## II. Division Reports, Toby Teeter

Toby handed out a more streamlined membership summary report and went over it; please see it for the details. Reggie added we have added 31 new members since April 1. Loni stated last year she received \$20,000 in tax credits last year and over \$65,000 this year. We are now rolling out the PR for these credits. Erin and Loni will be working on why you should donate and what the monies will be used for. Loni stated she has a solicitation letter ready and will be happy to send it to each of the board members. Toby added this is an opportunity for us to raise \$130,000 to build our Entrepreneurial Ecosystem. Tonya stated the money from this cannot be used on operating costs only on improvements on the system and the building. This creates the match for the MTC funding. This funding has gone down over the years and this should help it go back up.

## III. Other Business

Jerrod asked for an update on the American Airlines flights. Toby stated they are reported quarterly. Toby has not received any June numbers.

### **Economic Development-Toby and Kevin**

- Project "Local" A company is seeking a location for a 400,000 sq. ft. "food solutions and R&D facility" that would employee 400 people with an estimated \$80 million capital investment. We submitted multiple 20+-acre sites in the Crossroads Industrial Park and on the Northside of Wildwood.
- Project "Hearthstone" a major retail company is seeking to establish a 300,000 sq. ft. distribution center in our region. They anticipate 125 jobs at a \$51,895 average annual wage and a \$40 million capital investment. A public announcement is forthcoming, possibly next month.
