GSA Fleet Offerings

**Presented by: Bill Toth, Miguel Welanetz, John Marlow, Brian Moseley, Kyle Bromir, George Schaubhut, Jon DiPasquale, Joe Niewiadomski, Stephanie Gresalfi, and Stacy LoSchiavo**

**February, 2021**

# GSA Fleet Overview

**Value Proposition:** the right vehicle, at the right price, with great customer service and the data required for you to effectively manage your fleet.

**Offerings:** Three primary service offerings within GSA Fleet – purchasing, leasing and renting. Additional automated solutions and ancillary services provide a complete fleet management solution.

Highlights					
	FY2016	FY2017	FY2018	FY2019	FY2020
Vehicle Purchases	53,013	50,111	47,928	49,808	49,731
Leased Inventory	209,746	210,544	217,123	221,942	225,260
Vehicle Rentals	16,777	20,719	25,886	31,859	29,849
Equipment Rentals	529	1,375	1,848	1,787	2,214

# Training Agenda

# Leasing Acquisition

Presented by Miguel Welanetz

# Leasing Acquisition Overview

- Annual process to refresh our leased fleet by ordering both replacement vehicles ready for refresh, and additional vehicles for changing missions.
- Begins with Customer Acquisition Module (CAM) vehicle selection/approval process.
- Once CAM selection/approval process is complete, orders are created and sent vehicle vendors.
- Timely completion of the ordering process is critical to successfully maintaining our leased fleet.

# CAM Process Update

- The CAM deadline for all Headquarters-level approvers to complete their vehicle selection approvals is today, **February 23**.
- As of today, **90%** of all vehicle selections have reached the HQ level or beyond.
- It *may* be necessary to auto-forward CAM selections from the HQ level to ensure timely ordering.
- HQs - remember to check the HQ Summary Screen for estimated incremental spend!

# CAM and Vehicle Closeouts

- CAM approvers all levels should make selections as soon as they are received - there is no need to wait!
- It is imperative that we place vehicle requisitions as soon as possible to avoid potential manufacturer model and option closeouts and price increases.
- Our [Vehicle Availability Listing](#) is always updated with the latest closeout dates.
  - ***For leasing customers only!*** Please note we must send all orders the **day prior** to the actual closeout date to ensure order placement.

# Law Enforcement (LE) Upfits

- **12 upfit packages in FY21**
- Packages for SINs 17, 10B, 105A, 96B, 99, 55, 100L, 55C, 57, 57A, 59A
- **Consolidated** types:
  - Marked, unmarked, K9
- **Added** “à la carte” LE options for flexibility
- GSA Fleet LE Team working with LE customer HQs to establish FY21 LE ordering guidance
- Beginning to order “first builds” for design reviews
- FedSLEVES held annually.
- Questions to: [gsafleet.lawenforcement@gsa.gov](mailto:gsafleet.lawenforcement@gsa.gov)

# Maintenance and Accident Services

Presented by John Marlow

# Customer Support Available 24/7

- During Business Hours:
  - Vendor payment, repair services, driver support for maintenance and accident services
- After Hours:
  - Partnership between WEX and GSA Fleet
  - WEX coordinates lost GSA Fleet card, vendor payment, and emergency repair services, etc.
  - After hours repairs authorized up to \$500
    - GSA Fleet personnel on standby to approve costlier repairs

