am, 5 sessions, \$99

#### Canvas Creations

Stir up all kinds of fun painting a different canvas each day. Campers will explore different ways to use a paint brush, colors, and textures. This craft camp is an innovative and fun art program that engages children. Each child will bring home a canvas painting that focuses on a certain technique learned that day. Come explore all the possibilities of canvas art! Supplies will be provided. All you need is your creativity!

**ENU 223 201**

9am-noon, 5 sessions, \$139

#### Brick-ology (STEM)

Are you a master builder? This hands-on camp will incorporate play with science, technology, engineering, art and math with LEGO Bricks. Each day will start with a new activity for the entire group, then each child will have an opportunity to build, play, and create on their own. Campers will utilize bricks, perler beads, and other building materials to develop an appreciation for STEM learning.

**ENU 561 201**

9am-noon, 5 sessions, \$109

#### Sports Adventures

Are you a sports fanatic who can't seem to narrow down your favorite sport? What if you could participate in a different sport each day? Join us this week by participating in daily sports challenges and technical instruction with a variety of sports throughout the week. Camp is designed to offer a different sport interest each day to develop a well-rounded camper. Be sure to dress in appropriate clothing and footwear and don't forget your water bottle!

**ENU 252 201**

1-4pm, 5 sessions, \$109

#### Cosmetology

Have you ever dreamed about the wonders that the beauty world holds? Join us to learn invaluable information that will keep you looking and feeling beautiful both inside and out. Campers will spend their fun-filled day learning the basics of skin care, nail care, natural nail services, makeup application, and all-natural skin masques and scrubs that they will be able to take home!

**ENU 878 201**

1-4pm, 5 sessions, \$109

# AGES 5-8

## JULY 20 - 24 & JULY 27 - 31

### JULY 20 - 24

#### Little Scientist – STEM

Every day is filled with hands-on experiments to make learning fun! From making music to chemical reactions, this camp will keep your little scientist guessing and having fun!

**ENU 262 201**

9am-noon, 5 sessions, \$99

#### Gymnastics Floor Routines

Campers will practice basic tumbling, mini trampoline exercises, floor routines, and ribbon dancing. Campers will be given the opportunity to build tumbling and gymnastics skills while gaining self-confidence. Dress code: Leotards or T-shirts and shorts. Students should be barefoot with hair tied back.

**ENU 836 201**

9am-noon, 5 sessions, \$99

#### Musical Theater (Ages 5- 11)

Songs, dances, and scenes from cherished Broadway and Disney favorites, from stage and screen, will come alive! Campers will learn basics of singing, acting, dancing, and stage movements. Participate in group scenes or challenge yourself with a solo or duet. Friends and family are invited the last day of camp for a final performance.

**ENU 645 201**

1-4pm, 5 sessions, \$119

#### Science of Storybook Classics (STEM)

We will be helping our favorite storybook characters solve problems through experiments, STEM challenges, and crafts. The Three Little Pigs need to build a strong house. How will we pass the troll with a float to help the Billy Goats Gruff get to the other side? Come learn how science can save your favorite storybook characters.

**ENU 944 201**

1-4pm, 5 sessions, \$129

### JULY 27 - 31

#### Coding for Kids (STEM)

Computer Science is currently one of the fastest growing industries. This program will introduce kids to the basics of computer coding. Through hands-on and computer activities students will learn IT terminology, build backgrounds, and begin to write lines of programming code!

**ENU 948 201**

9am-noon, 5 sessions, \$109

#### Jurassic World Survival Camp

Join in the hunt to learn about dinosaurs! Do you want to observe the friendly triceratops or stalk a dangerous pack of velociraptors? You'll have to learn how to survive in their world first! Do you know which dinosaurs eat plants and which eat meat? Follow their tracks before they start to track you! When we're not in the field, we will learn about dinosaur fossils, how they're discovered, and also about the genetics that give us the dinosaurs of Jurassic World. Take an adventure millions of years in the making!

**ENU 231 202**

9am-noon, 5 sessions, \$119

#### Roblox (STEM)

You have been asking for it... your favorite online game is coming to camp! Learn to create and code a 3-D world using Roblox. This camp is for anyone new to coding or a camper that is ready for their next challenge. Come have fun and learn on the world's largest social platform for play.

**ENU 939 203**

1-4pm, 5 sessions, \$119

#### Edible Science (STEM)

Let's taste test our way through edible science experiments. Learn about crystals with rock candy, make homemade butter, discover gummy fossils, and so much more! "Have a blast while learning about various scientific practices through hands-on experiments".

**ENU 272 201**

1-4pm, 5 sessions, \$159

# AGES 5 - 8

## AUG. 3 - 7 & AUG. 10 - 14

### AUGUST 3 - 7

#### **Pokémon**

Calling all trainers! Come build an even deeper bond with your Pokémon through your interactions with other trainers. You will be put on teams to participate in various activities to earn points. At the end of the week, the team with the most points will be inducted into the camp's hall of fame. Feel free to bring your Pokémon cards and Pokémon.

#### **ENU 555 201**

9am-noon, 5 sessions, \$99

#### **Roblox (STEM)**

You have been asking for it... your favorite online game is coming to camp! Learn to create and code a 3D world using Roblox. This camp is for anyone new to coding or a camper that is ready for their next challenge. Come have fun and learn on the world's largest social platform for play.

#### **ENU 939 204**

9am-noon, 5 sessions, \$119

#### **Disney Prince and Princess**

Have you always wanted to be a Disney prince or princess? This camp is for you! Join us for a magical week as we play dress-up as our favorite characters, play games, and make different crafts.

#### **ENU 949 201**

9am-noon, 5 sessions, \$99

#### **Star Wars Force Academy**

Choose your side in the battle for the galaxy! Before you can fight with Finn, Rey, Kylo Ren, Han Solo, or Chewbacca, you'll need to train in the academy to be the best you can be. Are you a part of the Resistance or the First Order? Are you meant to be a Jedi or is the dark side of the Force calling to you? Whatever side you fall into--you won't be alone. You'll have to learn how to work as a team and use everyone's talents together to succeed!

#### **ENU 239 201**

1-4pm, 5 sessions, \$109

#### **Brick-ology – STEM**

Are you a master builder? This hands-on camp will incorporate play with science, technology, engineering, art and math with LEGO Bricks. Each day will start with a new activity for the entire group, then each child will have an opportunity to build, play, and create on their own. Campers will utilize bricks, perler beads, and other building materials to develop an appreciation for STEM learning.

#### **ENU 561 204**

1-4pm, 5 sessions, \$109

### AUGUST 10 - 14

#### **SUPERheroes and SUPERyou**

Batman, Mr. Incredible, Spider-Man, Wonder Woman, and more ask YOU to join us for a week-long adventure of learning what a true hero is and becoming a hero yourself! This camp will inspire you to go further and discover how to become a SUPER leader with fun games, story adventures, art projects, and more! Harness your power within and sign up now for this SUPER camp!

#### **ENU 875 201**

9am-noon, 5 sessions, \$129

#### **Playing with Potions**

Do you like to mix ingredients to see what they make? Learn how to perform awesome, simple experiments with materials in your own home! Come brew some potions just like Harry Potter did!

#### **ENU 518 202**

9am-noon, 5 sessions, \$105

#### **Minecraft**

Campers use the ever-popular Minecraft video game to build worlds, solve puzzles, and create together. Campers have specific goals and challenges each day, which they take on both individually and by playing together as a group. Both newcomers and experienced Minecraft players are invited to explore, learn, problem solve, and create amazing and unique worlds together!

