### Senzo Tanaka Research

Here are the public findings on Senzo Tanaka and other related materials. All links related to this research will be posted below with corresponding links numbered in parenthesis. I would like to thank a dear friend who chooses to remain nameless for his collaboration and supporting findings regarding the Tanaka clan research.

We decided to see if it was possible to actually find documents or anything providing proof of Senzo Tanaka, Hanshi Frank Dux's Ninjutsu instructor. Our means of research are only limited to the Internet as I live in a rural area and don't have the ability to go to travel or visit Japan. One of our passions is genealogy and we thought we would try that approach with researching Senzo Tanaka. We really only had his name, a rough age, where he resided in California, and a rough date of when he passed away.

We started out with a simple search in familysearch.com of Senzo Tanaka and inputted the death year. We then found a death certificate through their site (Link #1). There we was given a date of birth (19 December 1888), the date he passed away (September of 1975), and his age (87 years old). In familysearch's death record there is a zip code of XX723. We believe that is actually 90723, a zip code in Los Angeles County, California. Once we had that information we was able to do a more precise search. We entered in the newfound information and was given an immigrant passenger list from Japan to San Francisco, California (Link #2). Now we had his place of birth, and as you can see he was from Kumamoto, Japan. Doing a little more searching we found that Senzo had made his way to Hawaii in 1906 with another Tanaka, Shigigie Tanaka (Link #2A). This is extremely exciting and we will explain more later. I also was able to locate a draft registry for him (Link #3). There you can see he registered for the draft at age 53.

Now we're going to get a little bit more in depth about the area of Japan in which Senzo Tanaka is from. As mentioned before he was born in Kumamoto, Japan, and Kumamoto is in the island of Kyushu, Japan. He has also listed himself as a farmer, which gets more interesting. Looking at Kumamoto (Link #4), and the rich Japanese history there. There was a Chinese immigration after the fall of the T'ang Dynasty, Korean and Mongolian invasions. There were farmer uprisings and one particular referred to as Shimabara Rebellion. Then you have Miyamoto Musashi Japan's

most famous ronin samurai. He spent his final years in Kumamoto and wrote his book of the five rings there (Link #5).

Also in Kumamoto is Kumamoto Castle one of Japan's National historical sites (Link #6). Many battles and samurai clans were a big part of this castles history. It also has a very "The Last Samurai," the movie feel to it (Link #7).

More interesting facts about Kyushu and a group called the Kokuryūkai (Black Dragon Society). Its membership included Cabinet Ministers and high-ranking military officers as well as professional [secret agents](#), Senzo Tanaka, and Frank Dux are both members of the Kokuryūkai. The Kokuryūkai was founded by [Uchida Ryohei](#) in 1901. [Uchida Ryohei](#) was born in Kyushu, Japan and the same area Senzo was last seen in Japan. Another Kokuryūkai member is Akashi Motojiro who is also from Kyushu, Japan. Akashi is a documented spy and has been dubbed the "James Bond" of Japan. Then there is Takayoshi Tanaka who was born in Kyushu, Japan and also a documented spy.

The Kokuryūkai had a strong presence in California during WWII and in both locations Senzo was living. Here are links documenting the Kokuryūkai in Northern and Southern California by the San Francisco museum and FBI (Link #14 and Link #15). The FBI arrested a newspaper journalist by the name of Togo Tanaka. Togo was said by the FBI to be a Kokuryūkai member. Togo was visiting in Northern California (same area Senzo lived) when arrested and they placed him in the [Manzanar](#) internment camp. Togo wrote articles about Kokuryūkai flying their flags and marching in the camp trying to gain supporters. Its also very plausible that Senzo and Togo were related. Although Togo was born in Oregon, his parents were from Kumamoto, Kyushu. Also after WWII Senzo resides in Southern California where there is Togo Tanaka, Kokuryūkai, and later his student Frank Dux.

We would like to touch on the Yamabushi and some other points in this section. Yamabushi are mentioned in three important documents relating to Ninjutsu and its feudal era. First you can find them mentioned in the Bansenshukai Japan's premier ninja manual in the Bakemono Jutsu section. Second is in the Shoninki another important ninja manual and mentioned in esoteric teachings/spirituality section. Third you can find the Yamabushi in Japanese warrior monks 949-1603 book. Tanaka's style was Koka Yamabushi Ryu Ninjutsu. There is and was a strong presence of the Yamabushi in Kyushu, Japan (Link #8). In fact Mt. Hiko is only about two hours away from Kumamoto. Mt. Hiko has a good amount of Yamabushi doing ceremonial hikes, and is considered one of the most holiest places in Japan. Also near Nagasaki, Japan there is the last Tanaka clan member Emiko Tanaka who still teaches Ninjutsu. Another interesting fact is where Emiko resides is only about two hours away from Senzo's birthplace. Lastly, Senzo traveled in 1906 with Shigigie Tanaka. Shigigie was a member of the Tanaka's who brought Koka Ryu Ha

Kurokawa Ninjutsu to Brazil (Please refer to the Tanaka Clan Research for a more in depth look).

