

You can start your searching or browsing on our Products page. Check out the categories by clicking on Products.

You can browse by Profession, Specialties, or Clinical & Drug Resources.

The screenshot shows the Skyscape website interface. At the top, there is a search bar and navigation links like 'My Account', 'My Cart (21)', and 'Support'. Below the search bar is a navigation menu with categories: Products, Physicians, Nurses, Students, Groups/Institutions, What's New, About Us, and Skyscape STAT. The main content area is divided into three columns. The left column has links for 'View By Speciality', 'View By Subject', 'New Releases', 'Product Advisor', and 'Gift Certificates'. The middle column, titled 'Products', contains a description of Skyscape's resources and a list of categories: PROFESSION (Physicians, Physician Assistants, Nursing, Nurse Practitioners, Students/Residents, Pharmacists, EMS/Paramedic, Veterinarians), CLINICAL & DRUG RESOURCES (Drug Guides, Interaction Analyzers, Laboratory Testing/Diagnostics, Formulary, Dictionaries, Clinical Trials, Evidence-Based Medicine, Breaking Medical News, Coding, Calculators, Journals), and SPECIALTIES (Allergy/Immunology, Alternative Medicine, Anesthesiology, Cardiology, Critical Care, Dentistry, Dermatology, Diet & Nutrition, Emergency Medicine, Endocrinology, Family Practice, Gastroenterology, Geriatrics, Hematology, Infectious Disease, Internal Medicine, Nephrology, Neurology, OB/GYN, Oncology, Ophthalmology). The right column features a 'Great Product Offer' for 'Labs 360' at \$49.95 and a 'Featured Product' 'Pharmacotherapy Handbook' at \$49.95. A red box highlights the 'PROFESSION', 'CLINICAL & DRUG RESOURCES', and 'SPECIALTIES' sections in the middle column.

If you're feeling unsure about how to start, no worries! Visit our helpful Product Advisor to learn about which products are best for you. It will ask you a few questions.

Based on your answers, the product advisor will generate a list of programs you might be interested in.

The screenshot shows a web browser window displaying the Skyscape Product Advisor page. The browser title is "Skyscape: Product Advisor - Windows Internet Explorer" and the address bar shows "http://www.skyscape.com/store/ProductAdvisorResults.aspx". The page features a navigation menu with categories like "Products", "Physicians", "Nurses", "Students", "Groups/Institutions", "What's New", "About Us", and "Skyscape STAT". A sidebar on the left lists navigation options: "View By Speciality", "View By Subject", "New Releases", "Product Advisor", and "Gift Certificates". The main content area is titled "Product Advisor" and displays "Clinical References" with "Viewing 1-3 out of 12 View All". Three books are listed:

Book Title	Description	Price	Action
Pharmacotherapy Handbook	Key pharmacotherapy information at your fingertips! Organized by organ system and disease state, this convenient drug therapeutic reference offers a bulleted format with tables, figures and algorithms.	\$49.95	Add to Cart
Oxford Handbook of Clinical Specialties	Continues to provide all the ideas and facts essential to those who will or who are already caring for patients whose needs may or may not fit within the traditional bounds of individual specialties.	\$35.95	Add to Cart
ABC of Dermatology	This well established introduction to dermatology has been fully updated and revised for nurses and medical students, particularly useful in primary care.	\$44.95	Add to Cart

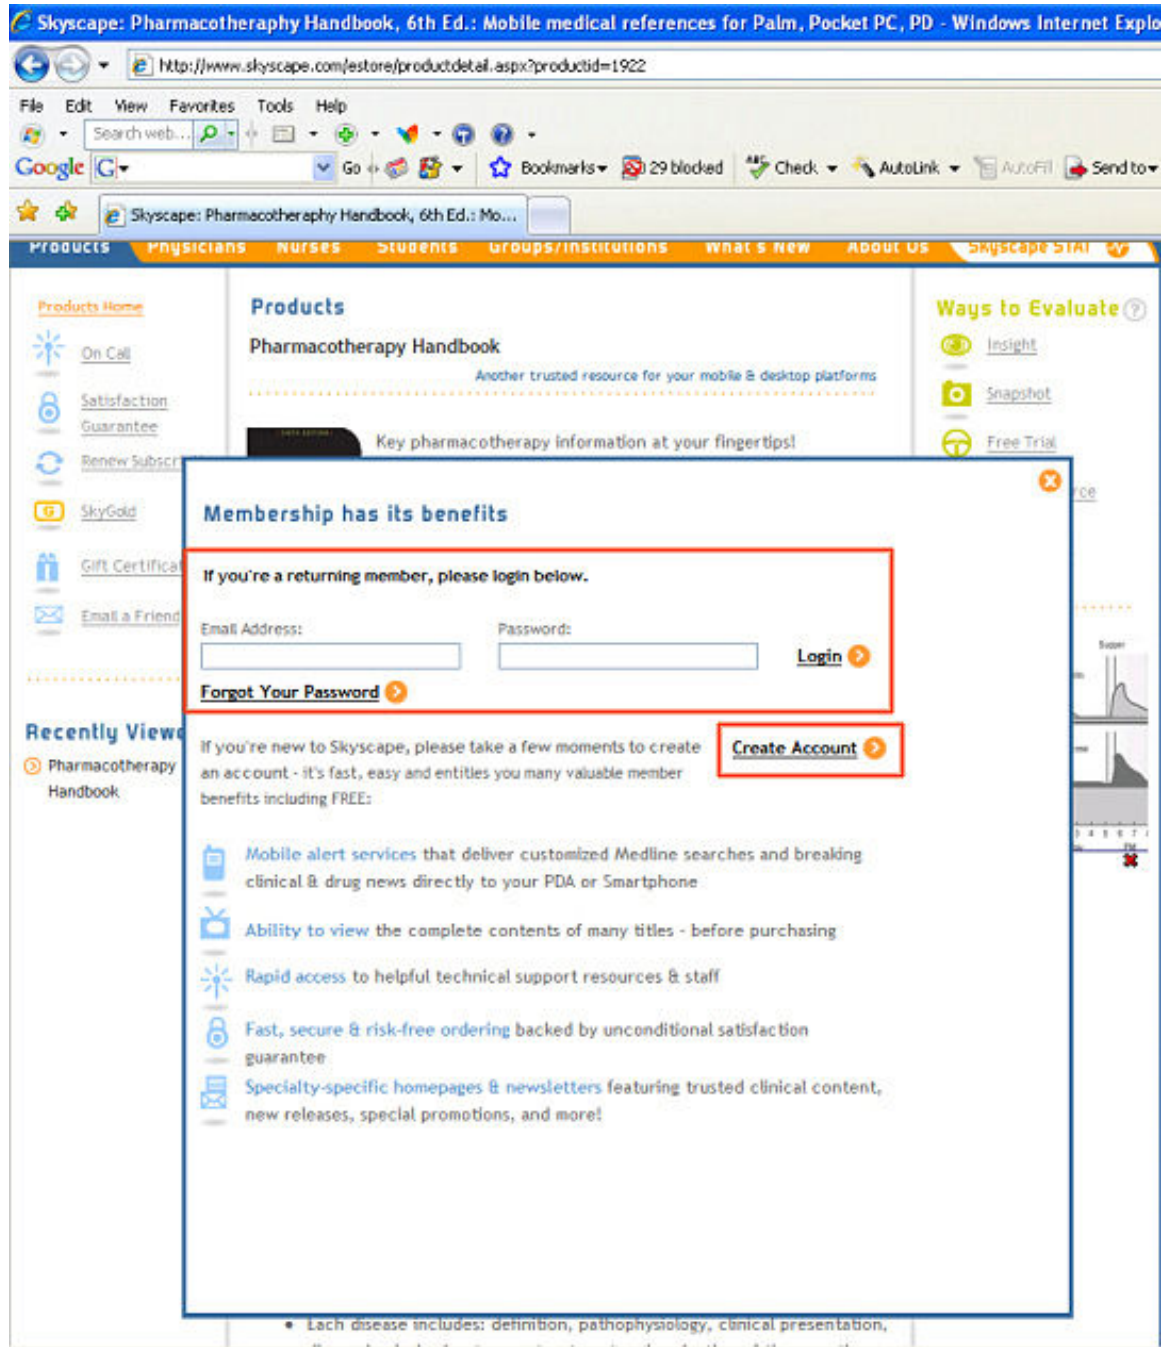

When you will click on a product, it will open the full product description page. If you want to quickly learn more about a program's contents without downloading anything, be sure to check out the "Try for Free" button. If you decide that you'd like to try it out, click the "Free Trial" button on the right hand side of the page. Alternatively, if you already know that you want to purchase the product, you can select the appropriate platform from the drop down list and click the Add to Cart button. To view the platforms the product works on, you can click on "System Requirements/Platforms".

The screenshot displays the Skyscape website interface. At the top, there is a navigation bar with links for Products, Physicians, Nurses, Students, Groups/Institutions, What's New, About Us, and Skyscape STAT. A search bar is located in the top right corner. The main content area features a product listing for the "Pharmacotherapy Handbook". The product description includes a brief overview, a "See what's inside" link, and a "Try it for free" link. The price is listed as \$49.95, and there is a dropdown menu for selecting a platform. Below the price, there is a link for "System Requirements/Platforms" and an "Add to Cart" button. The "Purchase Options" section includes a checkbox for a "Memory Card Option" with a note that it is currently not available with certain devices. The "Description" section states that purchasing the mobile version includes the desktop/tablet PC version for free. A red box highlights the product description and purchase options section.

If you click on Free Trial, you will be asked to login or create a new user account.

New members: If you've never had an account with us before, click "Create Account" and you'll be asked to enter some information about yourself. Be sure to give a valid email address so that you can stay informed about our new mobile products, services, promotions and medical news specially directed at your profession.

Returning members: Simply fill in your email address and password.

