WELCOME TO Downtown Pittsfield ★★★★★

Welcome to the heart of the Berkshires! The City of Pittsfield is the region's largest center of business and creative attractions. We have undergone a renaissance in the last few years investing more than \$100 million, and more people are choosing to relocate and live in downtown. Downtown Pittsfield is a fun, dynamic and vibrant place to experience award-winning restaurants, world-class performance venues, unique retail shops and services, fascinating attractions, and respected arts and cultural institutions. Our many festivals and free events make it a year-round destination for all ages!

We are honored to be western Massachusetts' first state-designated cultural district, dubbed *Upstreet*. It encompasses the Berkshire Museum, Barrington Stage Company, the Berkshire Theatre Group's majestic Gilded Age Colonial Theatre, the Lichtenstein Center for the Arts and the Whitney Center for the Arts.

We extend a warm invitation for you to experience all that downtown has to offer. On behalf of the citizens of Pittsfield, we are happy to welcome you to our five-star "All-American City."