# Maintenance Management Services

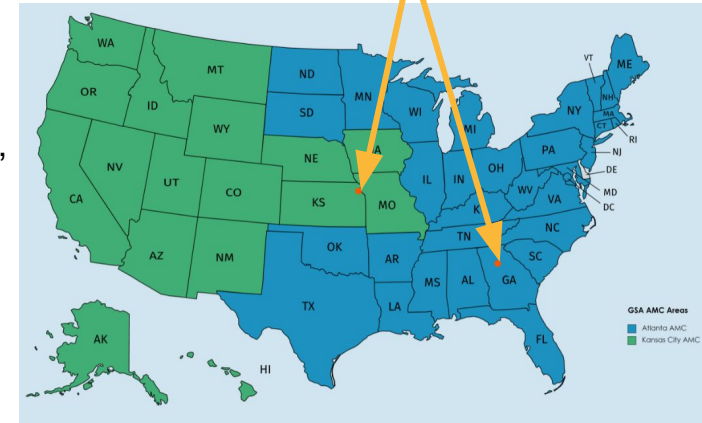

## (1-866-400-0411, Option 1)

- Expertise to customers on authorized repair facilities and maintenance questions or concerns
- Negotiate and authorize vendor repairs and services for GSA Fleet leased vehicles
  - Vendors must contact the Maintenance Control Center for prior authorization of any repair OVER \$100 and for tire, battery, and glass
- Electronic Maintenance Authorizations
  - Saves time on repairs and authorizations
- Hours: 7:00 a.m. - 8:00 p.m. (ET)