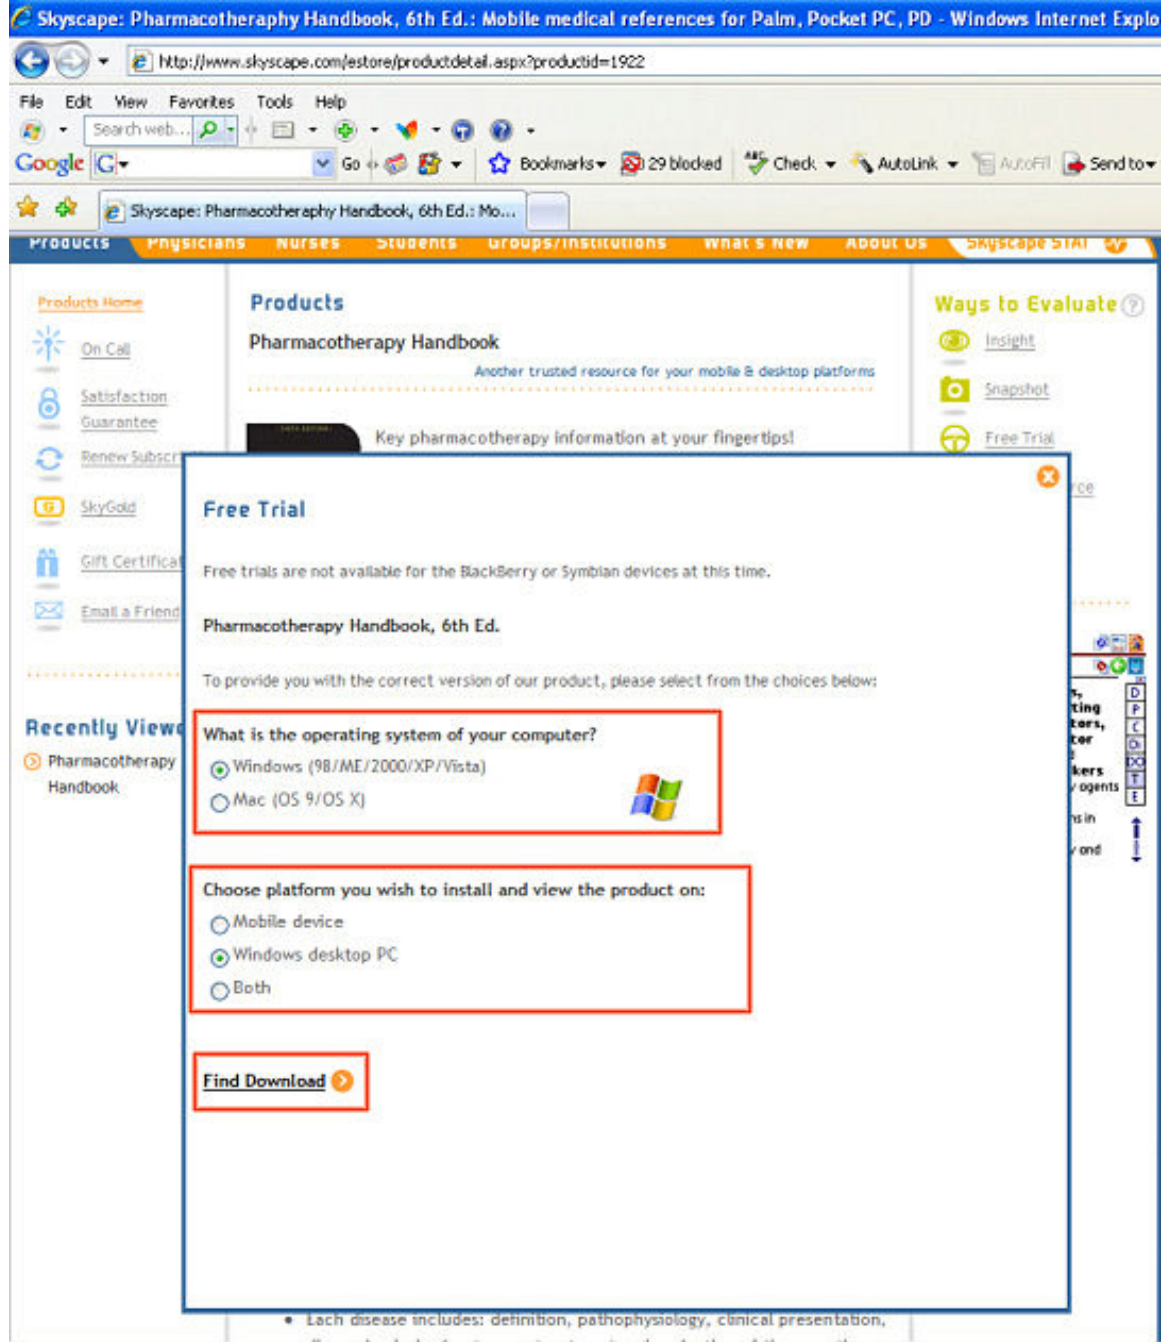

Step 1: Download the product

You now must select:

Operating System: Windows (98/ME/2000/XP/Vista)

Platform: Windows Desktop PC

Then click "find download".

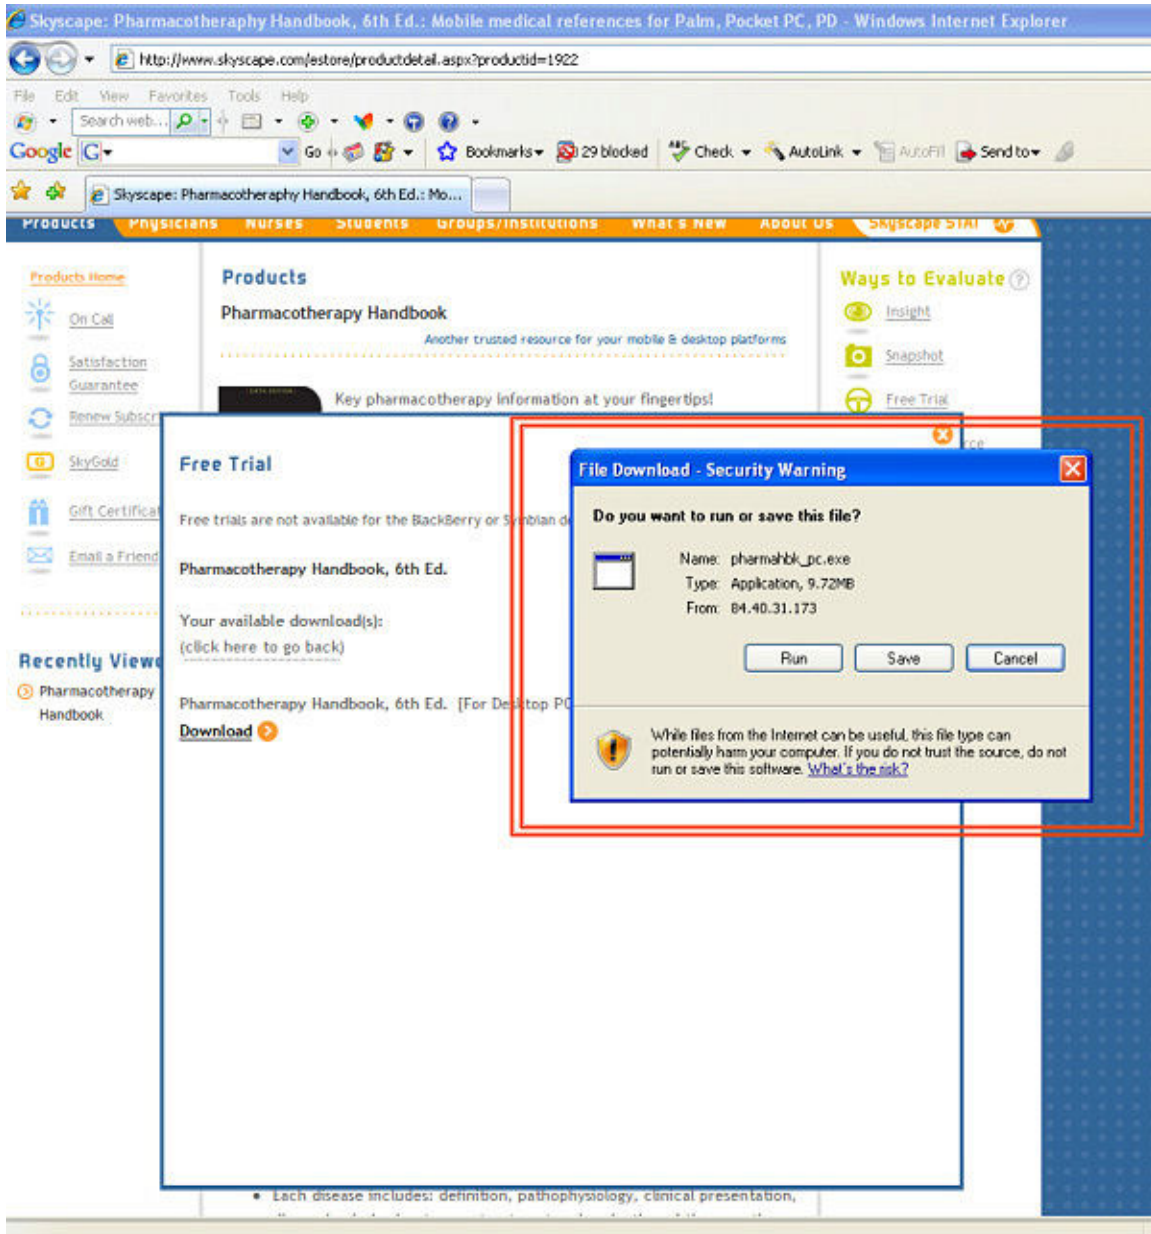

Done

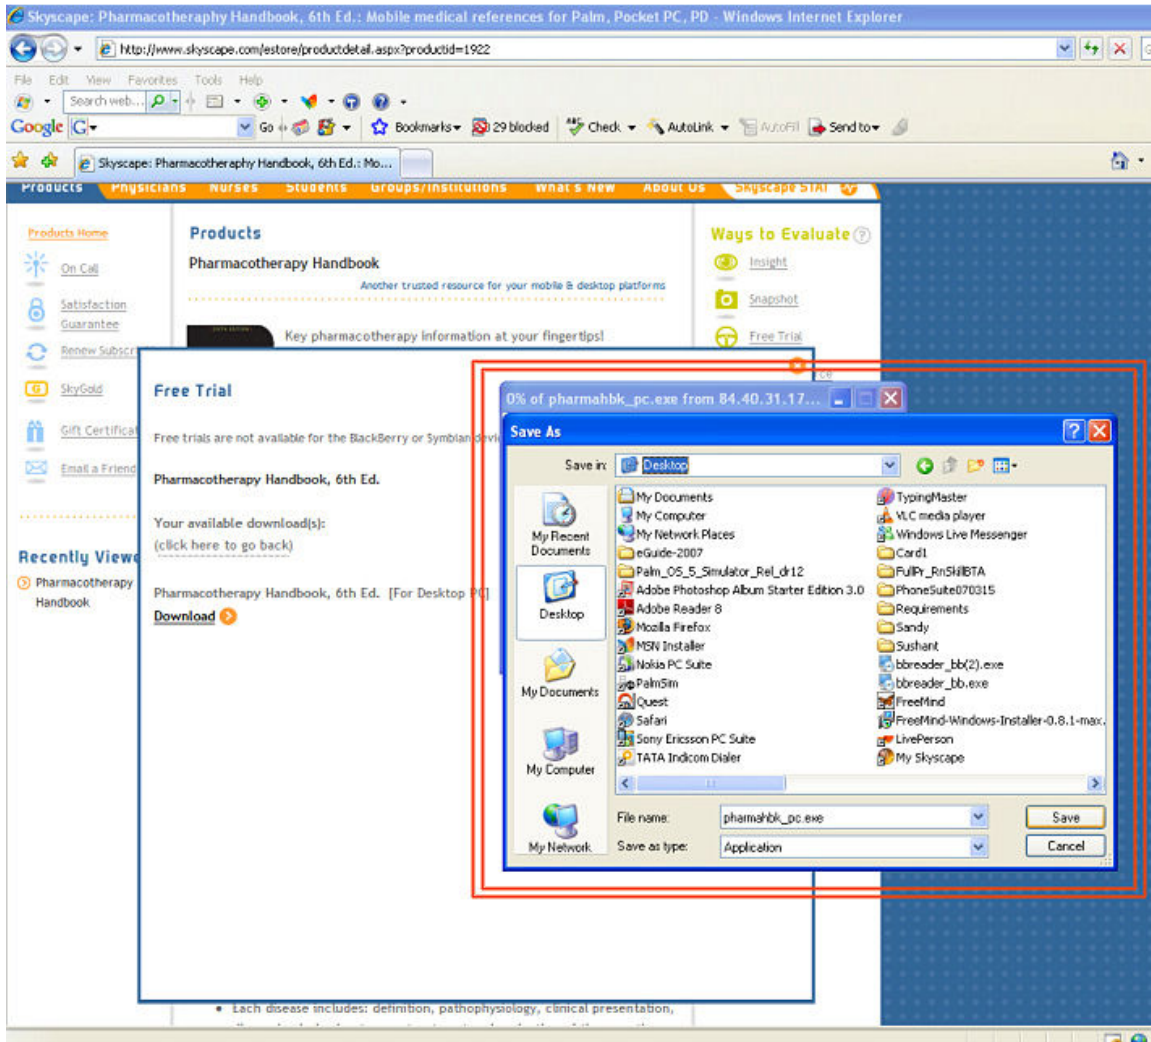

Click Download

The screenshot shows a web browser window with the URL <http://www.skyscape.com/estore/productdetail.aspx?productid=1922>. The browser's address bar and menu bar are visible. The website content includes a navigation bar with links for 'PRODUCTS', 'Physicians', 'Nurses', 'Students', 'Groups/Institutions', 'What's New', and 'About Us'. A 'Products Home' sidebar on the left lists various services like 'On Call', 'Satisfaction Guarantee', and 'SkyGold'. The main content area displays 'Pharmacotherapy Handbook' with a 'Free Trial' modal window overlaid. The modal window contains the following text: 'Free Trial', 'Free trials are not available for the BlackBerry or Symbian devices at this time.', 'Pharmacotherapy Handbook, 6th Ed.', 'Your available download(s): (click here to go back)', and 'Pharmacotherapy Handbook, 6th Ed. [For Desktop PC]'. A red box highlights the 'Download' button with a right-pointing arrow. At the bottom of the modal, a small note states: 'Each disease includes: definition, pathophysiology, clinical presentation, ...'. The browser's status bar at the bottom shows 'Done'.

