Introduction

This document systematically translates the community strategic goals identified in the Community Strategic Plan into actions. It contains the four year Delivery Program and the Operational Plan.

The Delivery Program is a statement of commitment to the community by the Council. It outlines what the Council intends to do in achieving the goals in the Community Strategic Plan during its term of office and what its priorities will be.

The programs which Council delivers vary and are placed into seven key themes. They are Community Services, Tourism & Economic Development, Transport, Governance & Financial Control, People & Environment, Recreation and Service Infrastructure.

All of the tasks Council undertakes, such as, building roads, delivering clean water, managing sewerage and other waste, child care, libraries, meals on wheels, driving tourism, health inspections, caravan parks and swimming pools are all placed under the seven key themes listed above.

Supporting the Delivery Program is the Operational Plan. It spells out the details of individual programs that will be undertaken each year to achieve the commitments in the Delivery Program.

As part of its goal to remain financially viable, Council successfully sought a special rate increase for four years commencing in 2016-2017. Consequently, in the period 2017-2018 to 2019-2020, Council increased rates by 7.4% per annum in line with the special rate variation which was granted as part of the Fit for the Future process. The additional funds were used for Capital Projects which involve the renewal of existing assets and construction of new assets.

Also incorporated with this plan is the Disability Inclusion Action Plan (DIAP). Council is committed to providing residents who have a disability, the best possible services and resources available.

Council is required to publically exhibit the Draft Delivery / Operational Plan for a period of 28 days and to consider any community feedback. Council encourages you to look carefully at these plans and make your views known to Council.

Council needs your support of these Plans to ensure it can continue to provide effective and efficient services into the future.

Councillors

The people of Lachlan Shire are currently served by 10 Councillors who are elected once every four years. The last full Local Government Election was held on 10 September 2016. A bi-election to replace two Councillors, Cr Max Frankel and Cr John Ridley, was held on 16 February 2019. Cr Dennis Brady and Cr Elaine Bendall were elected to fill these vacancies.

Currently the Shire is broken into five wards with two Councillors being elected from each ward. The Mayor is elected from the Councillors every second year in September. At a special meeting in September 2016 the Councillors elected Cr John Medcalf to serve as Mayor of Lachlan Shire Council for two years. In September 2018, Council re-elected Cr John Medcalf as Mayor until September 2020. With the deferral of the NSW Local Government elections until September 2021 elections for the position of Mayor and Deputy Mayor will now be held in September 2020.

Councillors meet formally once each month on the fourth Wednesday to discuss Council business in a meeting that is referred to as an Ordinary Meeting of Council. Councillors also come together on the second Wednesday of each month for a less formal meeting that is called a Strategic Briefing Session. Councillors participate as members on a range of different advisory committees and general committees of Council and represent Council as delegates on a number of local, regional and subject related committees.

The role of a Councillor

As a member of the Council the role of a Councillor is to...

Direct and control the affairs of Council

Participate in the allocation of Council resources for the benefit of the area

Play a key role in the creation and review of the Council's policies and objectives; and

Review the performance of Council

As an elected person their role is to...

Represent the interests of the residents and ratepayers

Provide leadership and guidance to the community; and

Facilitate communication between the community and Council

The role of the Mayor is...

Represent the interests of the residents and ratepayers

Provide leadership and guidance to the community; and

Facilitate the communication between the community and Council

Council has adopted a policy in regard to the payment of expenses and provision of facilities to Councillors. The policy is available for public inspection at the Council office and on its website. In accordance with the adopted policy, Councillors receive payment for out-of-pocket expenses for travelling and sustenance whilst engaged on Council related business.

Accommodation expenses are also paid by Council for meetings, delegations and conferences held out of the Shire. Councillors receive payment of an annual fee in accordance with the *Local Government Act 1993* Section 248. This fee is set by Council within a range determined by the Local Government Remuneration Tribunal. Council provides an office, telephone, administrative support and a motor vehicle for the Mayor.

