Our Advantage

**Beyond clean, we are dedicated to being the best
at simplifying the lives of our customers.**

We are committed to doing this by:

Investing the time to listen, understand and respond to customers' unique cleaning and hygiene needs;

Taking a personal interest to help our customers maintain facilities that are consistently clean, safe and attractive;

Pursuing innovation in every form likely to make the lives of our customers simpler and more profitable;

Partnering with our customers to exceed their expectations, everyday, everywhere.

About Diversey

Who We Are

We are the leading global provider of cleaning and hygiene solutions to institutional customers worldwide.

We are proud of our capabilities to deliver to our customers and employees superior and sustainable cleaning, sanitation, and hygiene solutions. We have a platform to showcase the passion of our people for providing a cleaner, healthier future for the generations to come.

Our Purpose

"To protect lives, preserve the Earth and transform our industry." Our purpose is what drives us to deliver superior solutions that help our customers protect their customers and their brands. It's the inspiration for our innovations of complete solutions that combine chemistry, machines, utensils, dosing and equipment, packaging and processes to optimize results while reducing waste, water and energy consumption and protecting workers. Living our purpose will result in a cleaner, healthier future.

Sustainable Solutions

We embrace the social, environmental and economic implications of sustainability – both for us and our customers. We have been doing this for more than 100 years. We are about creating more profitable, sustainable enterprises for our customers that help them improve performance and efficiency while contributing to the well-being in greater good of our communities.