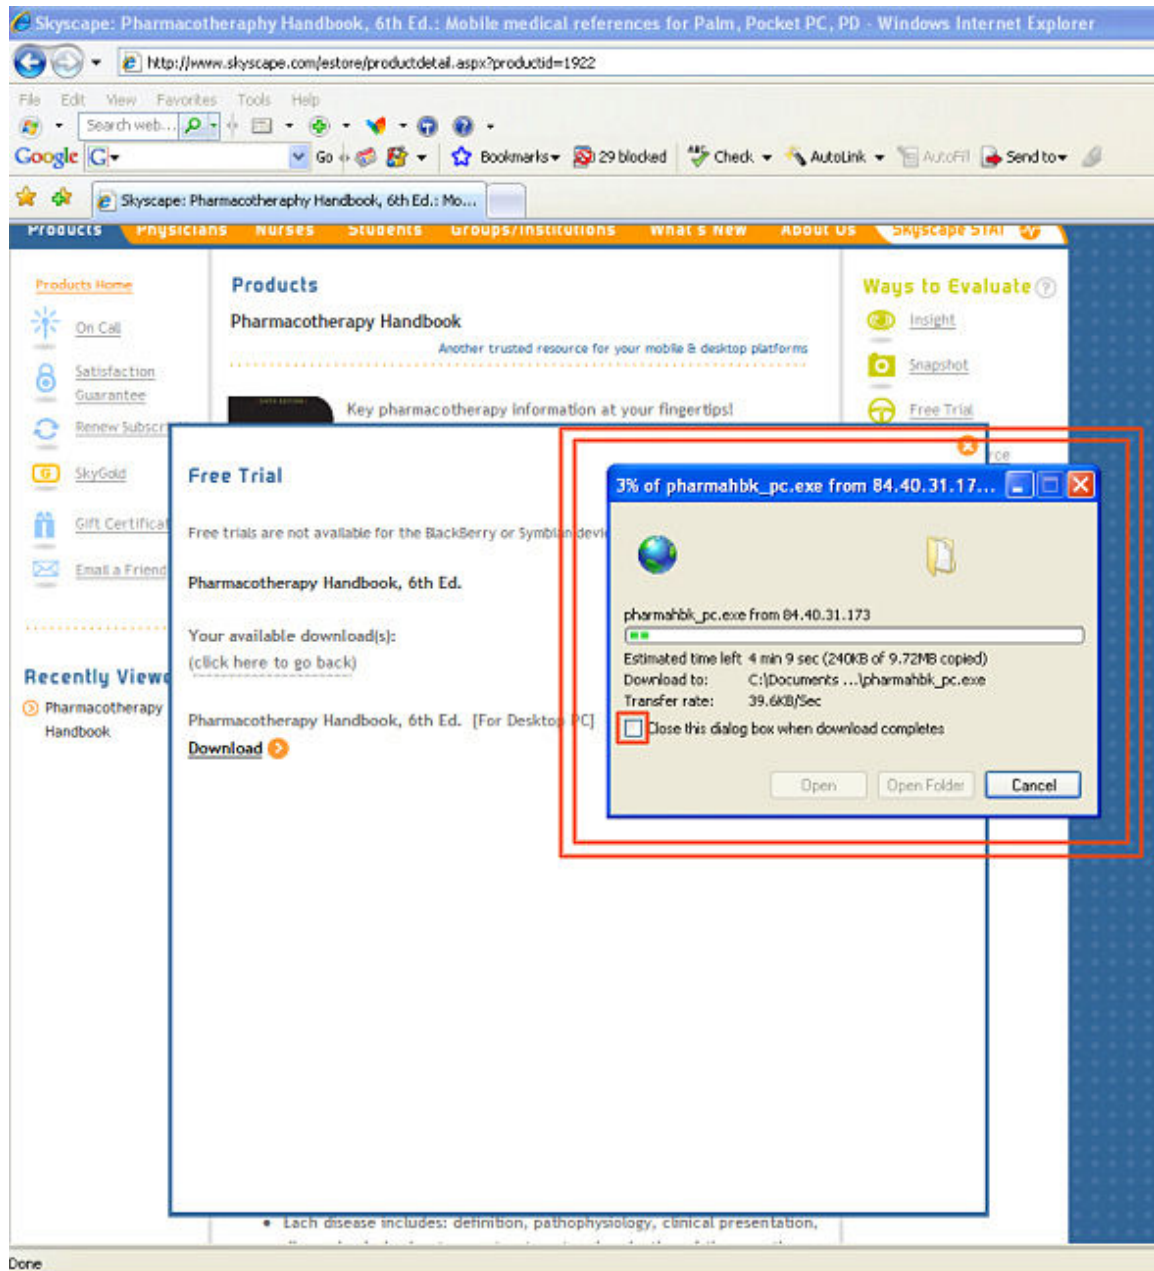

Then, it will prompt you asking if you're really sure you want to download the file. The file name should appear as: **PRODUCTNAME_pc.exe**
If the file name is correct, click "Save."

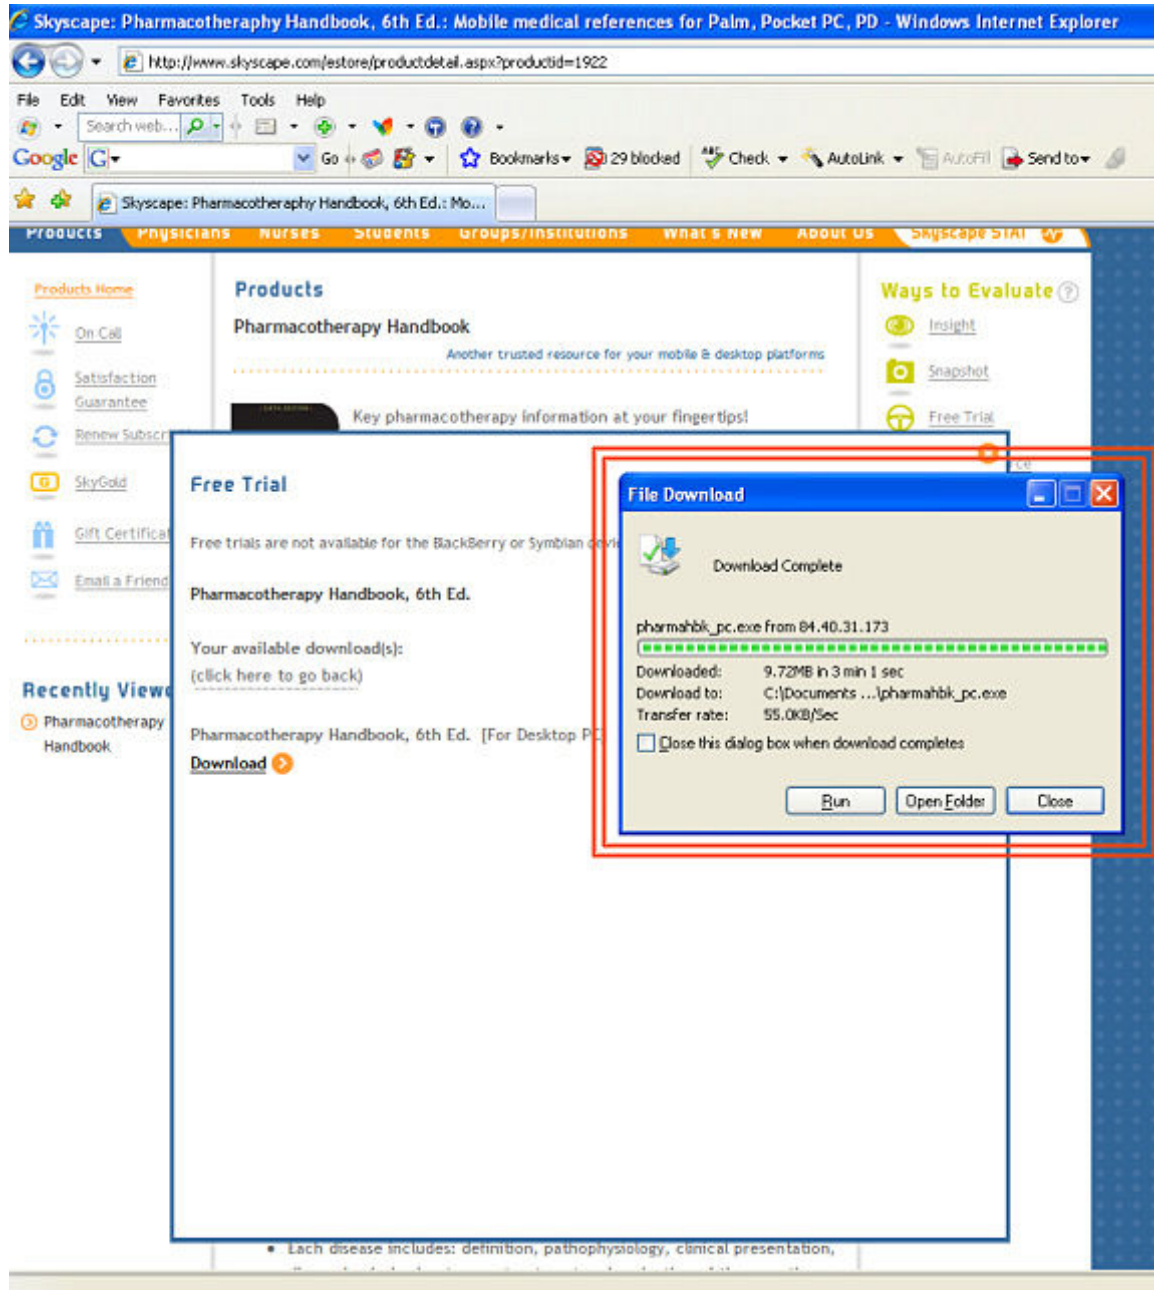

Choose a location to put it on your computer. We recommend that you save it directly to your desktop so it will be easy to locate. Click "Save."

Then, the download will begin.
Be sure to unclick the box that says "Close this dialogue box when download completes."

