Director's Notes

Welcome to our enchanted City of Agrabah. Following the success of the Minehead Middle School's production of "Around the World in 80 Days" which was performed together with Dreams last June, we are very pleased to present to you one of Disney's Classics - Aladdin.

I was delighted when Headteacher, Paul Rushforth asked me to direct another Summer Show. The auditions were full of enthusiastic, talented children, the decision was then made to have two casts for the main characters to give more the chance to shine in the various roles.

My special thanks and praise go to the School's Design and Technology Department with Michelle James, Sarah King, George Peters and David Lund working all around the clock, as well as their teaching commitments, making the most fantastic Set and Props.

When Abi Gorton wasn't 'popping' out of the Genies Lamp she was also helping with Props together with pupils Natasha Cross, Charlotte Turner and Ellie Abraham. The spectacular costumes have all been made specially by Sally Scyner, Sarah King, Clare Williams and George

Peters, a huge thank you goes to them for their hours of hard work.

I would also like to say a huge thank you to Jill Thompson for her support throughout rehearsals and to Georgina Charnock my stage Manager. Thank you to Paul Rushforth for his great help throughout the production, especially for the Cookies and Cakes the children enjoyed during the break times!

I have really enjoyed working with the children, somewhat turbulent ride at times, as once a week rehearsals for two casts proved double the work but the end result was more than worth it.

It is lovely to have some members of the School Choir enjoying the many songs from Aladdin.

I am pleased to say that Aladdin has been entered for the Somerset Fellowship of Drama David Beach Awards. 'Around the World' successfully received 6 Nominations and won Awards for Best Effects and Louis Hawker for Best Youth Actor.

Please sit back and enjoy the magical ride through the City of Agrabah
