REPORT

2017-2018

ABOUT US

Pratibimb, the Dramatics society of DTU, believes that art is an unstoppable force, for it is ever-growing. Pratibimb means 'reflection' and here we are to show the world a reflection of what it is now and what it is capable of being.

Their motto is to nurture young theatre enthusiasts, give a boost to their passion for theatre and make them capable enough to reflect on the society and its ways to pave a path for self actualisation, at the same time making them active contributors in the upliftment of the society.

Pratibimb competes in the DU collegiate theatre circuit in both street and stage play competitions and has earned itself a good reputation. Some of their most remarkable stage productions, like 'Kya Dilli, Kya Lahore', 'Bela Road Mukti Dham', 'Treadmill' and street productions like 'Meherbaani' and 'TripT' have been circuit favorites and the top plays in their respective years, winning a number of awards. Their last year's annual street production, 'TripT' was among the only 4 productions from Delhi to be shortlisted to be performed at Thespo, the theatre fest of the prestigious Prithvi Theatre in Mumbai, while the stage production 'Treadmill' was among the top 8 teams to perform at Old World Collegiate Theatre and also bagged the Best Jury Award at the prestigious Sahitya Kala Parishad. Besides winning 'Best play' awards, a lot of their actors have bagged the 'Best Actor' awards at various college theatre fests and same goes for our directors with 'Best Direction' awards.

What sets Pratibimb apart, as a society is the stress on ideas, notions and everything that needs a human mind to function and observe to reach to the conclusions/ideas that cannot be merely researched and found on the internet. Their love for theatre and the will to do something significant has always been a guiding light in all their efforts.

Pratibimb, like Art, is unstoppable.
