## ELIGIBILITY AND ENROLLMENT

The Exchange is responsible for establishing eligibility and reporting enrollment to us based on information from the employer. We process enrollment as reported by the Exchange.

This EOC includes Pediatric Benefits and Adult Benefits. Enrollees are eligible for either Pediatric or Adult Benefits according to the requirements listed below:

### Eligibility Requirement for Pediatric Benefits

Pediatric Enrollees eligible for Pediatric Benefits are:

- a Primary Enrollee to age 19; and/or
- a Primary Enrollee's Spouse under age 19 and dependent children from birth to age 19. Dependent children include natural children, step-children, foster children, adopted children, children placed for adoption and children of a Spouse.

### Eligibility Requirement for Adult Benefits

Adult Enrollees eligible for Adult Benefits are:

- a Primary Enrollee 19 years of age or older; and/or
- a Primary Enrollee's Spouse age 19 and older and dependent children from age 19 to age 26. Dependent children include natural children, step-children, foster children, adopted children, children placed for adoption and children of a Spouse.

A dependent child 26 years of age or older may continue eligibility for Adult Benefits if:

- he or she is incapable of self-support because of a physical or mentally disabling injury, illness or condition that began prior to reaching the limiting age;
- he or she is chiefly dependent on the Primary Enrollee or Spouse for support and maintenance; and
- proof of dependent's disability is provided within 60 days of request. Such requests will not be made more than once a year following a two (2) year period after this dependent reaches the limiting age. Eligibility will continue as long as the dependent relies on the Primary Enrollee or Spouse for support and maintenance because of a physically or mentally disabling injury, illness or condition that began prior to reaching the limiting age.

## Enrollment

You may be required to contribute towards the cost of coverage for yourself, Dependent Enrollees and Pediatric Enrollees. The Exchange is responsible for establishing an Enrollee's Effective Date for enrollment.

Eligible Employees may enroll for coverage during the Open Enrollment Period or due to a Qualifying Status Change.

Dependents on active military duty are not eligible.

## Termination of Coverage

The Primary Enrollee has the right to terminate coverage by sending Delta Dental or the Exchange written notice of intent to terminate. The effective date of a requested termination will be at least 14 days from the date of Delta Dental's receipt of the request for termination. Delta Dental will notify the Contractholder of any requests for termination received from Primary Enrollees. If coverage is terminated because the Enrollee is covered by Medicaid, the last day of coverage with Delta Dental is the day before the new coverage is effective.

An Enrollee loses eligibility when he or she is no longer reported eligible by the Exchange or eligible under the terms of the Contract. If termination is due to loss of eligibility through the Exchange, termination is effective the last day of the month

following the month of termination. If termination is due to age, termination is effective the last day of the calendar year the Enrollee loses eligibility.

We may cancel the Contract 31 days after written notice to the Contractholder if premiums are not paid when due. The Contractholder will be given a 31 day grace period, which begins immediately following the last day of paid coverage, or 31 days from the date of notice, whichever is later, to pay the monthly premium. During that time, Delta Dental will continue to provide coverage to Enrollees. If the premium remains unpaid at the end of the 31 day grace period, the Contractholder will notify you that coverage has terminated along with the date of termination. We may also cancel an Enrollee's enrollment if we demonstrate that the Enrollee committed fraud or an intentional misrepresentation of material fact in obtaining Benefits under this plan.

We will not pay for services received after the Enrollee's coverage ends. However for Treatment in Progress, we will continue to provide Benefits less any applicable Copayment(s).

An Enrollee and/or Contractholder who believes that coverage has been, or will be, improperly cancelled, rescinded or not renewed may request a review by the Director of the DMHC in accordance with Section 1365(b) of the California Health and Safety Code.

### **Strike, Lay-off and Leave of Absence**

Enrollees will not be covered for any dental services received while the Eligible Employee is on strike, lay-off or leave of absence, other than as required under the Family & Medical Leave Act of 1993 or other applicable state or federal law\*.

Coverage will resume after the Eligible Employee returns to work provided the Contractholder submits a request to the Exchange that coverage be reactivated. Benefits for Enrollees will resume as follows:

- If coverage is reactivated in the same Contract Year, coverage will resume as if the Eligible Employee was never gone.
- If coverage is reactivated in a different Contract Year, any Out-of-Pocket Maximum applicable to your Benefits will start over.
- If the Eligible Employee is re-hired within the same Contract Year, coverage will resume as if the Eligible Employee was never gone.

