DCU

The Right Tool For Your Truck.

Build The DCU That Is Right For You

The following steps have been created to allow you to build a DCU that fits your needs. Consult your local A.R.E. dealer for more details or with questions regarding any of the options shown here. **Please mark clearly your DCU options.**

1 Choose the HEIGHT of your DCU

Select the appropriate height for your application. Consider headroom, accessibility, and the amount of overall space you need.

2 Choose the COLOR and INTERIOR of your DCU

Choose from one of our standard colors or have your cap painted to match the truck manufacturer's paint code.

- YZ Ford White
- Light Gray
- White
- Black
- Painted to Match

Choose from our interior upgrade options based on your security, strength, and insulation needs.

- Standard
- Interior Skin Door Only
- Interior Skin Complete Unit
- Acrylic Fabric Liner Roof Only
- Acrylic Fabric Liner Complete Unit

3

Choose the REAR DOOR of your DCU

Choose the rear door and window option that provides the optimal accessibility on a daily basis.

Standard 1/2

Standard 1/2 with Window
 With Security Screens

Double Full

Double Full with Window
 With Security Screens

Single Full

Single Full with Window
 With Security Screens

Hatchback Lift

Hatchback Lift with Window
 With Security Screens

4

Choose the SIDE OPTIONS of your DCU

To customize your DCU even further, you can choose different side options for the driver and passenger sides.

Standard Full Length
 Driver
 Passenger

Double Doors
 Driver
 Passenger

Radius Slider
 Driver
 Passenger

Standard Full Length with Window
 Driver
 Passenger
 Driver
 Passenger
With Security Screens

Solid Glass Window
 Driver
 Passenger

Solid-No Door
 Driver
 Passenger

5 Choose the TOOLBOX OPTIONS and SHELVING OPTIONS for your DCU

You can have toolbox storage on either side, or an opening for easy access to your truck bed.

NOTE: Fabric liner not available on toolbox interiors.

Choose one of the 15 toolbox shelving options shown below, a fold-down shelf for use on the job, or no shelves at all.

Toolbox Shelving Options (1-15)

Driver Side _____

Passenger Side _____

Fold-Down Shelving Options (A, B, or C)

Driver Side _____

Passenger Side _____

Fold-Down Half Shelf Front

Fold-Down Half Shelf Rear

Fold-Down Full Shelf

6 Choose the FRONT WINDOW OPTION of your DCU

Choose the front window option based on your security, access, and visibility needs.

7 Choose the LIGHTING for your DCU

Consider where you need light for night visibility, as well as as if you would like the lighting to come on automatically when opening the doors of your DCU.

- 12 Volt Light
- Rocker Switch
Turns light on when door opens.
One switch required per door.

- Battery Light

12 VOLT WIRING SCHEMES

NOTE: Remote keyless entry available on 12 volt systems upon request.

8 Choose the LADDER RACK for your DCU

Choose an A.R.E. manufactured welded aluminum ladder rack or a commercial-grade steel locking ladder rack, based on your needs.

- No Ladder Rack

- Ladder Rack with Center Support and Third Leg

- Ladder Rack with Two Center Supports and Third Leg

- Ladder Rack Double Locking

Jet Rack™ Interior Ladder Rack System

- Jet Rack™ Interior Ladder Rack System

- Heavy-duty Rack System

9 Choose a BEDSLIDE™ storage system for your DCU

Choose a BedSlide option based on your needs.

- No BedSlide

- Standard Grade with Carpeting

- WeatherDeck with Carpeting & Rubber Mat

- Contractor Grade Heavy-duty with Carpeting & Rubber Mat

Deluxe Commercial Units

DCU

Commercial strength.
Automotive quality.

OPTIONS

- 1 Height**
A.R.E. has four standard heights plus three wedge heights to meet your specific capacity needs.
- 2 Rear Doors**
A.R.E. offers four door styles to meet your rear access needs.
- 3 Side Tool Bins**
Tool bins are made of .036 galvanized steel with a baked white top coat. The bins can be customized to include dividers and fold-down shelves.
- 4 Roof Racks**
A.R.E. offers two different racks to meet your specific hauling needs. Extra cross bar supports are available.
- 5 Vapor Barrier Insulation**
Optional acrylic fabric liner provides protection from condensation.

