Thursday 11<sup>th</sup> March 2021

Today we are looking at Mother's Day...

Each week I will email out a Toddler session to include a craft, possible story, song, our Tidy up Song! and anything else that I think will fit in our session. We may still not be able to meet together in person, but we can do Toddlers.

Please do remember that you are not on your own and should you want to contact me feel free to do this either by email or phone (07594608590).

It would be lovely to keep up to date with your news that you are happy to share with the Toddler family, so if you have a birthday do let us know so that we can wish you a "Happy Birthday from Toddlers!" If you have other news, photos to share or ideas of activities that you are doing at home that could bring encouragement to others please do let me know and I will share this on your behalf each week...enough of me talking let's do Toddlers!!

For this half term we will be looking at special days in the calendar. This week we are looking at Mother's Day. Since the latest announcement by the Prime Minister regarding the roadmap out of lockdown we will keep you updated as to when we will be able to re-start Toddlers safely in some shape and form.

Today's session crafts are all Mother's Day related! I am not sure what craft resources you have available to you so adapt these to suit whatever you have available at home.

It would be wonderful to share your creations with our Toddler family next week so please do send me your pictures if you are able to via email [kathrynhb.stgeorges@gmail.com](mailto:kathrynhb.stgeorges@gmail.com) and I will share these with you on next week's session. Only include your child in the picture if you are happy for them to appear on the photos which will only be shared to the contacts that I hold for our Toddler family.

Below are 4 different creation craft ideas for you plus 2 colouring sheets. Scroll to the bottom of the document to see all these plus this week's interactive story and songs.

I hope that you enjoy the session...

### Hand and Footprint Cards

Above are two ideas for cards or pictures to give to that special someone made with hand or footprints.

Below is a template to make your own picture or card.

**I've made you some  
flowers  
with my finger and my  
thumb  
So you'll always have  
these memories  
For all the years to  
come!**

