dupageschool.org

Welcome to DuPage Discovery Camp at DuPage Montessori School

Discovery Camp at DuPage Montessori School is here! We are so excited to invite you to our New Summer Camp Program. We have exciting camps for the children to explore this summer like: Bugs Abound!, Young Scientists, Art with the Masters, Harry Potter Camp, Diggin' for Dinosaurs, Chess Camp with a Chess Tournament, Drama Camp, and many, many more.

We want you and your children to have an exciting summer. Please look over our new program and feel free to give us your feedback. Many of these new ideas came from your responses to our survey. We appreciate your interest and hope these camps satisfy your needs. Please call or email the school office after you have gone through the program guide with any questions or suggestions.

Registration for our programs will begin on March 1st. We are looking forward to a fun and exciting summer and we hope you are too!

Thank you,

Bob and Sharon Breen, Directors

**MARCH 19: EARLY BIRD REGISTRATION
SPECIAL
\$25 OFF FIRST CAMP!
APRIL 5TH: REGISTRATION DEADLINE**

Choose From Our 2 Summer Programs

Discovery Camps

Our Summer Discovery camps are:

- 3 hours
- 5 days a week
- A.M. 9 a.m. - 12 p.m.
- P.M. 1 p.m. - 4 p.m.

Ages: 3 - 6 years & Elementary Camps

Hours: 9 a.m. - 12 p.m., & 1 - 4 p.m.

Educational Classroom

Instruction

(with options for camps)

Ages: Montessori Toddler and 3 - 6 Year Old Classes

Hours: 9 a.m. - 12 p.m., & 9 a.m. - 4 p.m.

Long sunny days, sweet lemonade and field trips, what more can you ask for? Children in this program will follow our Montessori educational curriculum, while still enjoying all the fun and excitement of summer!

THEMES FOR

EDUCATIONAL CLASSROOM INSTRUCTIONS

Week 1 June 7 - 11: Musical Experiences

Week 2 June 14 - 18: Light & Color

Week 3 June 21 - 25: Pioneer Days

Week 4 June 28 - July 2: Our 50 States

Week 5 July 6 - 9: Ocean Life

Week 6 July 12 - 16: Water & Bubbles

Week 7 July 19 - 23: Everyday Heroes

Week 8 July 25 - 30: Rain Forests of the World

Week 9 August 2 - 6: On The Farm

Week 10 August 9 - 13: Let's Go On A Safari!

Ages: Elementary Classes

Hours: 9 a.m. - 12 p.m., & 9 - 4 p.m.

The Elementary teachers will offer customized tutoring for academic skills. Along with their daily instruction they will also go to the Jurica Museum at Benedictine University, walk to Dairy Queen on Fridays, take field trips and enjoy many more summer activities in this specially designed summer program!

Educational Classroom Instruction will be taught by staff members at DuPage Montessori School.

Montessori Education is a 100-year old method of education that is based on individual and small group instruction using hands-on materials to make learning easy and fun. This natural educational process allows children to learn at a more advanced level because these specific educational materials and methods are designed to engage every part of the child, including their academic, emotional, and social development. The outcome is confident, independent, and happy self-directed learners.

MATH, SCIENCE & ENGINEERING CAMPS

#202, 801 **Young Scientists**

Date: Weeks 2 & 8, June 14 - 18, July 26 - 30

Ages: 3 - 6 a.m., Elementary p.m.

Be a mad scientist in the DMS lab, with hands-on experiments and creative concoctions. Scientific concepts are really going to stick as you learn basic principles and watch them come alive right before your eyes. You bring your enthusiasm, and we will bring the aprons and the goggles.

#201, 702 **Diggin' Dinosaurs Camp (*)**

Date: Weeks 2 & 7, June 14 - 18, July 19 - 23

Ages: 3 - 6 a.m., Elementary p.m.

Who came first Allosaurus or TRex? In this camp we will form a time line placing dinosaurs in Cretaceous or Jurassic

periods. We'll use materials from the Field Museum to view claws, teeth and poop! We'll experience what a real dinosaur dig is like and then take a field trip to the Evolving Planet at the Field Museum.