# Accident Management Services

## (1-866-400-0411, Option 2)

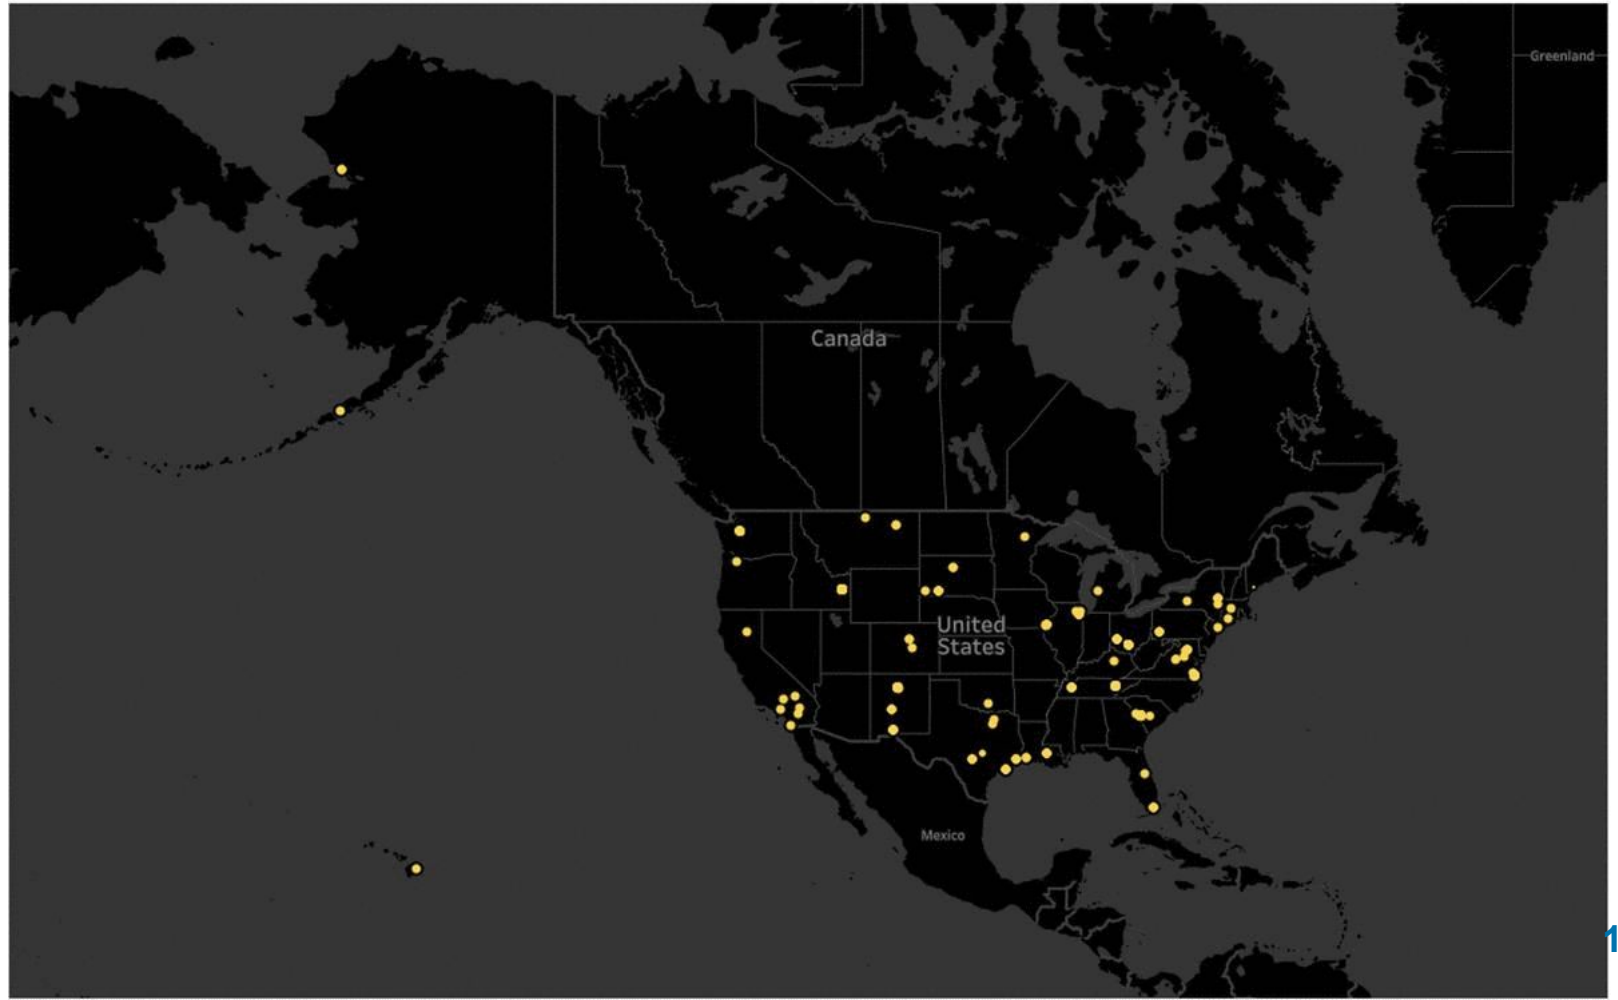

- Expertise on accident repairs to reduce govt costs
- Assist in determining authorized repair facilities
- Handle all Third Party Claims
- Operators should notify GSA within one business day of an incident or accident
- Two Locations open 7:00 a.m. - 7:00 p.m. (ET):
  - Atlanta Contact Center
    - Serves Eastern and Central Time Zones, excluding Iowa, Kansas, Missouri and Nebraska
    - (866) 400-0411 - Option #2, then #2 - [atl.amc@gsa.gov](mailto:atl.amc@gsa.gov)
  - Kansas City Contact Center
    - Serves Mountain and Pacific Time Zones, Iowa, Kansas, Missouri and Nebraska
    - (866) 400-0411 - Option #2, then #3 - [kc.amc@gsa.gov](mailto:kc.amc@gsa.gov)

# Fleet Services Card

Presented by Brian Mosley

12:00 AM

# Saving Agencies Resources

- Loss Prevention Team
- SmartPay® contract oversight
- OMBA123 Appendix B compliance
- Fleet card audit support
- Saves money through tax reclamation and refunds
- Data for reporting requirements (FAST)
- New technology and innovation