\*Coverage for Enrollees is not affected if the Eligible Employee takes a leave of absence allowed under the Family & Medical Leave Act of 1993 or other applicable state or federal law. If the Eligible Employee is currently paying any part of the premium, he or she may choose to continue coverage. If the Eligible Employee does not continue coverage during the leave, he or she can resume coverage for Enrollees on their return to active work as if no interruption occurred.

**IMPORTANT:** The Family & Medical Leave Act of 1993 does not apply to all companies, only those that meet certain size guidelines. See your Human Resources Department for complete information.

### **Continued Coverage Under USERRA**

As required under the Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA"), if the Eligible Employee is covered by the Contract on the date his or her USERRA leave of absence begins, the Eligible Employee may continue dental coverage for himself or herself and any covered dependents. Continuation of coverage under USERRA may not extend beyond the earlier of:

- 24 months, beginning on the date the leave of absence begins; or
- the date the Primary Enrollee fails to return to work within the time required by USERRA.

For USERRA leave that extends beyond 31 days, the premium for continuation of coverage will be the same as for COBRA coverage.

### **Continuation of Coverage Under COBRA**

COBRA (the "Consolidated Omnibus Budget Reconciliation Act of 1985") provides a way for the Eligible Employee who loses employer-sponsored group health plan coverage to continue coverage for a period of time. COBRA does not apply to all companies, only those that meet certain size guidelines. See your Human Resources Department for complete information.

We do not assume any of the obligations required by COBRA of the Contractholder or any employer (including the obligation to notify potential beneficiaries of their rights or options under COBRA).

### **[Continuation of Coverage Under Cal-COBRA**

Cal-COBRA (the "California Continuation Benefits Replacement Act") provides a way for you and your Dependent Enrollees

who lose employer-sponsored group health coverage ("Qualified Beneficiary") to continue coverage for a period of time. We agree to provide the Benefits to Enrollees who elect continued coverage pursuant to this section, provided:

- continuation of coverage is required to be offered under Cal-COBRA;
- Contractholder notifies us in writing of any employee who has a qualifying event within 30 days of the qualifying event;
- Contractholder notifies us in writing of any Qualified Beneficiaries currently receiving continuation of coverage from a previous plan;
- Contractholder notifies Qualified Beneficiaries currently receiving continuation coverage under another plan, of the Qualified Beneficiary's ability to continue coverage under Delta Dental's new group benefit plan for the balance of the period the Qualified Beneficiary is eligible for continuation coverage. This notice shall be provided either 30 days prior to the termination or when all enrolled employees are notified, whichever is later;
- Contractholder notifies the Qualified Beneficiary of the ability to elect coverage under the Contractholder's new dental plan, if Contractholder terminates Contract and replaces Delta Dental with another dental plan. Said notice shall be provided the later of 30 days prior to termination of Delta Dental's coverage or when the Enrollees are notified;
- Qualified Beneficiary requests the continuation of coverage within the time frame allowed;
- we receive the required premium for the continued coverage; and
- the Contract stays in force.

We do not assume any of the obligations required by Cal-COBRA of the Contractholder or any employer (including the obligation to notify potential beneficiaries of their rights or options under Cal-COBRA.)

## OVERVIEW OF DENTAL BENEFITS

This section provides information that will give you a better understanding of how this dental plan works and how to make it work best for you.

### What is the DeltaCare USA Plan?

The DeltaCare USA Plan provides Pediatric Benefits and Adult Benefits through a convenient network of Contract Dentists in the state of California. These Dentists are screened to ensure that our standards of quality, access and safety are maintained. The network is composed of established dental professionals. When you visit your assigned Contract Dentist, you pay only the applicable Copayment for Benefits. There are no deductibles, lifetime maximums or claim forms.

### Benefits, Limitations and Exclusions

This plan provides the Benefits described in the Schedules that are a part of this EOC. Benefits are only available in the state of California. The services are performed as deemed appropriate by your attending Contract Dentist.

### Copayments and Other Charges

You are required to pay any Copayments listed in the Schedules attached to this EOC. Copayments are paid directly to the Dentist who provides treatment.

In the event that we fail to pay a Contract Dentist, you will not be liable to that Dentist for any sums owed by us. By statute, the DeltaCare USA provider contract contains a provision prohibiting a Contract Dentist from charging an Enrollee for any sums owed by Delta Dental. Except for the provisions in "Emergency Dental Services", if you have not received Authorization for treatment from an Out-of-Network Dentist, and we fail to pay that Out-of-Network Dentist, you may be liable to that Dentist for the cost of services. For further clarification, see the "Emergency Dental Services" and "Specialist Services" provisions.

