Get to Know **WilmU!**

Wilmington University is a private, open-access institution that serves the unique needs of busy adults seeking advancement through higher education.

WilmU works.

Our students come in all varieties—working adults, busy parents, transfer students, college “second-timers,” active-duty military students, traditional freshmen and more.

Committed to the belief that high-quality education should be available to all who pursue it, Wilmington University’s flexible and affordable programming has made higher education work for students’ lives for more than 50 years.

WilmU works

For Our Students & Partners

"As a mother, military wife, U.S. Navy reservist, full-time employee and volunteer coach, time was not on my side in my pursuit of higher learning. Wilmington University eliminated every justifiable excuse that I could come up with to say, 'It's just not in the cards for me to get a degree.'"

– Annette B., WilmU Alumna,
Class of 2019

Academic Partner

"The partnership between Year Up and Wilmington University combines relevant, career-driven academics with internships at large companies throughout Delaware. Those companies have well-paying jobs available, and this partnership is preparing dedicated students to fill them."

– Mayor Mike Purzycki,
City of Wilmington

Local Partner

"As an HR manager, I want to create pathways for our employees to advance within our organization. I also need to help our staff stay top-notch. WilmU helps me accomplish that. And their price and convenience just can't be beaten."

– Casey Storm Melson,
Global HR Manager,
Corporation Service
Company

The Walt Disney Company

International Partner

"We appreciate WilmU's commitment to our cast members and employees who are enrolled in Disney Aspire. The school has found a way to deliver excellence in online education that meets the needs and requirements for working adults."

– Spokesperson, The Walt
Disney Company

Nadia G., Class of 2019