#101, 507 **Bugs Abound! (*)**

Date: Weeks 1 & 5, June 7 - 11, July 6 - 9

Ages: 3 - 6 a.m., Elementary p.m.

Get ready to learn all about the world of little critters! We will look up close at live specimens to see how they move. We'll look at other specimens to compare similarities and differences. We'll also take an up close look at spiders to learn why they aren't insects but something else. We will have an in-house field trip from the Field Museum and we'll go to Morton Arboretum as well.

(*) = Field Trip

#601,901 **Anatomy: All About Me (*)**

Date: Weeks 6 & 9, July 12 - 16, August 2 - 6

Ages: 3 - 6 a.m., Elementary p.m.

In this camp we will learn all about our bodies, our minds and how they are connected. We will make a life sized model of our insides. We will end this week long class with a trip to the Museum of Science and Industry to visit the new exhibit, **YOU!** the experience.

#501 **Creation Station**

Date: Week 5 July 6 - 9

Ages: 3 - 6, Elementary - a.m. or p.m.

Campers will use their minds and imaginations while learning the techniques for building a ship, plane, bridge, and pine derby car.

#102, 1002 **LEGOs**

Date: Weeks 1 & 10, June 7 -11, August 9 - 13

Ages: 3 - 6, Elementary - a.m. or p.m.

Put your engineer's cap on and come explore everything with LEGO building. In this camp children will design and assemble their own models.

#502 **Castles, Crusaders and Moats!**

Date: Week 5 July 6 - 9

Ages: 3 - 6, Elementary - a.m. or p.m.

Design and build your own castle. Children will use different materials to construct and decorate their very own castle. They will use science, history and art to help them to learn about daily life in the Medieval Times.

#403 **Are You Computer Clever?**

Date: Week 4 June 28 - July 2

Ages: 3 - 6 a.m., Elementary p.m.

In this camp, students will be introduced to basic computer technology and skills. Your child will learn to navigate a wide variety of child-friendly software and websites while learning skills that will be useful in creating outstanding classroom assignments. Older campers will learn basic computer programming as well. Children will safely explore the internet under the watchful eye of our instructors.

MATH, SCIENCE & ENGINEERING CAMPS

(continued)

#701 Simple Machines

Date: Week 7, July 19 - 23

Ages: 3 - 6 a.m., Elementary p.m.

This camp program instills creative problem-solving and critical-thinking skills that will encourage children to use their minds. There are 6 simple machines that help make work easier. The six simple machines are pulleys, levers, wedges, wheels, inclined planes and screws. Older campers will learn that most machines consist of a number of elements, such as gears and ball bearings, that work together in a complex way.

#401 CSI: A Forensic Puzzle

Date: Week 4, June 28 - July 2

Ages: Elementary a.m. or p.m.

Campers will be introduced to some of the items used in a crime scene lab like fingerprint analysis. They will spend a week learning about our basics of DNA fingerprinting and why the process is so accurate.

#301 Space Camp: Black Holes, Galaxies & Quasars!

Date: Week 3, June 21 - 25 (*)

Ages: 3 - 6 a.m., Elementary p.m.

In this camp children will spend a fun-filled week learning about space as they explore different worlds in our solar system and their imaginations will be excited by life beyond Earth. They will learn through projects they will design and some they may even eat! Field trip to the Adler Planetarium.

LANGUAGE, MUSIC & LITERATURE

#503, 1003 Digital Photography

Date: Weeks 5 & 10, July 6 - 9, August 9 - 13

Ages: 3 - 6 a.m., Elementary p.m.

Put your imagination and creativity to work! Students will use the digital photos they shoot around camp and combine them with graphics and text to tell their tales. These stories will be shared during the last class.

#104 Creative Writing and Storytelling

Date: Week 1, June 7 - 11

Ages: 3 - 6 a.m., Elementary p.m.