#### **ENU 923 206**

1-4pm, 5 sessions, \$119

#### **Recess Rocks**

Kids will be encouraged to work together as a team with laughter and fun while staying fit as well as participate in individual exercises. The camp will include team-building activities, as well as fitness activities. Games such as capture the flag will help them get physical activity while working together. It will also include circuit training, such as push-ups, sit-ups and exercises set to music. Who doesn't enjoy good old-fashioned Recess Fun? Please wear sneakers and loose clothing.

#### **ENU 825 202**

1-4pm, 5 sessions, \$99

### REGISTER EARLY!

To get into the camp of your choice, take advantage of our online registration at [go.dtcc.edu/camps](http://go.dtcc.edu/camps)

# AGES 8 - 11

## JUNE 15 - 19 & JUNE 22 - 26

### JUNE 15 - 19

#### Beginner Guitar

Strum your way to musical fun as you accompany a variety of musical repertoire revolving around simple guitar chords. To give your fingers and voice a break, theory fundamentals will be explored leading to a basic understanding of notes, chord structures and theory foundations. A limited number of guitars will be available for use on a first-come, first-served basis. Please call (302) 259-6330 if you will need one for camp. This is a beginner guitar course and applied to acoustic guitars only. Guitar book included.

#### ENU 851 201

9am-noon, 5 sessions, \$149

### JUNE 22 - 26

#### Baseball (Ages 7-12)

This camp will concentrate on FUNDamentals and drills, basic mechanics of pitching, infield/outfield plays, hitting, base running, and some great sliding tips! Wear appropriate clothing and bring a glove and water bottle daily! Report to the softball field.

#### ENU 214 201

8:30-11:30am, 5 sessions, \$99

#### Chess Camp (Ages 8-14)

Playing chess requires concentration, critical thinking, and being systematic. Studies show that children who play chess improve their math and reading skills at a higher rate than those who do not. This camp is for any child interested in chess, from beginner to advance. An excellent way to expose your child to this classic game of strategy.

#### ENU 532 201

9am-noon, 5 sessions, \$119

#### Cupcakes with Kids

It's cupcake time! Learn how to safely work your way around a kitchen and bake yummy cupcakes from scratch. Go beyond chocolate and vanilla to create your unique cupcake design.

#### ENU 932 202

9am-noon, 5 sessions, \$129

#### NERF Blasters

It's NERF or nothin' as you defend your flag and team up to tag your opponents. Campers will devise defense and team strategies daily to create their own NERF Dart Tag competitions. Watch out for water gun day where it is survival of the fittest! One NERF gun/arrow per person will be provided as well as safety glasses.

**Please note: campers are able to bring their own supplies, but they must be approved by instructor.**

#### ENU 924 201

9-noon, 5 sessions, \$129

#### Roblox (STEM)

You have been asking for it... your favorite online game is coming to camp! Learn to create and code a 3D world using Roblox. This camp is for anyone new to coding or a camper that is ready for their next challenge. Come have FUN and learn on the world's largest social platform for play.

#### ENU 939 201

9am-noon, 5 sessions, \$119

#### NERF Blasters

It's NERF or nothin' as you defend your flag and team up to tag your opponents. Campers will devise defense and team strategies daily to create their own NERF Dart Tag competitions. Watch out for water gun day where it is survival of the fittest! One NERF gun/arrow per person will be provided as well as safety glasses.

**Please note: Campers are able to bring their own supplies, but they must be approved by instructor.**

#### ENU 924 202

1-4pm, 5 sessions, \$129

#### Robo Engineers (STEM)

Discover the important fields of robotics, engineering, and manufacturing while using your imagination to complete this innovative project. Campers work in small teams to design, program, build, and test robots using the LEGO Mindstorms kits.

#### ENU 912 201

1-4pm, 5 sessions, \$189

# AGES 8 - 11

## JUNE 29 - JULY 2 & JULY 6 - 10

### JUNE 29 – JULY 2 (NO CAMP ON JULY 3)

#### Intro to Scratch (STEM)

Learn the basics of scratch programming, a programming language used throughout the world. Campers will learn how to create digital stories, digital games, and much more. This camp encourages creative thinking and logical reasoning.

#### ENU 951 201

9am-noon, 4 sessions, \$109

#### Minecraft (STEM)

Campers use the ever-popular Minecraft video game to build worlds, solve puzzles and create together. Campers have specific goals and challenges each day, which they take on both individually and by playing together as a group. Both newcomers and experienced Minecraft players are invited to explore, learn, problem solve, and create amazing and unique worlds together!

#### ENU 923 202

1-4pm, 4 sessions, \$99

#### Playing with Potions

Do you like to mix ingredients to see what they make? Learn how to perform awesome, simple experiments with materials in your own home! Come brew some potions just like Harry Potter did!

#### ENU 518 201

1-4pm, 4 sessions, \$95

### JULY 6 - 10

#### Baseball (Ages 7-12)

This camp will concentrate on FUNdamentals and drills, basic mechanics of pitching, infield/outfield plays, hitting, base running, and some great sliding tips! Wear appropriate clothing and bring a glove and water bottle daily! Report to the softball field.

#### ENU 214 202

8:30-11:30am, 5 sessions, \$99

#### Project Fashion

This camp is for inspiring young designers who love fashion. Learn about color, fabric, styling, mixing, matching outfits, and how to redesign existing garments. Fashion games and collages will culminate in the creation of a fashion board presentation of your favorite trends and style.

#### ENU 847 201

9am-noon, 5 sessions, \$109

#### Programming and More with Raspberry Pi (STEM)

Campers are introduced to the world of computer science using a Raspberry Pi ([www.raspberrypi.org](http://www.raspberrypi.org))-- a single board computer that's about the size of a credit card. This camp will provide a fun, interactive way to learn how computers work, how to manipulate the electronic world around you, and the basics of computer programming. Build your own to take home at the end of the week!

**Please note: Campers will receive a full Raspberry Pi unit with SD memory card the first day, but are not permitted to take it home until the final day of camp.**

#### ENU 885 201

1-4pm, 5 sessions, \$189

#### NERF Blasters

It's NERF or nothin' as you defend your flag and team up to tag your opponents. Campers will devise defense and team strategies daily to create their own NERF Dart Tag competitions. Watch out for water gun day where it is survival of the fittest! One NERF gun/arrow per person will be provided as well as safety glasses.

**Please note: Campers are able to bring their own supplies, but they must be approved by instructor.**

#### ENU 924 203

1-4pm, 5 sessions, \$129

#### Sweet Treats Dessert Camp

Measure, mix, and bake your way to fun during this summer camp. Who doesn't love a yummy dessert? Campers will learn a variety of pastry skills, from cupcake and cookie decorating to handmade galettes and no-bake desserts. Express your creative side and expose yourself to new baking techniques. A scrumptious way to spend part of your day! Grocery/lab fee included in tuition.

#### ENU 925 201

1-4pm, 5 sessions, \$169

# AGES 8-11

## JULY 13 - 17

### JULY 13 - 17

#### Baseball Pitching (Ages 7-12)

This camp will focus on baseball principles; pitching absolutes, mechanics, strategies, physical conditioning, and fielding techniques. Wear appropriate clothing and bring a glove and water bottle daily! Report to the softball field.

#### ENU 234 201

8:30-11:30am, 5 sessions, \$99

#### Gross, Grime, and Slime (STEM)

What is stinky, gooey, oozy, and green all over? You- at this fun summer camp. Campers will discover loads of horribly fantastic experiments, while learning fun science! Join us for a hilarious journey of all things NOT allowed at the dinner table- boogers, burps, slime, grime and more!