### 3D Cutlery Flowers

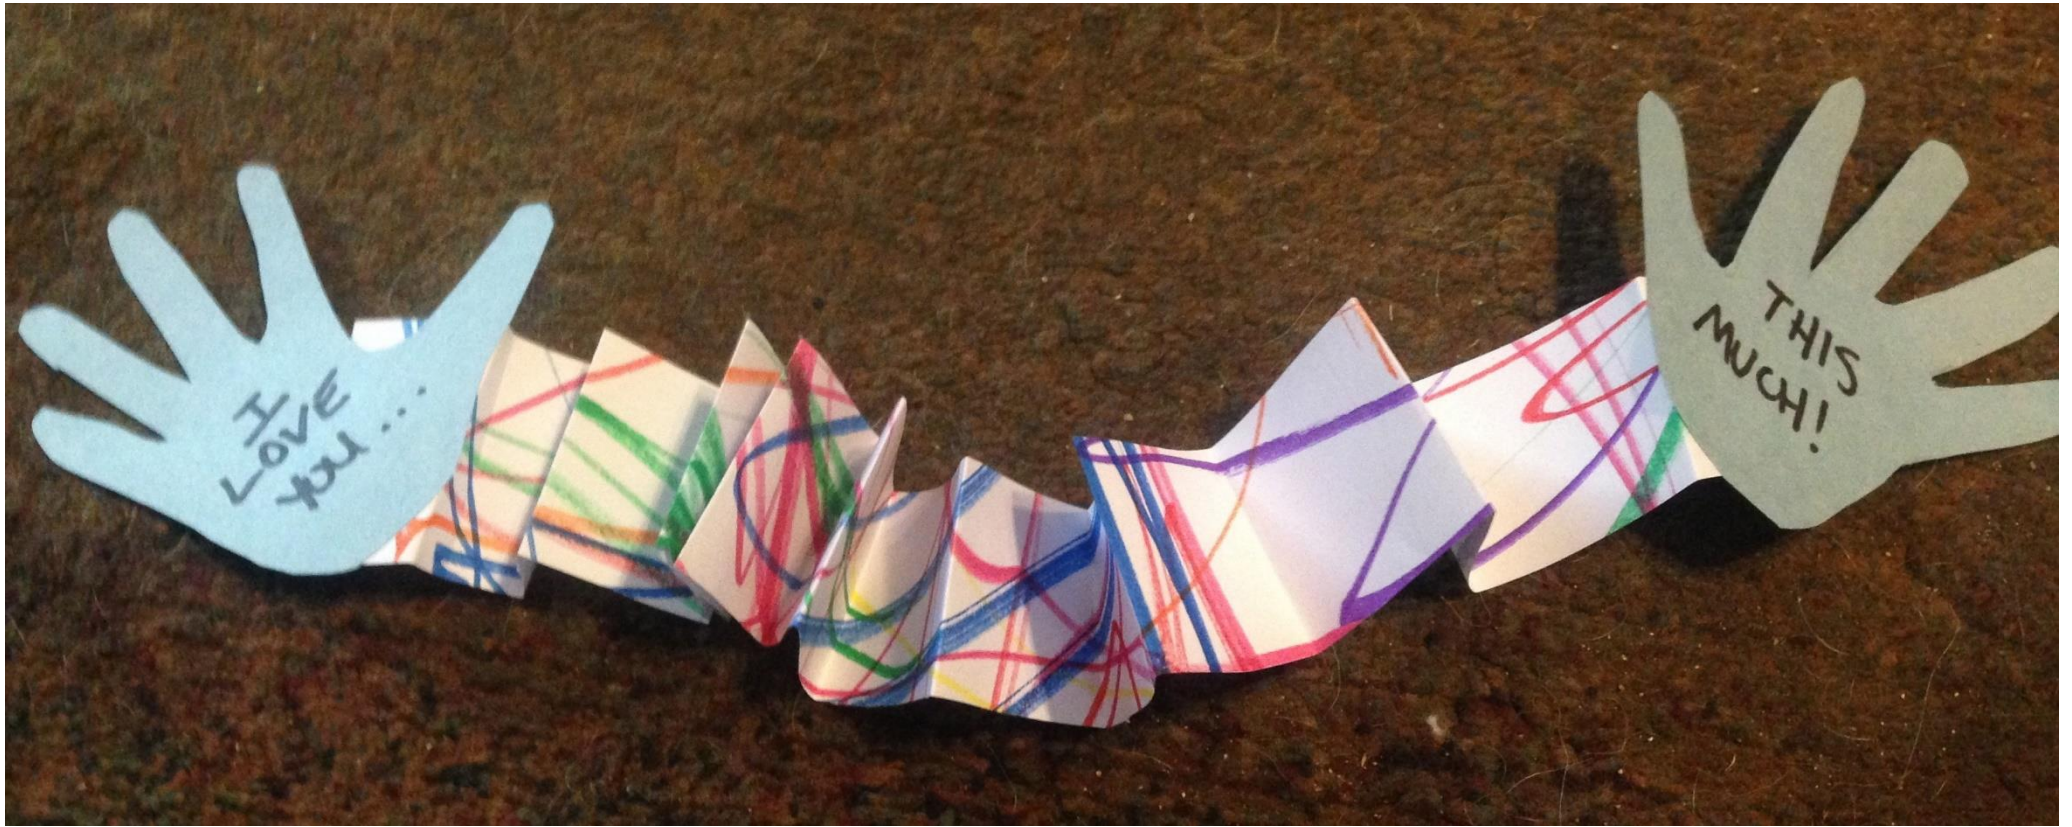

Use plastic party cutlery to make 3D flowers with. There are two designs above and if you have several spoons and forks you could make a bunch of flowers!

These can be painted like shown in the picture of the forks above and then paper or pipe cleaners added to make leaves around the stems.