### Non-Covered Services

**IMPORTANT:** If you opt to receive dental services that are not covered services under this plan, a participating Dentist may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered Benefit, the Dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about your dental coverage options, you may call our Customer Service Center at 800-471-7583. To fully understand your coverage, you may wish to carefully review this EOC.

## Coordination of Benefits

We coordinate the Benefits under this EOC with your benefits under any other group or pre-paid plan or insurance policy designed to fully integrate with other plans. If this plan is the “primary” plan, we will not reduce Benefits, but if this plan is the “secondary” plan, we determine Benefits after those of the primary plan and will pay the lesser of the amount that we would pay in the absence of any other dental benefit coverage or the Enrollee’s total out-of-pocket cost under the primary plan for Benefits covered under this EOC.

### How do we determine which Plan is the “primary” plan?

- (1) The plan covering the Enrollee as an employee is primary over a plan covering the Enrollee as a dependent.
- (2) The plan covering the Enrollee as an employee is primary over a plan covering the insured person as a dependent; except that if the insured person is also a Medicare beneficiary and as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is:
  - a) secondary to the plan covering the insured person as a dependent; and
  - b) primary to the plan covering the insured person as other than a dependent (e.g. a retired employee), then the benefits of the plan covering the insured person as a dependent are determined before those of the plan covering that insured person as other than a dependent.
- (3) Except as stated in paragraph (4), when this plan and another plan cover the same child as a dependent of different persons, called parents:
  - a) the benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year; but
  - b) if both parents have the same birthday, the benefits of the plan covering one parent longer are determined before those of the plan covering the other parent for a shorter period of time.
  - c) However, if the other plan does not have the birthday rule described above, but instead has a rule based on the gender of the parent, and if, as a result, the plans do not agree on the order of benefits, the rule in the other plan determines the order of benefits.
- (4) In the case of a dependent child of legally separated or divorced parents, the plan covering the Enrollee as a dependent of the parent with legal custody or as a dependent of the custodial parent’s spouse (i.e. step- parent) will be primary over the plan covering the Enrollee as a dependent of the parent without legal custody. If there is a court decree establishing financial responsibility for the health care expenses with respect to the child, the benefits of a plan covering the child as a dependent of the parent with such financial responsibility will be determined before the benefits of any other policy covering the child as a dependent child.
- (5) If the specific terms of a court decree state that the parents will share joint custody without stating that one of the parents is responsible for the health care expenses of the child, the plans covering the child will follow the order of benefit determination rules outlined in paragraph (3).
- (6) The benefits of a plan covering an insured person as an employee who is neither laid-off nor retired are determined before those of a plan covering that insured person as a laid-off or retired employee. The same would hold true if an insured person is a dependent of a person covered as a retiree or an employee. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule (6) is ignored.
- (7) If an insured person whose coverage is provided under a right of continuation pursuant to federal or state law also is covered under another plan, the following will be the order of benefit determination.
  - a) First, the benefits of a plan covering the insured person as an employee or Primary Enrollee (or as that insured person’s dependent).
  - b) Second, the benefits under the continuation coverage.
  - c) If the other plan does not have the rule described above, and if, as a result, the plans do not agree on the order of benefits, this rule (7) is ignored.
- (8) If none of the above rules determines the order of benefits, the benefits of the plan covering an employee longer are determined before those of the plan covering that insured person for the shorter term.
- (9) When determination cannot be made in accordance with the above for Pediatric Benefits, the benefits of a plan that is a medical plan covering dental as a benefit shall be primary to a dental only plan.

## HOW TO USE THE DELTACARE USA PLAN/CHOICE OF CONTRACT DENTIST

Delta Dental shall provide Contract Dentists at convenient locations. Upon enrollment, Delta Dental will assign the Enrollee to a Contract Dentist facility. The Primary Enrollee may request changes to the assigned Contract Dentist facility by contacting Customer Service Center at 800-471-7583. A list of Contract Dentists is available to all Enrollees at [deltadentalins.com](http://deltadentalins.com). The change must be requested prior to the 15th of the month to become effective on the first day of the following month.

We will provide you written notice of assignment to another Contract Dentist facility near the Enrollee's home if: 1) a requested facility is closed to further enrollment; 2) a chosen Contract Dentist facility withdraws from the plan; or 3) an assigned facility requests, for good cause, that the Enrollee be re-assigned to another facility.