Council Vision & Mission

Lachlan Shire Council's current branding statement is:

'The Heart of NSW ... Your Ultimate Bush Experience'

Lachlan Shire Vision:

For the Lachlan Shire to be a resilient community providing economic and social growth, through evolving agricultural, business and mineral activities.

Lachlan Shire Mission:

To engage the community, providing and delivering progressive services, which are accessible to all, whilst implementing a long term strategic plan leading to the social and economic benefit of the community.

The Charter

The Local Government Act (Section 8) contains guiding principles for Councils that provide guidance to enable Councils to carry out their functions in a way that facilitates local communities that are strong, healthy and prosperous.

1. Exercise of functions generally:

- a) Councils should provide strong and effective representation, leadership, planning and decision-making.
- b) Councils should carry out functions in a way that provides the best possible value for residents and ratepayers.
- c) Councils should plan strategically, using the integrated planning and reporting framework, for the provision of effective and efficient services and regulation to meet the diverse needs of the local community.
- d) Councils should apply the integrated planning and reporting framework in carrying out their functions so as to achieve desired outcomes and continuous improvements.
- e) Councils should work co-operatively with other councils and the State government to achieve desired outcomes for the local community.
- f) Councils should manage lands and other assets so that current and future local community needs can be met in an affordable way.
- g) Councils should work with others to secure appropriate services for local community needs.
- h) Councils should act fairly, ethically and without bias in the interests of the local community.
- i) Councils should be responsible employers and provide a consultative and supportive working environment for staff.

2. Decision making:

- a) Councils should recognise diverse local community needs and interests.
- b) Councils should consider social justice principles.
- c) Councils should consider the long term and cumulative effects of actions on future generations.
- d) Councils should consider the principles of ecologically sustainable development.
- e) Council decision-making should be transparent and decision-makers are to be accountable for decisions and omissions.

3. Community Participation:

Councils should actively engage with their local communities, through the use of the integrated planning and reporting framework and other measures.

Strategic Alliances

Working collaboratively at Lachlan means engaging with both our internal and external communities.

Internally Council adopts a "Whole of Council" approach to its undertakings. Council officers work across the three different departments of Council to pool resources, share skills and expertise with the outcome delivering integrated and cohesive services and support to the communities we work with. External to Council we work with a variety of stakeholders within the community with the shared vision of achieving the outcomes identified in the Community Strategic Plan.

Lachlan Shire Council also works with neighbouring Councils. Lachlan is a member of the Central NSW Joint Organisation (CNSWJO) which comprises 10 Local Government Area Councils.

This Joint Organisation will further strengthen collaboration between local councils and the NSW Government on important regional projects.

Membership of the CNSWJO was a natural progression for Lachlan Shire Council from its membership of CENTROC, which comprised 13 Local Government Area Councils and one Water County Council. The areas covered by CNSWJO are as far east as Bathurst with Lachlan being the furthest west council.

CENTROC provided a platform for regional collaboration which the CNSWJO will expand upon. It enabled Lachlan to achieve tremendous economies of scale in purchasing and procurement and provided Councils in the central west with an effective lobbying voice to State and Federal Governments.

The CNSWJO Board meets four times a year and have one meeting at NSW Parliament House in Sydney. This provides easy access for a range of Government Ministers to attend the meeting and address the Board and enabled CNSWJO member Councils direct access to the Ministers. Council's Mayor, Councillor John Medcalf, is currently Chairman of the Central NSW Joint Organisation.

In addition to membership of CNSWJO, Lachlan Shire Council participates in a variety of formal and informal networks and alliances to ensure a more contemporary approach is adopted to resourcing, advocacy, skills sharing and partnerships.

Other approaches include:

Council has participated in a Mid-Lachlan Alliance in collaboration with the Shire Councils of Forbes, Weddin and Parkes. This Alliance was designed to assist the

member Councils in addressing regional local government issues. Under the Alliance the Mayors and General Managers of the four Councils met to discuss regional issues. The Alliance was successful in obtaining grant funding under the NSW Government Innovation Fund for a Fitness Campaign that sought to improve financial sustainability and service delivery. The key outcome from participation in this Alliance was a new Council Improvement Plan, included in the Resourcing Strategy. The Alliance also provided an effective lobby to both State and Federal Governments on the issue of the drought that has severely impacted on the region over the last 10 years. The Alliance provided submissions (written and in person) that were presented to Ministers of both governments, continuing to highlight the need for ongoing support for farmers and small business during the drought and post-drought period. Future strategies for continuing the ongoing work of this Alliance are currently being considered by Council.

Lachlan's Road Safety Officer position is shared between Lachlan, Forbes and Parkes Shire Councils.

In August 2006 Lachlan Shire and Penrith City Councils signed a friendship agreement in order to promote a greater awareness and understanding of the respective local government areas. This friendship agreement is still going strong today. Under the agreement both Councils act as facilitators within their areas to bring together local community groups and organisations in a range of activities including sporting, cultural and business fields. The Councils also undertake activities that benefit each other in terms of information sharing and staff exchange.

During its existence both Councils have participated in a range of functions, sporting functions, attendance at respective festivals and staff of both Councils exchange information and regularly engage issues.

Disability Inclusion Action Plan

The NSW Disability Inclusion Act required Councils to develop a Disability Inclusion Action Plan by 1 July 2017. The plan must achieve the following:

- Be developed in consultation with people with a disability;
- Respond to themes of the NSW Disability Inclusion Plan; and
- Improve access and inclusion to local government services for people with a disability.

Lachlan Shire Council has chosen to incorporate its DIAP within its four year Delivery Program. It was felt by Council that this would allow for a more seamless inclusion of DIAP items into its Delivery Program and reduce costs. Consequently, the DIAP actions are included within this document.

Disability Inclusion Action Plan (DIAP) items are included in the tables within this report. The relevant actions are labelled (DIAP) in the right hand column. These items were included after extensive community consultation which was performed in conjunction with the consultation for the Community Strategic Plan and through two separate surveys of the public and Council Staff.

The purpose of including DIAP items in this report is to set out the strategies and actions that council will deliver in the next four years to enable people with a disability to have greater access to Council services, information and facilities.

The plan includes actions for all areas of Council and will guide us in making services and facilities more inclusive. Implementation of the actions in this plan will benefit many people in our community including older people, people with an injury, Aboriginal people, and people with mental illness and parents with young children.

As our population ages the number of people who have a severe disability and require help with core activities such as mobility, self-care or communication will increase. The action items in this plan aim to enable Council to better serve this sector of the population.

The primary issue identified by people with disabilities consulted in this process was the lack of special health services in the towns and therefore sourcing transport to attend specialist appointments. Other key DIAP issues identified are the need for better footpaths, the lack of community transport, the location of disabled parking spots, the camber of roads being too steep and the lack of disabled facilities in some Council controlled buildings.

With a high Aboriginal population Lachlan Shire Council is particularly concerned of the number of its residents requiring dialysis combined with this service not being available in its towns. Consequently, people in Condobolin need to make a 200km round trip while people in Lake Cargelligo and Murrin Bridge need to make a 250km

round trip, several times per week to access this life saving service. Council sees its role to advocate with the Department of Health to get access to these services in its towns. As well as general consultation through the Community Strategic Planning process, Council conducted a staff survey and a community survey on catering for staff/people with disabilities. Eighty four people responded to these two surveys. A further 200 were surveyed by Micromex in their cross-sectional community survey. Specifically, the DIAP items contained within the tables of this report are summarised in the table below:

Ref No	Delivery Program Action	Operational Plan Action	Years
1.6.1	Support programs to attract and retain medical and allied health professionals.	Support the creation of a Central West Joint Organisation to lobby for improved health services.	1 – 4
1.6.2	Central Location for all Aged Services.	Apply for funding to establish a Multi Service Outlet for the provision of all Aged Services in Lake Cargelligo. Investigate the viability of moving the Lake Cargelligo HACC service to a central location in the centre of town.	2
1.6.3	Advocate for visiting specialist health services to the shire.	Advocate for the provision of dialysis in Condobolin and Lake Cargelligo.	1 – 4
1.6.4	The Wellbeing of Carers	Apply for funding to offer respite care in Condobolin and Lake Cargelligo.	1 – 4
1.6.5	Optimise the efficiency of the HACC funding.	Review the allocation of spending on services between each town.	1 – 4
1.7.1	Advocate for the provision of aged care services across the Shire.	Engage with relevant Federal/ State agencies, RSL LifeCare, Lake Cargelligo All Care, Tottenham Welfare Council and NGOs to support aged services. Investigate the viability of providing aged care services to smaller villages.	1 – 4 2 - 3
1.7.2	Recreational and learning facilities for people with disabilities.	Construction of a sensory playground at Bill Hurley Park Condobolin.	1
1.7.3	Disability access in all Council buildings.	Installation of hearing loops in Council buildings. Audit of disabled access to council buildings. Installation of disabled toilets in Council buildings	1 - 4
1.7.4	Community Transport Available when needed.	Advocate for the re-introduction of a taxi Service in Condobolin. Advocate for the introduction of a weekly connecting bus service to Dubbo in Tottenham.	1 – 4 1 1 – 4 2

		Provide community car for Tottenham.	
		Advocate with Transport NSW for a circuit bus around	
		Condobolin.	
Ref No	Delivery Program Action	Operational Plan Action	Years
1.7.5	Advocate for the provision of Dialysis Services in the Shire.	Formally request the Dept. of Health to provide Dialysis Services in Condobolin and Lake Cargelligo hospitals.	1 - 4
3.2.1	Implement the Pedestrian Access Management Plan.	Upgrade and expand the footpath along Bathurst St, Condobolin.	3
	Access Management Flan.	Improve access for pedestrians and mobility aid users in areas lacking footpaths.	1-4
		Staged implementation of the Active Travel Plan. Pathway to Rec Reserve Building, outdoor	2-3
		gymnasium equipment and cemetery in Tottenham. Walking track to Dead Man's Point	3
		and footpaths to hospital and schools in Lake Cargelligo.	3
		Replace footpaths in all towns as required.	1 – 4
		Install Pedestrian crossing at the intersection of Foster and Canada Streets, Lake Cargelligo.	3
		Install pedestrian Lay-backs around the schools in Condobolin and Lake Cargelligo.	2-3
		Construct a walking track around Tottenham racecourse and cemetery and back to town.	3
3.2.2	Reassess the location Disabled parking spots.	Complete a map of disabled parking spots after consultation with the disabled community.	1 & 2
		Investigate and rectify the camber on disabled parking spots.	3 & 4
3.2.3	Improve access for pedestrians and mobility aid users in areas	Staged implementation of the Active Travel Plan.	1&2
	lacking footpaths.	Pathway to Rec Reserve Building, outdoor gymnasium equipment and cemetery in Tottenham.	2
5.2.1	Control weeds and feral pests.	Spraying program for footpaths	1 – 4
6.5.1	Improvements at Condobolin Cemetery	Expand footpath network to the Condobolin Cemetery.	3 & 4

Integrated Planning & Reporting

The Integrated Planning and Reporting (IPR) Framework is fundamental to the principles for local government established under the Local Government Act (set out below).

Council's first set of documents under the IPR Framework – the Community Strategic Plan, Delivery Program, Operational Plan and Resourcing Strategy – were produced in 2012.

The current documents were adopted on the 28 June 2017 by the Council elected on 10 September 2016 and this is an annual revision during their four-year term.

The diagram below shows how the elements of the IPR Framework inter-relate.

The Community Strategic Plan is structured around seven themes, with strategic outcomes then identified for each theme.