#### ENU 594 201

9am-noon, 5 sessions, \$119

#### Plant It, Grow It, Eat It! (Ages 10-12)

Kids will dig our camp and get hands-on fun while learning about vegetables and plants. Campers will tour our farm and greenhouses to learn about what we grow on our Campus Farm. Among many activities, campers will plant seeds, learn about insects, and make some cool plant labels using rocks and paint. Dress to get dirty and bring a water bottle.

#### ENU 968 201

9am-noon, 5 sessions, \$115

#### Video Game Design (STEM)

What is more fun than playing video games? Creating your own game that you can share with the world! This camp will provide a fun look into video games and hardware design. We will use the design process to storyboard the setting, rules of play, and characters for our game. Then you will bring your ideas to life, using Scratch to illustrate and code your game. But we won't stop there! You will develop and engineer your own customized, super-cool game controller. We will bridge the digital world with the physical world by using a Makey Makey, everyday materials, and your imagination. Through participation in this camp, campers will create their own Scratch accounts, take home their own Makey Makey Invention Kit and an awesome game that he or she will be proud to have their friends and family play!

#### ENU 585 201

1-4pm, 5 sessions, \$219

#### Hip Hop Dance

Meet new friends who love to dance just as much as you do! This FUN & challenging camp will have you dancing to the latest beats in pop and R&B music while developing your own freestyle moves as well. At the end of the week, campers will collaborate as a team and showcase an original performance for parents and campers.

#### ENU 952 201

1-4pm, 5 sessions, \$109

# AGES 8 - 11

## JULY 20 - 24 & JULY 27 - 31

### JULY 20 - 24

#### Wide World of Sports

For our sports enthusiasts! This camp allows you to sample a variety of sports. Includes football, basketball, soccer and more. Challenge yourself and learn new, fun skills! Please wear appropriate clothing and comfortable sneakers, and bring bottled water.

**ENU 625 201**

8:30-11:30 am, 5 sessions, \$99

#### Soccer

Campers will learn basic skills of the game through a variation of interactive games which will be fun and competitive for all ages. Campers will work on skills such as dribbling with their dominant and weak foot, passing and receiving, defending, and finishing.

**ENU 509 201**

9am-noon, 5 sessions, \$109

#### Brick-ology (STEM)

Are you a master builder? This hands-on camp will incorporate play with science, technology, engineering, art, and math with LEGO Bricks. Each day will start with a new activity for the entire group, then each child will have an opportunity to build, play, and create on their own. Campers will utilize bricks, perler beads, and other building materials to develop an appreciation for STEM learning.

**ENU 561 203**

9am-noon, 5 sessions, \$109

#### Incredible Edible Art

Find out what the expression, "looks good enough to eat" means. Learn how to construct edible creations that you will gobble right up! Campers will leave with their own recipe and instructional book on how to create edible art.

**ENU 953 201**

9am-noon, 5 sessions, \$169

#### NERF Blasters

It's NERF or nothin' as you defend your flag and team up to tag your opponents. Campers will devise defense and team strategies daily to create their own NERF Dart Tag competitions. Watch out for water gun day where it is survival of the fittest! One NERF gun/arrow per person will be provided as well as safety glasses.

**Please note: Campers are able to bring their own supplies, but they must be approved by instructor.**

**ENU 924 204**

1-4pm, 5 sessions, \$129

#### Musical Theater (Ages 5- 11)

Songs, dances, and scenes from cherished Broadway and Disney favorites, from stage and screen, will come alive! Campers will learn basics of singing, acting, dancing, and stage movements. Participate in group scenes or challenge yourself with a solo or duet. Friends and family are invited the last day of camp for a final performance.

**ENU 645 201**

1-4pm, 5 sessions, \$119

### JULY 27 - 31

#### Wiffle Ball

Get your all-star involved in wiffle ball camp, where they will receive instruction on hitting, throwing, and catching at Delaware Tech's ball field.

**ENU 969 201**

8:30 - 11:30 am, 5 sessions, \$99

#### Roblox (STEM)

You have been asking for it.... your favorite online game is coming to camp! Learn to create and code a 3D world using, Roblox. This camp is for anyone new to coding or a camper that is ready for their next challenge. Come have FUN and learn on the world's largest social platform for play.

**ENU 939 202**

9am-noon, 5 sessions, \$119

#### Art Journaling

Do you enjoy art? Do you enjoy writing? Have you thought about combining them together? At this camp, you will be able to create a mixed-media art journal using a variety of artistic techniques and everyday materials. Once you have made your masterpiece, you will then be able to design and write your writings on the page. How awesome is it to be able to combine both art and poetry together? This week you will explore a variety of art techniques through your creativity.

**ENU 536 201**

9am-noon, 5 sessions, \$139

#### Graphic Designer (STEM)

Do you have what it takes to be a graphic artist? You will be encouraged to create your own logo and transfer your design from digital media to a wearable T-shirt! Students will learn creative and technical skills that will allow them to express themselves through graphic design. Please bring a blank T-shirt.

**ENU 584 201**

9am-noon, 5 session, \$149

#### Basketball

Defensive play, rebounding, passing, shooting, dribbling, and movement. Practice drills, lead-up games, and relays. Apply skills in game situations. Wear shorts, T-shirt, and sneakers. Report directly to the Gymnasium.

**ENU 505 201**

1-4pm, 5 sessions, \$99

#### Code+Drone=FLY (STEM)

Meet coDrone – the drone that teaches you how to code. Discover programming and engineering as this camp teaches you to fly a drone through Arduino based coding. At the end of the week, campers will be able to make the drone fly autonomously and do various missions. Come learn the latest and greatest in educational drone work! Please note that campers will work in pairs or teams and share drones and computers.

**ENU 558 201**

1-4pm, 5 sessions, \$139

# AGES 8-11

AUG. 3-7

## AUGUST 3 - 7

### **Droid Builders (STEM)**

Have you ever been jealous of Luke Skywalker's R2-D2 or C-3PO? Come to this workshop where you will build your own interchangeable solar-powered bot! Learn robotics with LEGO Mindstorms EV3. Campers are taught engineering basics with an emphasis on exploration and trial and error field testing. They are encouraged to think critically about how and why their design needs to adapt to changing conditions. Come learn engineering techniques such as gear use, pulleys, and how to build your own robot!

**ENU 540 201**

9am-noon, 5 sessions, \$139

### **Messy Science (STEM)**

Explore science in the world around us. Designed especially for the inquisitive youngster, your budding scientist will question, theorize, and investigate. Working as a team, campers will perform experiments and draw conclusions. They say, "messiness is a sign of genius," so dress accordingly!

**ENU 954 201**

9am-noon, 5 sessions, \$129

### **Healthy Eating Makeover**

Give your favorite foods a nutritious makeover! Turn cookies, chicken fingers, and mac 'n cheese into healthy foods that taste good! Learn how to prepare healthy meals for yourself and your family. This class will inspire you to cook with fresh and healthy ingredients. Campers will leave with their own recipe book and instructions.

**ENU 955 201**

1-4pm, 5 sessions, \$169

# AGES 8 - 11

AUG. 10 - 14

## Minecraft (STEM)

Campers use the ever-popular Minecraft video game to build worlds, solve puzzles, and create together. Campers have specific goals and challenges each day, which they take on both individually and by playing together as a group. Both newcomers and experienced Minecraft players are invited to explore, learn, problem-solve, and create amazing and unique worlds together!

### ENU 923 205

1-4pm, 5 sessions, \$119

## Volleyball

This all-skills volleyball camp will excite you about the fun competition of volleyball and the importance of team play. Players develop fundamental skills including serving, passing, setting, and hitting. Come learn or perfect your volleyball skills using drills and exciting games to enhance your skills and focus on team play.

