WORLD-CLASS LOCATION Stretching from the front yard of the White House to Dupont Circle, the Golden Triangle neighborhood is Washington DC's central business district and an amazing convergence of people, power, and commerce. You'll find more than 200 restaurants, 300 shops and services, and seven hotels in this vibrant area of downtown DC, all listed here in this guide.

ACCESS THIS GUIDE ON YOUR MOBILE PHONE

Visit m.goldentriangledc.com for mobile-friendly listings of this guide and additional details on events and promotions going on in the neighborhood. [f](#) [t](#)

IMPROVING THE STREETS

We strive to give you a better experience on the streets. Some things we've done include installing more than 350 bike racks to make getting here easier; bringing public art to the area with wall murals, historic callbox art, creative bike racks and providing a long-term vision for great looking streets to ensure each block looks its best.

GREAT DEALS

Check out www.goldentriangledc.com for up-to-date information on great deals and discounts at shops and restaurants. You can also sign up to receive newsletters and notices about upcoming events and promotions in the Golden Triangle.

GOLDEN TRIANGLE

EVENTS The Golden Triangle BID sponsors fun and educational events throughout the year for people who work or visit the neighborhood. Events like our popular summer concerts in Farragut Park, Pilates in the Park, Flowers for Phones and others make for great free ways to enjoy your time in the Golden Triangle.

HOMELESS OUT-REACH WORKERS

Workers meet with homeless people to help them get the assistance and social services they need. In 2011 Golden Triangle outreach workers helped 27 chronically homeless individuals off the streets of the Golden Triangle and into permanent housing.

AMBASSADORS

Golden Triangle Ambassadors are here for you—whether you need directions to a meeting or a suggestion for a place to eat, our Ambassadors are more than happy to help you out. They also work to keep our streets golden by emptying trash cans, sweeping curbs, painting light poles, and much more.