The Delivery Program follows the same structure, detailing the activities that Council will undertake to achieve these outcomes within the resources available under the Resourcing Strategy. It also identifies how performance will be measured.

Four Year Delivery Program 2017–2021 and Operational Plan

The following sections of our Four Year Delivery Program 2017-2021 including our One Year Operational Plan for 2020-21, which will highlight how each of the seven key themes identified in our Community Strategic Plan will be supported by a number of Council programs. These programs bring together a number of activities and projects, over the next four years to deliver on our priorities for Lachlan Shire Council.

The Delivery Program and Operational Plan is presented in the tables below. This includes the actions Council will undertake to achieve the strategic outcomes from the Community Strategic Plan as well as the way performance will be measured.

Budget Summary - Key Theme 1	Year	Income \$000's	Expenditure \$000's	Net Result \$000's	Capital Expenditure \$000's
Community Services	2020-2021	(1,301)	1,900	599	30

		Construct community garden.			•				
		Establish \$355 committees.			•				

Service Infrastructure

Outcome 7.1: Water, sewer and energy utilities meet best practice standards with up to date technology

CSP No	Delivery Program Action (2017/2021)	Operational Plan Action	2017/ 2018	2018/ 2019	2019/ 2020	2020/ 2021	Performance Measure	Responsible Officer	General Ledger
7.1.1	Complete effluent reuse systems in the shire	Implement agreed option in accordance with grant conditions.		•	•	•	Grant monies acquitted	Manager Utilities	33000
7.1.2	Implement the asset maintenance and renewal program for water and sewerage services.	Complete annual maintenance and renewals program.	•	•	•	•	Kilometres of pipes renewed/replaced. Number of sites receiving renewal or upgrading.	Manager Utilities	23000
		Review Asset Management Plan and link with Long Term Financial Plan.			•		Number of sites receiving renewal or upgrading.	Manager Utilities	
7.1.3	Upgraded power Supplies	Upgrade power at Tullibigeal Caravan Park and Recreation reserve.		•			Power upgraded	MPB	41500
7.1.4	Plan and undertake a water mains renewal program	Implement a renewal program each year. Review Asset Management Plan and link with Long Term Financial Plan.	•	•	•	•	Nominated renewal program completed.	Manager Utilities	23000
7.1.5	Encourage the generation of alternate energy in the Shire.	Support & facilitate installation of renewable energy & energy projects within the shire.	•	•	•	•	Projects supported	DETED	23100
7.1.6	Council to improve energy efficiency of facilities and plant	Progressive investigations & implementation of energy efficient facilities & plant. Implement replacement of street lighting with energy efficient LED.	•	•	•	•	Funded projects completed. Reduction in electricity costs associated with the provision of water and sewer services	DIS /DETED Manager Recreation	23100

Outcome 7.2: Water Security for all towns and villages.

CSP No	Delivery Program Action (2017/2021)	Operational Plan Action	2017/ 2018	2018/ 2019	2019/ 2020	2020/ 2021	Performance Measure	Responsible Officer	General Ledger
7.2.1	Progress the Bore Fields 2 Project	Implement project in stages.	•	•	•	•	Stages are progressing satisfactorily & funding applied for.	Manager Utilities	27000
7.2.2	Complete Tottenham water security project	Implement agreed option in accordance with grant conditions.	•	•	•	•	Grant monies acquitted	Manager Utilities	27000
7.2.3	Upgrade Standpipes	Redesign and install standpipe at Tottenham.		•			New Standpipe installed.	Manager Utilities	27000
7.2.4	Water Availability at Tullibigeal	Up-grade water storage infrastructure to ensure water security for Tullibigeal.			•		Sufficient water availability for Tullibigeal.	Manager Utilities	27000