### ENU 249 201

1-4pm, 5 sessions, \$99

## AUGUST 10 - 14

## Minecraft (STEM)

Campers use the ever-popular Minecraft video game to build worlds, solve puzzles, and create together. Campers have specific goals and challenges each day, which they take on both individually and by playing together as a group. Both newcomers and experienced Minecraft players are invited to explore, learn, problem solve and create amazing and unique worlds together!

### ENU 923 207

9am-noon, 5 sessions, \$119

## Chess Camp

Playing chess requires concentration, critical thinking, and being systematic. Studies show that children who play chess improve their math and reading skills at a higher rate than those who do not. This camp is for any child interested in chess, from beginner to advanced. An excellent way to expose your child to this classic game of strategy.

### ENU 532 204

9am-noon, 5 sessions, \$119

## Cheerleading

Jump into a week of learning cheerleading basics and team fun! Arm motions, jumps, tumbling, stunts, cheers and routines will be the focus of the week. Participants will learn how to work as a team along with the fundamentals of a new sport. Parents are invited to come early the last day of camp for a special performance. Wear sneakers and comfortable clothing.

### ENU 255 202

1-4pm, 5 sessions, \$109

## Programming and More with Raspberry Pi (STEM)

Campers are introduced to the world of computer science using a Raspberry Pi ([www.raspberrypi.org](http://www.raspberrypi.org))-- a single board computer that's about the size of a credit card. This camp will provide a fun, interactive way to learn how computers work, how to manipulate the electronic world around you, and the basics of computer programming. Build your own to take home at the end of the week! Please note campers will receive a full Raspberry Pi unit with SD memory card the first day, but are not permitted to take it home until the final day of camp.

### ENU 885 202

1-4pm, 5 sessions, \$189

## NEW INSTRUCTORS ARE ALWAYS WELCOME!

Workforce Development and Community Education is continually expanding its camp offerings.

If you would like to propose a new camp, email [owens-kidsoncampus@dtcc.edu](mailto:owens-kidsoncampus@dtcc.edu)

# AGES 11 - 14

## JUNE 15 - 19 & JUNE 22 - 26

### JUNE 15 - 19

#### Aviation Camp

At Aviation Camp you will learn about how an aircraft works and flies, experience fun experiments and demonstrations, and learn how maintenance technicians, (both men and women), work on aircraft to keep them flying safely. You will have the opportunity to sit in the cockpit of a jet aircraft and work the controls. Please join us for some aviation fun.

**ENU 956 201**

9am-noon, 5 sessions, \$99

#### Breakfast Foods

Do you want to learn new recipes to make for breakfast? Join us for a week of breakfast cooking to make your favorite breakfast items! At the end of the week, you will have mastered breakfast items to prepare a special breakfast in bed for your loved ones.

**ENU 957 201**

1-4pm, 5 sessions, \$169

### JUNE 22 - 26

#### Baseball (Ages 7-12)

This camp will concentrate on FUNDamentals and drills, basic mechanics of pitching, infield/outfield plays, hitting, base running, and some great sliding tips! Wear appropriate clothing and bring a glove and water bottle daily! Report to the softball field.

**ENU 214 201**

8:30-11:30am, 5 sessions, \$99

#### Art Frenzy

Calling all artists! Join us for a crazy art week creating something different every day. Express your inner artist by developing your ideas and projects and create new artwork throughout the week.

**ENU 958 201**

9am-noon, 5 sessions, \$119

#### Minecraft (STEM)

Campers use the ever-popular Minecraft video game to build worlds, solve puzzles, and create together. Campers have specific goals and challenges each day, which they take on both individually and by playing together as a group. Both newcomers and experienced Minecraft players are invited to explore, learn, problem solve and create amazing and unique worlds together!

**ENU 923 201**

9am-noon, 5 sessions, \$119

#### Chess Camp (Ages 8-14)

Playing chess requires concentration, critical thinking, and being systematic. Studies show that children who play chess improve their math and reading skills at a higher rate than those who do not. This camp is for any child interested in chess, from beginner to advanced. An excellent way to expose your child to this classic game of strategy.

**ENU 532 202**

9am-noon, 5 sessions, \$119

#### CSI (STEM)

Solve a mystery using forensic science! Working in teams, learn how to find evidence to solve a crime. Hands-on activities include fingerprinting, blood splatter, deductive reasoning, and much more. Hear real stories from local law enforcement personnel, make observations, and follow the science. Be ready to solve the crime by the end of the week!

**ENU 583 201**

1-4pm, 5 sessions, \$119

#### Creative Writing

Writing should not be hard work--no grades, no homework, just creating compelling and engaging stories which allow readers to experience what matters to you most. You can write in whatever form inspires you from prose (memoir, fiction) to poetry and read your work out loud in a safe, positive environment. Skills developed through a creative writing workshop improve literacy skills and build self-esteem. Please bring either paper or a laptop for your writings.

**ENU 510 201**

1-4pm, 5 sessions, \$129

# AGES 11-14

## JUNE 29 - JULY 2 & JULY 6 - 10

### JUNE 29 – JULY 2

#### Flag Football

Come out, learn, and play this fun non-contact sport. Campers will learn strategy, and basic plays. Teambuilding and teamwork will be addressed as necessary skills.

**Please note: There will be no camp on July 3.**

#### ENU 933 201

9am-noon, 4 sessions, \$99

#### Mock Trial

Are you a good negotiator? Have you ever thought about a career as a lawyer? Join us for a week to learn more about opening statements, closing arguments, how to get things into evidence, and so much more.

**Please note: There will be no camp on July 3.**

#### ENU 959 201

9am-noon, 4 sessions, \$99

#### Americana Cooking

Get the celebration started! Join in the fun and explore ways to celebrate America and the culinary world it presents. Campers will prepare a variety of recipes for breakfast, lunch, dinner, and snacks throughout the week. **Please note: There will be no camp on July 3.**

#### ENU 928 201

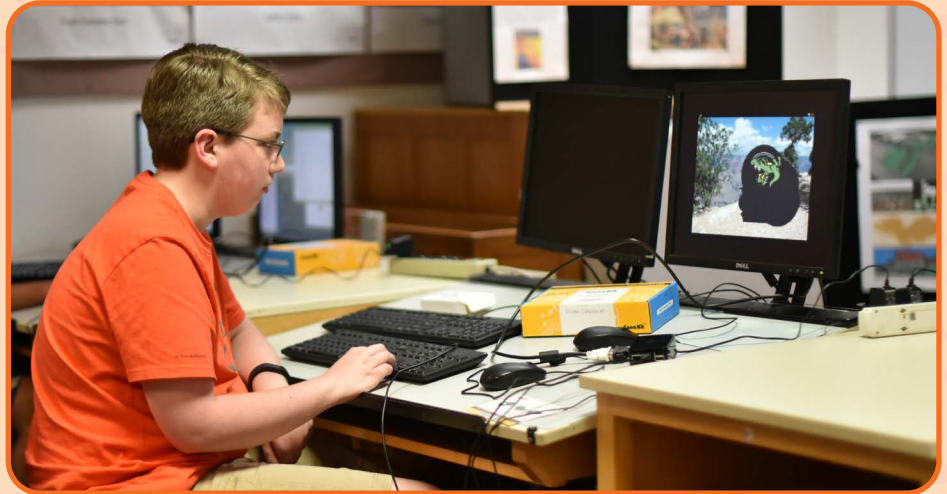

1-4pm, 4 sessions, \$129

#### Astronomy

Come join us for a week filled with discoveries of suns, moons, and distant stars! During this week you will learn about the solar system as well as universes beyond. Looking through a telescope will let you study the parts of our sun. Each camper will be able to take home a home-made telescope to continue their adventure after camp ends. Get a closer look at the universe around us! **Please note: There will be no camp on July 3.**

#### ENU 218 201

1-4pm, 4 sessions, \$119

### JULY 6 – JULY 10

#### Baseball (Ages 7-12)

This camp will concentrate on FUNdamentals and drills, basic mechanics of pitching, infield/outfield plays, hitting, base running, and some great sliding tips! Wear appropriate clothing and bring a glove and water bottle daily! Report to the softball field.