# Everything You Need to Know

Tax exempt remind vendors

Enter correct odometer readings

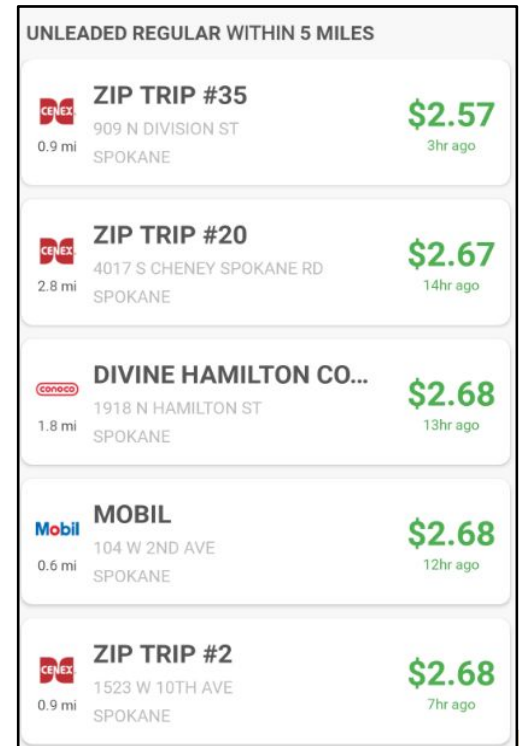

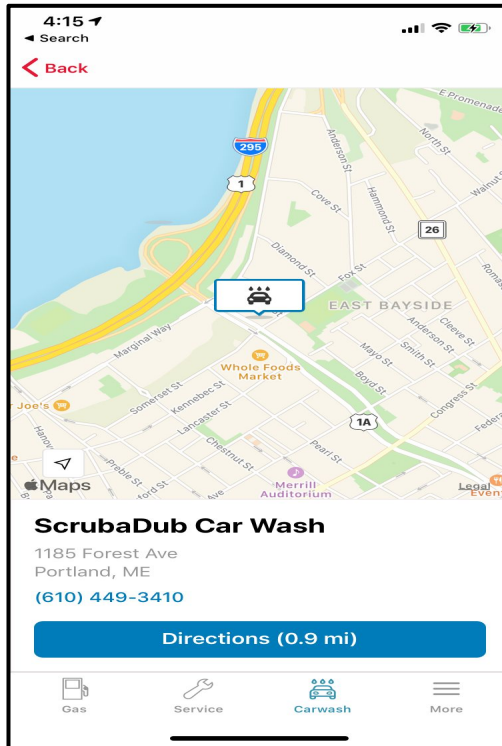

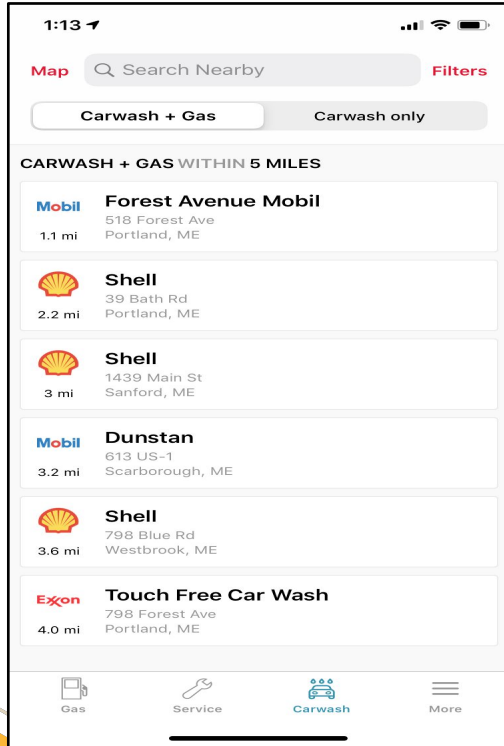

One card per vehicle/ One driver ID per card

Service for fueling issues and repairs under \$100

GSA MCC/AMC for repairs or accident approvals over \$100

# WEXConnect App®

(available on both Google Play® and iOS Apps®)

# Everything Else You Need to Know

The screenshot shows the GSA Fleet Drive-thru website interface. At the top is a blue navigation bar with dropdown menus for Vehicle Fleet Data, Reports Carryout, Account Maintenance, Customer Guides, and Training. Below this is a 'Main Menu' section with the heading 'Welcome to GSA Fleet Drive-thru'. The main content area is divided into two columns: 'Vehicle Fleet Data' (blue header) and 'Reports Carryout' (orange header). The 'Vehicle Fleet Data' column contains a car icon and a list of links: Customer Acquisition Module, Customer-Driven Data (CDD), Fleet Card Replacement Ordering, FTP Monthly Mileage Upload Tool, Mileage Express, PM Express, and SpeedPay. The 'Reports Carryout' column contains a bar chart icon and a list of links: Scheduled Reports, Agency Incurred Expense (AIE), CRASH, Customize Inventory Report, Fuel Use Report (FUR), GSA Fleet FAST Data Center, and Preformatted Inventory Report. Three callout boxes with arrows point to specific items: 'Card Driver Training' points to the Training menu; 'Card Ordering' points to Fleet Card Replacement Ordering; and 'Transaction Data' points to Fuel Use Report (FUR).