This is where we'd like to put everything together. Senzo Tanaka was a farmer from Kumamoto, Kyushu, Japan. An area with some great historical significance. There were samurai, ronin samurai, Miyamoto Musashi, farmer uprisings, Chinese, Korean, and Mongolian influences, battles, religious uprisings, Yamabushi priest, and a surviving Tanaka member who carries on ninjutsu still today in Kyushu. He was a member of the Kokuryūkai, an organization with members who were spies, and from the same parts of Japan as Tanaka. Senzo leaves Japan to come to America. He travels with another Koka Ryu Ninjutsu practitioner. While in America the United States enters World War II due to the bombings of Pearl Harbor. Senzo has to register into the draft as to show proof renouncing any allegiance to the Emperor of Japan (Link #9 & Link #3). Then he is not on any documents we can find until his passing in 1975 and his last residence in Los Angeles. Interesting enough that is the same area where Frank Dux learns Ninjutsu from Senzo Tanaka. It all sounds very secret squirrel ninja to us.

Lastly we'd like to say that we did our best to find actual facts from familysearch.com. We've had many setbacks in the research of this data. A lot due to people wanting to embellish, make their own history, and/or not taking the time to verify their findings. We will continue to try and research more, making sure we're not providing wrong information. Speaking of embellishing and making their own history. A lot of people specifically the ones who are in my beliefs rogue Bujinkan and BSMA (stands for: Bullshit Martial Arts) members like to tear everyone down who does not support their cause. We have found them trying to rewrite history through Wiki, and on witch-hunts for anyone claiming Koka ninja lineage (Link #10, Link #11, Link #12, and Link #13). In there you will find a member of both the Bujinkan and BSMA Simon Edwards talking about the need to rewrite wiki so it coincides with their history. Then you will see Simon Edwards's email under the change in Koka History on Wiki. The other two are them mocking the deceased Dan Harmon, and the last one is from Colorado Springs Bujinkan and all their propaganda. Their main arguments are usually with Seiko Fujita's comments that he didn't leave a successor. Hopefully this might help others to see their wrong doings, possibly let go of the fact Fujita is not the only one who taught Koka ninjutsu, and help them change.....one can hope.

**Tanaka Clan Research**

This report was done to research the historical contributions of the Tanaka clan that is associated with Frank Dux along with the historical contributions that the Tanaka clan has made to the martial arts of Japan and to the history of Japan in general. First and foremost we are going to base everything regarding Frank Dux and his martial arts background which already has been researched and proven by these links here:

This style of research is based upon the research style that was used by Donovan Mochizuki

<http://mochizuki.org/about-2/>

and how he was able to retrace the Mochizuki's contribution to Japan and its history and their contribution to the Japanese martial arts

Along with how the Koryu martial arts are related to the ninja plus certain Gendai ones but not limiting ourselves to boundaries just as long it has Japanese roots that are associated to the Tanaka clan and the martial art itself

<http://www.wayofninja.com/ninja-martial-arts-list/>

Then also the bio and connections another Black Dragon Society member named Yoshida Kotaro developed within the martial arts community and Japanese government

This link here confirms that there does exist a confirmed head of the Tanaka clan of Ninjutsu

[http://www.answerbag.com/q\\_view/1802926](http://www.answerbag.com/q_view/1802926)

in the article it says that Emiko Tanaka is the current head of the Tanaka clan of Ninjutsu in Japan and that she lives in Nag-Omuru Japan on the coast just outside of Nagasaki

This next website says all of the same things verbatim that Emiko Tanaka lives in Nag-Omuru Japan just out of Nagasaki and is the current head of the Tanaka Ryu Ninjutsu in Japan

<http://nisaai.blogspot.com/2012/01/five-rings-centers-international-it-is.html>

Also this information regarding Emiko Tanaka can be verified from her Canadian student Leslie Peter Erickson which can be reached from Facebook here

<https://www.facebook.com/leslie.p.erickson>

Also this person here Bob Moore claims to have been taught Tanaka Ryu Ninjutsu as well but a substyle called Nagano Ryu at this link here plus teaches it publicly at his school

here is his contact info for referencing purposes as well

Another person that has trained with a member of the Tanaka clan is someone called David Frost in Garland, TX. under the Black Star Ninjitsu Academy in Tanaka Ryu Ninjutsu which can be confirmed by Bruce Calkins he runs the Golden Dragon Dojo in Caledonia, NY and lists his phone number to contact him as 585-538-4223

Now before we move any further here is the history of the Tanaka clan and its name including the 6 family kamons that the Tanaka clan carried

<http://www.iromegane.com/japan/culture/japanese-family-names-tanaka-%E7%94%B0%E4%B8%AD/>

Along with here is photos and an article on this history of Tanaka castle in Japan too

<http://www.japancastle.jp/2015/03/Higo-tanaka-castle.html?m=1>

This next website right here is looking to develop a historical family tree of the Tanaka clan samurai history and is still currently looking for current members of the Tanaka clan that are related to the bushi/samurai of Japan as well as did work as shinobi/ninja of Japan as well to contribute the website's info on the Tanaka and Nakamura lines of samurai/ bushi and shinobi/ninja

<http://www.tanakamura.com/>

Also another contribution that the Tanaka clan made was cited in this article on a society in Japan called the Roninkai that was started by Tanaka Hiroyuki in 1908 that also includes members of the Genyosha and the Black Dragon Society plus the founders of both of these organizations were members of Tanaka Hiroyuki's Roninkai as well

<http://en.wikipedia.org/wiki/Roninkai>

Next in regards to the contributions of the Tanaka clan even more in Ninjutsu or Samurai Bujutsu here is the Soke List from the Kurokawa Ryu Ninjutsu school plus their history notice that the person who handed the Sokeship of the Kurokawa Ryu was named Minoru Tanaka to Soke Ebio Borges who is the present head of the Kurokawa Ryu