#### ENU 214 202

8:30-11:30am, 5 sessions, \$99

#### Minecraft (STEM)

Campers use the ever-popular Minecraft video game to build worlds, solve puzzles, and create together. Campers have specific goals and challenges each day, which they take on both individually and by playing together as a group. Both newcomers and experienced Minecraft players are invited to explore, learn, problem-solve, and create amazing and unique worlds together!

#### ENU 923 203

9am-noon, 5 sessions, \$119

#### Programming and More with Raspberry Pi- STEM

Campers are introduced to the world of computer science using a Raspberry Pi ([www.raspberrypi.org](http://www.raspberrypi.org))-- a single board computer that's about the size of a credit card. This camp will provide a fun, interactive way to learn how computers work, how to manipulate the electronic world around you, and the basics of computer programming. Build your own to take home at the end of the week! **Please note: campers will receive a full Raspberry Pi unit with SD memory card the first day, but are not permitted to take it home until the final day of camp.**

#### ENU 885 202

1-4pm, 5 sessions, \$189

#### Run Your Restaurant

Have you ever thought about opening your own restaurant? Do you aspire to be the restaurant owner, the chef, or the server? Join us this week to learn all about the restaurant world, from kitchen etiquette, to reading recipes, to service, to creating a menu, and much more. By the end of the week, campers will have built a restaurant together.

#### ENU 960 201

1-4pm, 5 sessions, \$119

# AGES 11 - 14

## JULY 13 - 17 & JULY 20 - 24

### JULY 13- JULY 17

#### Baseball Pitching (Ages 7-12)

This camp will focus on baseball principles; pitching absolutes, mechanics, strategies, physical conditioning, and fielding techniques. Wear appropriate clothing and bring a glove and water bottle daily! Report to the softball field.

**ENU 234 201**

8:30-11:30am, 5 sessions, \$99

#### Robo Engineers – STEM

Discover the important fields of robotics, engineering, and manufacturing while using your imagination to complete this innovative project. Campers work in small teams to design, program, build, and test robots using the LEGO Mindstorms kits.

**ENU 912 202**

9am-noon, 5 sessions, \$189

#### Cooking 101

Let's get back to basics! Learn how to measure liquids vs. solids, how to estimate serving sizes, and how to adapt when ingredients are missing from your pantry. Campers will prepare basic meals and take home an instructional booklet with recipes at the end of the week.

**ENU 961 201**

9am-noon, 5 sessions, \$119

#### Drone Revolution – STEM

The Drone revolution is here! Come learn more about the TJI Phantom and other popular drones. The TJI Phantom controlled device can be equipped with a camera to provide amazing aerial shots, views and so much more. Learn about the safety, equipment needs, and how to use drones. At the end of the week, each camper will be able to fly a drone, learn about the science behind how drones work, and see a variety of things a drone can do! Each camper will be given a drone during the week of camp. Be part of the excitement of flying drones!

**ENU 225 201**

1-4pm, 5 sessions, \$169

#### Brick-ology – STEM

Are you a Master Builder? This hands-on camp will incorporate play with science, technology, engineering, art and math with LEGO Bricks. Each day will start with a new activity for the entire group, then each child will have an opportunity to build, play, and create on their own. Campers will utilize bricks, perler beads, and other building materials to develop an appreciation for STEM learning.

**ENU 561 202**

1-4pm, 5 sessions, \$109

### JULY 20 – JULY 24

#### Blogging Boot Camp (STEM)

Are you intrigued by developing your own blog about fashion, sports, current events, or any other topics that interest you? Discover the ins and outs of creating and customizing your own blog. In this camp you will learn to create original posts, add titles and taglines, and design templates. By the end of the week, you will know how to promote your blog across many different platforms to get followers from across the globe.

**ENU 962 201**

9am-noon, 5 sessions, \$99

#### Shark Tank

Do you have dreams of starting your own business one day? This camp is for you! All great businesses start with one bright idea and a smart business plan. Learn how to attract investors, market your business, manage expenses, and turn your idea into a reality.

**ENU 940 201**

9am-noon, 5 sessions, \$99

#### Bread Mania

Bread, bread and more bread! You love bread, we all love bread, so why not learn how to make amazing bread? From zucchini bread to garlic sticks to bread pudding and more, join us for a whole lot of deliciousness. Campers will leave with their own recipe book of their favorite bread recipes.

**ENU 963 201**

1-4pm, 5 sessions, \$169

#### Fortnite

Has Fortnite taken over your home? Does nearly every conversation with your friends revolve around this video game? What will your strategy be to be the last one standing? Do you know your maps? Campers will be challenged each day with a Fortnite task prior to being able to play with fellow campers. One task may be to have campers calculate the best angle of approach as they jump from the "Battle Bus" onto the map at the beginning of each match.

**ENU 934 201**

1-4pm, 5 sessions, \$109

#### Musical Theater (Ages 5- 11)

Songs, dances, and scenes from cherished Broadway and Disney favorites, from stage and screen, will come alive! Campers will learn basics of singing, acting, dancing, and stage movements. Participate in group scenes or challenge yourself with a solo or duet. Friends and family are invited the last day of camp for a final performance.

**ENU 645 201**

1-4pm, 5 sessions, \$119

# AGES 11 - 14

## JULY 27 - 31 & AUG. 3 - 7

### JULY 27 – JULY 31

#### Soccer

Campers will learn basic skills of the game through a variation of interactive games which will be fun and competitive for all ages. Campers will work on skills such as dribbling with their dominant and weak foot, passing and receiving, defending, and finishing.

**ENU 509 202**

9am-noon, 5 sessions, \$109

#### Healthcare Academy

Interested in the healthcare field? From nursing to phlebotomy, to occupational or physical therapy, to pharmacy or dental technician, join us to explore the various healthcare careers to find your passion.

**ENU 964 201**

9am-noon, 5 sessions, \$169

#### Culinary Creations

Join in a fun environment where you can explore the wonders of the culinary world. Be creative, have fun with food and accomplish goals in the kitchen. Cooking is a great opportunity to sharpen life-skills and stir-up creativity! Be surprised at the great fun you can have while learning! All new recipes for those who have previously attended! Students will prepare and feast on their own creations.

**ENU 207 201**

1-4pm, 5 sessions, \$169

#### Minecraft

Campers use the ever-popular Minecraft video game to build worlds, solve puzzles, and create together. Campers have specific goals and challenges each day, which they take on both individually and by playing together as a group. Both newcomers and experienced Minecraft players are invited to explore, learn, problem solve and create amazing and unique worlds together!

**ENU 923 204**

1-4pm, 5 sessions, \$119

### AUGUST 3 - 7

#### Chess Camp

Playing chess requires concentration, critical thinking, and being systematic. Studies show that children who play chess improve their math and reading skills at a higher rate than those who do not. This camp is for any child interested in chess, from beginner to advance. An excellent way to expose your child to this classic game of strategy.

