## **We care about you and your family's health.**

UnitedHealthcare Community Plan partners with Arizona Health Care Cost Containment System (AHCCCS), Arizona Department of Health Services (ADHS) and Department of Economic Security (DES) to offer many different health plans.

We've been here since 1982. You first knew us as Arizona Physicians IPA. Now we're UnitedHealthcare Community Plan. Over the years, the names of some of our plans have changed. But one thing never changes. That's our promise to help you get access to the care you need.

UnitedHealthcare Community Plan does not discriminate on the basis of race, color, religion, sex, sexual orientation, age, disability, national origin, veteran status, ancestry, health status or the need for, or cost of, health services.

# Welcome to UnitedHealthcare Community Plan

## Finding a Provider

This directory will help you find doctors and specialists in your area who participate with UnitedHealthcare Community Plan. It also lists the names and addresses of hospitals, pharmacies and dentists you should use, if you need those services.

You can also find a current list of network providers on our website at [UHCCommunityPlan.com](http://UHCCommunityPlan.com).

To choose or change your Primary Care Provider (PCP) call Customer Service at the number below and let us know. (Sometimes doctors may not accept new patients. If that's the case, we can help you make another selection.)

## Choosing a Primary Care Provider (PCP) for you and your family is easy

There are several types of PCPs listed in this directory.

### Primary Care Providers

<b>Family General Practice:</b>	Adults and Children
<b>Internal Medicine:</b>	Adults
<b>Pediatrician:</b>	Children

---

*Providers listed in this directory are current as of the date listed on the cover.  
Information is subject to change.*

---

# Your Primary Care Physician (PCP)

Your health care is important to us. We carefully screen and pick our doctors so you receive the best care. When you enroll, you will be assigned a Primary Care Physician (PCP). Your PCP is your personal care doctor. Your PCP will provide or arrange the covered services you need. Make sure you talk to your PCP about any health problems you have. That way, your PCP gets to know you and your medical history. Always follow your PCP's instructions and get approval before you get any medical services. If you are pregnant you may choose your Primary Care Obstetrician (PCO) as your primary physician.

---

## Changing Your PCP

Your PCP is an important part of your health care team. You and your PCP need to work together. If for any reason you want to change your PCP, call Member Services. If you change your PCP, you must choose another PCP from the UnitedHealthcare Community Plan Provider Directory. We can help you choose a new PCP or tell you more about the PCPs in our network. If you are pregnant, contact Healthy First Steps at **1-800-599-5985**. Member Services can send you a list of our providers at no cost to you. If your PCP does not speak your language, call Member Services. UnitedHealthcare Community Plan will provide you with an interpreter at no cost to you.

---

## Seeing a Specialist

Your PCP is in charge of ALL your covered health care needs. If you need specialty care, your PCP may refer you to a specialist or another doctor. There are four exceptions to this:

- Members with special health care needs may directly access a specialist as appropriate for the condition and identified needs. Preventive services are covered including well exams and screenings.
- Women can make an appointment with an in-network Obstetrician/Gynecologist (OB/GYN) for preventive or routine services without a referral from their PCP. (Please see the UnitedHealthcare Community Plan Provider Directory for a list of doctors).
- All members can self-refer for behavioral health services through their local RBHA. CRS members in the Fully Integrated and Partially Integrated-BH coverage types will get behavioral health services through UnitedHealthcare Community Plan. See section on Behavioral Health Services for more information.
- Members under 21 years of age can self-refer for dental and vision screenings.

### **Children's Rehabilitative Services (CRS)**

Children's Rehabilitative Services is a program for individuals with special health care needs. You or your child can receive care at one of four Multi-Specialty Interdisciplinary Clinics (MSICs) in Phoenix, Tucson, Flagstaff or Yuma. At these clinics, you or your child can receive all of your specialty care. Primary and behavioral health services may also be offered. Your assigned MSIC is your health home. In addition to the services provided at the MSIC, CRS Fully Integrated or CRS Partially Integrated- Acute members also have access to a full network of providers, including your community-based PCP and CRS Fully Integrated and CRS Partially Integrated – BH members also have access to a full network of behavioral health specialists.