Now here is someone that was also taught by Senzo Tanaka as well and is associated with the Tanaka clan also the Fuma Ryu

<https://www.facebook.com/pages/Ninjutsu-Fuma-Ryu-in-the-World/207884949237959>

The person who runs the Fuma Ryu in San Francisco Harunka Hoshino who also runs the San Francisco Japanese Sword Society too here is his website as well

<https://sites.google.com/site/sfswordsociety/>

and his contact info is

PO Box 12235

San Francisco, CA. 94112

415-585-9499

not only that here is the Fuma Ryu's Uruguay representative Giorgio Barbagallo's Facebook profile so that he can be contacted regarding the connection between them and the Tanaka clan

<https://www.facebook.com/associazione.trinacria>

and here is the British Fuma Ryu's website as well to better help people connect with the Fuma Ryu as well for the purposes of connecting with the Tanaka clan's association with them as well

<http://fumaryuninjutsu.yolasite.com/>

Also further documentation of the Tanaka Ryu is from a Japanese Sword Guard Maker's Book from the Boston's Museum of Fine Arts by Okabe Kakuya which is a reprint from the Collection of the University of California Libraries as well you can read it here for free

<http://www.bookprep.com/read/uc2.ark:/13960/t93779g65>

First go to the Goto School and read their bio from pages 35-37 and then flip to page 67 and notice what name appears on the page which reads Tanaka Ryu and the books says to return to the Goto school to read more of the Tanaka Ryu's history associated with the Goto School

Some of the modern Tanaka clan members still teach martial arts to this day check out this school in Japan called the Taikijyuku that teaches Nippon Koden Fushi Muso Kai

<http://taikijyuku.com/en/taikijyuku/index.html>

it was ran by Fumon Tanaka and here are his bios plus achievements too

[http://en.wikipedia.org/wiki/Fumon\\_Tanaka](http://en.wikipedia.org/wiki/Fumon_Tanaka)

<http://taikijyuku.com/en/soke/index.html>

Notice that they say that he is a master of both Iga and Koga Ryu Ninjutsu and that he replaced Yumio Nawa as the curator and head of the Koga Museum in Japan at this link below

<http://iaidotoyama.webs.com/sokefumontanaka.htm>

As was brought up in the prior links Soke Fumon Tanaka retired from teaching and has passed the torch to his daughter Ukyo Tanaka and she currently runs the school in Suita City Osaka through the Senshinkan with her assistant instructor Renshi Yokio Nakamura which like was brought up prior the Tanaka clan historically worked very closely with the Nakamura clan and still do to this day

<http://taikijyuku.com/en/enrollment/index.html>

The Iaido Toyama website posts business cards for Soke Tanaka but they feel that they are outdated so here is the link to e-mail them should anyone ever want to contact them

<http://taikijyuku.com/en/postmail/postmail.html>

Also notice this connection with the Tanaka clan as well

<http://sogogoshindo.webs.com/history.htm>

notice that the person that runs this school Will Marvin was promoted to Godan and Rokudan by John Miller who also teaches Koga Ryu Ninjutsu and Bill Sanford who also holds rank in Tanaka Ha Jujitsu

which his address and contact info according to this link here

<http://sogogoshindo.webs.com/apps/location/>

is:

922 S Jefferies Blvd.

Walterboro, SC. 29488

843-844-7008

marvingoshindo@yahoo.com

Now here is a school in New York that calls themselves the Yamabushi Jujitsu Ryu at this link here

<http://www.yamabushijujutsuaikijutsuryu.com/aboutus.htm>

YAMABUSHI DOJO

2301 YATES AVE.

BRONX, N.Y. 10469

718-882-8985

Also this here is the person who runs the Yamabushi Ryu's Facebook profile Miguel Ibarra

<https://www.facebook.com/miguel.ibarra.3990>

Notice that Mr Ibarra holds an 8<sup>th</sup> Degree Black in Tanaka Ha Daito Ryu Aikibujitsu another contribution the Tanaka clan has made to the Japanese martial arts community

Here is another connection to the Tanaka Ryu and this time its Tanaka clan members themselves teaching Ninjutsu in North Carolina their school is called the Tanaka Ryu Koga Kagete Uji Gakko Kage Yushi

<http://www.dojos.com/ninjitsu.htm>

Also the Soke of this style of Koga Ryu is called Toshihero Tanaka and his Kuniuchi instructor is called Michiko Tanaka and the person who runs the dojo in NC for them is J McConnell as this link here shows

<http://www.dojos.com/kkugky/>

you can only contact them through e-mail and to contact the Tanakas personally this is their e-mail address

KogaKurohasuryu@yahoo.com

and here is J McConnell's e-mail address as well

KKUGKYUSA@yahoo.com

Also the existence of the Tanaka Koga Ryuha can also be found out and confirmed because they are registered with the International Combat Martial Arts Union Associations (ICMAUA)

Which they are listed under their Affiliate Organizations link in the T listing

<http://www.icmaua.com/AffiliateOrganizations.htm#T>

it lists this Tanaka Ryuha as Tanaka Ryu Koga Kagete Uji Gakko Kage Yushi plus also lists what Soke Tanaka teaches to his students as well plus other certifications he has under the ICMAUA too which is

Also Soke Tanaka is again listed on its Member's List plus again lists the training he offers to his students at this link here

<http://www.icmaua.com/IndMembersLZ.htm#T>

which when you school down to Soke Tanaka's entry on the Member's List it lists his entry as follows

Toshihero Tanaka

International Combat Martial Arts Union ICMAUA Lifetime Member.