**ENU 532 203**

9am-noon, 5 sessions, \$119

#### NERF Blasters

It's NERF or nothin' as you defend your flag and team up to tag your opponents. Campers will devise defense and team strategies daily to create their own NERF Dart Tag competitions. Watch out for water gun day where it is survival of the fittest! One NERF gun/arrow per person will be provided as well as safety glasses.

**Please note: Campers are able to bring their own supplies, but they must be approved by instructor.**

**ENU 924 205**

9am-noon, 5 sessions, \$129

#### Solar Power Robotics (STEM)

Is it possible for the sun to run a car, boat, and robots just using a solar-powered panel? Join us for fun, hands-on projects to get your creative juices flowing. Come make solar power boats, solar power fuel cell cars, solar-powered windmills, and cars made out of LEGOs. Each camper will have the opportunity to take home a project at the end of the week. Be ready to have fun and explore using just the sun as energy!

**ENU 271 201**

1-4pm, 5 sessions, \$169

#### How to be a YouTube Sensation (STEM)

Do you like to watch movies, TV shows, and YouTube videos? Do you like to take your own pictures? Have you ever wanted to make your own movie or use pictures to make your own movie? Here's your chance!

Learn the basics to making your own movie as you take your idea from the planning process to writing a script, developing your shots, taking your pictures, taping your video, and editing the video into a real movie you can show to your family and friends.

**ENU 286 202**

1-4pm, 5 sessions, \$119

# AGES 11 - 14

AUG. 3 - 7 & AUG. 10 - 14

## AUGUST 10 - 14

### Basketball

Defensive play, rebounding, passing, shooting, dribbling, and movement. Practice drills, lead-up games and relays. Apply skills in game situations. Wear shorts, t-shirt and sneakers. Report directly to the Gymnasium.

#### ENU 505 202

9am-noon, 5 sessions, \$99

### Smartphone Photography (STEM)

Are you obsessed with taking photos on your phone? Do you desire to learn how to take the perfect photo? Join us in this camp where having fun challenging your creativity comes first! Learn photographic knowledge, editing tools on your phone, and much more! When you are finished with this camp, you will be able to wow your family and friends with amazing photos on your phone. Please note: Smartphone device is required for this camp.

#### ENU 965 201

9am-noon, 5 sessions, \$119

### Programming and More with Raspberry Pi (STEM)

Campers are introduced to the world of computer science using a Raspberry Pi ([www.raspberrypi.org](http://www.raspberrypi.org))-- a single board computer that's about the size of a credit card. This camp will provide a fun, interactive way to learn how computers work, how to manipulate the electronic world around you, and the basics of computer programming. Build your own to take home at the end of the week!

**Please note: Campers will receive a full Raspberry Pi unit with SD memory card the first day, but are not permitted to take it home until the final day of camp.**

#### ENU 885 202

1-4pm, 5 sessions, \$189

### Robo Engineers – STEM

Discover the important fields of robotics, engineering, and manufacturing while using your imagination to complete this innovative project. Campers work in small teams to design, program, build, and test robots using the LEGO Mindstorms kits.

#### ENU 912 203

1-4pm, 5 sessions, \$189

## SCHOLARSHIPS AVAILABLE

Scholarships are available for summer camps with an approved application.

Please call (302) 259-6330 for information and availability.

# AGES 14-17

## MULTIPLE WEEKS

### JUNE 15 – JUNE 19

#### Podcasting 101

Podcasting is all the rage right now! Students will learn how to produce their own podcast by delving into interviewing techniques, story development, and effective storytelling. Students will learn basic recording techniques including how to setup and record their podcast. Students will also learn how to publish and promote their podcast. They can come with ideas or we'll help them create a topic to cover. This program is a great creative outlet for all who love to express themselves- the sky is the limit.

**ENU 966 201**

9am-4pm, 5 sessions, \$349

### JUNE 22 – JUNE 26

#### Teen Defensive Driving (Ages 15-17)

Improve your defensive driving skills! Learn simple driving strategies, receive a 3-point credit on your DE driving record, and SAVE up to 10% on your car insurance. To register as a 15-year-old, you must be currently enrolled in or have already taken Driver's Education.

**ENU 503 201**

Monday, 9am-3pm, 1 session, \$39

#### #NailedIt!

There's no better learning then hands-on learning. Apply practical woodworking skills as we emphasize the safe use and handling of both hand and power tools. Students will complete a wood project to take home at the end of the week. Safety gear will be provided. Participants must dress appropriately with closed toed shoes.

Camp will be held at Delaware Tech's Innovation and Technology Partnership Center / Barry C. Cooper Building located at 307 Laws St, Bridgeville, DE. If your child is participating in another camp the same week which is held on Delaware Tech's Georgetown campus, give us a call to make arrangements for mid-day transportation between the two camps.

**ENU 926 271**

9am-noon, 5 sessions, \$189

### JUNE 29 – JULY 2

#### Singer Songwriting

Does your child play an instrument? Is your child learning to play an instrument? Would they be interested in writing their very own songs? With this class your child will be introduced to the world of songwriting. Students will explore the concepts of tempo, feel, and style as a foundation for creating their next hit song. Students will experience writing a catch chorus, developing and writing a verse, and introducing and placing a bridge. Students will create an intro, learn about building intensity, and complete a song. Students will experience song writing that will last a lifetime. **Please note: There is no camp on July 3.**

**ENU 526 271**

9am-4pm, 4 sessions, \$279

### JULY 6 – JULY 10

#### Automotive for New Drivers - Know before you go!

Are you about to start driving or are you a new driver? Come find out what you need to know about your car!

This course will teach you the basics of how to make sure your car is safe and ready for you to drive. Learn basic automotive maintenance skills that can be performed at home. You will learn simple skills such as checking oil, checking and servicing fluids, changing tires, jump-starting, replacing the battery, and more. Each student will leave with a basic set of tools that everyone should carry in their car. Please wear closed-toe shoes to class.

**ENU 929 201**

9am-noon, 5 sessions, \$189

### JULY 13- JULY 17

#### Robotics Academy

Robotics have revolutionized the world, not just for fun, but namely for necessity. Industries such as healthcare, engineering, and manufacturing are now incorporating robotics to advance industry needs. As such, the Robotics Academy aims to address both the IT skills gap while contributing to positive STEM focused academic outcomes via a creative and engaging format through VEX Robotics. The Robotics Academy focuses on robotics using a myriad of disciplines such as science, math, programming, and engineering. Students will work in teams to enhance lifelong soft skills in teamwork, leadership, and communication.

**ENU 579 201**

9am-4pm, 5 sessions, \$319

# AGES 14 - 17

## MULTIPLE WEEKS

**JULY 20 - 24**

### **Small Engine Repair (Ages 14-17)**

Do you like working with your hands? Upon completion of this class, students will be able to service and troubleshoot the starter, ignition, and fuel system, perform basic maintenance and tune up procedures, and explain the safety factors of small engines. The course includes two and four cycle design of lawn mowers, weed eaters, chainsaws, snow blowers, and small marine engines (15 hp and less). Tools will be provided for in-class use. Safety gear will be provided. Participants must dress appropriately with closed toed shoes.

Camp will be held at Delaware Tech's Innovation and Technology Partnership Center / Barry C. Cooper Building located at 307 Laws St, Bridgeville, DE.