Treatment in Progress must be completed before you change to another Contract Dentist facility. For example, this would include: 1) partial or full dentures for which final impressions have been taken; 2) completion of root canals in progress; or 3) delivery of crowns when teeth have been prepared.

All services which are Benefits shall be rendered at the Contract Dentist facility assigned to the Enrollee. Delta Dental shall have no obligation or liability with respect to services rendered by Out-of-Network Dentists, with the exception of Emergency Dental Services or Specialist Services referred by a Contract Dentist, and authorized by Delta Dental. All authorized Specialist Services claims will be paid by Delta Dental less any applicable Copayment(s). A Contract Dentist may provide Specialist Services either personally, or through associated Dentists, or the other technicians or hygienists who may lawfully perform the services.

**If your assigned Contract Dentist facility terminates participation in this plan, that Contract Dentist facility will complete all Treatment in Progress as described above.** If, for any reason, your Contract Dentist is unable to complete treatment, Delta Dental shall make reasonable and appropriate provisions for the completion of such treatment by another Contract Dentist.

Delta Dental shall give written notice to the Enrollee within a reasonable time of any termination or breach of contract, or inability to perform by any Contract Dentist if the Enrollee will be materially or adversely affected.

### Continuity of Care

If you are a current Enrollee, you may have the right to obtain completion of care under the Contract with your terminated Contract Dentist for certain specified dental conditions. If you are a new Enrollee, you may have the right to completion of care under the Contract with your Out-of-Network Dentist for certain specified dental conditions. You must make a specific request for this completion of care Benefit. To make a request, contact our Customer Service Center at 800-471-7583. You may also contact us to request a copy of Delta Dental's *Continuity of Care Policy*. Delta Dental is not required to continue care with the Dentist if you are not eligible under the Contract or if Delta Dental cannot reach agreement with the Out-of-Network Dentist or the terminated Contract Dentist on the terms regarding Enrollee care in accordance with California law.

### Emergency Dental Services

Emergency Dental Services are used for palliative relief, controlling of dental pain, and/or stabilizing the patient's condition. The Enrollee's assigned Contract Dentist's facility maintains a 24 hour emergency dental services system, 7 days a week. If the Enrollee is experiencing an Emergency Dental Condition, he or she can call 911 (where available) or obtain Emergency Dental Services from any dental provider without a referral.

After Emergency Dental Services are provided, further non-emergency treatment is usually needed. Non-emergency treatment must be obtained at the Enrollee's assigned Contract Dentist's facility.

The Enrollee is responsible for any Copayment(s) for Emergency Dental Services received. Non-covered procedures will be the Enrollee's financial responsibility and will not be paid by this plan.

### Urgent Dental Services

#### Inside the Service Area

An Urgent Dental Service requires prompt dental attention but is not an Emergency Dental Condition. If an Enrollee thinks that he or she may need Urgent Dental Services, the Enrollee can call his or her Contract Dentist.

#### Out-of-Area Urgent Care

If an Enrollee needs Urgent Dental Services due to an unforeseen dental condition or injury, we cover Medically Necessary dental services when prompt attention is required from an Out-of-Network Dentist if all of the following are true:

- The Enrollee receives the Urgent Dental Services from Out-of-Network Dentists while temporarily outside of the Delta Dental Service Area.

- A reasonable person would have believed that the Enrollee's health would seriously deteriorate if he or she delayed treatment until they returned to the Delta Dental Service Area.

Enrollees do not need prior authorization for out-of-area Urgent Dental Services. The out-of-area Urgent Dental Services an Enrollee receives from Out-of-Network Dentists are covered if the Benefits would have been covered if the Enrollee had received them from Contract Dentists.

We do not cover follow-up care from Out-of-Network Dentists after the Enrollee no longer needs Urgent Dental Services. To obtain follow-up care from a Contract Dentist, the Enrollee can call his or her Contract Dentist. The Enrollee is responsible for any Copayment(s) for Urgent Dental Services received.

### **Timely Access to Care**

Contract Dentists, Contract Orthodontists and Contract Specialists have agreed waiting times to Enrollees for appointments for care which will never be greater than the following timeframes:

- for emergency care, 24 hours a day, 7 day days a week;
- for any urgent care, 72 hours for appointments consistent with the Enrollee's individual needs;
- for any non-urgent care, 36 business days; and
- for any preventative services, 40 business days.