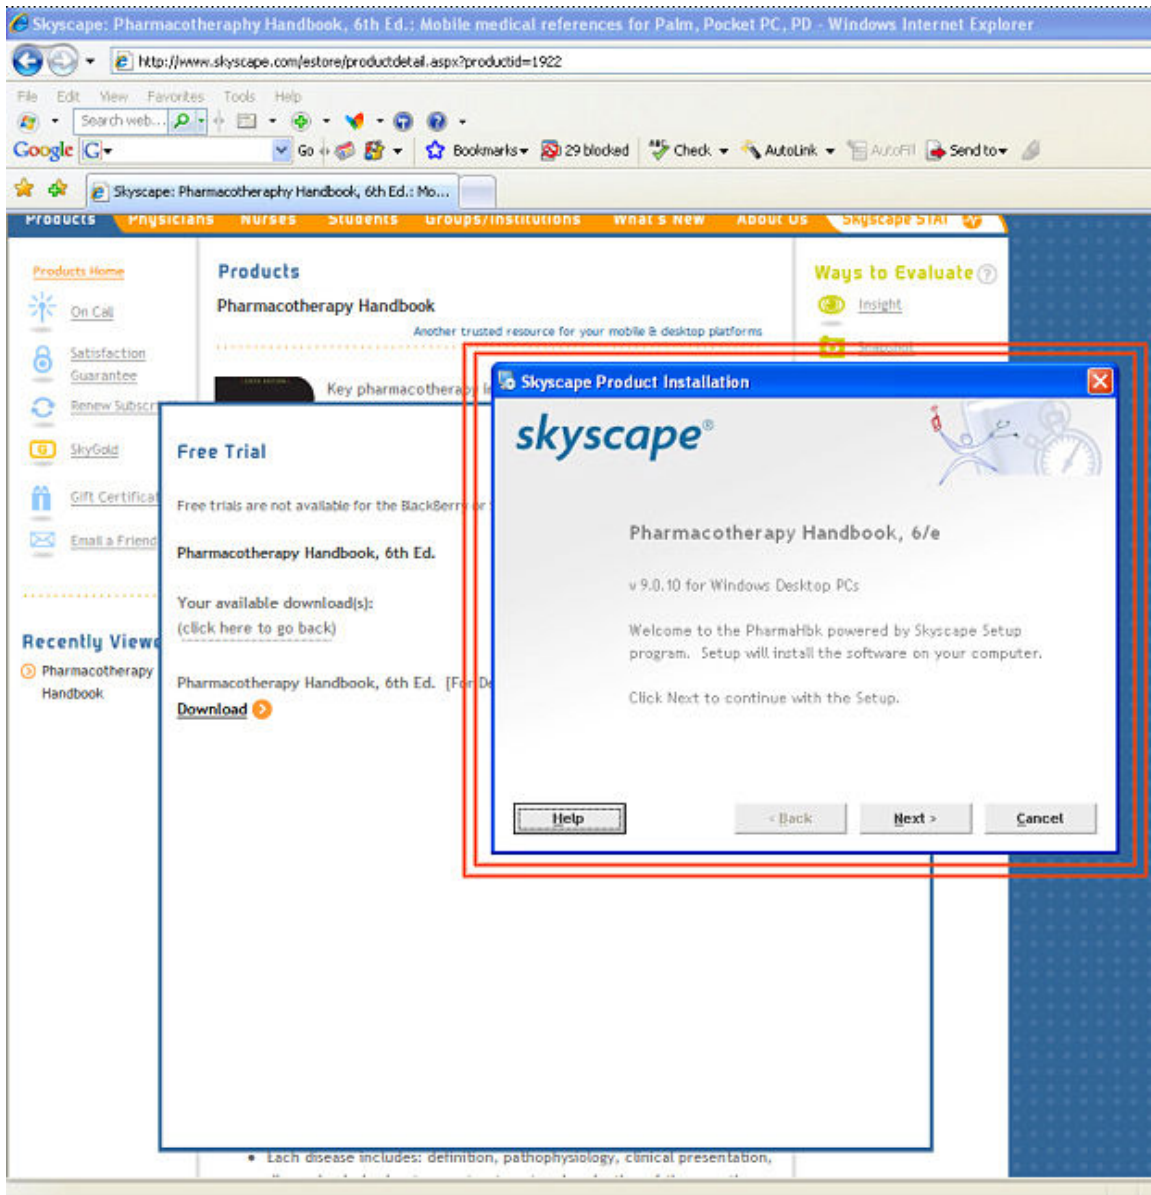

Once the download finishes, if you are ready to commence the installation, click "Run" and run the installation. If not, you can click "close" and access it later by clicking on the link to the installation software on your desktop.