# Sample Provider Listing

## Description of Provider Listings

**1 Board Certification** Board certification shows a physician's expert knowledge in a medical specialty. Certification involves a process of testing and evaluation by specialists in the specific area of medicine. A board-certified specialist participates in continuing education to learn about the latest advances in medical science and technology in his/her specialty. You can check the provider's board certifications on the American Board of Medical Specialists (ABMS) website. Go to [www.abms.org](http://www.abms.org) and click on "Is Your Doctor Certified?"

**2 Languages** other than English spoken by the provider.

**3 Limitations** of the practice, such as age restrictions or the inability to accept new patients.

**4 Lists** which plans/programs the provider participates in:

- ① Medicaid
- ② Developmentally Disabled/ DD
- ③ CRS Fully Integrated
- ④ CRS Partially Integrated Acute
- ⑤ CRS partially Integrated – Behavioral Health
- ⑥ CRS only

# Sample Hospital Listing

## Description of Hospital Listings

This chart will help you understand each hospital's listing	
Listing	Example
Hospital Name	GoodCare Hospital
Hospital Phone Number	222-123-4567
Hospital Address	627 South Wellness Street Health Valley, AZ 54321
Accreditation	Accredited By: The Joint Commission (Accredited)

**Accreditation** shows that the hospital has been evaluated by experts in hospital care. An accredited hospital must participate in ongoing reviews to make sure that its operations are up to the latest standards. Please see below for the possible rankings.

The Joint Commission is one entity that accredits hospitals. The following ratings are possible:

- **Accredited:** The hospital was in compliance with all standards when surveyed or within 90 days of the survey.
- **Preliminary Accreditation:** The hospital passed a brief review of its compliance with the Joint Commission's standards and will be surveyed more fully shortly.
- **Conditional Accreditation:** The hospital complies with some, but not all, of the Joint Commission's standards, but will be surveyed more fully shortly.
- **Provisional Accreditation:** The hospital was not able to address all of the requirements for improvement that the first survey suggested within 45 days, or the hospital failed to show that it has been able to sustain compliance.

Accreditation can also be granted by the American Osteopathic Association (AOA), in which case the listing will read, "Accreditation: AOA (Accredited)."

All of the information in these provider listings is based upon the provider's application. UnitedHealthcare checks this information when these providers join our network and every three years (or sooner) when the provider is re-credentialed.

# CRS Multispecialty Interdisciplinary Clinics (MSIC)

# Behavioral Health Services

We are concerned about how you feel. Behavioral health services can help you with personal problems that may affect you and/or your family. These problems may be stress, depression, anxiety or using drugs or alcohol.

Your ID card has a phone number to access behavioral health and substance abuse services. Services are assigned to a provider based on where you live. If you have questions or need help getting behavioral health services, please call the number on your card.

Most members are assigned to a Regional Behavioral Health Authority (RBHA) or Tribal Regional Behavioral Health Authority (TRBHA) based on where you live. The RBHA/TRBHA will pay for most behavioral health services including most prescriptions for behavioral health conditions.

Some of our members will get their Behavioral Health Services from UnitedHealthcare Community Plan and not from a RBHA/TRBHA. The chart below will show you who provides your Behavioral Health Services.

Program	Behavioral Health Provider	Notes
AHCCCS/Medicaid	RBHA or TRBHA	
AHCCCS/Medicaid, over 18 with Medicare A and/or B	UnitedHealthcare Community Plan	Excludes members with SMI (Serious Mental Illness) or members enrolled in the American Indian Health Plan
Developmentally Disabled	RBHA or TRBHA	Some DD members may get care from UnitedHealthcare Community Plan due to CRS coverage. See your CRS Member Handbook.
CRS Fully Integrated	UnitedHealthcare Community Plan	See your CRS Member Handbook
CRS Partially Integrated Acute	RBHA or TRBHA	See your CRS Member Handbook
CRS Partially Integrated Behavioral Health	UnitedHealthcare Community Plan	See your CRS Member Handbook
CRS Only	RBHA or TRBHA	See your CRS Member Handbook

If you have questions or need help getting behavioral health services, please call the number on your ID card. All members are covered for behavioral health services in a crisis or emergency situation.