Koga Kuro hasu ryu Shinobi no jitsu

Shiro Tora ryu Shin jitsu

Shiro Tora ryu Kenpo

Also in correlation to Frank Dux look in on the Member's List as well and you will find out that fellow Black Dragon Fighting Society member and the Current Soke Master Donald Miskel is listed as well in the M section of the Member's List of the ICMAUA

<http://www.icmaua.com/IndMembersLZ.htm#M>

which has him listed as

This link on the Tanaka clan is from Kiyomi Vanessa Shibata she is a Ninjutsu instructor and entertainer in Japan her Facebook profile is listed below

<https://www.facebook.com/kiyomi.shibata>

She in this update here

<https://www.facebook.com/kiyomi.shibata/posts/10201561803960306>

says

"Arriving in Nagoya in about 15 min. to attend our shinobi-yoriai meeting. Looking forward to seeing our clan members at the Tanaka Ninja Academy. Sen-hime is to perform our Shiho-barai-no-mai, and Kakuun-sensei, bohnote."

So there is also a Tanaka Ryu Ninjutsu dojo active in Nagoya Japan that Kiyomi Vanessa Shibata knows about and has contact with personally that is involved in the Ninjutsu community in Japan as well.

This next links to the Tanaka clan is basing everything off of this interview where Frank Dux says that the Tanaka's lineage of Ninjutsu comes from the Yagyu clan

<http://www.youtube.com/watch?v=FzProPptK20>

These people that are active in Mexico and teach Koga Yamabushi Ryu but also call it Yagyu Ryu Ninpo Taijutsu as well

<http://kogaryuninjutsu.wix.com/dojo>

<http://www.ninjakombat.com/>

Notice that these schools correlate very closely with what Frank Dux says with the Tanaka clan referencing the syllabus of the Yagyu Ryu for their martial arts training and eventually forming their own teachings from the Yagyu Ryu but calling it their own Tanaka Ryu

Not only that to show that the Tanaka clan also picked up Iga Ryu Ninjutsu training as well here is Yoshiyuki Tanaka a 10<sup>th</sup> Degree Black Belt within the Bujinkan which teaches Iga Togakure Ryu Ninjutsu

<https://www.facebook.com/yoshiyuki.tanaka.376>

Not only that in correlation with Yoshiyuki Tanaka and Fumon Tanaka along with the 9 traditions taught at the schools associated with the Bujinkan Masaaki Hatsumi of the Bujinkan, Shoto Tanemura of Genbukan, Manaka Unsui of the Jinenkan, and Fumon Tanaka all share Sokeship in Kukishin Ryu Bujutsu as seen here at these links

[https://en.wikipedia.org/wiki/Kukishin-ry%C5%AB#Kukishin-ry.C5.AB\\_Today](https://en.wikipedia.org/wiki/Kukishin-ry%C5%AB#Kukishin-ry.C5.AB_Today)

[http://www.liquisearch.com/kukishin-ry%C5%AB/kukishin-ry%C5%AB\\_today](http://www.liquisearch.com/kukishin-ry%C5%AB/kukishin-ry%C5%AB_today)

<http://samuraibujutsu.yuku.com/topic/464/Kukishin-Ryu-Bojutsu?page=#.V54uzBIxZR>

[https://en.wikipedia.org/wiki/Fumon\\_Tanaka#Soke](https://en.wikipedia.org/wiki/Fumon_Tanaka#Soke)

Another correlation with the Tanaka clan along with Shoto Tanemura of Genbukan and Manaka Unsui of the Jinenkan is Asayama Ichiden Ryu in which art was initially taught in the Aizu domain, which is the same area that Daito Ryu originated hence a possible reason for some experts noting similarities in the various waza that are shared. Eventually the art was promoted throughout the region by the Tanaka House, who were elders on council to the Lord of that area. During the Meiji era (1868 to 1912), the head of the art was named Tamatso Tanaka, the 12th generation head of the art. Its current popularity was due to Tanaka's appointment of Okura Hisajiro Naoyuki as Style head.

[https://en.wikipedia.org/wiki/Asayama\\_Ichiden-ry%C5%AB](https://en.wikipedia.org/wiki/Asayama_Ichiden-ry%C5%AB)

Now here are some more modern members of the Tanaka clan that presently teach Japanese martial arts to the public these ones here specifically teach Karate

Shito Ryu Karate and Kobudo Teacher Katsutaka Tanaka

<http://www.tanakas-martial-arts-academy.com/>

A Shito Ryu Karate organization called the International Tanaka Shito Ryu Karate Do Shobukan

<https://www.facebook.com/shobukankarate>

The current head of the Japan Karate Association which specifically teaches Shotokan Karate is named Masahiko Tanaka

<http://www.theshotokanway.com/masahikotanakaprofile.html>

<http://www.theshotokanway.com/tanakathemaster.html>

[http://www.jka.or.jp/english/about/02\\_tanaka.html](http://www.jka.or.jp/english/about/02_tanaka.html)

Hanshi Minoru Tanaka oversees the actions of the Goju Ryu Karate Association of Singapore as appointed by the Jitsukai Japan

<http://www.gojuryu.sg/news.html>

Thomas Mitchell was taught Goju Ryu by Dr Enji Tanaka from Brazil

[http://www.streetwisefightingsystems.com/index.php?p=1\\_30\\_Dr-Thomas-Mitchell-International](http://www.streetwisefightingsystems.com/index.php?p=1_30_Dr-Thomas-Mitchell-International)