# When in Doubt...Consult the Directions

**wex** WEX Card Acceptance

## US drivers, download the Free WEX Connect Mobile App now! Available for iPhone and Android

Quickly find fuel and maintenance locations in your area. The WEX Connect app is easy to use, offering maps and directions, and includes current fuel prices anywhere in the U.S.

## How to Pay at the Pump

1. Make sure the station accepts the card.
2. Check mileage before turning off ignition.
3. Insert card and follow pump instructions.
4. Enter Driver ID, remember to remove alpha characters.
5. Enter odometer reading/current mileage.
6. Choose the proper fuel for your vehicle and begin fueling.

## How to Obtain Maintenance

For transactions under \$100, present card for swiping. For transactions over \$100, call: **GSA Fleet Assistance Centers (TITLE) 1-866-400-0411**

- PRESS 1**  
Mechanical, tires or battery (MCC)
- PRESS 2**  
Accident, body or glass damage (AMC)
- PRESS 3**  
Vendors closing prior authorization
- PRESS 4**  
Customers with WEX card issue or under \$100 maintenance
- PRESS 5**  
Vendors with a payment problem
- PRESS 6**  
New GSA Fleet vendors

AC Delco	Dodge BusinessLink*	Netcost Auto Glass

DaimlerChrysler*	GM Goodwrench*	Quaker State
Diamond/Triumph Auto Glass	Harmon Auto Glass	STS Tire & Auto Center
	Midas	Wash Depot

\*Limited dealer participation

## Card Not Working?

If you are at a fuel or service location that does not accept the WEX, Inc. card, ask the merchant to phone the below number for an alternative form of payment, 24/7:

**1-866-939-4472**

## Alternative Authorization Instructions

U.S. or International Fuel and Service stations that do not accept WEX cards can still process a transaction for a WEX customer by calling WEX at:

**1-866-939-4472**

for an out-of-network authorization.

Be prepared to provide the following information:

- Account #
- Vehicle #
- Card expiration date
- Driver ID
- Vehicle odometer reading
- Total amount of transaction
- Merchant contact information

For authorized transactions, WEX will provide payment.

**GSA** U.S. General Services Administration

## GSA Fleet

## Fleet Services Card User Guide

## User Responsibilities

In accordance with FAR 13.301, the governmentwide commercial Fleet Services Card is authorized for the purchase of fuel, maintenance and repair for GSA Fleet leased vehicles. You are the Government's agent for each purchase made with the Fleet Services Card. As such, you must comply with all applicable regulations and procedures of GSA Fleet and your agency/organization. All transactions are closely monitored by GSA Fleet. Drivers may be prosecuted and held personally liable for fraudulent use of the card. If you are uncertain as to whether a purchase is authorized, ask your Fleet Manager.

- Use only the Fleet Services Card assigned to that specific vehicle.
- Use the card to purchase oil, fluids and other necessary maintenance and repairs only as authorized.
- Purchase regular unleaded self-service gasoline from service stations that offer the lowest price, except when the vehicle requires diesel or alternative fuel or under other authorized conditions.

- Observe all dollar limits on purchases. For maintenance over \$100 and the purchase of all tires and batteries prior authorization is required from the Maintenance Control Center.
- You may not use the Fleet Services Card to purchase food, beverages or other items for personal use.
- Keep the card in a safe and secure place. It is not permissible to store the card in the vehicle.
- Don't fuel any non-GSA Fleet equipment even if attached to a GSA Fleet vehicle (i.e. tractor or ATV).
- Be a wise consumer. If a vendor is trying to sell services you believe to be unnecessary contact your local Fleet Service Representative.
- Seek state tax exemption on all non-fuel purchases.
- Immediately report a lost, stolen or broken card.
- Do not give the Driver ID to anyone except a station attendant or a Customer Service Representative.
- Report any suspicious activity to GSA Fleet.