**ENU 942 271**

9am-noon, 5 sessions, \$149

**JULY 27 – JULY 31**

### **Teen Chopped**

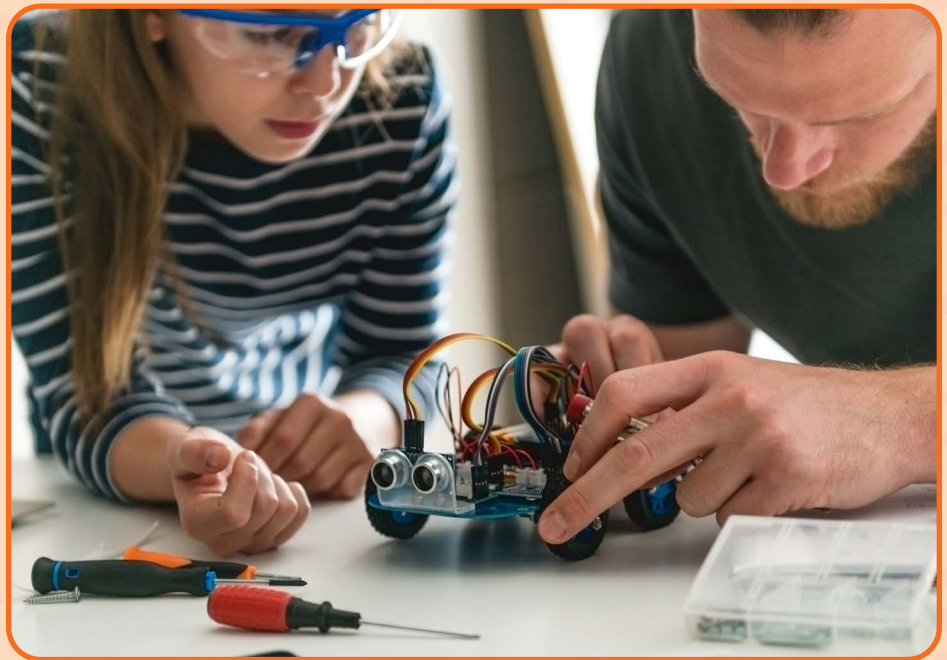

Have you ever watched Chopped Junior on the Food Network and imagined being a contestant? Well, this summer, we have the camp for you! Become a Jr. Chef and prepare to compete against your teammates. Campers will be divided into teams and challenged daily with a mystery basket of ingredients that they have to turn into a dish.

When registering, please notify the camp director and instructor of any food allergies!

**ENU 967 201**

9am-4pm, 5 sessions, \$299

**AUGUST 3 - 7**

### **Healthcare Academy**

Interested in the healthcare field? From nursing to phlebotomy, to occupational or physical therapy, to pharmacy or dental technician, join us to explore the various healthcare careers to find your passion.

**ENU 964 202**

9am-noon, 5 sessions, \$169

**AUGUST 10 - 14**

### **Iron Chef**

This culinary camp will teach you to cook from "scratch" like professional chefs. Learn restaurant sanitation, safety, skills, meal preparation, and more. Iron Chefs will be able to taste their culinary creations and take-home recipes to cook for their families. Come join us for a tasteful learning experience!

**ENU 581 201**

9am-4pm, 5 sessions, \$299

### **Teen Defensive Driving (Ages 15-17)**

Improve your defensive driving skills! Learn simple driving strategies, receive a 3-point credit on your DE driving record, and SAVE up to 10% on your car insurance. To register as a 15-year-old, you must be currently enrolled in or have already taken Drivers' Education.

**ENU 503 202**

Monday and Tuesday, 1- 4pm, 2 sessions, \$39

# SPRING BREAK CAMP

## CAMPUS EXPLORERS (AGES 6 - 12)

Engage in a variety of fun activities while experiencing the college environment. Students ages 6 to 12 can join us at the Georgetown campus from 8 a.m. to 5 p.m. daily for indoor classroom activities, outdoor athletic games, and weekly field trips. Plenty of on-campus activities give you a rewarding learning experience while guaranteeing excitement and fun.

### Supervised activities include:

- Arts and crafts
- Athletics, games, and activities daily
- Guided computer use
- Off site bus trips
- STEM activities

**Campers must bring a lunch and refillable water bottle daily!**

ENU 582 201 - 9 hrs, Fee \$199  
5 sessions, 4/13-4/17, MTWRF, 8am-5pm

## Camp Locations

Parents/guardians will be notified via email as to the exact location of their child's camp.

# HELPFUL INFORMATION

## Immunization Records

A copy of your child's immunization records must be submitted a minimum of 10 days prior to the camp start date. This is **MANDATORY** and no child will be allowed to participate without submitting these.

## Refunds

If your child is unable to attend a camp in which he/she is enrolled, you may request a refund for any amount paid over and above the non-refundable deposit. You must make your request in writing to Workforce Development and Community Education, Summer Camps, via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request must be received by the close of business 10 days prior to the Monday that your child is scheduled to begin camp. Please note that refunds for payments made by check may take six to eight weeks to process.

## Transfer Policy

If your child is unable to attend a camp in which he/she is enrolled, you may request a transfer up to two camps of the amount paid against that camp to another camp week that your child is not previously enrolled in, within the same camp season. You may not combine deposits to pay a balance for another camp week in which your child is previously enrolled. You must make your request in writing to Workforce Development and Community Education, Summer Camps, via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request for the transfer of a deposit must be received by the close of business 10 days prior to the Monday of the camp week that your child was scheduled to attend.

## Sign in/Sign Out

All parents/guardians **MUST** sign their child in and out each day. Identification will be checked until the staff knows you. If someone is not listed on your child's registration form as an authorized pick up person, we will **NOT** release your child. Only individuals 18 years and older may sign a child out. Please make sure that anyone authorized to pick up your child arrives with a photo ID!

## Late Fee/Extended Care

Any camper not registered for extended care, arriving prior to 8:45 a.m. and/or not picked up by noon, for a.m. camps, or 4 p.m., for PM camps, will be assigned to our extended care program. Extended care tuition of \$35/child will be due at the time of dropoff and/or pick-up.

## Clothing

Students should dress appropriately for the class that they will attend. Class descriptions will provide the necessary requirements. Temperatures fluctuate in some of our classrooms, so please remember to bring a sweater or sweatshirt.

## Electronic Devices

Campers should **NOT** bring electronic devices. Delaware Tech will not be responsible for any lost, broken or stolen property. Please do not bring a cell phone.

## T-Shirts

Each camper will receive a summer camp T-shirt. **Note: only one T-shirt per child, not per camp.**

## Sunscreen

Campers will be participating in many outdoor activities. To be prepared for the sun, apply sunscreen every morning before coming to camp. Campers may also bring more sunscreen with them to camp.

## Emergency Procedures

Upon registration, all campers will be automatically enrolled in our summer camps alert system. More information will be emailed to parents/guardians. If there were to be a total evacuation of the building, all students will be walked to the Howard T. Ennis School, located behind Delaware Tech at 20346 Ennis Street, Georgetown, De. for parent pick-up.

## Medical Procedures

Each camper is required to have personal medical coverage and accident insurance. Delaware Tech does not provide this coverage. Parents will be informed immediately in the event of an emergency. The parent will be responsible for picking up the camper and determining if further medical attention is necessary. In case of an emergency requiring immediate medical attention, camp staff is required to: make the child comfortable, call for an ambulance, and notify the parent and camp manager who will accompany the child to hospital.

## Problem Management Procedures

Discipline problems will be addressed in the following manner: Behavioral problems will be handled by the camp manager. If the problem persists, the parent will be notified. If the problem continues to persist, the camper will be dismissed from camp and will not be permitted to return. Refunds will not be granted if campers are dismissed from camp. Automatic dismissal from camp may occur at the camp manager's discretion.