# Behavioral Health Services

## What if I have a behavioral health emergency?

If you have a behavioral health emergency, it is important to get help right away. Please call the crisis phone number for your behavioral health provider, either your RBHA/TRBHA or UnitedHealthcare Community Plan. ## **A nosotros nos importa la salud de usted y de su familia.**

UnitedHealthcare Community Plan en asociación con el Sistema de Control de Precios de los Cuidados para la Salud de Arizona (Arizona Health Care Cost Containment System – AHCCCS), con los Servicios de Salud de Arizona (Arizona Department of Health Services – ADHS) y con el Departamento de Seguridad Económica (Department of Economic Security – DES) ofrece muchos diferentes planes de salud.

Nosotros hemos estado presentes desde el año de 1982. Usted primero nos conoció como Arizona Physicians IPA. Ahora nosotros somos UnitedHealthcare Community Plan. A través de los años, los nombres de algunos de nuestros planes han cambiado. Pero hay una cosa que nunca cambia y es nuestra promesa para usted que siempre reciba nuestra ayuda para obtener el acceso a los cuidados de salud que necesite.

UnitedHealthcare Community Plan no discrimina a la hora de prestar servicios de salud, independientemente de raza, color, religión, sexo, orientación sexual, edad, discapacidad, nacionalidad, condición de veterano, ascendencia, estado de salud o la necesidad de o costo de servicios de salud.

# Bienvenido a UnitedHealthcare Community Plan

# Su Doctor de Atención Primaria (PCP)

Su salud es importante para nosotros. Nosotros investigamos y seleccionamos a nuestros doctores para que usted reciba los mejores cuidados de salud. Cuando usted se inscribe, se le asignará un Doctor de Atención Primaria (PCP). Su PCP es su doctor personal para darle los cuidados de salud. Su PCP le proveerá o hará los arreglos para proveerle de los cuidados con cobertura que usted necesita. Asegúrese de hablar con su PCP acerca de cualquier problema de salud que usted tenga. En esa forma, su PCP empezará a conocerle a usted y a su historia médica. Siga siempre las instrucciones de su PCP y obtenga la aprobación para recibir servicios médicos antes de obtenerlos. Si está embarazada, usted puede escoger al doctor Ginecólogo-obstetra de Atención Primaria (PCO) que le atiende y designarlo como su doctor principal.

---

## Para cambiar su PCP

Su PCP es una importante parte de su equipo para los cuidados de salud. Usted y su PCP deben trabajar en conjunto. Si hay una razón por la cual quiere cambiar de PCP, llame a Servicios para Miembros. Si usted cambia de PCP, debe escoger a otro PCP consultando el Directorio de Proveedores de UnitedHealthcare Community Plan. Nosotros podemos ayudarle a escoger a un nuevo PCP o podemos informarle con más detalles acerca de los PCP en nuestra red. Si usted está embarazada, contacte a Healthy First Steps (Primeros Pasos de Salud) al **1-800-599-5985**. Los Servicios para Miembros le pueden enviar gratuitamente la lista de proveedores. Si su PCP no habla su idioma, llame a Servicios para Miembros. UnitedHealthcare Community Plan le facilitará los servicios de un intérprete sin ningún costo para usted.

---

## Para consultar con un especialista

Su PCP está a cargo de TODAS las necesidades acerca de los servicios para los cuidados de su salud. Si usted necesita de cuidados de salud especiales, su PCP puede referirle a un especialista o a otro doctor. Existen cuatro excepciones para lo anterior:

- Miembros con necesidades de salud especiales pueden tener acceso directamente a un especialista que sea él apropiado para la condición que usted padezca y que pueda identificar cuáles son las necesidades existentes. Se cubren servicios preventivos que incluyen exámenes del bienestar y pruebas de laboratorio.
- Miembros del sexo femenino pueden hacer una cita con un Ginecólogo-Obstetra (OB/GYN) para recibir servicios preventivos o de rutina sin necesitar una referencia de su PCP. (Para obtener una lista de doctores, por favor consulte el Directorio de Proveedores de UnitedHealthcare Community Plan).
- Todos los miembros pueden auto-referirse para obtener servicios para la salud conductual a través de su RBHA local. Miembros de Fully Integrated o CRS Partially Integrated obtendrán servicios para la salud conductual a través de UnitedHealthcare Community Plan. Revise la sección de Servicios de Salud Conductual para obtener más información.
- Los miembros menores de 21 años pueden auto-referirse para obtener pruebas o exámenes dentales o de la visión.

