Improved User Experience. Benefit from New Real-Time Status.

Frequently Asked Questions

Now Available: Real-time status tracking for funds transfers originated from the United States, the United Kingdom, Germany, the Netherlands, Belgium, Austria, Ireland, France, Australia, New Zealand, Bangladesh, Singapore, Denmark, Finland, Norway, Sweden, Spain, Jersey, Greece and Luxembourg.

Where are detailed statuses and sub-statuses available?

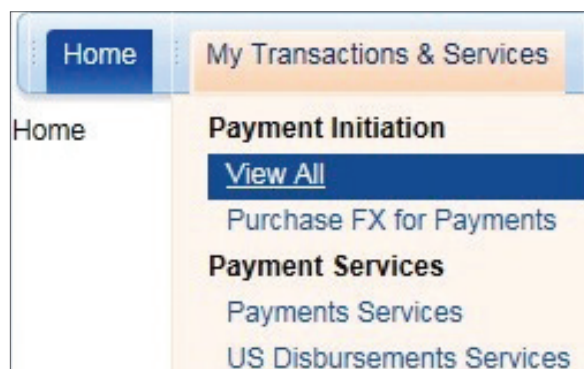

Currently, CitiDirect BE[®] users are able to see real-time, detailed payment sub-statuses on CitiDirect BE for wire payment transactions originated from:

United States	United Kingdom	Germany	Netherlands	Belgium
Austria	Ireland	France	Australia	New Zealand
Bangladesh	Singapore	Denmark	Finland	Norway
Sweden	Spain	Jersey	Greece	Luxembourg

The goal is to provide transparency and real-time tracking so that CitiDirect BE users will know the status of a transaction at any time just by logging into CitiDirect BE.

Where will CitiDirect BE users see the new real-time payment statuses and sub-statuses?

CitiDirect BE users can access CitiDirect from around the world to track wire payments statuses. You will see real-time payment status and sub-statuses on CitiDirect's Payment Module. Here's how: As you can see in the screenshot below, simply log onto CitiDirect BE and navigate to CitiDirect[®] Services. From CitiDirect Services navigate to "My Transactions & Services" and then select "View All" under "Payment Initiation."

Where will CitiDirect BE users see the new real-time payment statuses and sub-statuses? (contd.)

CitiDirect BE users will then see all the transactions on the screen. "Status" and "Sub-Status" will appear as two separate columns. Users may need to refresh the screen periodically to show the next status and/or sub-status to which those transactions have progressed.

Sub Status Description	Beneficiary account number is closed.

How long does it typically take for a payment to go through the entire cycle?

The entire payment cycle varies depending on the type of transaction and the systems that it goes through. It might take anywhere from a few minutes to a few days for a payment transaction to be processed or rejected. Cross-Border Funds Transfer can take up to three business days for the beneficiary to receive the credit.

Whom should I contact with questions?

For further questions: Please contact your designated Citi Account Manager or Service Representative. You can find Local Service contacts on CitiDirect Online Banking by accessing the “Contacts” link from the homepage.

Will all payments show the enhanced sub-statuses?

CitiDirect BE users will see the new sub-statuses for their payments that meet ALL OF THE FOLLOWING THREE CRITERIA:

- 1) Payments that are originated from an account domiciled in:

United States	United Kingdom	Germany	Netherlands	Belgium
Austria	Ireland	France	Australia	New Zealand
Bangladesh	Singapore	Denmark	Finland	Norway
Sweden	Spain	Jersey	Greece	Luxembourg
- 2) Ad hoc payment requests that are initiated on CitiDirect or files uploaded via CitiDirect (such as Citi File Exchange® and Citi Swift Exchange®). The new sub-statuses do not apply to payments that are initiated via other channels, including SWIFT via CitiSwitch®, since those payments are not reported on CitiDirect.
- 3) Wire payments that belong to one of the following categories:
 - Book Transfer
 - Cross-Border and Domestic Funds Transfer
 - The detailed sub-statuses do not apply to ACH and Checks transactions at this time.

What is Proactive Payment Status Notifications capability?

This capability gives CitiDirect BE users the option to subscribe for email or/and SMS notifications about their payment status changes from CitiDirect BE, instead of calling Service representative or logging into CitiDirect BE.

Does a user have to be an active mobile user to subscribe for Payment Status alerts?

No, all users can receive payment status notifications even if they are not enabled for CitiDirect BE Mobile.

How can users subscribe for Proactive Payment Status Notifications?

Security Administrator can subscribe users for Payment Status Notifications through Mobile & Tablet User Management access setup.

To begin the user set up, Security Administrator should select “Mobile & Tablet User Management” under “User Administration” dropdown.

- Security Administrator then should make a selection of user that belongs to the selected client that needs the setup. Also, the look up will display only users that are not already set up for notifications.
- It is possible to select multiple users on the Input/Modify, Authorization Req'd and View tabs in order to improve the efficiency of granting and adjusting user entitlements. Highlight multiple users and select “Go to details.” It will be possible to click “Next” at the bottom of the screen, which will save changes and move to the next selected user.

How can users subscribe for Proactive Payment Status Notifications?
(contd.)

- To set up new notifications preferences for Payments Status Notifications, Security Administrator should click on the New button on the summary grid. The popup page will open up. Select "Payments" under "Services" and required statuses under "Processes."