**Loss Prevention Team**  
Email the Loss Prevention Team to report suspicious activity.  
[LPT@gsa.gov](mailto:LPT@gsa.gov)

## Lost or Stolen Cards

For replacement cards order online at:

**[drivethru.fas.gsa.gov](http://drivethru.fas.gsa.gov)**

If you do not have your customer number and access code contact:

**1-866-472-6711**

For more information visit the GSA Fleet Services Card Web site at:

**[www.gsa.gov/fleetcard](http://www.gsa.gov/fleetcard)**

**GSA Fleet Service Representative:**

# Recalls

Presented by George Schaubhut

# Recalls in the Headlines

**Car-Safety Regulators Urge Tesla to Recall Around 158,000 Vehicles**

**There's no excuse for the government to put dangerous cars on the road**

**GM to recall 7M vehicles to replace Takata air bags**

**Hyundai recall 2021: 471,000 Tucson SUVs recalled; automaker says owners should park outside**

**Volvo Recalls 54,000 Sedans After Airbag Fatality**

**More than 4,000 Freightliner Cascadias recalled for steer tire issue**

**Ford recalls 3M vehicles for airbag problems**

**Takata recall: Exploding air bag inflator in Honda Civic kills Arizona driver, bring the worldwide death toll to 26**

**18th U.S. Takata death reported, first in a BMW - U.S. agency**

**Parking Brake Issue Leads to Navistar Truck Recall**

**FCA Recalls 2014-2019 Jeep Grand Cherokee with EcoDiesel Engine**

**Investigation: 25,000 government cars have open safety recalls that could endanger drivers**

# Takata Airbag Recall Isn't Over Yet

## Deaths

- 18 in the US
  - Sept 2020 / BMW / AZ
  - Aug 2020 / Honda / AZ
- 26 Worldwide

## Injuries

- More than 400 injuries in the U.S.

## Campaigns

- 67 million airbags
- *17 MILLION REMAIN UNREPAIRED*
- **INCLUDING**  
**135 GSA Fleet**  
**leases**  
(Most are recent consolidations)

## New Campaigns

- 3 million (1/22/2021): 2007-11 Ford Ranger, the 2006-12 Ford Fusion, the 2007-10 Ford Edge, the 2006-12 Lincoln MKZ/Zephyr, the 2007-10 Lincoln MKX and the 2006-11 Mercury Milan
- 5.9 million (11/23/2020): 2007 and 2014, including the Cadillac Escalade; Chevrolet 1500, 2500, and 3500; Chevy Suburban and Tahoe; GMC Sierra 1500, 2500, and 3500; and the GMC Yukon and Yukon XL

A REPAIR IS AVAILABLE FOR YOUR VEHICLE

[NHTSA December 2020 Takata Report](#)

# Special Instructions

- "Owner Notification" or "Interim Owner Notification"  
Is the notice for **Remedy Available** or **Remedy Not Available**?
- STOP DRIVE  
Does it **apply to all** or is it **conditional**? PARK IT IMMEDIATELY UNTIL YOU'RE SURE
- Storage  
Does it say to **park outside** or **away from other vehicles**? (e.g. fire risk)
- Fuel  
Should the fuel tank or battery be **filled to a minimum or maximum level**?