Campers will become authors when they are finished with this class. This course is designed to help the camper in the writing process from the beginning to the end. They will brainstorm ideas, draft, proofread and edit each others stories. Younger campers will work on simpler creative writing activities to begin connecting their imagination to their words. At the end of this week long class they will have published their very own book.

#106,206,305,406,506,606,706,806,906,1005

Do You Speak Spanish?

Date: Runs Continuously AM & PM for Both Ages

Ages: 3 - 6, Elementary

#705, 805 Do You Speak Italian?

Date: Weeks 7 & 8, July 19 - 30

Ages: 3 - 6 a.m., Elementary p.m.

#905, 1004 Do You Speak Chinese?

Date: Weeks 9 & 10, August 2 - 13

Ages: 3 - 6 a.m., Elementary p.m.

#306 Do You Speak Japanese?

Date: Week 3, June 21 - 25

Ages: 3 - 6 a.m., Elementary p.m.

Campers will be introduced to a new foreign language during their camp session. These sessions are designed for beginning and intermediate-level language students who want to practice their conversational skills and learn more about the culture of the language they are speaking.

STUDIO ARTS and CRAFT CAMPS

#504 Fabric Art

Date: Week 5, July 6 - 9

Ages: 3 - 6, Elementary a.m. or p.m.

Design and customize your own clothing. Create tie dyes and other fabric art that is fun and easy. Campers will be provided with T-Shirts, bags & more!

(*) Field Trip

STUDIO ARTS and CRAFT CAMPS

#404 **Passport Around the World: Music & Cultures**

Date: Week 4, June 28 - July 2

Ages: 3 - 6, Elementary a.m. or p.m.

Grab your passport because we're taking you around the world this summer!

Research the origin of cultures using different concepts to create music, dance, arts and crafts, cooking, costumes, customs, rituals, games and more. We will make this camp a hands-on cultural experience!

#604 **Earth Friendly Art**

Date: Week 6, July 12 - 16

Ages: 3 - 6, Elementary a.m. or p.m.

Art takes on a new look as we get creative with recycled and reused materials. Students will explore the world of color and design while learning about the importance of turning used objects into something new. Creative thinking and imagination will lead this class through a variety of materials and artistic development.

#703, 804 **Rockin' the Summer Away at Drama Camp! Featuring songs from 1950, 1960 & 1970**

Date: Weeks 7 & 8, July 19 - 30

Ages: 3 - 6, Elementary a.m. or p.m.

This is a musical theatre camp where students will have fun improving their singing, dancing and musical theatre acting skills as they put together a rock and roll celebration! Students will receive instruction and positive critiques from instructors to help them become a triple threat (actor, singer, dancer). They will perform various song and dance numbers in a showcase musical revue at the end of camp.

#308, 907 **Pottery, Ceramics, and Clay**

Date: Weeks 3 & 9, June 21 - 25, August 2 - 3

Ages: 3 - 6, Elementary a.m. or p.m.

Campers will use their imaginations by molding and painting with different materials to create bowls, plates, etc.

EXPLORATION CAMPS

#103, 803 **Young Chefs**

Date: Weeks 1 & 8, June 7 - 11 & July 26 - 30

Ages: 3 - 6, Elementary a.m. or p.m.

In this camp we will learn about measurements, basic cooking skills and different recipes for making snacks that do not require any cooking. Each day campers will have a theme like 'Food Safety', 'How to Measure', 'Preparing Ingredients' and 'Kitchen Safety' and 'Frozen Fun'. At the end of the week they will come home with their very own cookbook.

#204 **Art with the Masters**

Date: Week 2, June 14 - 18

Ages: 3 - 6 a.m., Elementary p.m.

This week long art class will focus on different artists like Picasso, Van Gogh, Monet, Casset, etc. We will learn a brief history of the artist we are replicating along with different techniques and skills. Each day they will complete a new project.

#303 **Dig Into Flowers: Origins, Colors, Festivals**

Date: Week 3, June 21 - 25

Ages: 3 - 6, Elementary a.m. or p.m.