# REGISTRATION INFORMATION

### Notice of Availability of Annual Security Report

Delaware Technical Community College maintains an annual security report as required by the Clery Act. The College's annual Clery Act report contains information on campus security and personal safety, including crime prevention, the law enforcement authority of College public safety officers, crime reporting policies, certain specific College policies, and other important matters about security on campus. The report also contains statistics for the three previous calendar years on crimes that were reported to have occurred on campus, in certain off-campus buildings or property owned or controlled by the College, and on public property within or immediately adjacent to and accessible from the campus.

### Statement of Nondiscrimination Policy

It is the policy of the College that no person shall, on the basis of race, color, creed, sex, national origin, age disability, sexual orientation (defined exclusively as heterosexuality, homosexuality, or bisexuality), or genetic information be subjected to any discrimination prohibited by the Civil Rights Act of 1964, as amended; the Age Discrimination in Employment Act, as amended; Americans with Disabilities Act, as amended; Section 504 of the Rehabilitation Act of 1973; Title IX of the Educational Amendments of 1972; the Genetic Information Nondiscrimination Act of 2008 and other applicable laws, regulations and Executive Orders. This policy applies to recruitment, employment and subsequent placement, training, promotion, compensation, continuation, probation, discharge and other terms and conditions of employment over which the College has jurisdiction as well as to all educational programs and activities.

The College has designated a Civil Rights Coordinator, who serves as the College's Title IX Coordinator and the College's ADA/Section 504 Coordinator, to carry out its commitment to equal opportunity and nondiscrimination. Inquiries or complaints by students or employees regarding the College's nondiscrimination policies may be addressed to:

**Janis C. Beach, Civil Rights & Title IX Coordinator**

Office of the President • 100 Campus Drive, Dover, DE 19904

(302) 857-1903 • [civilrights@dtcc.edu](mailto:civilrights@dtcc.edu)

# AUTHORIZATION FORM

**Camper's Name:** \_\_\_\_\_

Due to state of Delaware Public Health requirements, we are mandated to have on file current immunization records for all campers attending our camp. You must provide a photocopy of your child's immunization record that indicates they are up to date on the following immunizations:

- **Diphtheria • Rubella • Measles • Tetanus • Mumps**

(Please print) I, \_\_\_\_\_ hereby give my consent to Delaware Technical Community College, who will be caring for my child, to arrange for emergency/medical/surgical/dental care and treatment (including diagnostic procedures) necessary to preserve the health of my child. I acknowledge that I am responsible for all reasonable charges in connection with any care and treatment rendered.

## Medical Instructions

If it is necessary for your child to receive medication during camp, please do the following:

1. You **MUST** have a Pre-Camp meeting with Camp Management to discuss any maintenance drugs that are to be administered during camp. These meetings are not required for a child who will be receiving medication for a one time ailment (i.e. ear infection, sinus infection).
2. Send medication in the original container (as dispensed by pharmacy with date) properly labeled with the following information:
  - Correct name of individual receiving medication
  - Time medication is to be taken
  - Amount of dosage individual is to receive

## Authorization for Camp(s) and Extended Care

- I understand that Delaware Technical Community College will not assume responsibility for accidents and/or medical or dental expenses received as a result of participation in the camp/s.
- I give permission to Delaware Technical Community College to dispense the medication(s) listed on the Medication Administration Form, if any, to my child according to the information provided above. In the event that the emergency contacts cannot be reached, I hereby grant Delaware Technical Community College permission to give whatever immediate treatment is necessary and/or take my child to the nearest Hospital Emergency Room. On behalf of myself and my child, I release Delaware Technical Community College, its trustees, officers, faculty, and employees from any and all claims arising from emergency treatment and/or administration of medication with respect to my child.
- I understand that no reduction in the tuition will be made for late arrival or early departure.
- I understand that no part of my tuition will be returned if my child should be dismissed from camp.
- I give Delaware Technical Community College consent to use the name and/or photograph/video of my child for inclusion in promotional and informational and other materials which the College or its staff in its sole discretion consider to be of benefit to the College. This includes (but is not limited to) newspaper, television and brochures. I waive the right to approve such uses and I release Delaware Technical Community College from any liability in connection therewith.
- Permission is hereby granted for my child to attend all scheduled field trips and off-campus activities scheduled in connection with the camp. I understand and acknowledge that participation in the camp and related activities carries with it the possible risk of physical injury. On behalf of my child, I assume all such risk of physical injury and hereby release and forever discharge Delaware Technical Community College, its trustees, officers, faculty, and employees from any and all liability, claims, expenses or losses arising from bodily injuries or damage to people or property resulting from my child's involvement and participation in the camp. I further acknowledge and agree that I will be fully responsible for any and all losses or damages that my child inflicts upon any person or upon the College facilities during participation in the camp.
- Deposits: Any required deposit of your camp payment is considered a deposit to hold your child's camp seat. All deposits are non-refundable.
- Refund: If your child is unable to attend a camp in which he/she is enrolled, you may request a refund for any amount paid over and above the non-refundable deposit. You must make your request in writing to Workforce Development and Community Education, Kids on Campus via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request must be received by the close of business 10 days prior to the Monday that your child is scheduled to begin camp. Please note that refunds for payments made by check may take six to eight weeks to process.
- Transfer Policy: If your child is unable to attend a camp in which he/she is enrolled, you may request a transfer of the amount paid against that camp to another camp week that your child is not previously enrolled in, within the same camp season. You may not combine deposits to pay a balance for another camp week previously enrolled in. You must make your request in writing to Workforce Development and Community Education, Kids on Campus via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request for the transfer of a deposit must be received by the close of business 10 days prior to the Monday of the camp week that your child was scheduled to attend.

I have carefully read all of the information, policies and procedures above and in the camp booklet (and/or website) and I agree to all the terms and conditions. I am the legal guardian of the camper.

# PERMISSION & RELEASE FORM

To Be Completed by the College:

**Camp Date(s):**  Spring Break Camp - 4/13 thru 4/17/2020 |  Summer Camp - 6/15 thru 8/14/2020

**Details:** Variety of trips throughout Sussex County and surrounding areas. Details for each weekly trip to be distributed weekly to parents via Weekly Newsletter

**Camp Transportation:** Certified and licensed bus company/driver to be determined by the College.

To Be Completed by Guardian:

**Name of Child:** \_\_\_\_\_ **Age:** \_\_\_\_\_

**List All Special Needs Which Will Require Special Care During Transportation Provided by the College during Camp:**

---

---

I, the undersigned parent or guardian of \_\_\_\_\_, (Print Name) hereby grant permission for my child to participate in all of the activities, including those occurring off of property owned or controlled by the College, scheduled for the camp. My permission extends to all activities listed on this form or which may occur during the course of the camp. My permission includes the transportation listed above as provided by the College unless I have indicated otherwise on this form. In the event that I have chosen to arrange my child's transportation to and from the camp, I acknowledge that the College, its employees, agents, and trustees, have no liability arising out of and from the transportation of my child to and from these activities.

I further understand that all of the terms, conditions, and information contained in the Authorization Form as submitted by me on behalf of my child, including the assumption of the risks of camp activities, medical authorization, promotional authorization, and such related releases of liability shall apply during my child's participation in the activities occurring off of property owned or controlled by the College scheduled for the camp as well as during the College's transportation of my child in conjunction with these camp activities.

**I HAVE CAREFULLY READ ALL OF THE INFORMATION ON THIS FORM AND VOLUNTARILY AGREE TO ALL TERMS AND CONDITIONS. I AM THE LEGAL GUARDIAN OF THE CAMPER AND UNDERSTAND THAT THE INFORMATION, TERMS, AND CONDITIONS CONTAINED ON THIS FORM SHALL SERVE AS A RELEASE AND ASSUMPTION OF LIABILITY FOR MY HEIRS, EXECUTORS, AND ADMINISTRATORS.**