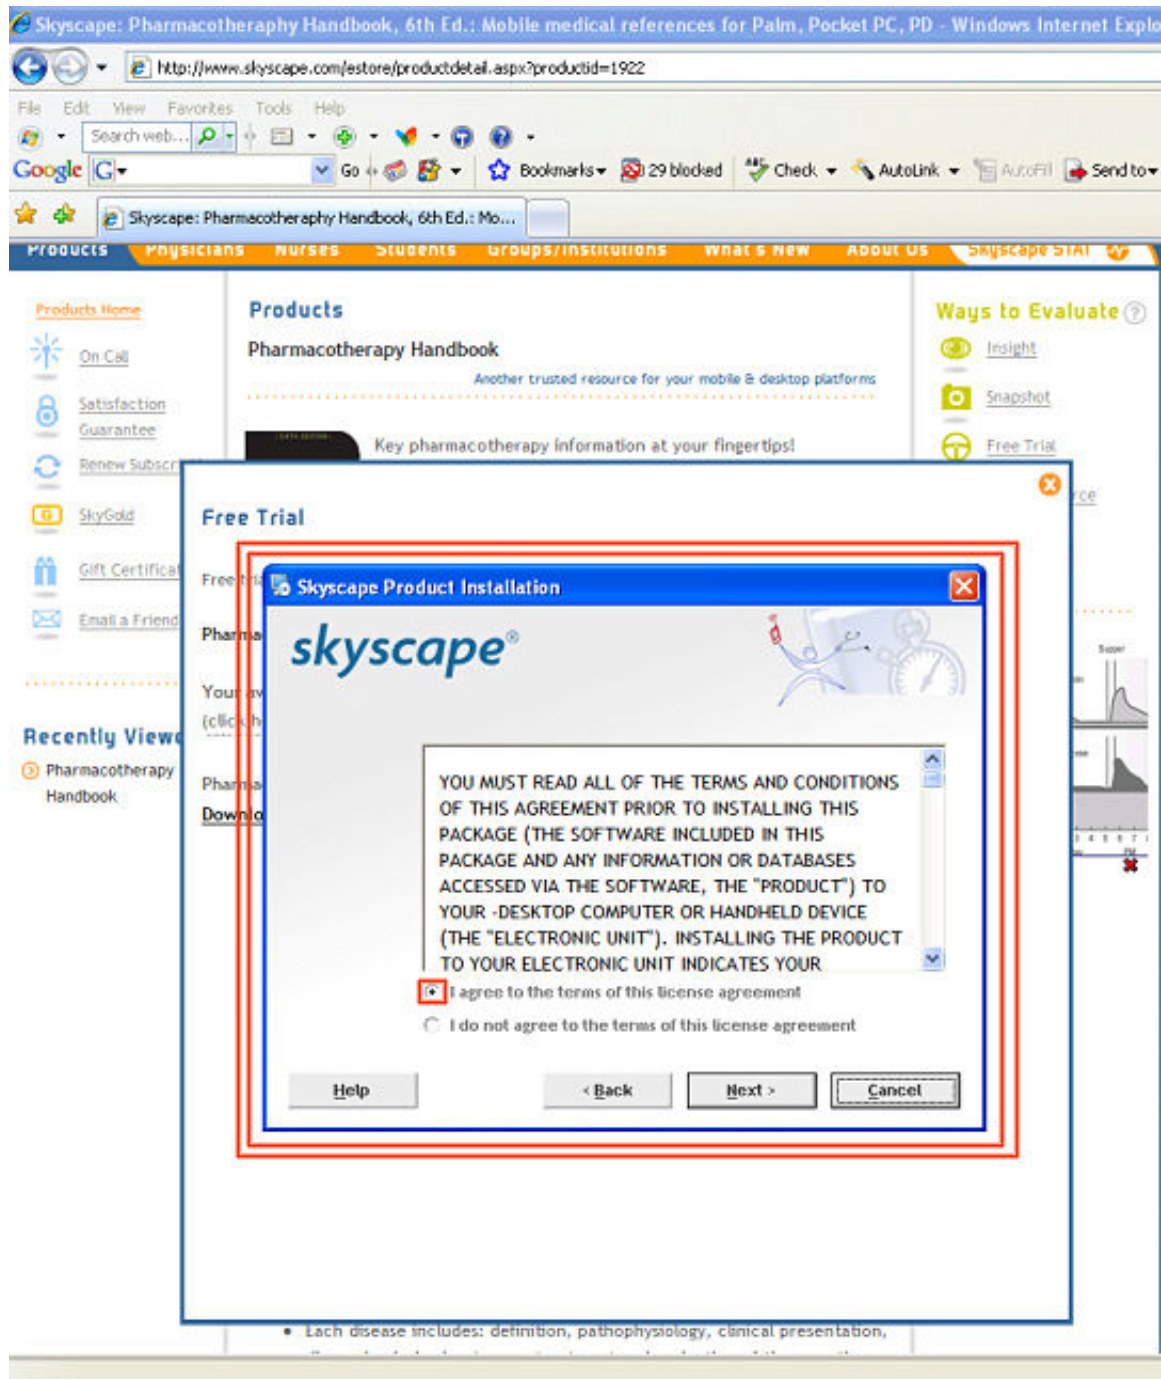

Step 2: Setup Onto Your Desktop

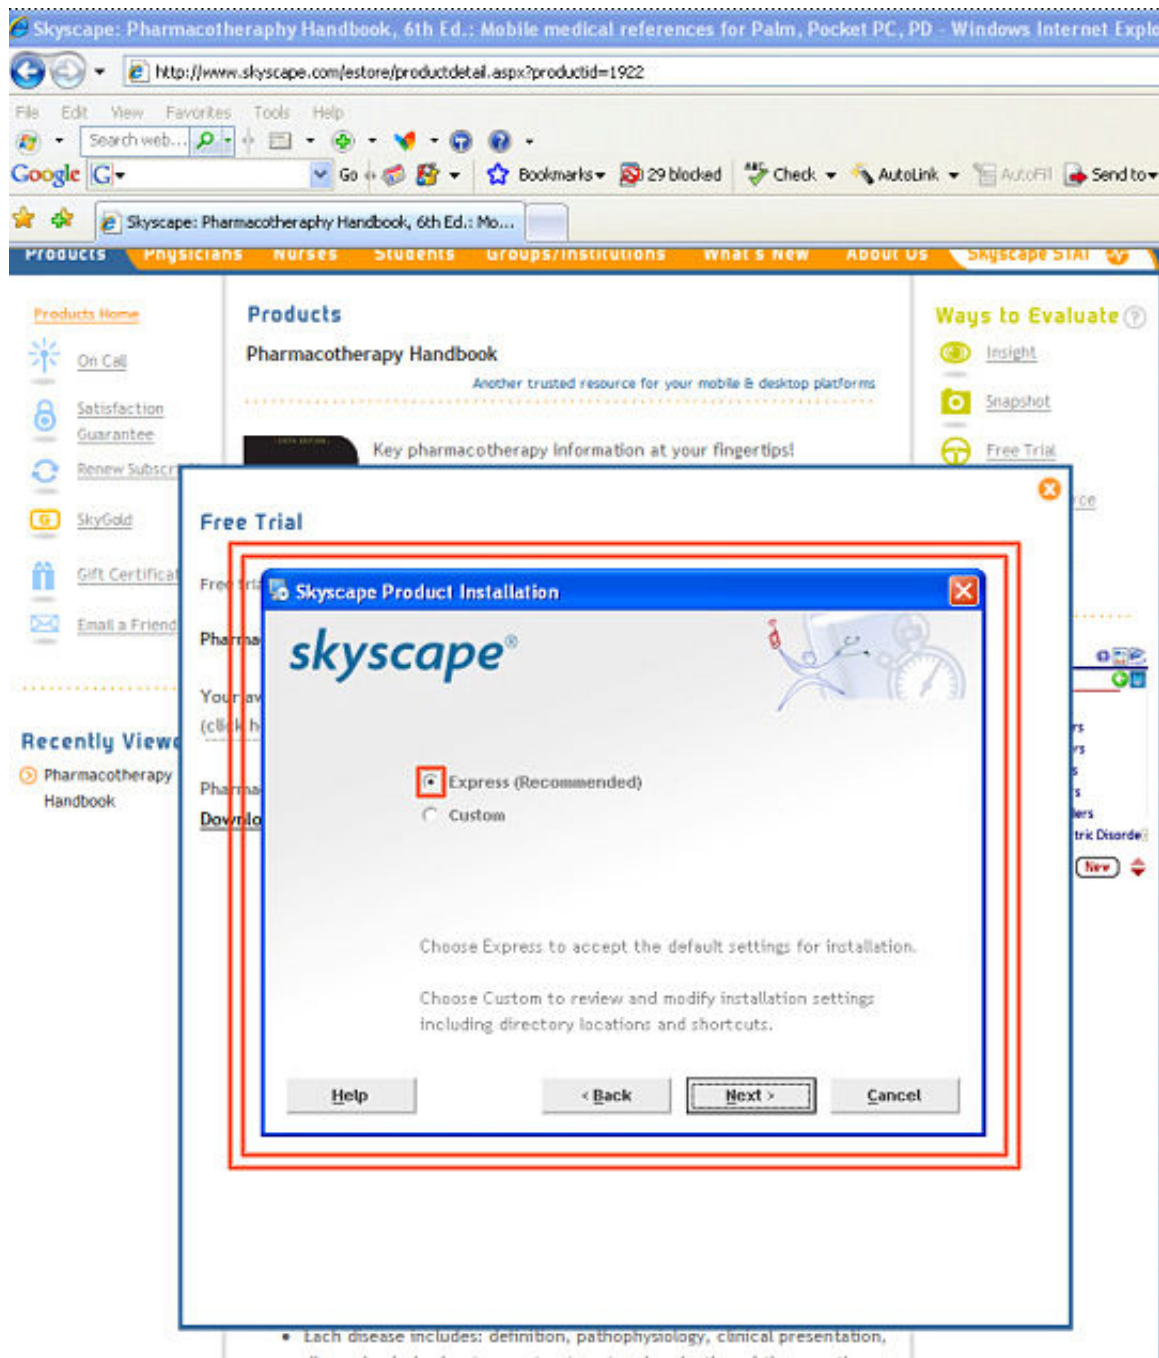

The installation process will start and bring you to a series of prompts. Please ensure that the software you downloaded is the proper software for the Windows Desktop PC.

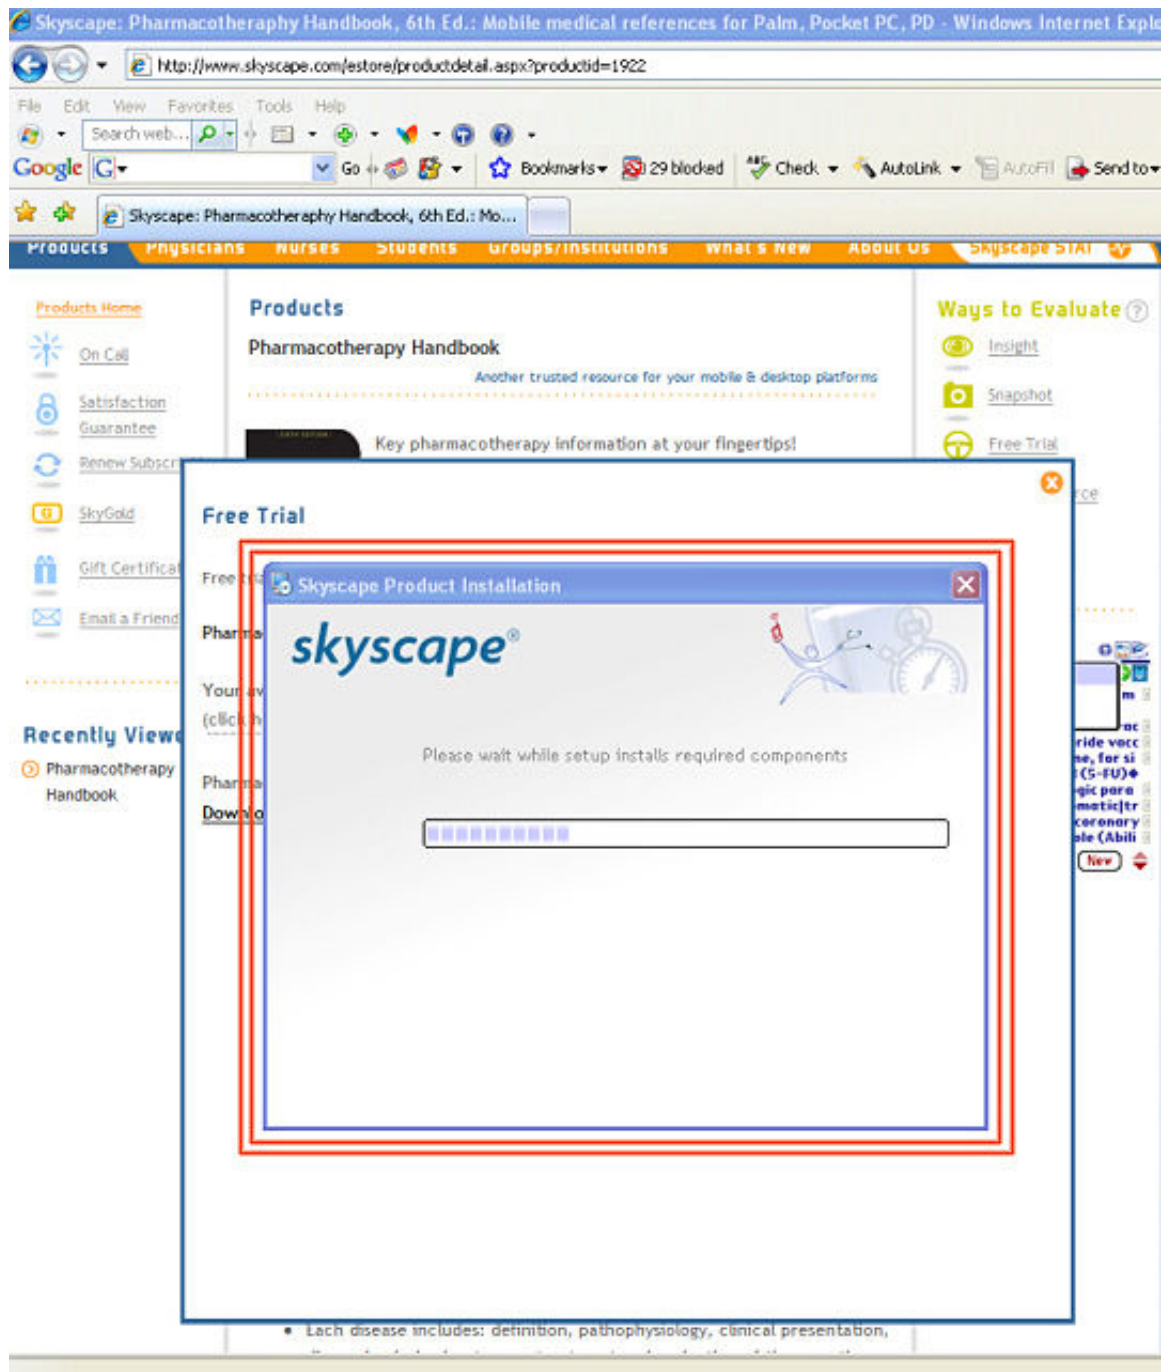

Read the agreement and select "I agree;" then click "next."

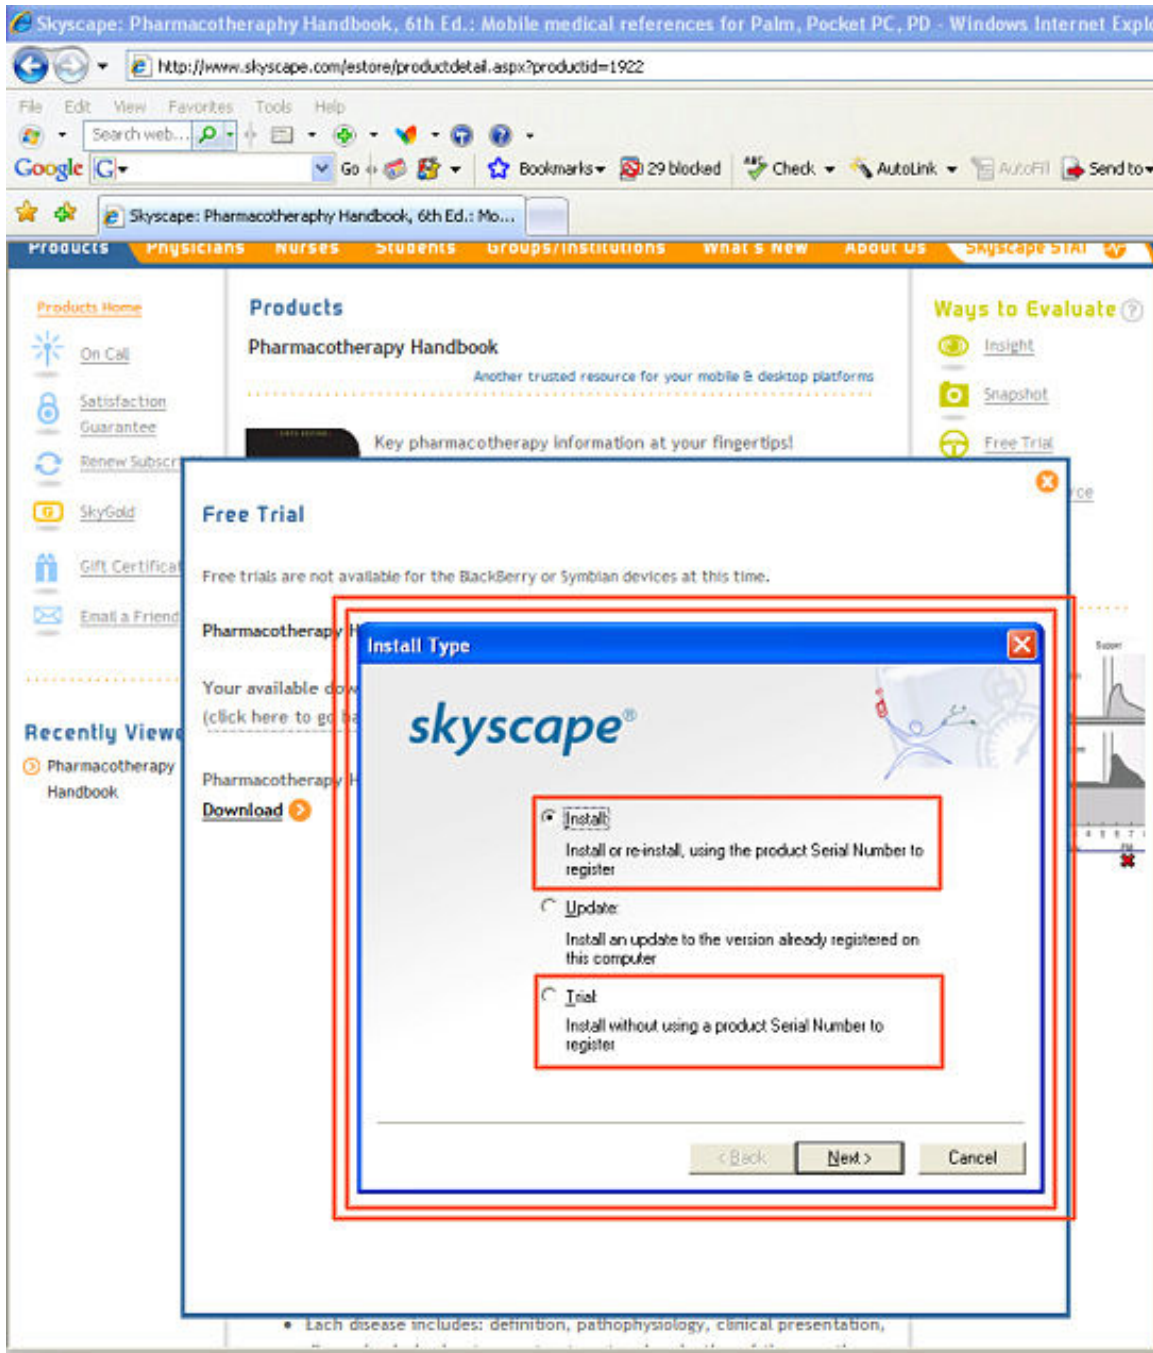

On this screen, you will be asked whether you want to perform an "express" or "custom" installation. We recommend that you select the "express" option for ease and speed.

