

"My life, it's God's Miracle and Mercy" Jimmie Rodgers

DANCING ON THE MOON

The Jimmie Rodgers Story

AN AUTOBIOGRAPHICAL TRUE STORY WRITTEN BY JIMMIE RODGERS

"Jimmie Rodgers book "Dancing On The Moon" is about strength, passion, endurance, inspiration, believing and an undying faith in God" Michael Chaney

NOV 1 2010.

Anders

We did it. "Great job"
It's exciting to work
with you.

I hope we can come
to Sweden soon and
see you.

this book is just
the beginning.

Love to you
and
Meri

DANCING ON THE MOON

The Jimmie Rodgers Story

When I started to write this, I knew it would be difficult. Would I have hired a co-writer to sit with a tape machine shifting out the chaff; it could have been a mix of boring lunches, discography and occasional truths.

How great I was, or thought I was, being the main course. That information may be important to some, but the discography speaks for itself.

Many co-writers deal with exploitation as if it were a constant companion. I deal with it as being unnecessary. The truth about what happened in my life is all the exploitation needed.

The Jimmie Rodgers recordings would have continued without interruption past 1967 if not for, as Paul Harvey says, the rest of the story.

After suffering some loss of memory from an incident that stopped my career in 1967, I have been accused of twisting whatever I do remember by the powers that be. Because the police were involved and left the scene, leaving me unconscious in my car, the complete truth may never surface. The mystery behind why I was stopped, but never arrested, and why I was later found close to death off the San Diego Freeway remains.

I also believe that this interpretive mind was expected to be buried with whatever truth it witnessed.

*"Find a place where the soft soil lies underneath
the summer moon, and sleep Your sleep, stirring not
the dust that circles low and falls to rest"*

Jimmie Rodgers, February 2010

A handwritten signature in black ink that reads "Jimmie Rodgers". The signature is written in a cursive, flowing style with a long, sweeping underline that extends to the right.