Outcome 7.3: Adequate town drainage

CSP No	Delivery Program Action (2017/2021)	Operational Plan Action	2017/ 2018	2018/ 2019	2019/ 2020	2020/ 2021	Performance Measure	Responsible Officer	General Ledger
7.3.1	Ensure that towns have adequate drainage	Design Drainage system for Tullibigeal.	•	•	•		Design & Survey completed.	Manager Utilities	07400
		Implement Drainage system and Kerb & guttering in Tullibigeal.	•	•	•		Drainage system designed	Manager Utilities	

Rating and Revenue Policy Statement

Loan Borrowings

There are planned borrowings in 2020/21 of \$4.0m. In the following year Council is forecasting to borrow an additional \$2m. Council may seek additional borrowings if grants opportunities are available and if it's financially sustainable for Council to do so. Council intends to notify T Corp and will then seek expressions of interest from lending institutions. Any need for security will be determined by the lending institution and council's legislative requirements.

Rating Plan

In 2020/21, Council is projecting Rate & Charges Income of approximately \$12.24 million which represents 26% of Council's total income.

Council levies property Ordinary rates in accordance with the provisions of the Local Government Act and Regulations. Each rateable property has a rate levied that comprises two components – a base amount and an advalorem rate calculated on the land value. For the 2020/2021 rating year, valuations with a base of 1/7/2019 provided by the Valuer General, have been used. Forecast rates & charges income may be impacted by future movements in land valuations.

The 2019/2020 year was the final year of a four year Special Rate Variation. The Independent Pricing & Regulatory Tribunal (IPART) is responsible for assessing special rate variations. Council applied for and was granted a Special Rate Variation of 6.8% in the first year and 7.4% per annum for the next three years. The special rate variation is now completed and rates will increase in line with the approved IPART rate peg of 2.6% for 2020/21.

The rate increase applies to Council's overall General (Ordinary) rate income, not to individual rates. Council, in accordance with the Local Government Act, levies rates on the following rating categories:

Residential Urban

Land for which the dominant use is for residential accommodation of a non-commercial nature as defined by section 516 Local Government Act 1993.

Residential Non-Urban

Land for which the dominant use is for residential accommodation of a non-commercial nature as defined by section 516 Local Government Act 1993 and which lies outside the area defined as Urban.

Fees and Charges 2020/2021

Pricing Policy - Good and Service by Council

Goods and services shall be provided on a cost recovery basis or to comply with statutory legislation. Any new goods or services introduced by Council after adoption of Delivery Plan for that year will be charged for, in accordance with this policy and set specifically by resolution of Council.

The following schedule of fees and charges have been prepared using the best available information in relation to the GST impact on the fees and charges at the time of publication. The fees have been prepared on current legislation. Should the legislation change any of the listed fees then Council fees will be amended accordingly.

GLOSSARY OF TERMS

DCR – Direct Cost Recovery – Includes the recovery of salary, salary on-costs and materials directly attributable to the provision of the goods and services

FCR – Full Cost Recovery – Includes all costs, direct and indirect, incurred in providing the goods and service. Indirect costs include a proportion of shared costs (or overheads) which include information technology; the recording and processing of financial information, correspondence, and payroll; together with professional management of these systems and costs associated with providing shared buildings and equipment.

REF – Reference – Involves the identification of like or similar services provided in the community followed by the adoption of similar prices to those charged by such services, or an assessment of the price the market can afford to pay.

ROR – Rate of Return – Prices are set to recover an excess over costs. This excess may then be directed to capital improvements/development of similar facilities.

STAT – Statutory – Prices are set to comply with statutory legislation.

SUB – Subsidised (Partial Cost) – Council only recovers a proportion of the cost.

Business

Any land that is not categorized as Residential, Farmland or Mining. Refer section 518 of Local Government Act 1993. Generally commercial or industrial land uses.

Mining

Land for which the dominant use is for a coal or metalliferous mine.

Farmland

Land that is predominantly used for farming as defined in section 515 in the Local Government Act 1993.

The following table provides details of the proposed Ordinary rates to be levied in each category for 2020/2021:

ORDINARY RATES								
Category	Base Rate	% of Total Levy for category	Ad Valorem	% of Total Levy for category	% of Total Ordinary Rates Levy			
Ordinary - RESIDENTIAL	\$287.00	49.20%	0.018333	10.14%	15.74%			
Ordinary - NON-URBAN	\$294.00	5.20%	0.009516	1.67%	2.20%			
Ordinary - BUSINESS	\$328.00	11.91%	0.024923	3.98%	5.26%			
Ordinary - MINING	\$636.00	0.10%	0.088763	12.27%	10.43%			
Ordinary - FARMLAND	\$285.00	33.58%	0.002852	71.95%	66.37%			

Pensioner concession

Council provides a rate reduction to eligible pensioners under the Local Government Act. Eligible pensioners under section 575 of the Local Government Act 1993 are aranted a rebate of:

- 50% of the combined Ordinary Rate and Domestic Waste Management Service Charge (if applicable), up to a maximum of \$250;
- 50% of the Water Availability Charge per annum (if applicable), up to a maximum of \$87.50; and
- 50% of the Sewerage Access Availability Charge per annum (if applicable) up to a maximum of \$87.50;

or pro-rata thereof, in accordance with section 575 (2) and 575 (4) of the Local Government Act 1993.

There are approximately 463 eligible pensioners in the Lachlan Shire Council. The total cost of these rebates to Council is approximately \$80,000

Maximum Interest on Overdue Rates and Charges

In accordance with section 566(3) of the Act, it has been resolved by Council that the rate of interest payable on overdue rates and charges for the 2020-21 rating year will be the maximum rate as advised by the Office of Local Government.

Water, sewerage & waste charges

Water, sewerage and waste charges are detailed in the fees and charges document.

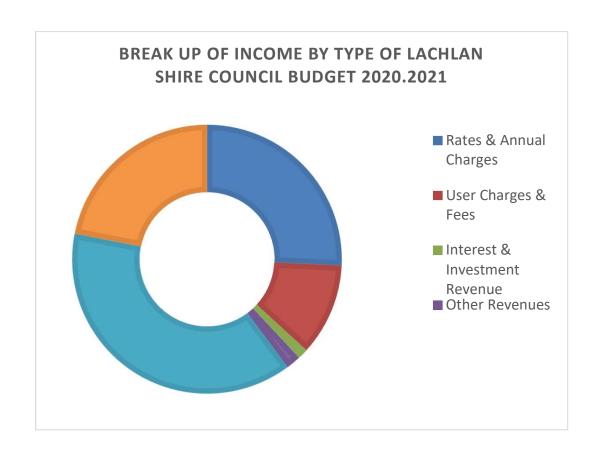

Key Components to resource our Delivery Plan

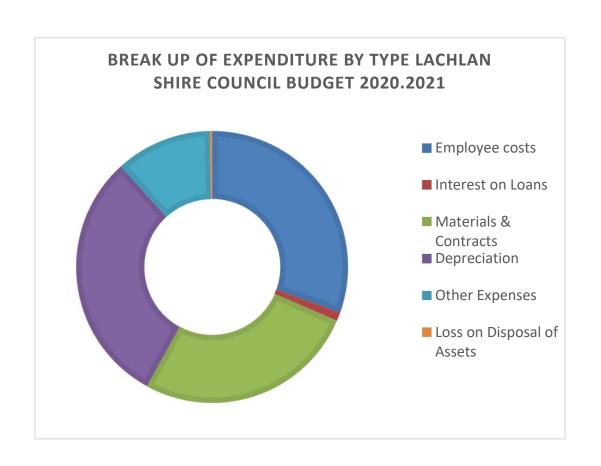

Council's four-year Resource Plan has been prepared in accordance with the requirements of the Local Government Act 1993 (as amended). The Resource Plan provides financial forecasts for the four-year term of the plan and includes a detailed breakdown of income and expenditure relating to the financial year.

The key components of the financial plan include:

- A Delivery Plan budget; and
- A Four Year Listing of Capital Projects