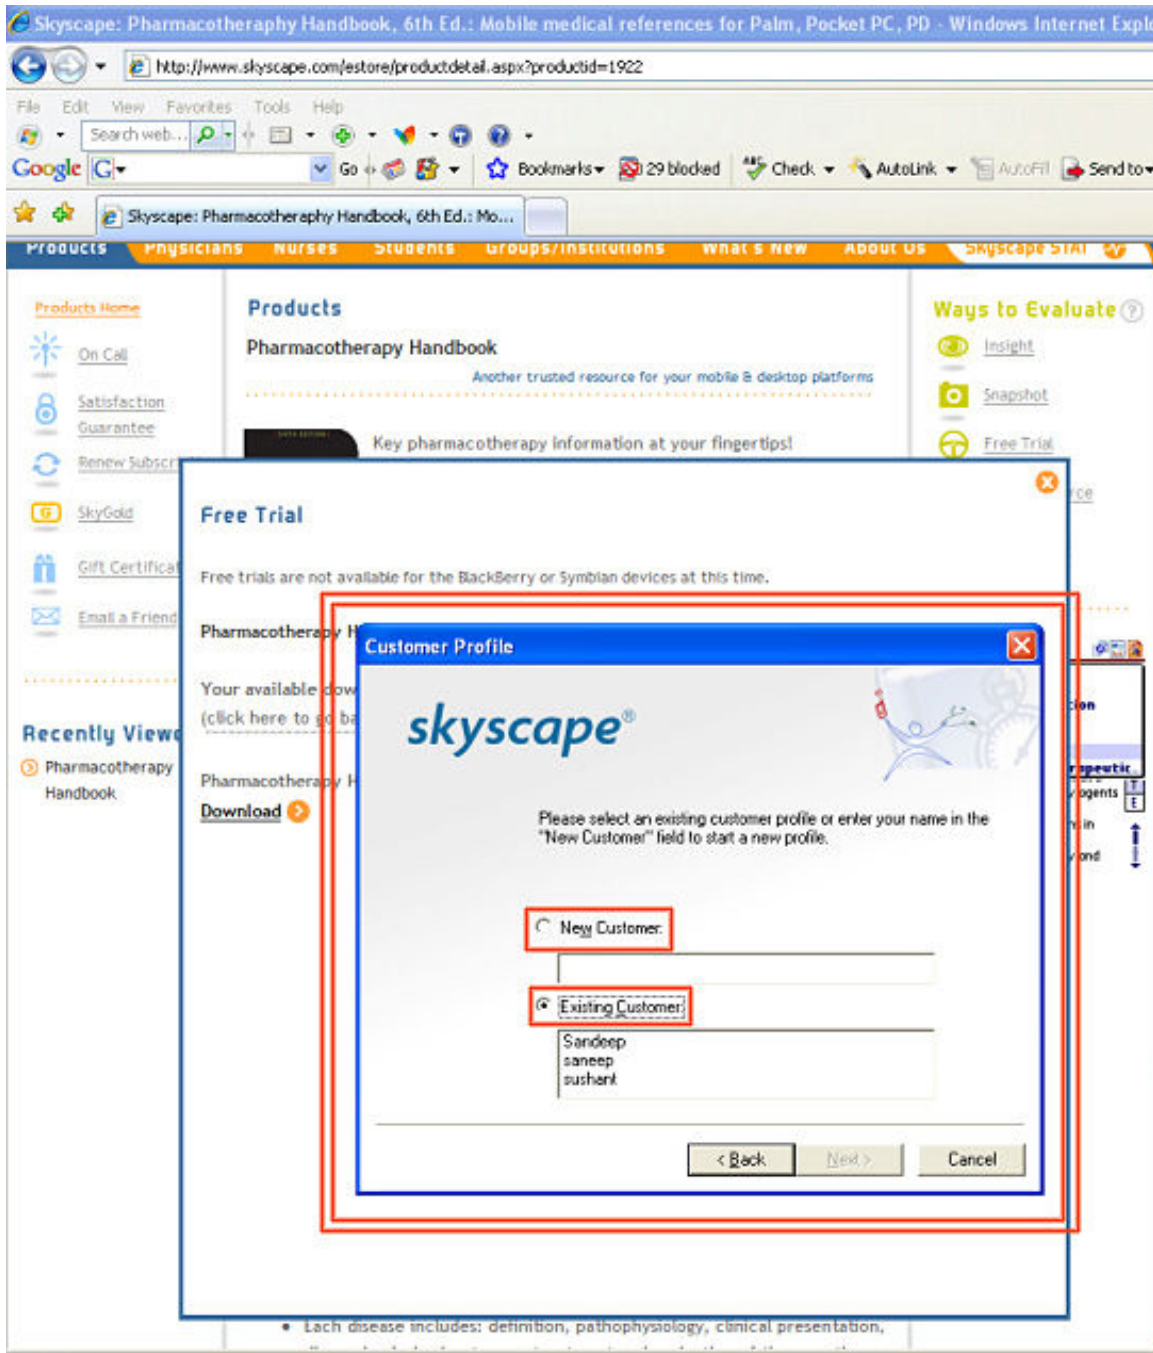

You will then see the files been extracted

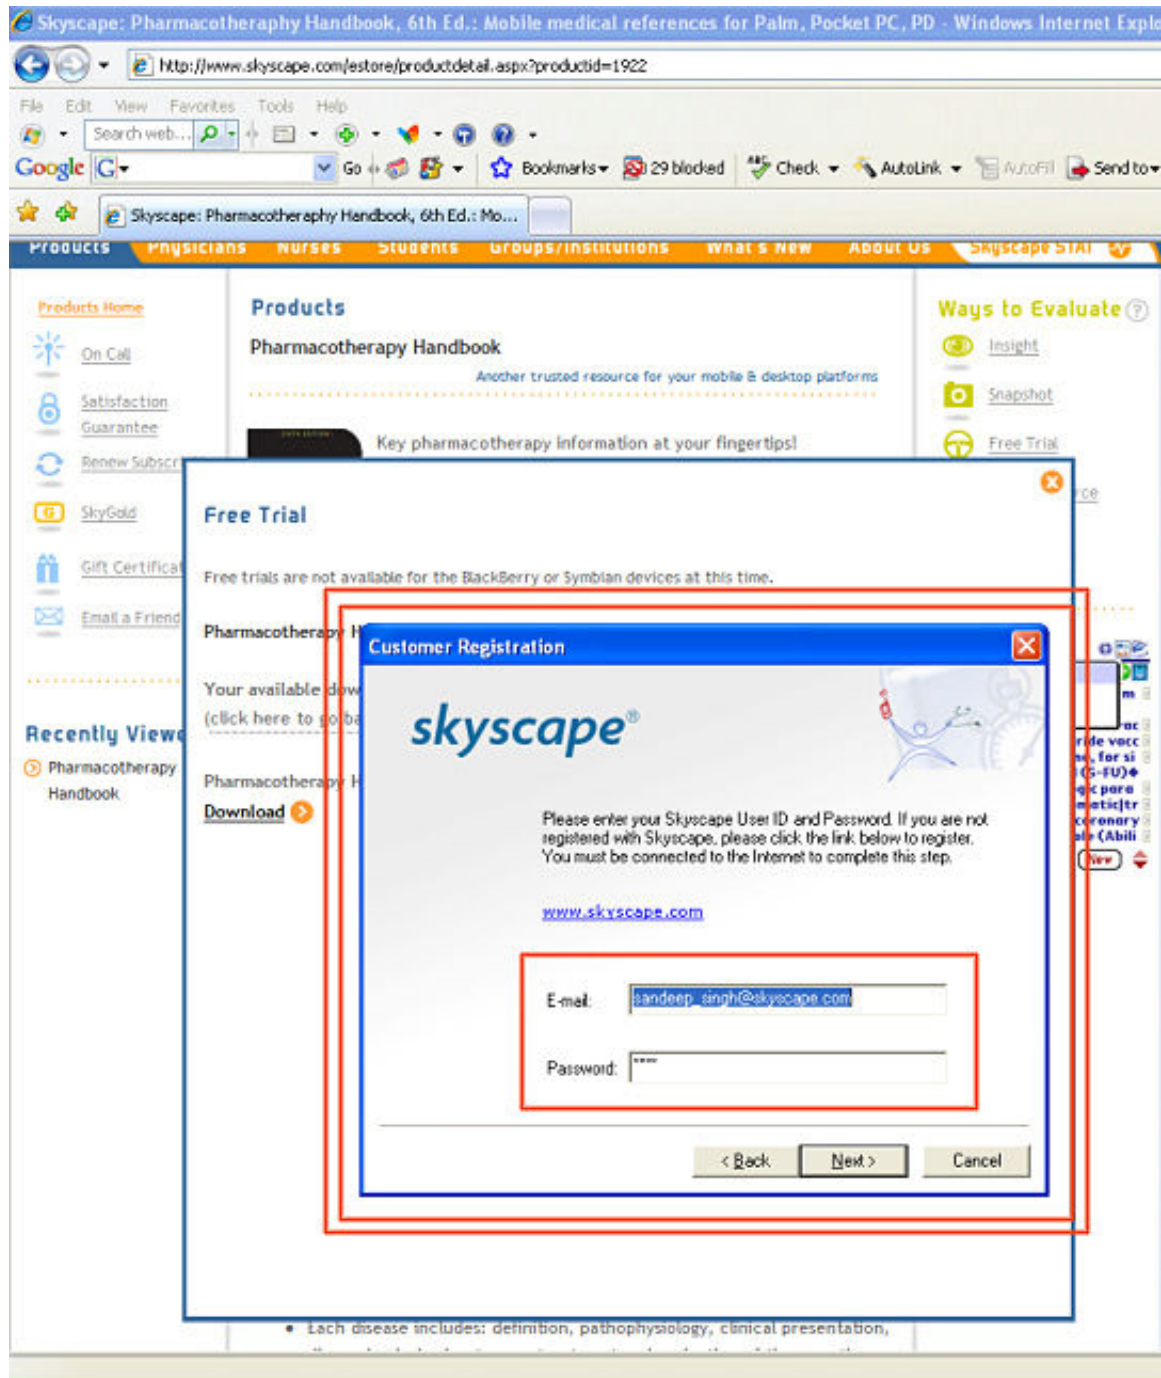

Select "Trial" if you wish to install the product in trial mode or else if you have purchased the product and have the product serial number, then select "Install"

