

Reflections of Nature

Due to the Covid-19 Pandemic, we had to cancel our longest running show, *Reflections of Nature*, scheduled to run the weekend of May 2 & 3, 2020.

The invitational format allowed each of the 20 invited artists to bring a wide variety of works for the weekend including originals, prints, greeting cards, and more + they were there to share their stories.

Since it isn't feasible for us to present a digital representation of all they have to offer, we decided to at least give you a 'taste' of their work.

We encourage you to visit their websites to see more of their work and learn more about these amazing artists who have dedicated themselves to interpreting Nature.

If you have an interest in acquiring, please contact the artist directly or email the Fallbrook Art Center—info@fallbrookartcenter.org

We are very grateful to our Artists & Show Sponsors for their commitment **and we thank you all for your support over the past 24 years ...**
we look forward to the future.
