FOREWORD

The Federation of Tax Administrators is dedicated to improving the standards and techniques of tax administration. It represents the tax and revenue agencies of each state, the District of Columbia, New York City and Philadelphia.

This Directory is intended to foster the free exchange of information and communication among member tax administrators. It is also designed to meet the needs of the business and tax practitioner community as well as other private and public officials by providing a consolidated reference and identification of the key tax administrators in each jurisdiction.

We are pleased to offer an electronic version available for a multiple-license price. The electronic version entitles you to share the Directory with all those in your company.

Additional copies of this directory may be obtained from:
