2020

The most advanced Olympic Games ever – Tokyo2020

A man with short, grey hair is shown from the chest up, looking slightly to his right. He is wearing a blue t-shirt under a grey jacket. He is speaking into a microphone that is partially visible in the foreground. The background is dark and out of focus.

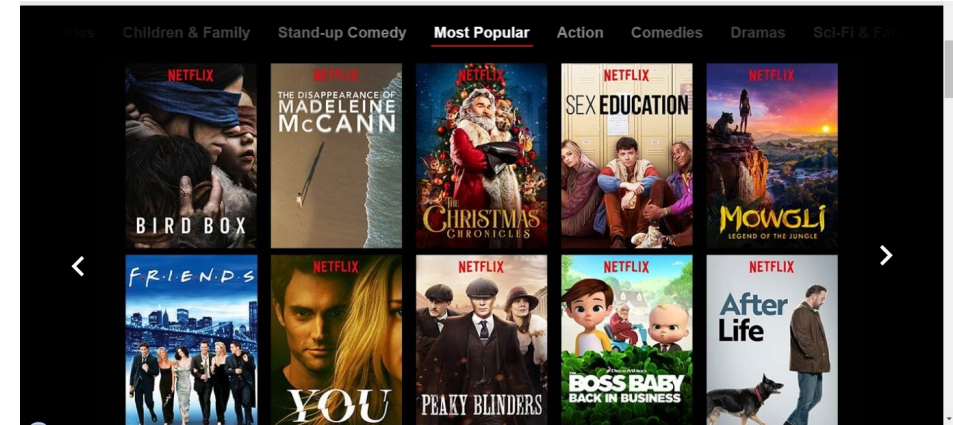

**80% of
organisational
transformations
are unsuccessful**

"Lots of companies don't succeed over time. What do they fundamentally do wrong?"

They usually miss the future.

I try to focus on that: What is the future really going to be? And how do we create it? And how do we power our organization to really focus on that and really

Transformation that have failed

How is this going?

**% public cloud
mandated?**

73%
of
organizations
use cloud*

**% workloads
remain on-prem?**

Only **10%**
of workloads
moved**

**% moved back
workloads?**

*IDG Cloud Insights survey, 2018 (N=550)

