#### HOLIDAY OPENING.

We are busy unpacking crates and boxes, arranging and displaying the largest and most complete line of Holiday Goods we have ever shown in Deming.

We are getting ready for those people who have learned the wisdom of making their Christmas purchases early. We are transforming our now pretty store into a very interesting and beautiful place, Christmas is suggested on every side.

We will hold our Annual Holiday Opening on Saturday, Nov. 27th, 1909. Each and every lady calling on this date will be presented a neat and valuable souvenir. Something new and useful.

Kindly remember to call on date mentioned as we will only have one souvenir day this season.

Thanking you for past favors and trusting we may have the pleasure of seeing you on Saturday, November the twenty-seventh, we are Very truly,

#### Those Senatorial Whiskers.

The whiskers of Senator Carter, who honored Deming with a visit last week, has been the subject of many newspaper stories. About the last one was "dug up" by the El Paso Herald and is as follows :

Sam Blythe, the "Who's Who, Why and Their Whiskers," editor of the Saturday Evening Post, says senator Thos. Henry Carter is the boy with the billy goat beard and the same Sam G. is correct. Whiskers may come in the history of this young and has there been such a magnifiicent pair of facial draperies as the senator from Montana flauntnoon.

There is a reason for everything and that is the answer to the query why is senator Car- commission will find it and sucor's whiskers? When the sena- cessfully fight the disease.

Postmaster General Hitchcock has approved the issuance of a 12 cent postage stamp. With the increase of the registry fee to 10 cents such a stamp is needed to cover the registration and a single rate of letter postage. The new stamp will bear a profile of General George Washington from Houden's celebrated bust.

The importance of the hook worm was brought direct to the attention of the public through John D. Rockefeller's gift of \$1,000,000 to fight this disease. and whiskers may go, but never It was only a few months ago that the public looked upon the growing city of the southwest hook worm as a myth and no end of jokes were made out of that form of laziness which is now analyzed as a disease. The commission, as appointed by Mr. ed in the breezes on the trip Rockefeller, is composed of men down the valley Wednesday after- of national and international reputation in their chosen field of activities and it is certain that
