

## DIRECTOR'S CORNER

Kathleen Glackin, LV 09-11

In July of 2015, I stepped into the role as director, with hope and zeal for our mission, where we have been and where we will grow. My experiences of serving as an LV and immersing myself in the community allowed for growth in my own faith, service and community inviting me to say "yes" to this position and the future of the Lasallian mission.

The LV staff transitioned in 2015 with Jolleen Wagner stepping down as director. Brother Dylan Perry, associate director, took promises as a Brother at the Midwest District Celebration in July during LV Orientation, and Katie Christensen was hired as the recruitment coordinator.

This past year we celebrated the 6th Annual FSC Awards, 10th Annual LVs Run and 1,000 years of combined service by the Lasallian Volunteers in the 27 years of the programs history.

As I reflect on 2015 and the service Lasallian Volunteers have provided to the many ministries in which they serve, I can see seeds being planted. Not only are seeds being planted in those the LVs serve but also the volunteers themselves, inviting the students and clients they accompany to one day plant seeds of their own in the

Lasallian mission. As a formation program, we see the LVs grow personally, professionally and spiritually. They are reflective, caring and passionate, filled with zeal for the mission. As I share this with you all I am reminded of the words from Bishop Ken Untener, "This is what we are about. We plant the seeds that one day will grow. We water seeds already planted, knowing that they hold future promise." Throughout our Annual Report you will read and see how Lasallian Volunteers continue to plant seeds for the Lasallian mission and those entrusted to our care.

We simply could not recruit, train, or most importantly, accompany each Lasallian Volunteer without your support.

Thank you for staying with us as we've transitioned, supporting a program that remains close to its roots, and especially praying for the LVs as they explore their vocational journeys in the mission of St. John Baptist de La Salle.

It is an honor to be on this journey with the LVs and all of you, as we work to strengthen the Lasallian mission in young adults serving those most in need, living in community and growing in their faith.

ADDRESS SERVICE REQUESTED

PLEASE RECYCLE

## MISSION

The Lasallian Volunteers, a program of the De La Salle Christian Brothers of the Lasallian Region of North America, provides dedicated, well trained volunteers for one or more years of service to schools and agencies of the Brothers whose mission is to serve the poor. Acting out of faith, rooted in the Gospel, and sharing community with the Brothers and other Lasallians, the volunteers empower the poor by personalized service primarily through education.

## VISION

We will be an ever-expanding movement of volunteers, alumni and friends serving the poor in association with the De La Salle Christian Brothers and sharing community and faith in the tradition of Saint John Baptist de La Salle.

LVs will transform the lives of impoverished children and families in all Lasallian ministries to the poor nationwide that request our help. To be effective in their outreach, current volunteers will benefit from the most appropriate training and support network possible. Formed spiritually during their service years, alumni will continue in the Lasallian mission to the poor.

We will continually develop appropriate structures for cultivating among all our members service to the poor, community and faith. The Lasallian Volunteers movement will accompany the Brothers as they return to their Founder's mission to the poor and form effective communities that make this possible.
