ASSESSING THE EVOLUTION OF A DIVERSITY PRACTICE

H & A has developed an unique numbering sequencing designation that indicates the degree of strategic evolution of a diversity effort/practice in terms of the following:

1

First order -

Declarative efforts & policies that establish a commitment to diversity.

2

Second order -

Commitment is demonstrated by an action, effort, or program.

3

Third order -

Sustained action is anchored to a strategic framework. Evident positive impact must be made.

4

Fourth order - Transformative & culture changing practices. Sustained, prioritized actions with major positive impact. Stands as fully resourced and institution-wide.

* These categories remake the notion of “business as usual.”

* The goal is to have a balanced and “building” representation of diversity efforts across all change orders.

Overall Change Order Stage

- At what stage is your campus toward diversity excellence?
- Action Stage - 2nd Order (2nd to 3rd Order)
