The Brand

KANDOLA

Impeccably charming, driven by originality and quality, a key characteristic in the KANDOLA philosophy. A family run business over 3 generations, producing luxurious interior furnishings, brassware and exclusive textile wallcoverings. Most products are adorned with Swarovski® crystals as KANDOLA is an official branding partner.

Identified for creating opulent and elaborate designs, the brand has formed a distinctive path of creating timeless luxury by bridging the gap between Classical Design and today's Metropolitan Lifestyle.

KANDOLA continues to be ambitious in producing authentic bespoke products and maintain to support British manufacturing and the country's rich craftsmen heritage.

Opulent Interior Furnishings **So Chic Collection**

KANDOLA presenting a magnificent fusion of classical and contemporary interiors of exclusive panelled wallcoverings, exquisite embroideries, prints, metallic foils and woven fabrics with elegant silks, satins and velvets to co-ordinate.

Introducing bespoke textile lamination services to create luxurious fabric wallcoverings, tailoring to your desire with style, colour and finish. All designed and laminated in the West Midlands, the heart of England.

The KANDOLA lifestyle ranges from stylish fabrics, wallcoverings, accessories, furniture, lighting and brassware. As an official branding partner products are available with or without Swarovski® crystals.

Panelled Vinyl Wallcovering

Birds of Paradise

An artistic panelled vinyl wallcovering commissioned to hand draw a landscape scenery, creating a harmonious ambiance with beautiful detailing of birds perched in trees near the river bank. This wallcovering is designed with A and B panels for a continuous mural effect offering a stunning panoramic visual enriched with Swarovski® crystals. Woven Textile & Wallcovering

Black Pearl

A distressed and modern design influenced to create a textural, antique look with an ingenious version of Verdigris, which is a bright blue-green patina that forms on brass or copper caused by atmospheric oxidation. This fabric has a natural consistency of polyester, nylon and cotton in the weave and the pattern is highlighted with hints of black and gold yarn. This fabric is available with Swarovski® crystals and can be laminated for textile wallcoverings.

Cornelli Damask Cord

An elegant and radiant damask trail has been created using a special embroidery technique known as couching. This is where coils of cords are over-sewn with a fine thread to create a three-dimensional effect. Cornelli presents a classical damask design in electronic format on a woven striped background with tonal variations of beige offering a sleek contemporary finish. This fabric is also available as a textile wallcovering.

Lotus

Inspired by a lotus flower this fusion of contemporary and vintage décor presents sheer opulence and beauty. An exquisite overlay pattern of the lotus leaf is mirrored and intertwined to create an all-over continual design. This fabric offers a smooth satin finish base with a heavy stitch embroidery layered with fine metallic gold thread to give a three-dimensional look. This fabric is available as a textile panelling.