**Critical to read the entire manufacturer notification**

# Resources

NEW Recall Resource Page - Variety of tools for single vehicle identification number (VIN) or bulk VIN lookups

<https://www.gsa.gov/buying-selling/products-services/transportation-logistics-services/fleet-management/vehicle-leasing/gov-recalls>

- Safercar.gov provides a single source for individual vehicle and recall campaign lookups in a uniform format
- Auto manufacturer websites allow for single vehicle lookups that can provide information on non-safety campaigns that may also be open
- CarFax.com/recall allows for bulk VIN lookups of safety recalls up to 10,000 VINs that can include a mix of brands and ownership (e.g. GSA Fleet-leased and agency-owned)
- Drive-thru allows for a bulk VIN lookup of safety, non-safety, and warranty campaigns for every GSA Fleet-leased and FedFMS loaded vehicle in your inventory

Contact your local GSA Fleet Service Representative or GSA Fleet's Vehicle Management Division at [fleet.operations@gsa.gov](mailto:fleet.operations@gsa.gov).

# Telematics

Presented by Kyle Bromir

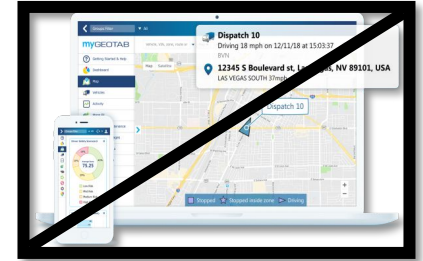

# Telematics - Program Overview

- BPA Awarded to Geotab
- Dual subscription model
- Customer agency opt-in
-  **FedRAMP** Authorization (Moderate)
- Fully integrated into existing GSA Fleet leasing services
- Cradle-to-grave management
- Shared government service

# Telematics - What the Program is Not

- GSA not being “Big Brother”
  - **No GPS data accessible by GSA Fleet**
- Not for agency owned vehicles
  - Schedule 70 solutions
- Not limited to specific category of vehicle
  - Heavy duty vehicle solution available

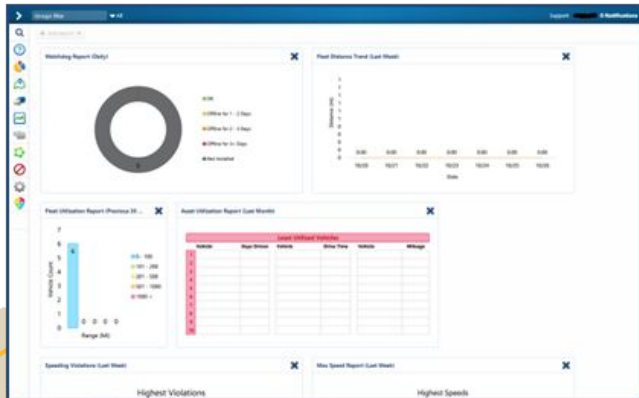

# Telematics - Dual Subscription Model

## GSA Fleet's Service

- Automated mileage reporting
- No GPS data
- Basic engine diagnostic codes and faults

## Customer Agency Service

- GPS capability
- Accident reconstruction
- Advanced reporting
- Driver coaching/management
- Personalized MyGeotab Portal
- API Integration
- Custom mapping and Geofencing
- Ancillary service expandability
- Engine data reporting

# Telematics - Cost Overview

- GSA Fleet service included with vehicle leasing rates
- Expanded data service:
  - \$13 per month/per vehicle
  - One month minimum subscription period; can cancel anytime after
  - Charges appear as line item under the enrolled tag(s) on invoice
- Both services include installation, hardware, shipping, and warranty

# Questions on Telematics?

## **No actions required for standard service!**

Devices installed at vehicle exchange sites for all eligible FY21 orders

Please contact us at [fleetsolutions@gsa.gov](mailto:fleetsolutions@gsa.gov) to discuss:

- Retrofits
- Activating \$13/vehicle service
- Anything else!

# Short-Term Rentals

Presented by Joe Niewiadomski

# Did you know?

The Short-Term Rental (STR) program provides equipment and speciality vehicle rentals?

