

From the Library of Dr Dale Beckett,
for members of

The James Braid Society

Dr Dale Beckett

1919 – 2012

Dale was a well-respected and very well liked psychiatrist, and a generous contributor to the meetings of the Society he helped to found. The books from his library, donated by his family for the benefit of the Society, reflect his interest in NLP, hypnotherapy, drug addiction and the spiritual aspect of emotional disorders.
