Refer to www.toastmasters60.com/alignment60/ for online access to information found in this Excel document.

| | |
|---|---|
| Summary Notes: All Divisions have at least 3 Areas | |
| - | Changes are a result of the re-naming Divisions for new District 60 A through F and the re-numbering of Areas. |
| - | All Areas have 4 to 6 paid clubs |
| - | All prospective clubs not expected to charter by Jun 30th have been moved to Draft comment section. Updated maps included |

Draft 2A of the alignment proposal makes recommendations to standardize naming and numbering convention best practices for Divisions and Areas in the new District 60. This draft is a living document as we move toward a final recommendation for vote at the Annual Business Meeting April 17, 2021.

Vision:

To communicate effectively with stakeholders and to recommend solutions for a 2021-2022 alignment plan that serves the needs of clubs, Areas and Divisions within the new District 60.

Mission / Objectives:

| | |
|---|---|
| - | To take into consideration requirements of Toastmasters International in developing the alignment of D60 clubs by July 1, 2021. |
| - | Between 4 to 6 clubs per Area; priority to areas that have less than 4 paid or 2 low clubs (A14 and C37 are closed) |
| - | Ability for clubs, areas and divisions to participate and excel in the Distinguished program |
| - | Location, meeting day, time and frequency of meetings |
| - | Consider club growth by aligning prospective clubs and clubs not in good standing for possible loss |

The objective is to have balanced areas with a mixture of high performing clubs with new clubs and those who have growth opportunities keeping in mind the location and meeting times of the clubs.

Values:

Communicate and recommend solutions with our team and stakeholder within the framework of our Toastmasters Values of Integrity, Respect, Service & Excellence