Egyptian ceramics are decorated with Daisies. Japanese emperors sat upon the Chrysanthemum throne, they put a single chrysanthemum petal on the bottom of a glass to sustain a long and healthy life and that's only the beginning. Campers will learn which flowers are used to celebrate life, death, health and wealth. At the end of the week campers will create and arrange a beautiful bouquet of their very own.

#902 **Movin' On Up to First Grade (A.M. Only)**

Date: Week 9, August 2 - 6

Ages: **Kindergartners going into First Grade**

Yeah! You have just finished the Kindergarten program and are now moving up to a new classroom where you will meet many new friends, have new experiences and challenges. Find out what is familiar and what is different, and what you can look forward to in the fall! We will explore the skills you will develop during your time in 1st grade while working together to become familiar with the new environment.

EXPLORATION CAMPS

#407 Children of the Earth and Sky (*)

Date: Week 4, June 28 - 2

Ages: 3 - 6 a.m., Elementary p.m.

Who were the first Americans? What were their homes like? What games did kids play? In this camp we will learn all these things and more as we look at tribes from the Northwest, Southeast, Plains and Northeast. The culmination will be a trip to the Pawnee Earth Lodge at the Field Museum.

#302 Explore Naperville: Yesterday and Today (*)

Date: Week 3, June 21 - 25

Ages: 6 - Elementary 9 a.m. - 4 p.m.
(\$195 -No additional field/swim fee)

In this camp we will take a guided walking tour of 10 of Downtown Naperville's Historic buildings. Each camper will be given a disposable camera and will walk through town taking pictures of the buildings they learn about. We'll visit

Centennial Beach, Anderson's Bookstore, Millennium Tower, the Riverwalk, Nichols Library, & go out for ice cream. Everyday the campers will enjoy their snacks and lunch at local parks where they can play and enjoy the best summer has to offer while learning about the history of Naperville!

#1001 Animals in Your Neighborhood (*)

Date: Week 10, August 9 -13

Ages: 3 - 6, Elementary a.m. or p.m.

Campers will learn about the animals they see everyday in their neighborhood. They will start their week with a visit to Green Trails Animal Clinic and take a behind the scenes tour of the exam rooms and lab. Then they will spend the week learning more about the animals they saw and put together their very own animal book. We will also take a trip to the pet store.

#307 Egypt Unwrapped (*)

Date: Week 3, June 21 - 25

Ages: 3 - 6 a.m., Elementary p.m.

Campers will unlock the secrets of tombs, mummies, treasures and will make a pyramid and mummify their own object. Field Museum field trip.

#402, 903 Chess Camp & Tournament

Date: Weeks 4 & 9, June 28 - July 2, August 2 - 6

Ages: 3 - 6 a.m., Elementary p.m.

This camp is a fun and exciting way to learn about chess. No previous experience is necessary. Each class will consist of time spent learning the basics of chess through a guided teaching period and time spent solving problems using logic. During week 9 campers will have a chess tournament!

#203, 802 Harry Potter Camp: Do You Want To Be A Hogwarts?

Date: Weeks 2 & 8, June 14 -18, July 26 - 30

Ages: 3 - 6 a.m., Elementary p.m.

You're just a "muggle" but would you like to become a Hogwarts? Campers will have fun learning to mix potions, playing games of Quidditch, dressing up and learning how to make their own secret potions!

#603 Avatar Camp

Date: Week 6, July 12 - 16

Ages: 3 - 6 a.m. , Elementary p.m.

Do you speak Na'vi? Would you like to take a trip to the Pandora moon? Learn about floating mountains and glowing plants? Campers will study the Avatar; where they live, how they talk and how an entire mountain range can float over their "planet." Older campers will learn that floating mountains and glowing plants have to do with superconductors, magnetic fields and bioluminescence.

#602 The ABC's of Saving Money

Date: Week 6, July 12 - 16

Ages: 3 - 6 a.m., Elementary p.m.

Saving money is smart! When you save and spend money wisely, you will be able to buy things you need and want. Campers will follow along from A-Z to find out tips for being a money-smart kid! Older campers will learn how to be the "banker", they will make loans, learn basics of how the economy runs, write checks, and more!