During non-business hours, the Enrollee will have access to his or her Dentist's answering machine, answering service, cell phone or pager for guidance on what to do and whom to contact if he or she is experiencing an Emergency Dental Condition.

If the Enrollee calls our Customer Service Center, a representative will answer their call within 10 minutes during normal business hours.

Should the Enrollee need interpretation services when scheduling an appointment with any of our Contract Dentists, Contract Orthodontists or Contract Specialists' facilities, he or she may call our Customer Service Center at 800-422-4234 for assistance.

### **Specialist Services**

Specialist Services for oral surgery, endodontics, periodontics or pediatric dentistry must be: 1) referred by your assigned Contract Dentist; and 2) authorized by us. You pay the specified Copayment(s). (Refer to the Schedules attached to this EOC.)

If you require Specialist Services and there is no Contract Specialist to provide these services within 35 miles of your home address, your assigned Contract Dentist must receive Authorization from Delta Dental to refer you to an Out-of-Network specialist to provide the Specialist Services. Specialist Services performed by an Out-of-Network specialist that are not authorized by Delta Dental will not be covered.

If the services of a Contract Orthodontist are needed, please refer to the Schedules attached to this EOC to determine Benefits.

### **Claims for Reimbursement**

Claims for covered Emergency Dental Services or authorized Specialist Services should be sent to us within 90 days of the end of treatment. Valid claims received after the 90-day period will be reviewed if you can show that it was not reasonably possible to submit the claim within that time. The address for claims submission is: Claims Department, P. O. Box 1810, Alpharetta, GA 30023.

### **Provider Compensation**

A Contract Dentist is compensated by Delta Dental through monthly capitation (an amount based on the number of Enrollees assigned to the Dentist), and by Enrollees through required Copayments for treatment received. A Contract Specialist is compensated by Delta Dental through an agreed-upon amount for each covered procedure, less the applicable Copayment paid by the Enrollee. In no event does Delta Dental pay a Contract Dentist or a Contract Specialist any incentive as an inducement to deny, reduce, limit or delay any appropriate treatment.

You may obtain further information concerning compensation by calling Delta Dental at the toll-free telephone number shown in this EOC.

### **Processing Policies**

The dental care guidelines for this DeltaCare USA plan explain to Contract Dentists what services are covered under the dental

Contract. Contract Dentists will use their professional judgment to determine which services are appropriate for the Enrollee. Services performed by the Contract Dentist that fall under the scope of Benefits of this dental plan are provided subject to any Copayments. If a Contract Dentist believes that an Enrollee should seek treatment from a specialist, the Contract Dentist contacts Delta Dental for a determination of whether the proposed treatment is a covered Benefit. Delta Dental will also determine whether the proposed treatment requires treatment by a specialist. An Enrollee may contact Delta Dental's Customer Service Center at 800-471-7583 for information regarding the dental care guidelines for this plan.

### **Second Opinions**

You may request a second opinion if you disagree with or question the diagnosis and/or treatment plan determination made by your Contract Dentist. Delta Dental may also request that you obtain a second opinion to verify the necessity and appropriateness of dental treatment or the application of Benefits.

Second opinions will be rendered by a licensed Dentist in a timely manner, appropriate to the nature of your condition. Requests involving cases an Emergency Dental Condition will be expedited (Authorization approved or denied within 72 hours of receipt of the request, whenever possible). For assistance or additional information regarding the procedures and timeframes for second opinion Authorizations, contact Delta Dental's Customer Service Center at 800-471-7583 or write to Delta Dental.

Second opinions will be provided at another Contract Dentist's facility, unless otherwise authorized by Delta Dental. Delta Dental will authorize a second opinion by an Out-of-Network provider if an appropriately qualified Contract Dentist is not available. Delta Dental will only pay for a second opinion which Delta Dental has approved or authorized. You will be sent a written notification should Delta Dental decide not to authorize a second opinion. If you disagree with this determination, you may file a grievance with us or with the Department. Refer to the "Enrollee Complaint Procedure" section for more information.

### **Special Health Care Needs**

If you believe you have a Special Health Care Need, you should contact our Customer Service Center at 800-471-7583. We will confirm whether such a Special Health Care Need exists and what arrangements can be made to assist you in obtaining Benefits. We will not be responsible for the failure of any Dentist to comply with any law or regulation concerning treatment of persons with Special Health Care Needs which is applicable to the Dentist.