Mikio Tanaka current head of Toyama-kai School of Karate

<http://www.bobhollinger.com/#!/untitled/c2500>

One of the famed teachers of Chito Ryu Yuseikan is Hiroshi Tanaka

[http://www.chitoryuyuseikan.com/karate\\_history.php](http://www.chitoryuyuseikan.com/karate_history.php)

One of the teachers for the Koshiki Karate do Dojo which is a Shorin Ryu Karate school is Ryan Tanaka

<http://www.koshikikaratedo.com/Staff.php>

This here is an article done by Black Belt Magazine on Miyazaki Tanaka who is a Shorinji Kenpo Karate teacher

<http://www.ebay.com/itm/RARE-6-79-BLACK-BELT-TANAKA-MIYAZAKI-SHORINJI-KENPO-KARATE-KUNG-FU-MARTIAL-ARTS-/370942199960>

This link here is the American Kenpo Karate school of Ryan Tanaka

<http://norcalkenpokarate.com/lineage.php>

This next link here is on Dian Tanaka a famed female American Kenpo practitioner

<http://www.kenpowomen.com/2012/08/28/dian-tanaka/andree-dian-tanaka/>

This next link is a Kempo Jutsu school that bears the name of the Tanaka clan as part of its title and the person who runs the Kempo Jutsu school was taught by a Tanaka clan member

<http://www.nihon-kempo.com/>

Not only just that a Tanaka clan member by the name of Tommy that was living in Hawaii was instrumental with the development of Hawaiian Kajukenbo

<http://en.wikipedia.org/wiki/Kajukenbo>

The reason why these modern descendants of the Tanaka clan's preference in traditional Okinawan Karate and Kenpo is closely related and can be linked to Koga Ryu Ninjutsu is the lineage and associations of their styles of Karate to Koga Ryu Ninjutsu

An example to give of this is Kenwa Mabuni one of the leading figures in Shito Ryu was a student of Koga Ryu master Fujita Seiko and it has been purported that Kenwa was taught Koga Ryu Ninjutsu from Fujita Seiko and he incorporated it into Shito Ryu Karate which can be seen and said at this link here

<http://www.floridagenbukai.com/karate/shitoryu.html>

Another connection to the Tanaka clan's choice in Okinawan Karate and its correlation to Koga Ryu Ninjutsu is that Gichin Funakoshi's personal assistant Takeshi Shimoda was not only a teacher in Shotokan Karate but he was also a teacher in Kurokawa Ryu Koga Ninjutsu which as was brought up prior the last Soke of the Kurokawa Ryu Koga Ninjutsu was Minoru Tanaka before it was passed onto Ebio Borges in Brazil which it was also confirmed that there were Tanaka clan members in Brazil and possibly more that can be confirmed with Dr Enji Tanaka being there and teaching Goju Ryu Karate

<http://www.shotokai.com/ingles/bios/shimoda.html>

The next connection that involves Kenpo with the Tanaka clan is that Fujita Seiko was the inheritor of Sato Ryu Kenpo and it has also been purported that Fujita Seiko was also the teacher to James Mitose who was one of the people who brought Kenpo to the US

<http://www.freewebs.com/kenpoexchange/photos.htm>

[http://en.wikipedia.org/wiki/James\\_Mitose](http://en.wikipedia.org/wiki/James_Mitose)

Which has also been purported that Fujita Seiko also taught James Mitose Koga Ryu Ninjutsu as well and still is taught to this day by Grandmaster Nimr Hassan

<http://www.kogahakempo.com/GrandmasterHassan.html>

Hidetoshi Tanaka is the President of the International Sumo Federation

<http://www.ifs-sumo.org/ifs-executive.html>

Bansen Tanaka was an Aikido teacher with a Judo background as well

[http://en.wikipedia.org/wiki/Bansen\\_Tanaka](http://en.wikipedia.org/wiki/Bansen_Tanaka)

Shigeho Tanaka is an Aikido teacher for the Yoshinkan

<http://blog.aikidojournal.com/2013/07/31/catalog-of-aikido-techniques-shigeho-tanaka-shihan-9th-dan-in-superb-tv-documentary/>

<http://www.aikidounionengland.co.uk/more.php>

This link on Seiji Tanaka is the director of the Colorado Aikido Association and an 8<sup>th</sup> Degree Black Belt in Aikido

<http://www.tomikiaikidodenver.com/about-sensei/>

Not only that the Tanaka clan also has their own form Daito Ryu Aiki-jujitsu at this link here as well

<http://www.tanakaaikibudo.com/>

Another notable contribution that the Tanaka clan did for the Japanese martial arts was in 1895 Police Captain Takamichi Tanaka co-founded the Dai Nippon Butoku Kai in Kyoto to preserve traditional Japanese Bujutsu

<http://www.dnbk.org/history.cfm>

Not only that to adhere more to the samurai lineage of the Tanaka clan here is Kyudo instructor Hisoyuki Tanaka's Facebook profile where he not only teaches Kyudo but also teaches Horseback Archery

<https://www.facebook.com/hisayuki.tanaka.969>

Now for those that do not know the Korean martial arts of Tae Kwon Do and Hapkido have roots to Japanese martial arts in which Tae Kwon Do has roots in Shotokan Karate and Hapkido is the Korean variant of Aikido/ Aiki-jujitsu which is the Tanaka clan themselves are involved in the Korean variants of their Japanese martial arts lineages as well.

