CHAPTER 1**GENERAL**

1-1. PURPOSE. The purpose of the State of New York Awards Program is to provide recognition to individuals for acts of valor and exceptional accomplishments, as well as long and faithful service. Those awards for which civilians are eligible are so identified in the “to whom award” portion of the award procedure, if applicable. This regulation has been devised for use by the membership of the New York State Organized Militia which is comprised of the New York Army and Air National Guard, New York Naval Militia and New York Guard.

1-2. AWARDS BOARDS. Awards may be requested in accordance with the procedures outlined in Chapter 2 of this regulation. Individual military awards can be processed at the appropriate major component level by appointed awards boards as outlined below. Selected award requests will be forwarded through appropriate command channels to respective component’s awards area of responsibility, prior to forwarding to MNGA-AWD for consideration as outlined below.

a. New York Army National Guard (NYARNG). The “Army” board will review all NYARNG federal award recommendations.

b. New York Air National Guard (NYANG). The “Air” board will review all NYANG federal award recommendations.

c. The Adjutant General Military Awards Board. The Adjutant General Military Awards Board will review the following state military awards, as well as any criteria or procedural changes requested affecting any state award, providing a recommendation to The Adjutant General for decision. This includes those awards for which civilians are eligible:

- (1) Medal for Valor
- (2) Conspicuous Service Medal
- (3) Medal for Meritorious Service
- (4) President Franklin D. Roosevelt Field Grade Officer Leadership Award
- (5) President Theodore Roosevelt Company Grade/Warrant Officer Leadership Award

- (6) Military Commendation Medal
- (7) Colonel Gouverneur Morris Citizen/Soldier Award
- (8) The Adjutant General's Award

1-3. MEDAL REPLACEMENT. A person issued any medal by the State of New York in accordance with this regulation may be issued a replacement for a lost or stolen medal. Applications for a replacement medal shall be made in writing through command channels to the appropriate major component area of responsibility for awards with a copy of the supporting award order, if applicable. Applications for replacement DMNA award certificates shall be made in writing to MNGA-AWD. Civilians and veterans shall request a replacement in writing with a copy of the supporting order or documentation to MNGA-AWD.

1-4. MEDAL DESIGN. The state decorations, service ribbons and devices authorized by this regulation shall be of the design approved and in use on the effective date of this regulation.

1-5. DECORATIONS AND SERVICE AWARDS.

a. Army. Members of the NYARNG, while participating in authorized periods of training or while in an inactive status, may be considered for all military decorations providing the act, achievement or service was in furtherance of an Army mission or function, and meets the established criteria. Criteria for federal awards are outlined in Army Regulation 600-8-22.

b. Air. Members of the NYANG, while participating in authorized periods of training or while in an inactive status, may be considered for all military decorations providing the act, achievement or service was in furtherance of an Air Force mission or function, and meets the established criteria. Acts, achievements or service performed by the member as a private citizen when they are of principal benefit to private citizens are not the basis for military decorations (AFM 900-3).

c. Navy. Members of the New York Naval Militia, while participating in authorized United States Navy Reserve, the United States Marine Corps Reserve or the United States Coast Guard Reserve, periods of training, or while serving in an active status in the United States Navy, United States Marine Corps, or the United States Coast Guard may be considered for decorations and service awards authorized by their federal service component in SECNAVINST Instructions 1650.1 F., the Navy and Marine Corps Awards Manual or United States Coast Guard COMDT INST. 1650.25B.

d. New York Guard. Members of the New York Guard (NYG) may be considered for decorations and service awards as authorized for any member of the New York State Organized Militia in the “to whom awarded” portion of the award procedure. See DMNA Regulation 672-1 for state awards order of precedence.

e. In peacetime, military decorations recognize achievements which have significantly contributed to the readiness or effectiveness of a unit or organization, or have made notable contribution to the morale or esprit de corps of units or organizations. Exceptional command or leadership of a crew, team, section, squad or similar unit may be considered meritorious achievement or service. Recommendations for awards must be based on specific achievements.

f. The decision to award an individual a decoration, and the decision as to which award is appropriate, are both subjective decisions made by the commander having award approval authority. Awards for meritorious achievement or service will not be based upon the grade of the intended recipient except in those cases where specified grades are among the criteria for a particular award. Rather, the award will reflect both the individual's level of responsibility and his or her manner of performance. The degree to which an individual's achievement or service enhanced the readiness or effectiveness of his or her organization will be the predominant factor for consideration.

g. No individual is automatically entitled to an award upon departure from an assignment. Awards presented in conjunction with a permanent change of station will be limited to exceptional cases. Certificates of Achievement, Commendation or Appreciation are appropriate means to recognize departing personnel.

h. No preconditions for an award may be established. For example, individuals should not be informed in advance that attainment of specific goals will result in the automatic award of a given decoration. Military decorations will not be used as prizes in contests.

i. Commanders and DMNA directors are encouraged to make maximum use of the New York State Awards Program, for military and civilian personnel.

j. Once an award is received by the requesting official, it must be issued in a timely fashion to ensure that the recognition for an outstanding accomplishment is not made less significant.

k. Special Awards. Major component commanders are authorized to issue awards in recognition of service performed within their respective commands. Approval of The Adjutant General is required for the establishment of any award not authorized as of the date of this regulation.

1-6. ISSUANCE.

a. Recommendations for all awards outlined in Chapter 1 of this regulation will be submitted through appropriate major component command channels to respective component's awards area of responsibility prior to forwarding to MNGA-AWD, in accordance with Chapters 2 and 3 of this regulation.

b. Commanders will recognize that sufficient lead-time (a minimum of six weeks) must be provided to allow for the conduct of board action and approval process. This is especially critical when making recommendations for the Medal for Valor and the Colonel Gouverneur Morris Citizen Soldier Award, both of which can take six or more weeks to process.

c. Components may provide support certificates for awards which do not have a formal certificate, as deemed appropriate.

1-7. ANNUAL FORECAST OF STATE AWARD SUPPLIES. Annually on 31 August each major component's awards section will be responsible for ensuring MNGA-AWD, is provided with an annual forecast of State award supplies needed for the State fiscal year (31 March – 1 April). The forecast will include number of medal sets, certificates (where applicable), ribbons, and devices (shields), for each state award. MNGA-AWD will provide to MNBF no later than 15 September each state fiscal year an existing inventory roster and a request for funds with justification for additional awards.

CHAPTER 2**NEW YORK STATE AWARDS****PROCEDURES**

2-1. GENERAL. The following awards will be issued based on the application instructions and examples furnished in Procedures 2-1 through 2-32. Once received, all requests will be considered by the appropriate major component or The Adjutant General Military Awards Board. Upon receipt of the recommendation, the approving authority will render final approval or disapproval for awards. The approved request for an award will direct the issuance of the award and announcement in permanent orders, if applicable. As applicable, a certificate of award and service ribbon will accompany each initial decoration with the appropriate device utilized for subsequent awards. Components may utilize support certificates for any award not formally authorized a certificate in order to provide proof of award.

2-2. AWARD REQUEST PROCEDURES. A series of procedures addressing the request for individual state awards is provided. Each procedure is designed to show who is eligible for each award, the particular standards, and how each award request is processed. Each procedure is followed by a sample memorandum of request or applicable request form and a sample citation where applicable. Each major component awards area of responsibility is identified as follows:

- a. New York Army National Guard – MNP-PAR
- b. New York Air National Guard – MNAF
- c. New York Naval Militia – MNNM
- d. New York Guard - MNSG-PA-AD

The address for all components is New York State Division of Military and Naval Affairs, 330 Old Niskayuna Road, Latham, New York 12110-3514. This address will also be used for all major component commanders.

2-3. TIME LIMITATION. Any recommendation for a state military award must be entered administratively into command channels within two years of the act, achievement, or service to be honored. The only exceptions are recommendations made on behalf of current or former members of the New York State Organized Militia for the awards of the New York State Conspicuous Service Cross, New York State Medal for Merit, New York State Conspicuous Service Star or the New York State Medal for Valor.

2-4. LOST AWARD RECOMMENDATIONS.

a. In accordance with the procedures outlined in paragraphs 2-1 and 2-2, conclusive evidence must be submitted through command channels within two years after the report of the act or achievement or that the service award recommendation was either lost or inadvertently was not acted upon.

b. Conclusive evidence will consist of a copy of the original recommendation or, at a minimum, the recommendation will be accompanied by statements or affidavits corroborating the events reported. The person signing a reconstructed award recommendation must be identified clearly in terms of his or her official relationship to the intended recipient at the time of the act or during the period of service to be recognized.

2-5. PRIVACY ACT INFORMATION.

a. Certain forms ask for information of a personal nature that is protected by the Privacy Act of 1974 and the New York State Personal Privacy Protection Law of 1984. Specifically, an individual's Social Security Number and Home of Record are information that the agency has to protect from release to third parties, including members of the government who do not have a need to know.

b. The purpose for asking for this information is to index or separate personal information from others, and to enable this agency to forward the award to the recipient.

c. Providing this information is optional. The impact on not providing this information will be to slow or even prevent the agency from processing the award request.

MEDAL FOR VALOR

PROCEDURE 2-1

a. To whom awarded. The **Medal for Valor** may be awarded to any member of the New York State Organized Militia who displayed a conspicuous act of valor, heroism, courage or gallantry either in a military or civilian capacity.

b. Standards. Proof of the performance of the act will accompany each recommendation. The act performed must have been one displaying personal bravery or self-sacrifice above and beyond the call of duty, so conspicuous as to clearly distinguish the individual for gallantry and intrepidity above all comrades. Additionally, it must have involved personal risk of life or a performance of more than ordinarily hazardous service, the omission of which would not justly subject the person to censure for shortcoming or failure in the performance of duty.

c. How awarded. Recommendations for the award of the **Medal for Valor** will be submitted using **DMNA Form Letter 48-R (Figure 2-1)** and accompanied by a citation in accordance with the sample and guidelines outlined in **Figure 2-2**. Requests will be forwarded through command channels to the respective component's awards area of responsibility. Each intermediate commander will provide appropriate recommendation in forwarding endorsement. Upon review of the application it will be forwarded to MNGA-AWD. Evidence to support the award will be attached, such as signed witness statements, letters and/or newspaper clippings MNGA-AWD will refer the recommendation to The Adjutant General Military Awards Board for review, recommendation, and approval, prior to subsequent submission to the governor's office.

d. For each succeeding award, a silver metal device (shield) will be attached to the suspension ribbon and the service ribbon.

e. Approving authority. The approving authority for this award is the governor.

FOR The Adjutant General, Division of Military and Naval Affairs, ATTN: MNGA-AWD,

SUBJECT: Recommendation for The Adjutant General's Award

1. Recommend The Adjutant General's Award to:

NAME: FREDERICK SMITH
ORGANIZATION: 109th Airlift Wing, NYANG
1 Air National Guard Rd. Scotia, NY 12302-9751

2. The following is a brief narrative describing the details supporting this recommendation:

In addition to his daily tasking, Mr. Smith has been an outstanding supporter of two unit improvement initiatives, base cleanup and beautification, and our community youth services program. He has self-initiated many base cleanup and beautification projects, very often at his own expense and on his own time. He maintains the extensive base grounds here at Stratton Air National Guard Base as if they were his own. Each year he purchases bedding flowers and then prepares the ground, plants them and then maintains them at the base entry and at the flight line welcome sign. These two areas are very visible to members of the unit and visitors to the base. His efforts uplift the morale of all who work here and improve our image to the outside community. **Mr. Smith** has also been a volunteer youth supervisor each of the past two summers working with our community youth services program. He provides counsel, leadership and a kind, firm hand of guidance to all of the young people who spend their summers working here. Every one of them thinks of Fred as their friend. I highly recommend this award for **Mr. Smith**.

CITATION

For significant contribution to the military forces of the state of New York, The Adjutant General's Award is awarded to:

MR. FREDERICK SMITH

MR. FREDERICK SMITH, while assigned as Maintenance Engineer, 109th Airlift Wing, New York Air National Guard, 1 Air National Guard Road, Scotia, New York, has been providing outstanding services to the unit and all the military and civilian members of the unit by voluntarily enhancing the beauty and cleanliness of the base grounds and landscaping. **MR. SMITH** volunteers his own time and very often purchases landscape items at his own expense and on his own initiative to help beautify the base. Each summer he purchases bedding flowers for both the front entry of the base and the flight line visitor sign area. He prepares the planting areas, plants the flowers and maintains them throughout the summer, completely on his own initiative. His efforts have for years added to the morale of all who work here at the 109th Airlift Group while also creating a positive, professional image to those who visit. During the summers of 2005 and 2006 he also volunteered to help develop the 109th Community Youth Program. This program brings economically disadvantaged youth to the base where they work under the direct supervision of unit employees. **MR. SMITH** has volunteered each summer to be a critical part of the program, both as a youth supervisor and overall role model and friend to all the participants.

MR. FREDERICK SMITH is truly an individual who would rather give of himself than receive from others. Whether it is planting and beautifying our base grounds or ensuring that the young people in our summer youth program have a friend and mentor they can rely on, **MR. SMITH** finds ways to make the lives of those he comes in contact with richer and more meaningful. He is an inspiration to us all.

He served in that capacity until 1920 when he resigned to run as Vice President in a losing effort. In 1921, after vacationing, he contracted polio resulting in permanent paralysis from the waist down. Despite this diagnosis he maintained contacts with the Democratic Party and eventually was asked to run for Governor of New York in 1928, winning the election as a reform candidate. He later won a second term and in 1932 became candidate for President and winning as the "New Deal" candidate.