### **Facility Accessibility**

Many facilities provide Delta Dental with information about special features of their offices, including accessibility information for patients with mobility impairments. To obtain information regarding facility accessibility, contact Delta Dental's Customer Service Center at 800-471-7583.

## **ENROLLEE COMPLAINT PROCEDURE**

Delta Dental or the Administrator shall provide notification if any dental services or claims are denied, in whole or in part, stating the specific reason or reasons for the denial. If you have any complaint regarding eligibility, the denial of dental services or claims, the policies, procedures or operations of Delta Dental or the Administrator or the quality of dental services performed by a Contract Dentist, you may call our Customer Service Center at 800-471-7583 or the complaint may be addressed in writing to:

Quality Management Department  
P.O. Box 6050  
Artesia, CA 90702

Written communication must include: 1) the name of the patient; 2) the name, address, telephone number and ID number of the Enrollee; and 3) the Dentist's name and facility location.

"Grievance" means a written or oral expression of dissatisfaction regarding this plan and/or provider, including quality of care concerns, and shall include a complaint, dispute, request for reconsideration or appeal made by the Pediatric Enrollee or the Enrollee's representative. Where this plan is unable to distinguish between a grievance and an inquiry, it shall be considered a grievance.

"Complaint" is the same as "grievance."

"Complainant" is the same as "grievant" and means the person who filed the grievance including the Enrollee, a representative designated by the Enrollee, or other individual with authority to act on behalf of the Enrollee.

Within five (5) calendar days of the receipt of any complaint, the quality management coordinator will forward to you an

acknowledgment of receipt of the complaint. If the complaint involves an Emergency Dental Condition, Delta Dental will provide the Enrollee written notification regarding the disposition or pending status of the grievance within three (3) days.

If you have completed Delta Dental's grievance process, or you have been involved in Delta Dental's grievance procedure for more than 30 days, you may file a complaint with the Department. You may file a complaint with the Department immediately if you are experiencing an Emergency Dental Condition.

The Department is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone us, your health plan, at **800-471-7583** and use our grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an Emergency Dental Condition, a grievance that has not been satisfactorily resolved by us, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance.

You may also be eligible for an Independent Medical Review ("IMR"). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by us related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for your Emergency Dental Condition or urgent medical services. The Department also has a toll-free telephone number, **1-888-HMO-2219**, and a TDD line, **1-877-688-9891**, for the hearing and speech impaired. The Department's Internet website, <http://www.hmohelp.ca.gov>, has complaint forms, IMR application forms and instructions online.

### **Complaints Involving an Adverse Benefit Determination**

For complaints involving an adverse benefit determination (e.g. a denial, modification or termination of a requested Benefit or claim) the Enrollee must file a request for review (a complaint) with Delta Dental within at least 180 days after receipt of the adverse determination. Our review will take into account all information, regardless of whether such information was submitted or considered initially. The review shall be conducted by a person who is neither the individual who made the original Benefit determination, nor the subordinate of such individual. Upon request and free of charge, we will provide the Enrollee with copies of any pertinent documents that are relevant to the Benefit determination, a copy of any internal rule, guideline, protocol, and/or explanation of the scientific or clinical judgment if relied upon in making the Benefit determination. If the review of a denial is based, in whole or in part, on a lack of medical necessity, experimental treatment, or a clinical judgment in applying the terms of the Contract, Delta Dental shall consult with a Dentist who has appropriate training and experience. If any consulting Dentist is involved in the review, the identity of such consulting Dentist will be available upon request.

If the group health plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), you may contact the U.S. Department of Labor, Employee Benefits Security Administration ("EBSA") for further review of the claim or if you have questions about your rights under ERISA. You may also bring a civil action under section 502(a) of ERISA. The address of the U.S. Department of Labor is:

U.S. Department of Labor  
Employee Benefits Security Administration  
200 Constitution Avenue  
N.W. Washington, D.C. 20210

## **GENERAL PROVISIONS**

P.O. Box 997330

### **Severability**

If any part of the Contract, this EOC, Attachments or an amendment to any of these documents is found by a court or other authority to be illegal, void or not enforceable, all other portions of these documents will remain in full force and effect.

### **Misstatements on Application; Effect**

In the absence of fraud or intentional misrepresentation of material fact in applying for or procuring coverage under the Contract and/or this EOC, all statements made by you will be deemed representations and not warranties. No such statement will be used in defense to a claim, unless it is contained in a written application.