This link here confirms the Founder of Tae Kwon Do General Choi Hong Hi was a Shotokan Karate practitioner

<http://martialarts.stackexchange.com/questions/2498/history-of-shotokans-influence-on-taekwondo>

Now this link here covers that Hapkido founder Choi Yong Sul was referencing Daito Ryu Aiki-jujitsu while developing Hapkido

<http://www.differencebetween.net/miscellaneous/difference-between-aikido-and-hapkido/>

Here is a Tanaka clan member who heads a Tae Kwon Do association in Peru

<http://www.tanakatkd.com/home.html>

Along with here is another Tanaka member who not only teaches Tae Kwon Do plus Karate but also Hapkido as well

<https://twitter.com/SenseiTanakaLee>

To also further support this link of the Tanaka clan being associated with the lineage of Aikido and eventually the finding of Hapkido under Choi Yung Sul here is another Tanaka clan member under the same lineage of Aikido practitioners of Hapkido founder Choi Yung Sul

<http://www.aikidofaq.com/history/genealogy.html>

This member of the Tanaka clan lives in the United Kingdom and teaches Daiwa Ryu Jujutsu

<http://www.daiwaryu.com/DaiwaHealing.html>

As was brought up in the link below in 1952 feeling that traditional Jujitsu did not suite his taste Tatsu Tanaka founded Goshin-jutsu

[http://www.jitsufoundation.org/JuJitsu.asp?Page=The\\_Jitsu\\_Foundation\\_-\\_jujitsu\\_history](http://www.jitsufoundation.org/JuJitsu.asp?Page=The_Jitsu_Foundation_-_jujitsu_history)

From his training in traditional Jujitsu Tadashi Chushudo Tanaka founded Gyakute do Aiki-jujitsu

<http://www.gyakutedo.com/>

This link here is on Miki Tanaka who is a 2010 Silver Medalist in Olympic Judo

[http://en.wikipedia.org/wiki/Miki\\_Tanaka](http://en.wikipedia.org/wiki/Miki_Tanaka)

Another connection to the Tanaka clan and Judo is with this article about Robert Tanaka as he competed in the World Youth and Student Championship

<http://www.teamusa.org/USA-Judo/Features/2013/July/15/Team-USA-Takes-Seven-Medals-At-USA-Judos-First-Internatl-Champs-For-The-Blind-And-Visually-Impaired>

As this link on the history of the Judo Black Belt Association of Hawaii details Susumu Tanaka in 1972 with the President of the association negotiated getting Judo into public schools in Hawaii which was also officially adopted in all schools in Oahu which also entails one of the first teachers of Jiu-jitsu in Hawaii was Kichimatsu Tanaka who opened the Yoshin Ryu Dojo in 1912

<http://www.hawaiijudo.org/index.php/what-is-judo-mainmenu-6/hawaii-judo-history-mainmenu-29>

Now in correlation to Kichimatsu Tanaka and the Yoshin Ryu Dojo one of his students Seishiro Okazaki founded one of the most practiced forms of Jujitsu to this day Danzan Ryu Jujitsu

<https://sites.google.com/site/mixedmartialartsrankings/home/mixed-martial-arts-history/history-of-martial-arts-in-hawaii/ju-jitsu/ju-jitsu-danzan-ryu-1>

<http://www.honshinkan.net/services/history-of-danzan-ryu-jujitsu>

<http://jujitsu-do.com/history/>

One famed Danzan Ryu Jujitsu practitioner who was also an actor and professional wrestler Charles Kalani performed under the name Professor Toru Tanaka which was a homage to his Seishiro Okazaki's teacher Kichimatsu Tanaka

<http://www.danzan.com/HTML/PEOPLE/kalani.html>

This here is the lineage tree of the Hiko Ryu Taijutsu which was founded by Koshiro Tanaka who has experience in Wado Ryu and Kyokushinkai Karate, Judo, Jukendo, Kenjutsu, and Kung Fu

<http://hikoryu.client.jp/history/>

<http://hikoryu.client.jp/history/tana.htm>

Although Karate was discussed earlier regarding the Tanaka clan's contribution to it but here is Mike Yasuo Tanaka who is a Kyokushinkai Karate teacher in the UK which can be contacted at his Facebook page at the link below

<https://www.facebook.com/mike.y.tanaka.5>

Now as to why Koshiro Tanaka and Mike Yasuo Tanaka was brought up in the order that they were was to cover this next topic of the Kumite which is considered somewhat of a rumored event but is highly common among Kyokushinkai Karate practitioners that is this link below is contested that Frank Dux participated in an event called the Kumite

[http://www.cracked.com/article\\_20624\\_5-ridiculous-martial-arts-myths-you-wont-believe-are-real.html](http://www.cracked.com/article_20624_5-ridiculous-martial-arts-myths-you-wont-believe-are-real.html)

Well now here is video proof that Frank Dux did compete in the Kumite with the first video proof uploaded by his senior student Sky Benson

<https://www.youtube.com/watch?v=UIMHVIPbV68>

While this one is a second upload of the same video by Black Dragon Fighting Society member David Kili as further proof of Frank Dux competing in an event called the Kumite with martial artists of varying backgrounds in the competitions

<http://vimeo.com/82587176>

Which to this day the Tanaka clan still makes their contribution to this type of martial arts competition with Todd Tanaka teaching Brazilian Jiu-jitsu in Hawaii for Relson Gracie

<http://www.hawaiimartialartssupply.com/schools.html>

<http://teamhk.ning.com/>

Along with current Pacific Xtreme Combat Bantamweight Champion Michinori Tanaka making this contribution for the Tanaka clan to this day just like his ancestors did along with future generation of Tanaka clan members to come

<http://www.bloodyelbow.com/2013/10/25/5027508/asian-mma-pxc-40-michinori-tanaka-vs-aguon-live-video-stream-results>

## Frank Dux Kumite Verification

Here are the links to verify the IFAA Kumite Events did happen but they operated under different organizations and called their events different things other than the Kumite.