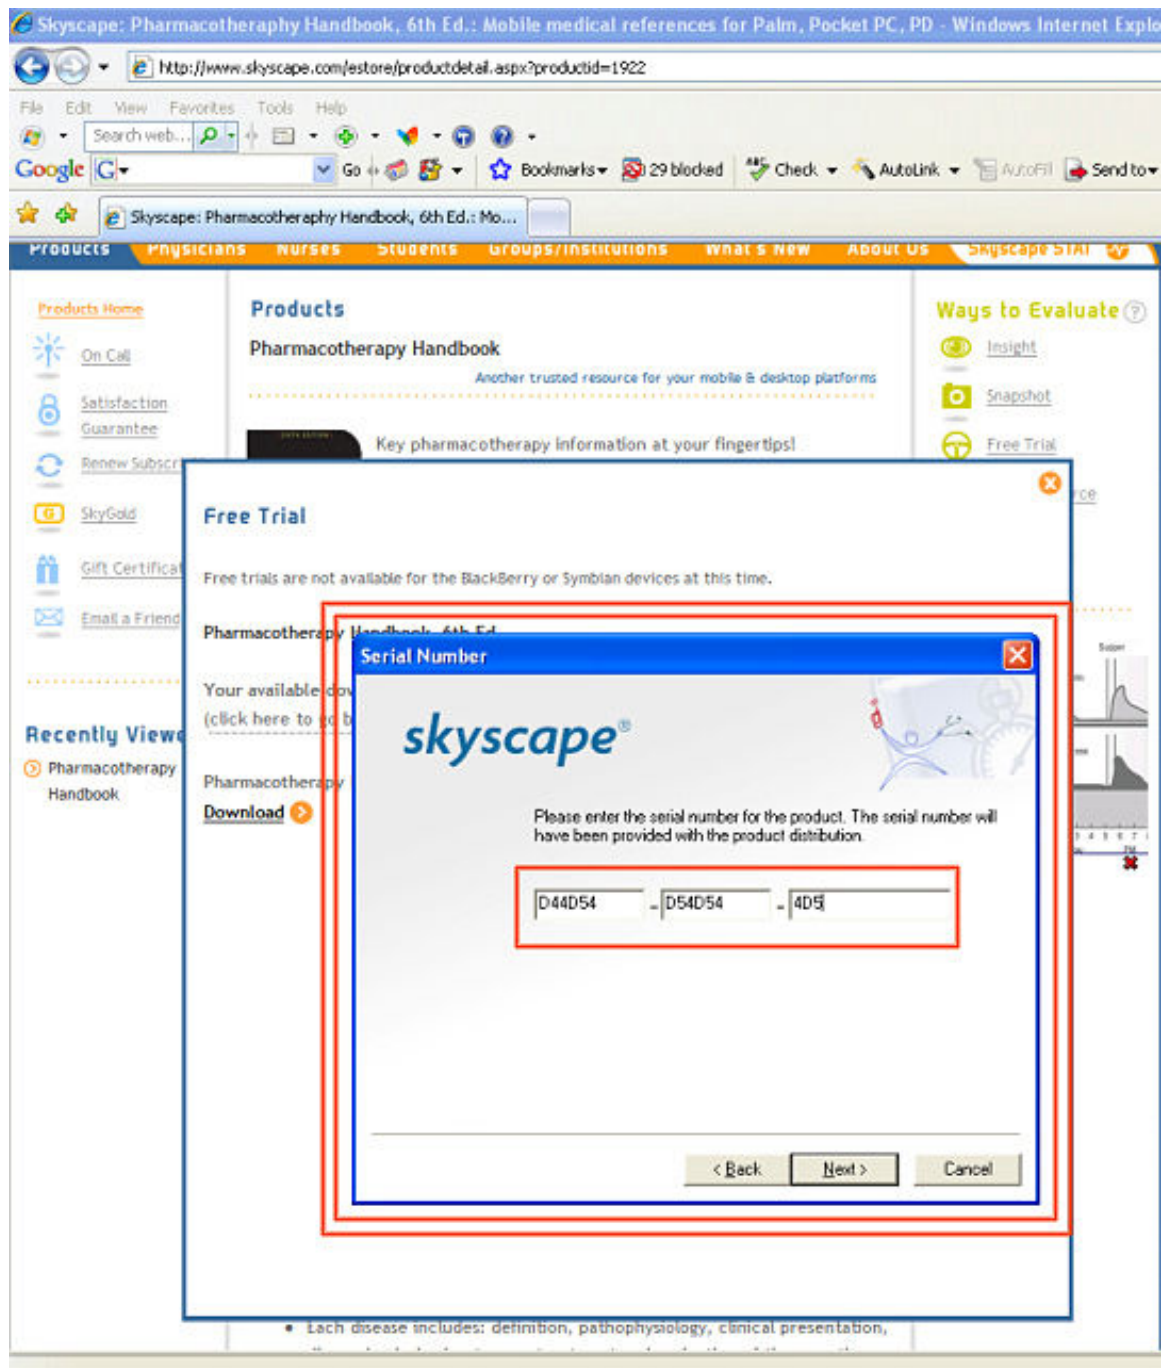

If your name appears on the list under the "Existing Customer" field, then select it and click "next." If not, list your name under "New Customer" as you did when you created your Skyscape profile.

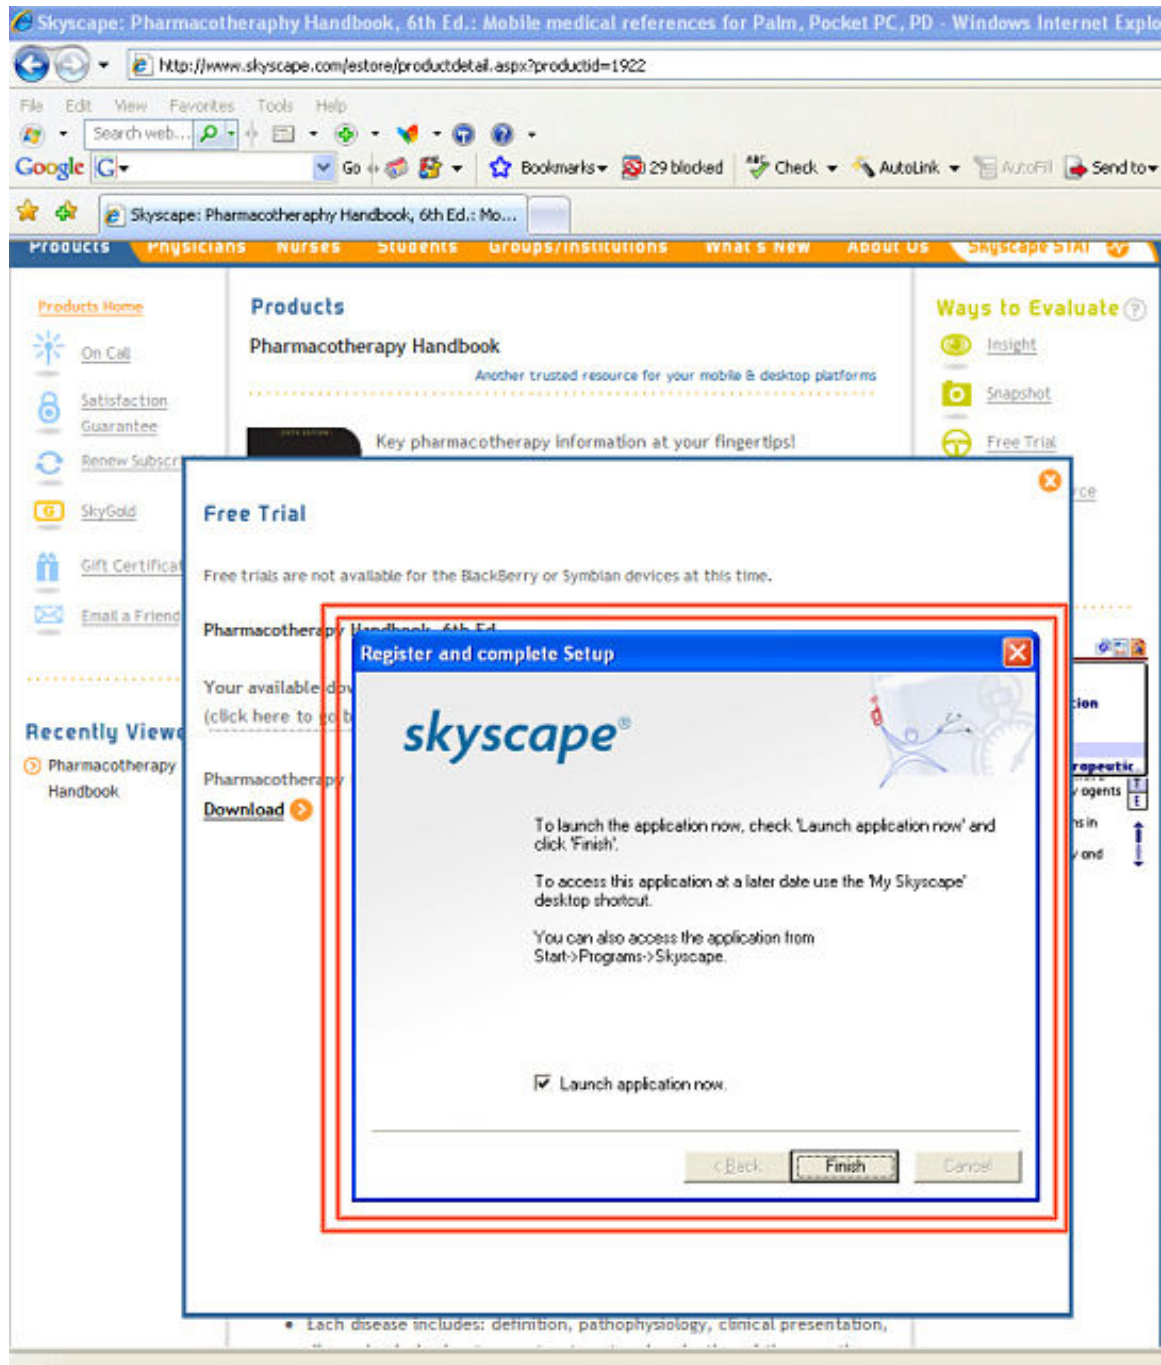

This next screen will appear where you have to enter your Skyscape e-mail and password and hit "next."

