## Diabetes Care

### Retail Price List

#### Conditions of Sale

##### Prices

This price is subject to change without prior notice. Our prices are understood net and delivered, and subject to Value Added Tax. No further discounts are applicable on above products.

##### Terms of Payment

Terms of payment are strictly thirty days from date of statement.

##### Return of goods

- 1.1. All Roche Diabetes Care products are sold on a non-returnable basis, for reasons of public health with the following exceptions, as permitted in the Consumer Protection Act (CPA):
  - 1.1.1. If the product was supplied in error, incorrectly supplied (e.g. was mixed with other goods supplied) or was damaged in transit (provided that Roche or UTI Pharma is notified within 48 hours from delivery of such damage and which time period is regarded as reasonable allowing customers to inspect the delivered goods); the costs relating to the damage and/or return and redelivery will be borne by the responsible party.
  - 1.1.2. UTi Pharma Telemarketer errors (excludes warehouse errors) to private laboratories can be logged up to 5 days after delivery.
  - 1.1.3. If the product is subject to a South African or international product recall, in which case we must take back the product, as is required by law and quality or safety requirements.
  - 1.1.4. In cases of product quality complaints, i.e. where the product has failed to operate as it should, or where it is unsafe or where it is defective. For a detailed version of our returns policy please contact our call centre.