### **Legal Actions**

No action at law or in equity will be brought to recover on the Contract prior to expiration of 60 days after proof of loss has been filed in accordance with requirements of the Contract and/or this EOC, nor will an action be brought at all unless brought within three (3) years from expiration of the time within which proof of loss is required.

### **Conformity with Applicable Laws**

All legal questions about the Contract and/or this EOC will be governed by the state of California where the Contract was entered into and is to be performed. Any part of the Contract and/or this EOC that conflicts with the laws of California, specifically Chapter 2.2 of Division 2 of the California Health & Safety Code and Chapter 1 of Division 1, of Title 28 of the California Code of Regulations or federal law is hereby amended to conform to the minimum requirements of such laws. Any provision required to be in the Contract by either of the above shall bind Delta Dental whether or not provided in the Contract.

### **Third Party Administrator ("TPA")**

Delta Dental may use the services of a TPA, duly registered under applicable state law, to provide services under the Contract. Any TPA providing such services or receiving such information shall enter into a separate Business Associate Agreement with Delta Dental providing that the TPA shall meet HIPAA and HITECH requirements for the preservation of protected health information of Enrollees.

### **Organ and Tissue Donation**

Donating organs and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. If you are interested in organ donation, please speak with your physician. Organ donation begins at the hospital, when a patient is pronounced brain dead and identified as a potential organ donor. An organ procurement organization will become involved to coordinate the activities.

### **Non-Discrimination**

Delta Dental is committed to ensuring that no person is excluded from, or denied the benefits of our services, or otherwise discriminated against on the basis of race, color, national origin, disability, age, genetic testing, sexual orientation or gender identity. Any person who believes that he or she has individually, or as a member of any specific class of persons, been subjected to discrimination may file a complaint in writing to:

Delta Dental of California

**Description of Benefits and Copayments**

**[DeltaCare USA**

**Family Dental HMO**

**for Small Businesses]**

The Benefits shown below are performed as needed and deemed appropriate by the attending Contract Dentist subject to the limitations and exclusions of the plan. **Please refer to *Schedule B* for further clarification of Benefits. Enrollees should discuss all treatment options with their Contract Dentist prior to services being rendered.**

**Text that appears in italics below is specifically intended to clarify the delivery of Benefits under the DeltaCare USA plan and is not to be interpreted as CDT-2017 procedure codes, descriptors or nomenclature which is under copyright by the American Dental Association. The American Dental Association may periodically change CDT codes or definitions. Such updated codes, descriptors and nomenclature may be used to describe these covered procedures in compliance with federal legislation.**

**Out-of-Pocket Maximum (“OOPM”) for Pediatric Enrollees (Under Age 19):**

Pediatric Enrollee.....	<b>\$350.00</b> each Contract Year
Multiple Pediatric Enrollees.....	<b>\$700.00</b> each Contract Year

**OOPM applies only to Essential Health Benefits (“EHB”) for Pediatric Enrollee(s).** OOPM means the maximum amount of money that a Pediatric Enrollee must pay for Pediatric Benefits under this plan during a Contract Year. Payment for Premiums and payment for services that are Optional, that are upgraded treatments (such as precious or semi-precious metals and material upgrades) or that are not covered under the Policy will not count toward the OOPM, and payment for such services will continue to apply even after the OOPM is met.

If more than one Pediatric Enrollee is covered on the Contract, the financial obligation for Pediatric Benefits is not more than the OOPM for multiple Pediatric Enrollees. After a Pediatric Enrollee meets his or her OOPM, he or she will have no further payment for the remainder of the Contract Year for Pediatric Benefits. Once the amount paid by all Pediatric Enrollee(s) equals the OOPM for multiple Pediatric Enrollees, no further payment will be required by any of the Pediatric Enrollee(s) for the remainder of the Contract Year for Pediatric Benefits.

Delta Dental recommends that the Pediatric Enrollee or other party responsible for the Pediatric Enrollee keep a record of payment for Pediatric Benefits. If you have any questions regarding your OOPM, please contact the Customer Service Center at 800-471-7583.

Base metal is the benefit. If noble or high noble metal (precious) is used for a crown, bridge, indirectly fabricated post and core, inlay or onlay, the Enrollee will be charged the additional laboratory cost of the noble or high noble metal. If covered, an additional laboratory charge also applies to a titanium crown.

Porcelain/ceramic crown, pontic and fixed bridge retainer on molars is considered a material upgrade with a maximum additional charge to the Enrollee of \$150 per unit.

