Action Water Sports will have **Trever Maur, Brooks Wilson, Massi Piffaretti, Carro Djupsjo, Meagan Ethell and Benjamin Stadlbaur** onsite Friday and Saturday!

TREVER MAUR – HYPERLITE WAKEBOARDS

Trever has thrown down in all aspects of wakeboarding. His style behind the boat is unmatched, a true West Coast Freeride sensation, pushing his riding and making tricks look cool. At the Wake Park he's on a mission where he's creating new layouts and lines to go with each. Trevor is now inspiring the next generation of riders!

BROOKS WILSON – RADAR SKIS

Brooks is the Brand Manager of Radar with a passion to bring skiing to the masses and change the way people think about slalom. Transitioning from competitor to coach to brand manager, since 2010, Brooks has poured his passion into the development of the entire Radar Ski line.

MASSI PIFFARETTI – RONIX WAKEBOARDS

Coming from the shores of Lake Como, Italy, Massi is set to be the next biggest all-around rider behind the boat, on the cable. He already has a World Championship! If you haven't heard of the Italian comedy sidehow, you will soon be seeing a lot from his riding.

CARRO DJUPSJO – SLINGSHOT WAKEBOARDS

Carro started wakeboarding when she was 13 years old and has been hooked ever since. She has worked hard to defy the limits of wakeboarding and has become the first European female to land a double flip! She has been competing internationally since 2008 and was named the European Female Wakeboard Athlete of the Year in 2014.

MEAGAN ETHELL – LIQUID FORCE

Meagan has been wakeboarding since she was eight years old. In 2021 she won her 7th World title. She is also a six-time Wakeboarding Magazine Female Rider of the Year. Some of her best moments on a wakeboard include riding Lake Michigan in Chicago, on Lake Mulwala in Australia, and Lake Como in Italy.

BENJAMIN STADLBAUR – HO SKIS

Originally from Geneva, Switzerland, Benjamin now trains from the Swiss Waterski Resort in Clermont, FL. He won gold at the NCWSA National Championships during his collegiate career. He's now in the pro circuit taking shots at the podium.