STRUCTURE

- 1 Baserails**
.080" thick T6 aluminum base-rails with MIG welded corners provide a strong foundation.
- 2 Structural Tubing**
.050" thick T6 aluminum tubing framework with TIG welded joints provides strength and support with minimal weight.
- 3 Exterior Skin**
Heavy-duty .035" thick aluminum exterior skin provides a superior structure.
- 4 Door Frames**
A.R.E. builds all styles of doors with the same .050" thick wall tubing used in the body frame. All TIG welded joints and continuous hinges assure alignment and durability.

FINISH

- 1 Body Colors**
A.R.E. offers our DCU in white, YZ Ford white, or black standard. The color is a baked enamel finish applied to the aluminum skin at the mill. The color is not meant to provide a match to any OEM truck paint, but is intended to accent the truck's appearance without the cost of custom painting.
- 2 Custom DuPont® Paint Finishes**
Optional two-stage ChromaPremier® paint is offered in any OEM or Fleet color code formula. Applied in our down draft booths and baked on for durability.
- 3 Trims**
Edge trims are offered in black or white.

COMPONENTS

- 1 Gas Props**
Our gas props are set to the optimal pressure to assist in lifting and closing each cap door.
- 2 Latches and Locks**
All doors are equipped with Strattec® OEM automotive grade lock cylinders. The folding T-grip latch handle is durable and offers top security. The cam action deadbolt lock rods with the center point lock provide lifelong trouble-free operation. All latches and locks have 500 hours noncorrosion finish.
- 3 Windows**
A.R.E. offers radius dark tinted tempered safety glass in all doors. Optional heavy aluminum mesh security screens deter unwanted entry.

A.R.E. offers the following standard exterior colors:
(Please refer to chart on back for other specific options)

The Right Tool For Your Truck.

A.R.E.'s rugged welded frame construction offers years of durable service, no matter what the weather or job. Each unit has weather-sealed doors with gas props, heavy-duty hinges, and automotive-style locks to protect your valuables.

Available options make designing the right DCU even easier.

Choose from a wide selection of door and window configurations, colors, toolboxes, and overall cap heights.

Extra Height

Half-rear door meets tailgate and locks securely with A.R.E.'s **folding T-handle door latch**. Exclusive STRATTEC® key cylinder meets tough automotive O.E.M. standards.

DCU Weight – Approx. 140 lbs.

Maximize Storage Space

Ladders can be stored securely above the rest of your cargo with the new **Jet Rack™ interior mount storage system**. You can easily remove or replace your ladder in seconds, without removing or disturbing the rest of your cargo.

Single Full Door

The **Single Full Door** option opens to the side. The **Locking Ladder Rack** allows for quick and safe ladder hauling.

DCU Weight – Approx. 190 lbs.

Commercial Quality

A.R.E. offers commercial-quality, **double-locking ladder racks** for additional strength and security.

DCU Weight – Approx. 220 lbs.

Outfitting Your Truck For Life

When it comes to designing, producing and delivering commercial grade work caps for pickups, A.R.E. is top shelf! The A.R.E. DCU offers more strength, durability and work life than any other truck cap built today. And the A.R.E. DCU does the job without excessive weight that reduces your payload and fuel economy.

When you purchase a DCU for your truck, you have over 600 North American A.R.E. dealerships ready to serve you. Major leasing companies rely on A.R.E. to provide caps and service to thousands of vehicles they own nationwide. You deserve the same peace of mind that they enjoy. See your local authorized A.R.E. dealer today to order the DCU that meets your needs.

Limited Warranty

A.R.E. warrants to the original purchaser of DCU truck caps that they are free from defects in structure, materials and workmanship for a period of three years from the date of purchase from an authorized A.R.E. dealership. See the dealership for a copy of the full warranty statement.