Name brand, laboratory processed or in-office processed crowns/pontics produced through specialized technique or materials are material upgrades. The Contract Dentist may charge an additional fee not to exceed \$325 in addition to the listed Copayment. Refer to *Schedule B, Limitations and Exclusions of Benefits* for additional information.

If services for a listed procedure are performed by the assigned Contract Dentist, the Enrollee pays the specified Copayment. Listed procedures which require a Dentist to provide Specialist Services, and are referred by the assigned Contract Dentist, must be authorized by the plan. The Enrollee pays the Copayment specified for such services.

Optional or upgraded procedure(s) are defined as any alternative procedure(s) presented by the DeltaCare USA Dentist and formally agreed upon by financial consent that satisfies the same dental need as a covered procedure. Enrollee may elect an Optional or upgraded procedure, subject to the limitations and exclusions of the plan. The applicable charge to the Enrollee is the difference between the DeltaCare USA Dentist's regularly charged fee (or contracted fee, when applicable) for the Optional or upgraded procedure and the covered procedure, plus any applicable Copayment for the covered procedure.

**Additional Endnotes to Covered California's 2018 Dental Standard Benefit Plan Designs**

**Pediatric Dental EHB Notes (only applicable to the pediatric portion of the Children's Dental Plan, Family Dental Plan or Group Dental Plan)**

- 1) In a coinsurance plan, each child is responsible for the individual deductible unless the family deductible has been met. Once a child's individual deductible or the family deductible is reached, cost sharing applies until the child's out-of-pocket maximum is reached. (Not applicable to Children's Dental HMO.)
- 2) Deductible is waived for Diagnostic and Preventive Services. (Not applicable to Children's Dental HMO.)
- 3) Cost sharing payments made by each individual child for in-network covered services accrue to the child's out-of-pocket maximum. Once the child's individual out-of-pocket maximum has been reached, the plan pays all costs for covered services for that child.
- 4) In a plan with two or more children, cost sharing payments made by each individual child for in-network services contribute to the family in-network deductible, if applicable, as well as the family out-of-pocket maximum.

- 5) In a plan with two or more children, cost sharing payments made by each individual child for out-of-network covered services contribute to the family out-of-network deductible, if applicable, and do not accumulate to the family out-of-pocket maximum. (Not applicable to Children’s Dental HMO.)
- 6) Administration of these plan designs must comply with requirements of the pediatric dental EHB benchmark plan, including coverage of services in circumstances of medical necessity as defined in the Early Periodic Screening, Diagnosis and Treatment (“EPSDT”) benefit.
- 7) The requirements set forth in 10 CCR 6522 (a)(4)(A) and (a)(5)(A) shall apply to the Group Dental Plan design.
- 8) Member cost share for Medically Necessary Orthodontia services applies to course of treatment, not individual benefit years within a multi-year course of treatment. This member cost share applies to the course of treatment as long as the member remains enrolled in the plan.

**Adult Dental Benefit Notes (only applicable to the Family Dental Plan and Group Dental Plan)**

- 9) Each adult is responsible for an individual deductible. (Not applicable to Family Dental HMO.)
- 10) Deductible is waived for Diagnostic and Preventive Services. (Not applicable to Family Dental HMO.)
- 11) The requirements set forth in 10 CCR 6522 (a)(4)(A) and (a)(5)(A) shall apply to the Group Dental Plan design.
- 12) Tooth whitening, adult orthodontia, implants and veneers are not covered services.
- 13) Any prior comprehensive dental coverage for which a member can provide proof must be accepted when waiving the six month waiting period for major services. The six month waiting period for major services must be waived upon a member’s provision of proof of prior comprehensive dental coverage. This waiting period shall be prorated on a one to one monthly basis upon a member’s provision of proof of prior comprehensive dental coverage of less than six months. Covered California leaves it to the plan to determine acceptable documentation to verify prior proof of coverage. Covered California leaves it to the plan to determine the maximum allowable gap in coverage before proration of the six month waiting period would no longer occur. Dental services obtained via a discount health plan are not considered “comprehensive” dental coverage for purposes of counting towards the waiting period.

If the Enrollee accepts a treatment plan from the Contract Dentist that includes any combination of more than six crowns, bridge pontics and/or bridge retainers, the Enrollee may be charged an additional \$125 above the listed Copayment for each of these services after the sixth unit has been provided.

Exception to extend covered orthodontics Benefits to a cancelled or terminated Contract is as follows:
