# Kicking-off our 83rd Season at the Civic!

This is the time of year when we all turn our thoughts to fall harvests, football games, school starting again and all of the great activities that we enjoy here in Kalamazoo as the leaves change color. Here at the Civic, we're gearing up for another great season of terrific productions, exciting educational opportunities and fun-filled special events. As your community theatre, we're unique from other local arts organizations in that we offer so many life enriching volunteer experiences as well as a wide assortment of theatrical offerings. Our classes offer students and adults substantive learning opportunities in the areas of performance and technical theatre. And to top it off, whether you're seeing a show or taking a class, the Civic is one of the best deals in town!

We are also unique because we rely on members of our community to provide the time, talent and treasure needed to produce great theatre. Where else in Kalamazoo can a nurse, secretary, lawyer and financial planner all come together to create art? The talented actors you see on stage and the hard working crew members that make magic happen behind the scenes might be your neighbor, doctor, banking teller, mother

or your student. How fortunate we are, to have in Kalamazoo, the facilities and professional staff to support these artistic endeavors. We would not be the vibrant community we are without these enriching opportunities.

We can take pride in the fact that we are a caring and compassionate community that cares for the physical and mental well being of our friends, neighbors and associates. I am constantly impressed by the great generosity shown in the feeding of our hungry, and assisting those in need. I think you will agree that we are also a community that values

common experiences and the feeding of souls through artistic expression.

Our volunteers, Board of Directors, and staff are looking forward to opening our 83rd season on September 16th with the vivacious musical *All Shook Up*. Set to the music made famous by Elvis Presley, this is going to be a wonderful time for the family to come down and celebrate the start of another fantastic year of opportunities at the Civic, your community theatre. I hope you'll join us!

By William Shakespeare

**SEPTEMBER 30 – OCTOBER 15**

PARISH THEATRE | TRAGEDY

TICKETS  
ON SALE NOW!

**A** tragedy of consuming force, *King Lear* is widely regarded as Shakespeare's crowning artistic achievement. Lear, the aging King of Britain, decides to step down from the throne and divide his kingdom among his three daughters. In an attempt to give the "largest bounty" to the one who loves him most, he puts his daughters through a test, asking each to tell him how much she loves him. Lear's older daughters, in an attempt to gain his favor, shower their father with flattering answers. But Cordelia, Lear's youngest and favorite daughter, remains silent, saying that she has no words to describe how much she loves her father. Lear flies into a rage and disowns Cordelia. Ultimately, the heartbroken King learns which of his daughters has loved him most dearly.

*King Lear* is being directed by **Patricia Daniels** (*The Dixie Swim Club, The Diary of Anne Frank*). The talented cast features **Arnie Johnston** in the title role along with **Perry Anderson, Jr., Grace Catherine Brockway, Dan Coyne, Max Hardy, Hal Hobson, Tony Holewinski, Phoebe Rose Kelly, Michael P.