So first we're going to provide you the most predominant articles in modern time that question the validity of the Kumite.

<https://prommanow.com/2017/08/18/how-math-defeats-frank-dux-and-his-kumite-stories/?fbclid=IwAR3ugZ1IeHDj07Nam2vXYzD8WBGFEehMlAmRwkq5ujj85FhIvb-QoP0Qgas>

[http://fightland.vice.com/blog/return-to-the-kumite?fbclid=IwAR1DD\\_soGsiQr33E8Z3IFm9gS11ioqQDwcYpKKWxVku-G5vHzbNZsOE8DL4](http://fightland.vice.com/blog/return-to-the-kumite?fbclid=IwAR1DD_soGsiQr33E8Z3IFm9gS11ioqQDwcYpKKWxVku-G5vHzbNZsOE8DL4)

<https://www.mentalfloss.com/article/532668/10-kick-ass-facts-about-bloodsport?fbclid=IwAR2Eo2e0I9npBzJWjOH8W3rDulvRuHTiCBhWFB3MiMblh-dr2vD4iZv7L4>

<https://www.maxim.com/entertainment/10-bloodsport-facts-30th-anniversary-2018-2?fbclid=IwAR3cfloFRgje3ytuiU3TmlAgurYdUGzUuWLztUqILPYLjtV5OJIZtUC5NRA>

<https://www.ranker.com/list/frank-dux-insane-true-stories/hugh-landman>

Now the references for the articles for the questioning of the validity of the Kumite but note and was wrote in the article that the Fightland Vice article talks about a remake of Bloodsport based in using a Vale Tudo tournament in Brazil and the Ranker article says that there is a grain of truth to the Kumite story or Frank Dux exaggerated a little bit on it.

A lot of it is covered in the documentary Put Up your Dux here is a free one that is in German but you can heard the English in the background

[https://www.youtube.com/watch?v=8II3H\\_8WFaU](https://www.youtube.com/watch?v=8II3H_8WFaU)

Now using this video above at 4:18 to 5:38 and 9:34 to 9:44 you can see Victor Moore famed World Karate Champion validates Frank Dux's participation in Full Contact Kumite events in Put Up your Dux verify that Frank Dux competed in the same Kumite circuits he did when Victor Moore competed

<https://www.usadojo.com/victor-moore/>

This is where it gets tricky and all Frank Dux's critics don't want to acknowledge is that Frank Dux's movie Bloodsport was altered creatively from the actual events that happened at the Kumite events that Frank Dux and Victor Moore fought at in the Put Up your Dux documentary 33:50 to 34:17 as well as can be seen at this Youtube link here showing the same clip with Frank Dux himself saying that the movie Bloodsport was not an accurate portrayal of his time in the Kumite as well

[https://www.youtube.com/watch?v=eXA6oOCov\\_Y](https://www.youtube.com/watch?v=eXA6oOCov_Y)

Here is the video of Frank Dux's time at the Hong Kong Kumite and notice that in some of the videos Frank is wearing a White Sash instead of wearing his Black Belt and in some he was allowed to wear a Black Sash while he fought but remember that in Put Up your Dux that at 33:50 to 34:17 as well as in the Youtube link above Frank Dux says that the movie wasn't the exact historical account of his time competing in Hong Kong in the Kumite

<https://www.youtube.com/watch?v=UIMHVIPbV68>

Along with here is Irving Soto who can confirm that Frank Dux did fight in Kumite events all over the world with Victor Moore but this what people don't want to hear and you hear Frank and Irving talk about it in this video: They had different circuits and different events that was held because members wanted their own events as well as to further their means while doing it and that in China the Kumite was called San Shou and that the movie Fearless which is about Huo Yuan Jia talks about the Chinese San Shou tournaments against other martial artists from other countries including Japan who called the San Shou tournaments against other martial artists from other parts of the world The Kumite

<https://www.youtube.com/watch?v=cvUFUNvPi0Q>

As seen here on the IFAA/BDFS website History Link it also reinforces what both Irving Soto and Frank Dux say about the The Kumite events coming from China and that Huo Yuan Jia was also part of their circuit too as seen here

<http://officialblackdragonfightingsociety.com/history.html>

As was brought up prior in Put Up your Dux at 33:50 to 34:17 and in a replication video on Youtube Hollywood will deviate from the actual events that happened based on someone's life for creativity reasons which leads to this article here that was a lawsuit filed on the behalf of Hou Yuan Jia's family over the inaccuracies of Jet Li's Fearless

[http://www.chinadaily.com.cn/china/2006-03/26/content\\_552313.htm](http://www.chinadaily.com.cn/china/2006-03/26/content_552313.htm)

Now knowing that Huo Yuan Jia bio pic Fearless was altered from the actual events that happened as well as Frank Dux personally admitting at 33:50 to 34:17 and in a replication video that the actual Kumite was different to one done in the movie. Here is the movie depiction of a Kumite event with Frank Dux played by JCVD fighting against Paco a Muay Thai fighter played by Paulo Tocha