### **Children's Rehabilitative Services (Servicios de Rehabilitación para Niños – CRS)**

Los Servicios de Rehabilitación para Niños es un programa para individuos con necesidades especiales para los cuidados de salud. Usted o su hijo(a) pueden recibir cuidados de salud en cualquiera de nuestros cuatro Clínicas Interdisciplinarias de Multi-Especialidad (Multi-Specialty Interdisciplinary Clinics) – MSIC en Phoenix, Tucson, Flagstaff o Yuma. En esas clínicas usted o su hijo(a) pueden recibir todos los cuidados de salud de especialidad. Atención primaria y de la salud conductual pueden también ofrecerse. Su MSIC asignada es su hogar médico. Además de los servicios que se prestan en la MSIC, los miembros de CRS Fully Integrated o CRS Partially Integrated- Acute también tienen acceso a una red completa de proveedores, incluyendo a su PCP basado en la comunidad, y los miembros de CRS Fully Integrated y CRS Partially Integrated – BH también tienen acceso a una red completa de especialistas en la salud conductual.

# Ejemplo de una lista de proveedores

## Descripción de la lista de proveedores

**1 Certificación de la junta médica:** la certificación de la junta médica muestra el conocimiento experto del médico en una especialidad médica. La certificación involucra un proceso de pruebas y evaluaciones hechas por especialistas en un área médica específica. Un especialista certificado por la junta médica participa continuamente en su educación para mantenerse al tanto de los últimos avances de la ciencia médica y de la tecnología de su especialidad. Puede revisar las certificaciones de la junta médica del proveedor en el sitio web de la Junta Americana de Especialistas Médicos (American Board of Medical Specialists, ABMS). Visite [www.abms.org](http://www.abms.org) y haga clic en “Is Your Doctor Certified?” (“¿Está certificado su médico?”).

**2 Idiomas** que el proveedor puede hablar además del inglés.

**3 Las limitaciones** de la práctica, tales como restricciones de edad o la imposibilidad de aceptar nuevos pacientes.

## Descripción de la lista de hospitales

Este cuadro le ayudará a comprender la lista de cada hospital	
Listado	Ejemplo
Nombre del hospital	GoodCare Hospital
Número de teléfono del hospital	222-123-4567
Dirección del hospital	627 South Wellness Street Health Valley, AZ 54321

La Comisión Conjunta es una entidad que acredita a los hospitales. Las siguientes calificaciones son posibles:

- **Acreditado:** El hospital estaba cumpliendo con todas las normas al momento de la revisión o dentro de un lapso de 90 días de la misma.
- **Acreditación preliminar:** El hospital aprobó un breve estudio de su cumplimiento de acuerdo con las normas de la Comisión Conjunta, y será revisado de manera más completa a la brevedad.
- **Acreditación condicional:** El hospital cumple con algunas de las normas, pero no todas, de la Comisión Conjunta, pero será revisado de manera más completa a la brevedad.
- **Acreditación provisional:** El hospital no pudo cumplir con todos los requisitos para mejorar sugeridos en la primera revisión dentro de un lapso de 45 días, o el hospital no pudo demostrar que fue capaz de mantener el cumplimiento.

La acreditación también puede ser otorgada por la Asociación Americana de Osteopatía (American Osteopathic Association, AOA), en cuyo caso en el listado se leerá: "Acreditación: AOA (acreditado)".

# Clínicas Interdisciplinarias de Multi-Especialidad CRS (Multispecialty Interdisciplinary Clinics – MSIC)

Una Clínica Interdisciplinaria de Multi-Especialidad (MSIC) es el hogar médico asignado para usted y para su hijo(a); en ese sitio, un miembro puede consultar con todos sus especialistas, beneficiarse de la interacción con la comunidad y recibir servicios de ayuda, todo eso en un solo lugar. En la MSIC, usted y su familia pueden conocer personalmente al equipo de cuidados médicos que le brindan sus cuidados de salud, los servicios para la salud conductual y pueden también participar en el desarrollo de su plan de los cuidados para su salud. Todos las MSIC están abiertos de las 8:00 a.m. a las 5:00 p.m. de lunes a viernes. Usted recibirá una llamada de bienvenida de UnitedHealthcare Community Plan en la cual le darán más información acerca de los beneficios de CRS y también se le ayudará para que haga su primera cita con CRS.