(*) Field Trip

SPORTS CAMPS

#205, 904 T-Ball Camp

Date: Weeks 2 & 9, June 14 - 18, August 2 - 6

Ages: 3 1/2 - 7 a.m.

Young campers will learn the basic introduction to T-ball including hitting, catching, and throwing. They will have fun and learn about team work.

#205, 904 Softball Camp

Date: Weeks 2 & 9, June 14 - 18, August 2 - 6

Ages: Elementary p.m.

Campers will learn the basic introduction to softball including hitting, catching, and throwing. They will have fun and learn about team work.

#105, 605 Soccer Camp

Date: Weeks 1 & 6, June 7 - 11, July 12 - 16

Ages: 3 - 6 a.m., Elementary p.m.

This is a great way for campers to get outside and active while learning valuable skills to help with coordination, teamwork and self-confidence.

Swimming Lessons

Ages: 3 - 6, Elementary

Swimming lessons at Naperville YMCA available. See office for cost and dates.

Open Swim @ Lisle Water Park

Ages: 3 - 6, Elementary

A new option available this year is to add a trip to the Sea Lion Aquatic Park. A zero-depth shallow end is just one of the many amenities.

#405 Martial Arts Camp

Date: Week 4, June 28 - July 2

Ages: 3 - 6 a.m., Elementary p.m.

This class is designed to teach students various aspects of the Korean martial arts, including kicking and punching and forms, but also “rolling,” i.e. learning how to fall and how to do basic rolls, cartwheels, etc. There will also be some limited instruction in the basics of boxing. The philosophy behind the course is simple: students will learn aspects of both “hard-linear” movements (kicking, punching) and “soft-circular” movements (rolling, falling), as both kinds of movements are necessary for complete training in the martial arts. Most of all, the students will practice coordination, balance, and body-control while learning martial arts in a safe and fun environment. 3 - 6 campers will learn basic stances, balance, rolling, kicking, and punching. Elementary campers will learn the basics mentioned above as well as an introduction to forms and combination movements.

#505 Gymnastics - Tumbling Camp

Date: Week 5, July 6 - 9

Ages: 3 - 6 a.m., Elementary p.m.

Tumbling develops coordination, strength, balance and self-confidence. This camp is for children who are new to tumbling. Form and positions will be taught at this level in addition to forward and backward roll, straddle roll, dive roll, lunge to handstand, cartwheel and bridge.

#305, 704 Tennis Camp

Date: Weeks 3 & 7, June 21 - 25, July 19 - 23

Ages: 5 - Elementary (1 - 3 p.m.)

This program is geared towards teaching tennis' fundamentals while promoting proper behavior on the court and encouraging children to make tennis a lifelong game.

Du Page Montessori School
Optional Summer
Swimming Program 2010
 for
Educational Classroom Program
2 days / week

Our swimming program for the summer will begin on June 15th. Swimming lessons will be offered through the YMCA at the Kroehler Family Center located in downtown Naperville. The program is available to children who are 3 1/2 years or older. Swimming lessons are in two 4-week sessions, 2 days a week, Tuesday and Thursday, for 1 hour each day. (This is a total of 8 lessons per session.) Lessons are from 10 am to 11 am.

A school bus/van will be rented to transport the children, accompanied by our staff to the pool. The cost for the swim lessons, instructors and the transportation for the session is \$150.00 per child.

There is one instructor for every 4 children and a lifeguard at the pool. Children will be tested the first day and put into an appropriate level according to their skills.

Please send your child dressed in a swimsuit underneath his/her clothes. They should wear slip-on shoes or sandals on lesson days. (No tie shoes, please.) Have underwear and a towel in a swim bag. Girls with long hair need to tie it back in a ponytail or in a swim cap.

RETURN THIS FORM TO SCHOOL WITH THE FEE BY THE DATE INDICATED.

Session I fee is due by May 14th.

Session II fee is due by June 11th.