<https://www.youtube.com/watch?v=fMf-nWTkdNQ>

So this is where everything is going to get interesting a public video has already been released to the public verifying the existence of Kumite/ San Shou events with fellow Kumite/ San Shou fighter Ron Van Clief posting 2 of his Kumite/ San Shou fight videos at this link here

<https://www.youtube.com/watch?v=GSbCaIotsx0>

and for Ron Van Clief's first fight you can see Chong Li in person working Ron Van Clief's corner and along with raising Ron Van Clief's hand in victory from 0:09 to 1:09 of this video

Here is a highlight compilation of San Shou fights

<https://www.youtube.com/watch?v=PGHPhqpU6fs>

Notice the similarities to San Shou in this highlight video as compared to the fights used in reference to the movies Fearless with Jet Li and Bloodsport with JCVD notice they're practically the same type of competition as well as also look at the platform arena that modern San Shou/ Sanda events use in their competitions to this day which you can buy right here for \$31k

<https://www.shop.wesingsports.com/WESING-IWUF-approved-Sanda-ring-Sanda-Platform-for-wushu-sanda-training-or-competition-p267663.html>

As was shown in both highlights of the competition in the movie Fearless as well as in Bloodsport plus the lawsuit against Jet Li over Fearless' inaccuracies as well as Frank admitting in Put Up your Dux at 33:50 to 34:17 plus the reproduction Youtube video that Hollywood changed some of the actual events to go more with the movie storyline plus Frank and Irving

Soto saying that the Kumite went by different names as was adjusted according to the person hosting the competitions in some areas of China San Shou/ Sanda/ Kumite events are also called Lei Tai events and as you can see here the Lei Tai events are no different than the ones done in Bloodsport and Fearless

[https://www.newworldencyclopedia.org/entry/Lei\\_tai](https://www.newworldencyclopedia.org/entry/Lei_tai)

You can also see this in the new interpretation of the Kumite called Karate Combat which you can see the similarities to it as well as to the San Shou/ Lei Tai/ Kumite events in Fearless and Bloodsport too

<https://www.youtube.com/watch?v=V3RyBBZJQyQ>

and here is more videos of Karate Combat so that you can see the similarities to it as compared to San Shou/ Lei Tai/ Kumite events as shown in Fearless and Bloodsport

<https://www.youtube.com/channel/UCrx0XRJeIhstGD8H60kLYYA/videos>

Now to reinforce that the Kumite went under numerous other names as well as was held by different people who changed it to their liking like was discussed with Irving Soto and Frank Dux prior here is fellow Black Dragon Fighting Society member Ashida Kim fighting the South African Kickboxing champion Phil Temples in a San Shou/ Lei Tai/ Kumite event in South Africa called Martial Mania

<https://www.youtube.com/watch?v=cu1IhjN0iTc>

plus as was shown in Fearless with Hou Yuan Jia being played by Jet Li when he fought Hercules O' Brien played by Nathan Jones with them fighting in a Boxing ring

<https://www.youtube.com/watch?v=k82Ig2906BY>

and as was seen above Ashida Kim and Phil Temples fought in a Boxing ring too just like Hou Yuan Jia did against Hercules O' Brien

Now remember the Fightland Vice article questioning the validity of the Kumite talks about a remake of Bloodsport based on using a Vale Tudo tournament in Brazil. Now remember that Hou Yuan Jia fought Hercules O' Brien in a Boxing ring. As well as fellow Kumite fighter Ashida Kim who can also as well verify Frank Dux's participation in San Shou/ Lei Tai/ Kumite fighting events because he fought in the South African version of the Kumite events called Martial Mania with video proof of it. Here is Jorge Pereira a 7th Degree Coral Belt in Brazilian Jiu-jitsu talking about the history of Vale Tudo in Brazil and notice he says that Vale Tudo comes from the days of the samurai of Japan. Also notice the Vale Tudo fights took place in matted floors as well as Boxing rings like the ones you see in the actual San Shou/ Lei Tai/ Kumite competition videos with Ron Van Clief, Frank Dux himself, Ashida Kim, as well as the movie fights with Hou Yuan Jia showing that the Vale Tudo events in Brazil is just the San Shou/ Lei Tai/ Kumite events being rebranded again to further other people's goals in the martial arts competition world

<https://www.youtube.com/watch?v=NI8gkySDu1Y>

Now remember I told you about the Ranker article says that there is a grain of truth to the Kumite story or Frank Dux exaggerated a little bit on it. Well the Kumite as well as it high number of participants do exist and the one maintaining the Japanese tradition of those types of Kumites is the World Kyokushin Organization and here is Shokei Matsui doing a 100 man Kumite and notice the platforms Shokei Matsui fought on as well as the way the competition fighting goes down looks very similar to the San Shou/ Lei Tai/ Kumite events that were talked about this entire time

<https://www.youtube.com/watch?v=v1o0tdqAagE>

Also as for the high numbers in Frank Dux's Kumite record those aren't anything new because the founder of Kyokushin karate Masutatsu Oyama himself and having been verified too did a 300 man kumite himself just like the videos have shown with the San Shou/ Lei Tai/ Kumite event videos shown here in this discussion

<http://www.dynamic-karate.com/mas-oyama.html>

and just to help sweeten the article here is a Frank Dux highlight and tribute video

<https://www.youtube.com/watch?v=pz91tg7JX-o>