**Cloudability, State of Cloud 2018 report based on actual spend data

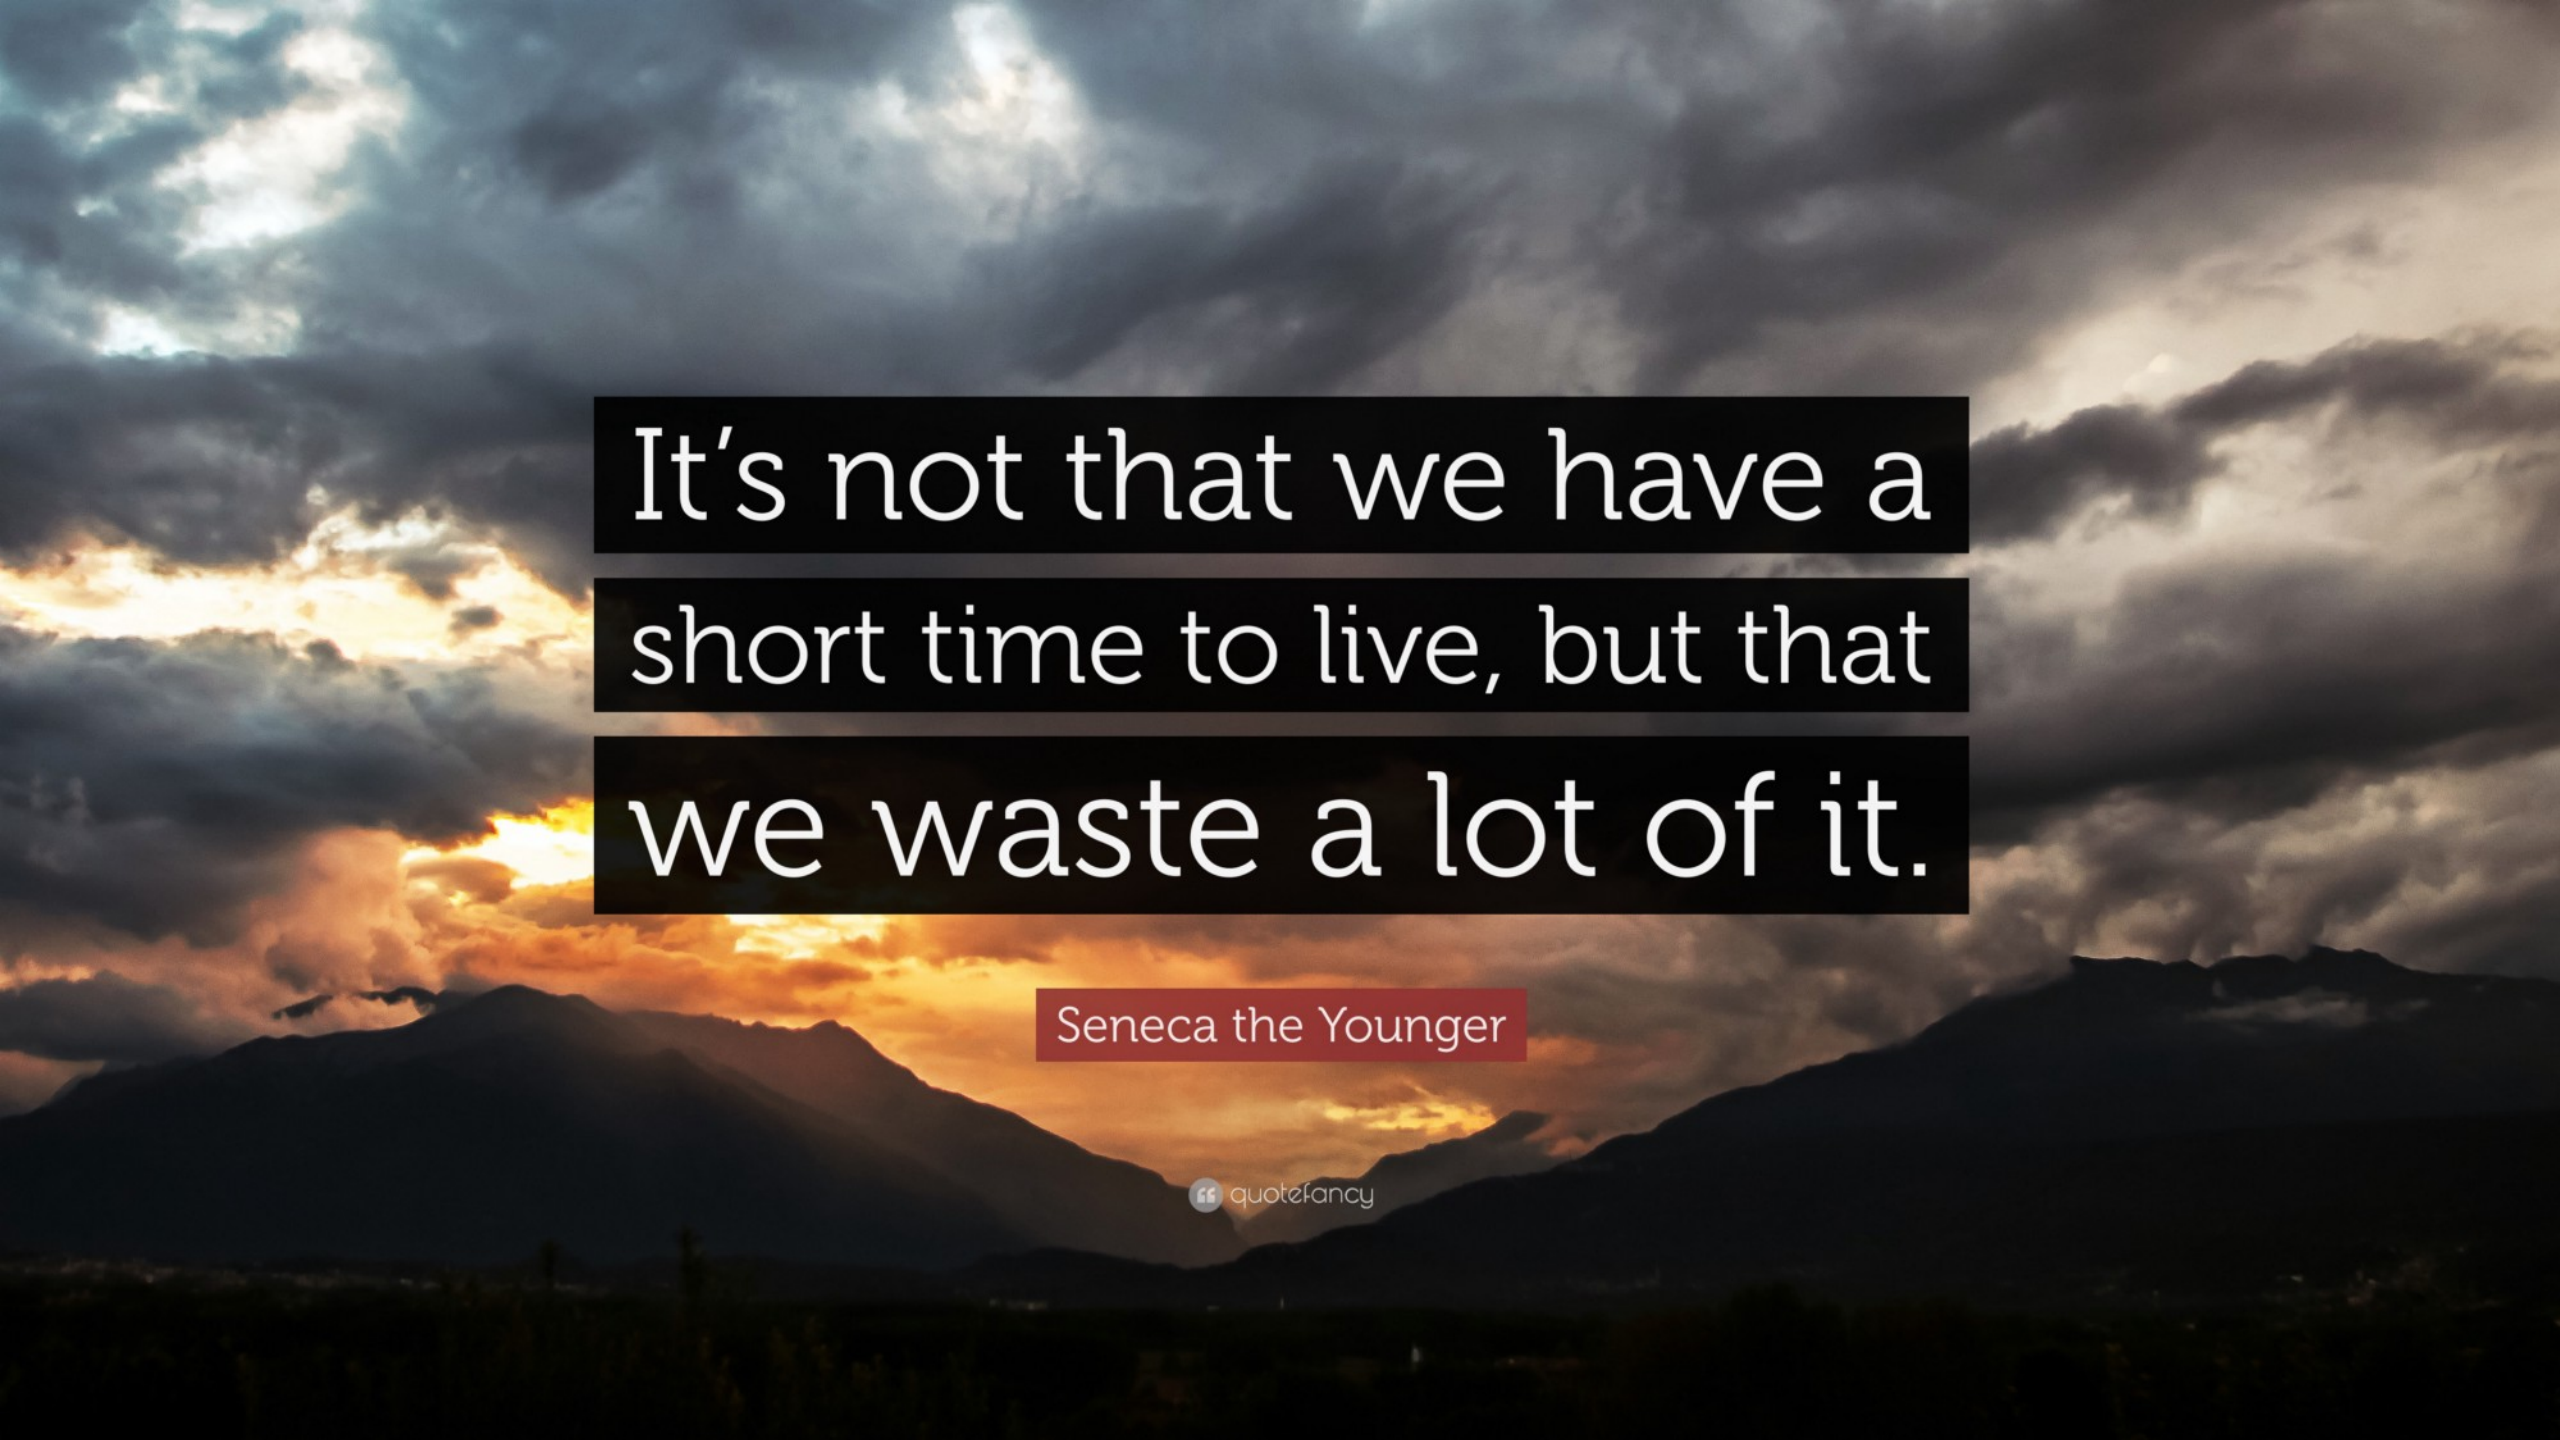

***IDC Cloud and AI adoption survey, 2018 (N=400 IT decision makers)

Big no longer beats Small...

... Fast beats Slow.

BUT

It's not that we have a
short time to live, but that
we waste a lot of it.

Seneca the Younger

Companies and departments are re-inventing the wheels

Skilled engineering talent in most countries is in short supply!

Should enterprise's build and support platforms?

Should enterprise's consume platforms and transform their business?

50% of large businesses in the UK report difficulty recruiting*

* ManpowerGroup 2018 Talent Shortage Survey

To remain competitive and excel in the market, organisations must **ACCELERATE**

- **Delivery** to delight their customers
- **Engagement** to understand demands
- **Anticipation** of change
- **Response** to risks

to drive

- **Profitability**
- **Market Share**
- **Productivity**

“High performing organisations are consistently **twice as likely** to exceed these goals as low performers.”¹

The business imperative!

Scavenger hunt

How would this work?

For a chance to win a prize, delegates simply need to complete one or more of the following actions. Each action counts as one entry into a prize draw – the more entries the greater the chances of winning! A winner will be picked at random.

- Share a selfie at the Atos charging station
- Tell us what you like most in your delegate bag
- Share a selfie in front of any Atos logo
- Take a snap of the Atos Digi Ad
- Take a snap of the Atos Cube Ad
- Share a picture of you at the speaking sessions
- Take a selfie with the presenters at the speaking sessions
- Ask a question about any of the sessions
- Tell us what you liked the most about any of the sessions

To be in with a chance of winning, entries must include the **@AtosCanopy** handle and **#RHSummit**

Prizes

- T-shirt from the Olympic Games in Tokyo (Atos will be the IT provider)
- Main prize Go Pro 7