- Over 11,000 equipment pieces
  - Earth moving
  - Material handling
  - Light towers
  - HVAC equipment
  - Dewatering pumps
- A variety of specialty vehicles
  - Dump trucks
  - Bucket trucks
  - Crash attenuators
  - Underbridge inspection trucks/trailers
  - Utility maintenance trucks

# STR is ready to help at the project level!

- Expanded STR offerings allows customers to rent equipment for entire projects
- Wide variety of offerings and related accessories

# Levee & Dike Construction

# Bridge Safety Inspections

# Heating & Cooling

- Tailor requests for detailed project requirements
- Ducting and power generation available for custom applications
- Used for climate control in a variety of applications e.g. tents, containers, mobile buildings

# Start Renting Today!

- Hours of Operation:
  - Monday - Friday
  - 7:00 AM - 6:00 PM CT
- Contact us:
  - [gsa\\_rental@gsa.gov](mailto:gsa_rental@gsa.gov)
  - 1-866-886-1232
  - Live chat and more information available at <https://str.gsa.gov>

# Charging Stations

Presented by Stephanie Gresalfi

# Charging Station Basics

## Level 1

***2-5 miles of range  
per hour of charging***

120V charging | 7-30 hours for full charge. Charging cord provided. Can plug into existing outlet or purchase station

**\$0-\$2,000\***

**No data network capabilities**

## Level 2

***10-20 miles of range  
per hour of charging***

240V charging | 2-10 hours for full charge. Stations can collect data with optional data/network services. *Works with any type of EV.*

**\$2,000-\$10,000\***

**Data network services are  
\$200-\$300/year\***

## DC Fast Charging

***60-80 miles of range  
per 30 mins of charging***

480V+ charging | Full charge in 30 minutes-1 hour. Stations can collect data. *Not all EVs can use all DC fast charger connection types.*

**\$12,000-\$50,000\***

**Data Network services are  
\$200-\$600/year\***

**\*Doesn't include the cost of installation**

# EVs by Recharge Time

MY2021 Electric Vehicle	All Electric Range/Total Range	Level 1/120V Recharge Time (hours)	Level 2/240V Recharge Time (hours)	DC FAST (62.5 kW) Recharge Time (hours)
Nissan Leaf (base)	149	30	8	1.8
Chevy Bolt	259	64	9	2.4*
Kia Niro	26/560	9	2.25	N/A
Chrysler Pacifica	32/520	11	2	N/A
Mitsubishi Outlander	22/310	8	3.5	25 minutes

\*Bolt only DC Fast compatible with FDC option

# GSA EV Charging Station BPA

- Level 1, 2 & DC Fast
- 5 manufactured Products
- Single and dual ports, wall and pedestal mounted options
- Fair opportunity already given through BPA (8.405-3)
  - Select Lowest Priced model within desired CLIN and place order directly with vendor
- [gsa.gov/evse](https://www.gsa.gov/evse)

# Installation

- Pre-Install Considerations
  - Where to install?
  - Costs
  - Demand (current & future)
- Install
  - On-site installers / contract out
  - Fee-for service: DOT Volpe Center, Clean Cities
  - AWAs, Utilities & Grants
  - DOE/EERE training Ops

# Why Consolidate to GSA Fleet Leasing?

- Telematics **included**
- Streamlined Fleet Overhead
  - Card & Tag Admin.
  - Visibility to manage Feet
- Industry Expertise
  - Dedicated Fleet personnel
  - Allows agency to focus on core mission
- Guaranteed vehicle replacements
- Predictable budgeting
  - No agency capital outlay
- Full Service
  - Fuel & Maintenance Included
  - Accident Management
- Low Cost Provider through Shared Service
- Flexibility in fleet configuration and size
- Automated Information Systems
  - Consolidated Data
  - Reporting Capabilities

# GSA Fleet Leasing Savings

- Led OMB-mandated studies of agency-owned fleets to determine if efficiencies and savings could be generated by converting to GSA Fleet Leasing
  - Conducted 11 studies analyzing 85% of agency-owned vehicles
  - Studies identified opportunity to improve data quality, realize annual savings of \$166M to \$184M, improve fleet management functions and modernize fleets by replacing aging assets
- FY2019 agency self-reported average cost per mile savings of \$0.11 per mile by using GSA Fleet Leasing instead of agency's owning their fleets