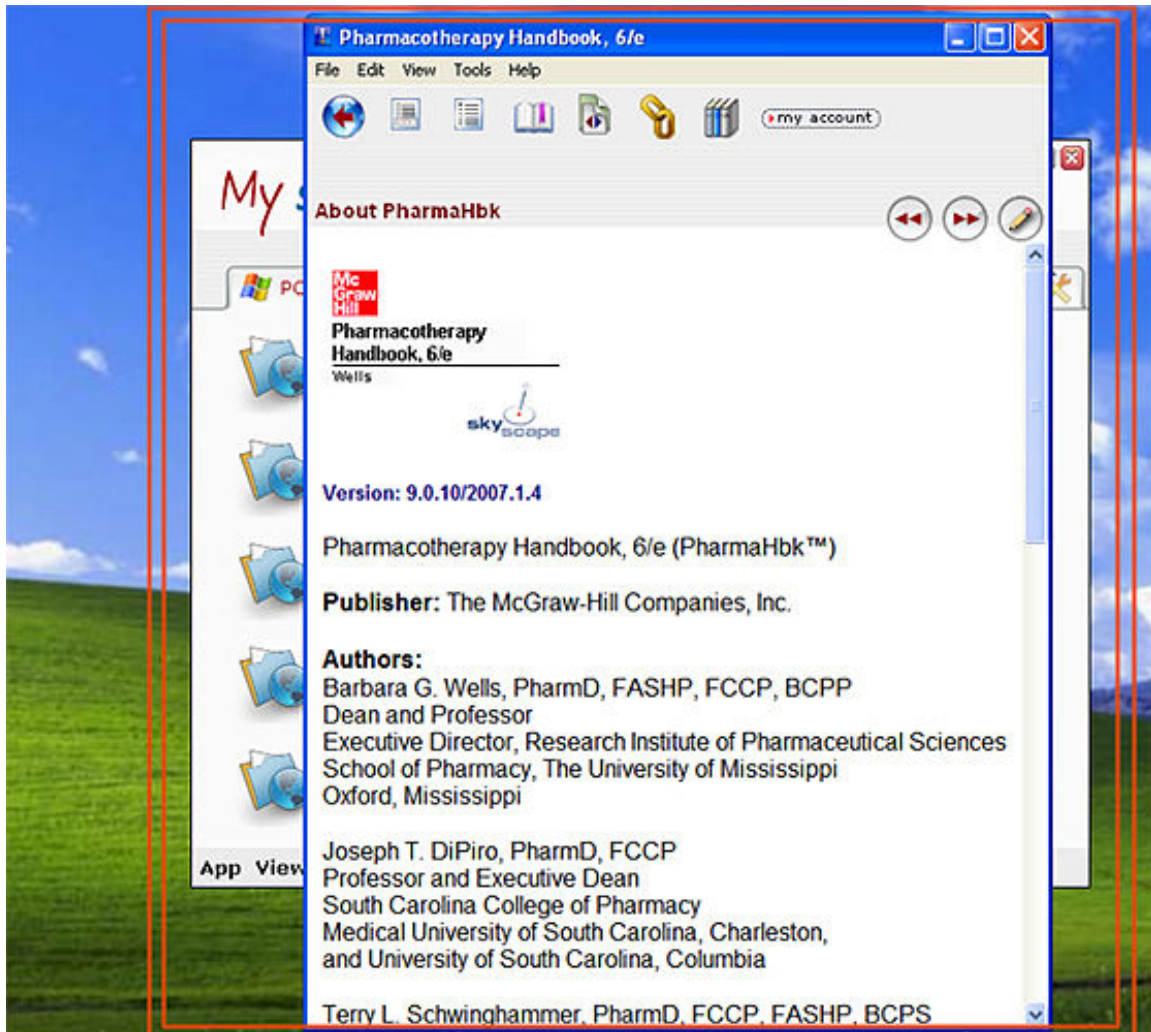

Enter product serial number and click Next

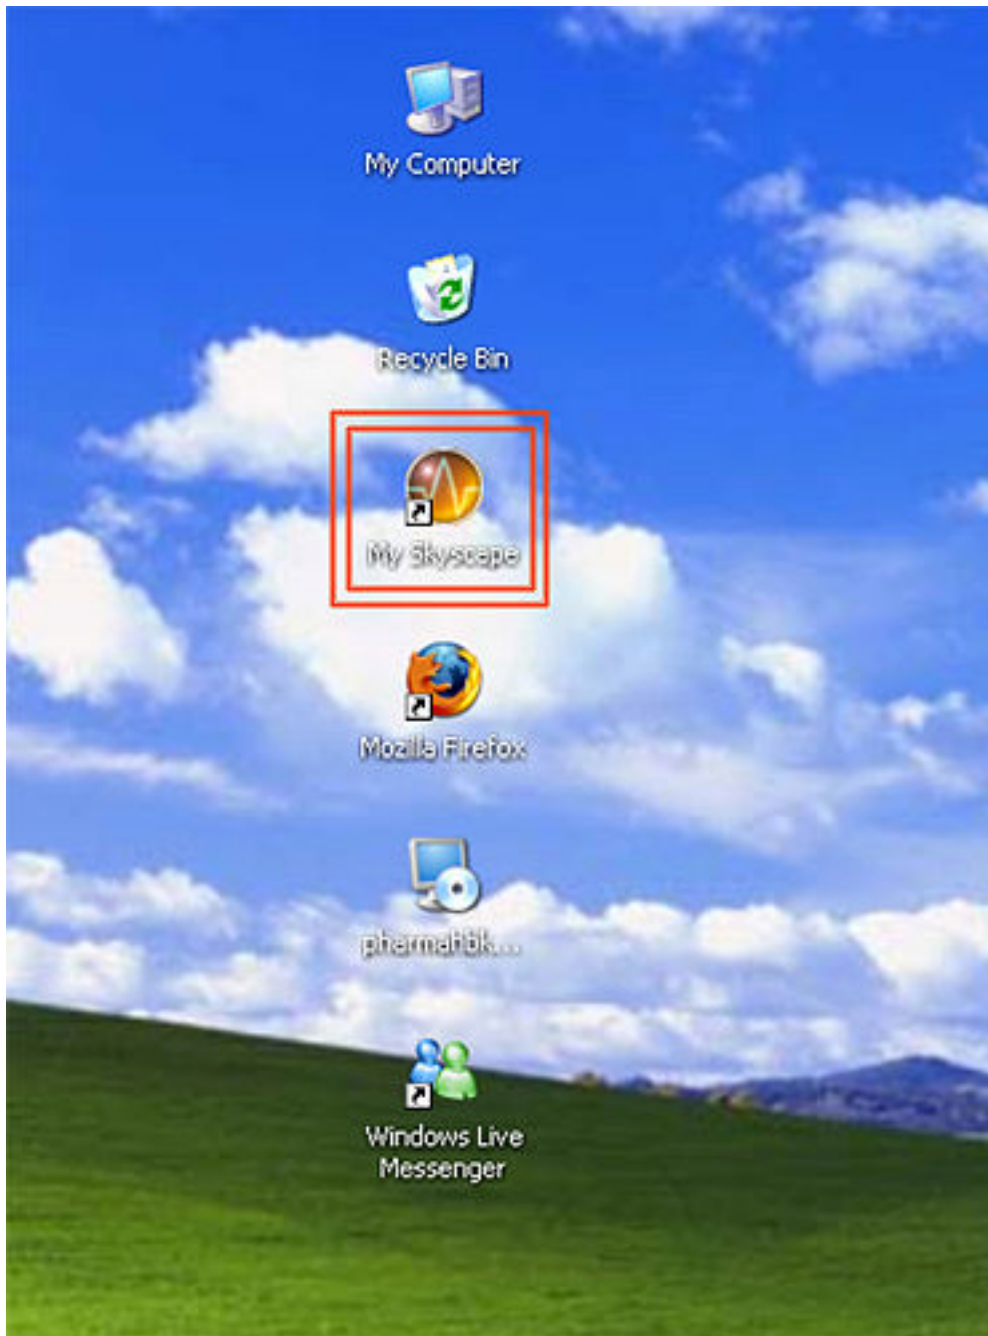

Follow screens to Register and complete Setup.

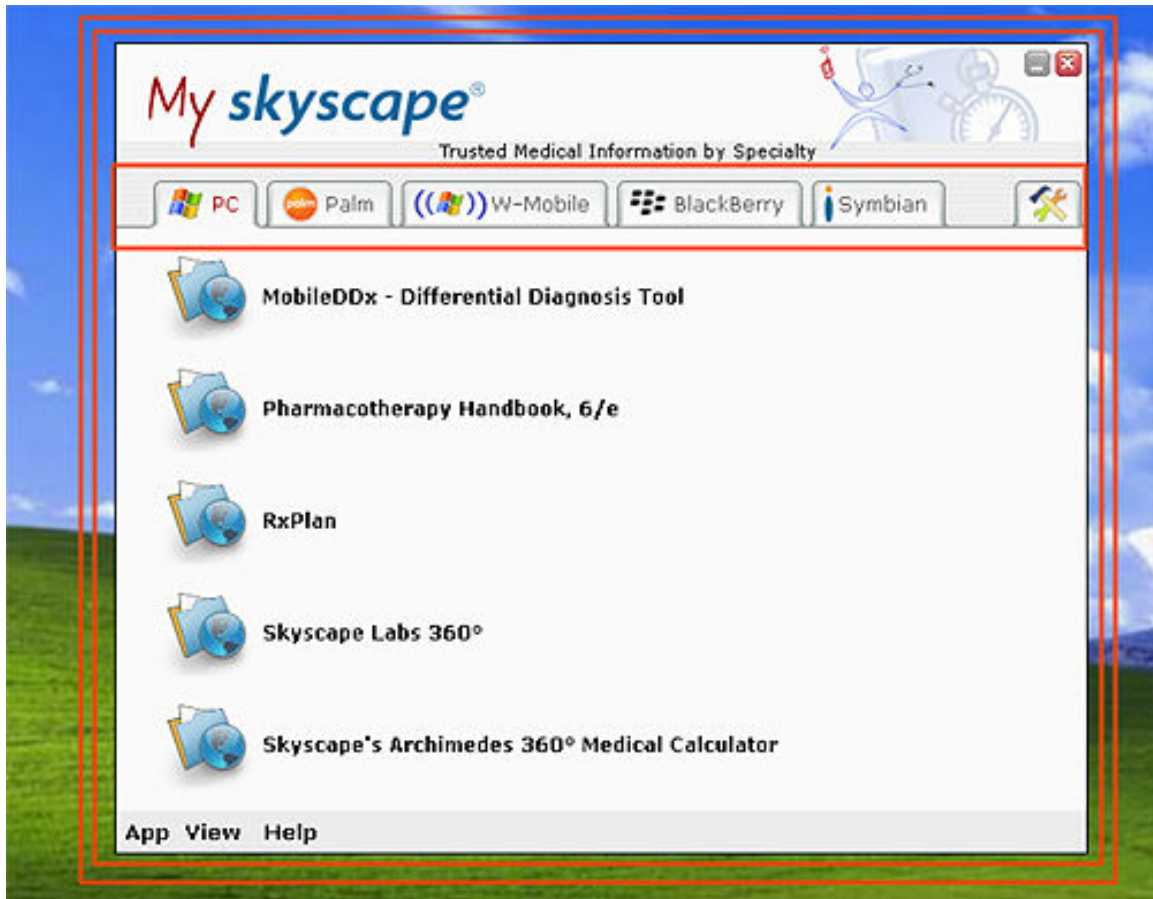

To launch the application now, check "Launch application now" and then click on Finish.

You can always access the program from My Skyscape Icon (Orange circled) shortcut on your desktop.

Once the My Skyscape icon is opened, please click on PC Tab under it and then try to locate your product listed there.

Register Your Product

If you have purchased the product: If you were connected to the internet at the time of the installation, you most likely will not see this screen. However, if you do encounter this, you will need to register your device to get the Unlock Code. In order to do this, go to www.skyscape.com/register. It will prompt you to login. Use the product's Serial Number as shown on your Order Receipt After you open the program on the PDA for the first time, it will prompt you for the Unlock Code. Simply enter it on the line and the product is ready to use!

If you are using a free trial version of a product: In our trial versions, most of the content is locked, but you can still view the full index to see what the program covers. Click "Try It." The full content becomes available if you purchase the program and are issued a Serial Number.

The screenshot shows a dialog box titled "Skyscape® Medical Library" with a close button in the top right corner. Below the title bar, the word "Unlock" is displayed in a large, bold, blue font. The main text reads: "Please enter your Unlock Code for Pharmacotherapy Handbook, 6/e and click 'Unlock' to view the full content." Below this text, the "Device ID" is shown as "W446R7R7PL". A red rectangular box highlights the "Unlock Code" input field, which is currently empty, and the "Unlock" button located directly below it. At the bottom of the dialog, there is a line of text: "To try this product click on 'Try It'", followed by two buttons: "Help" and "Try It".

Congratulations! You've finished the installation process.