### Dried Pasta Necklace or Bracelet

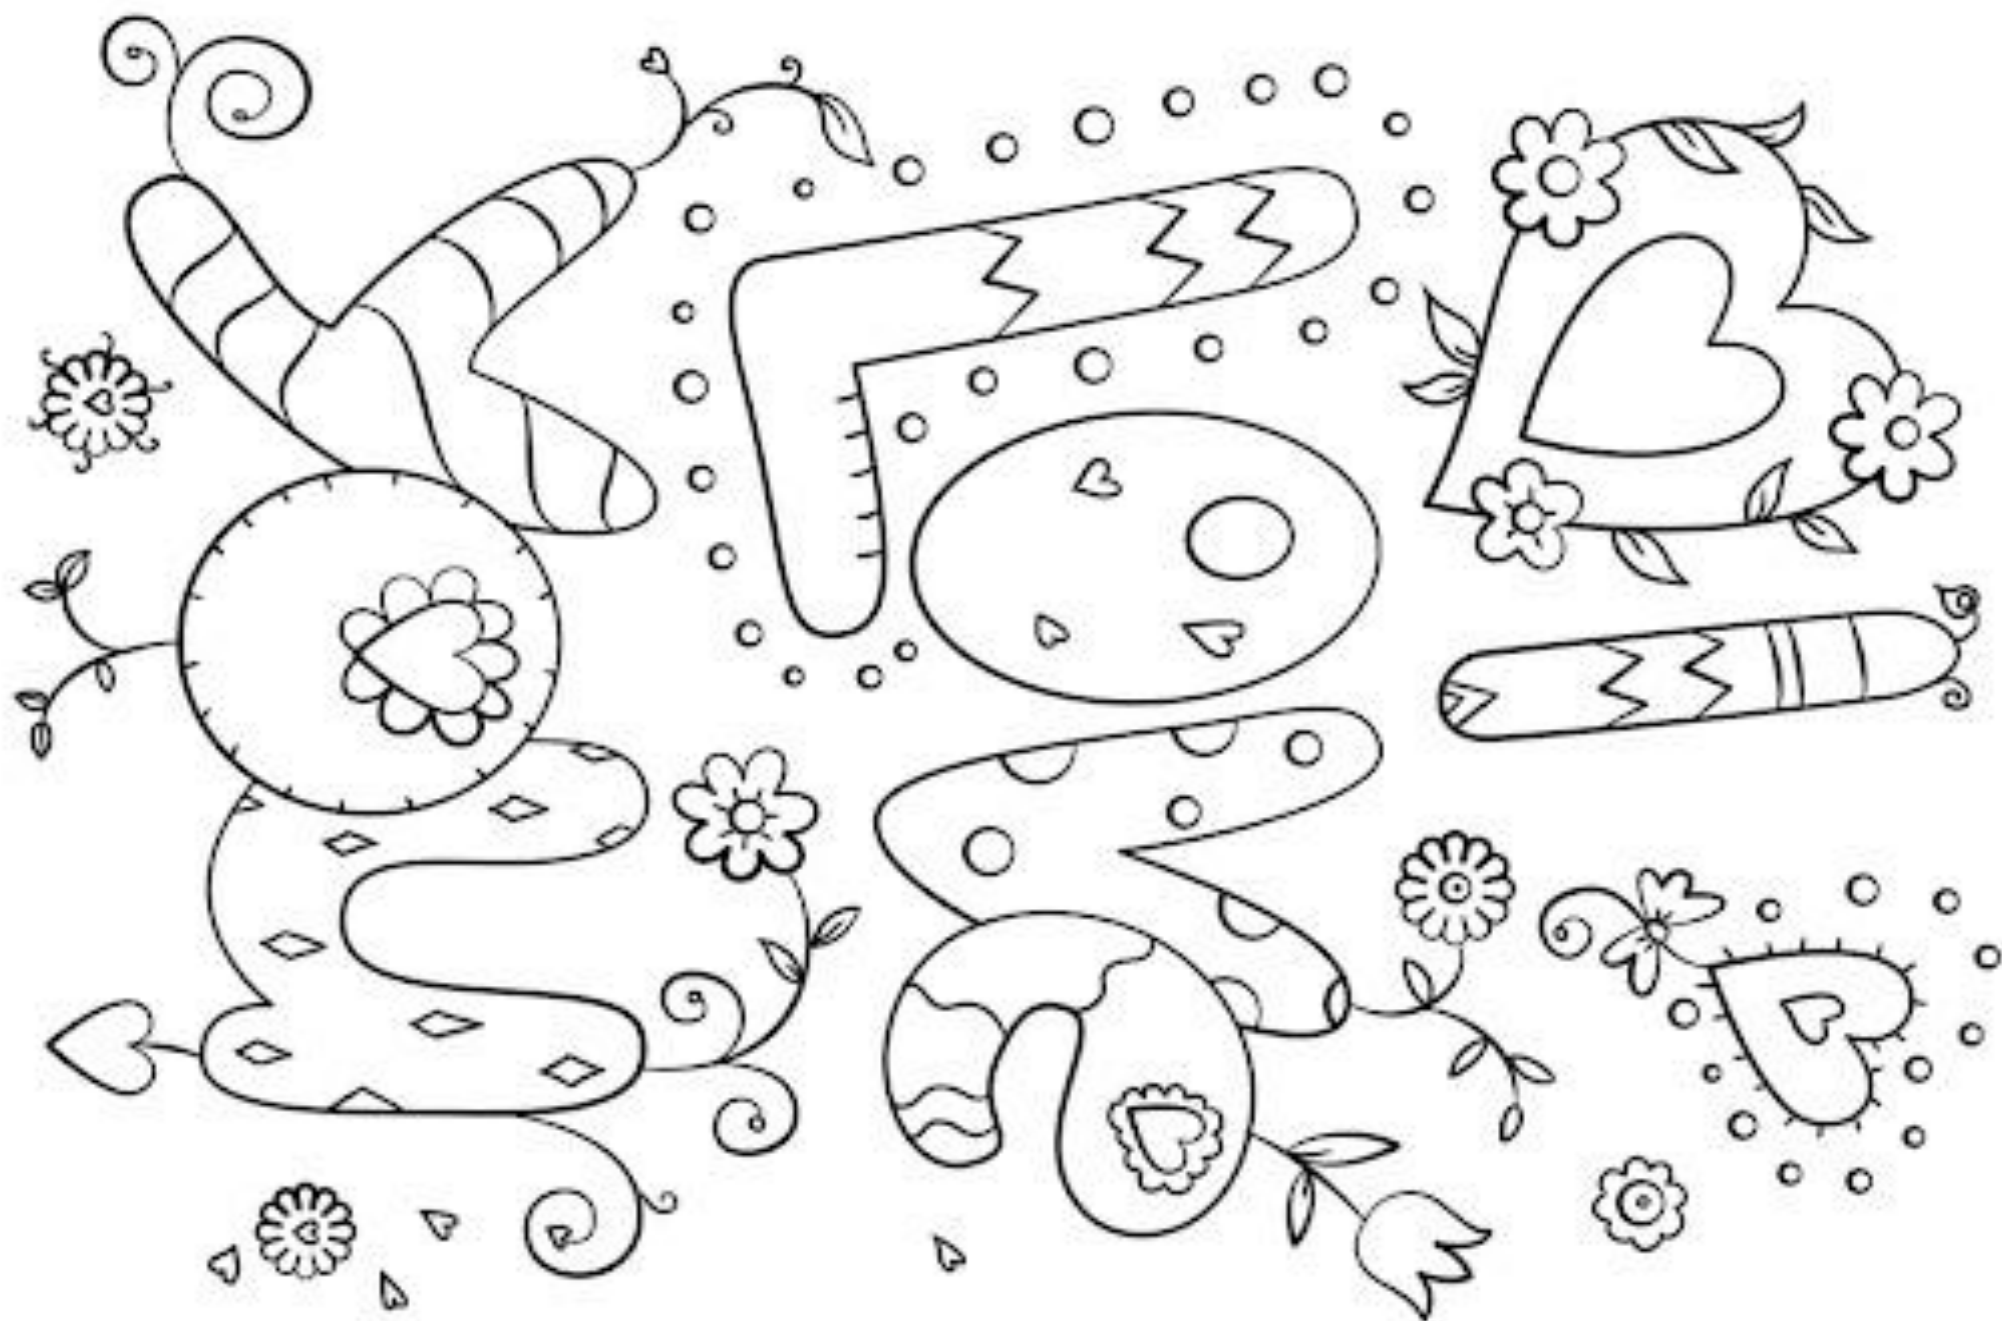

Paint or decorate dried pasta shapes  
When dry thread onto wool or string  
to make necklaces or bracelets to  
the length that you want.

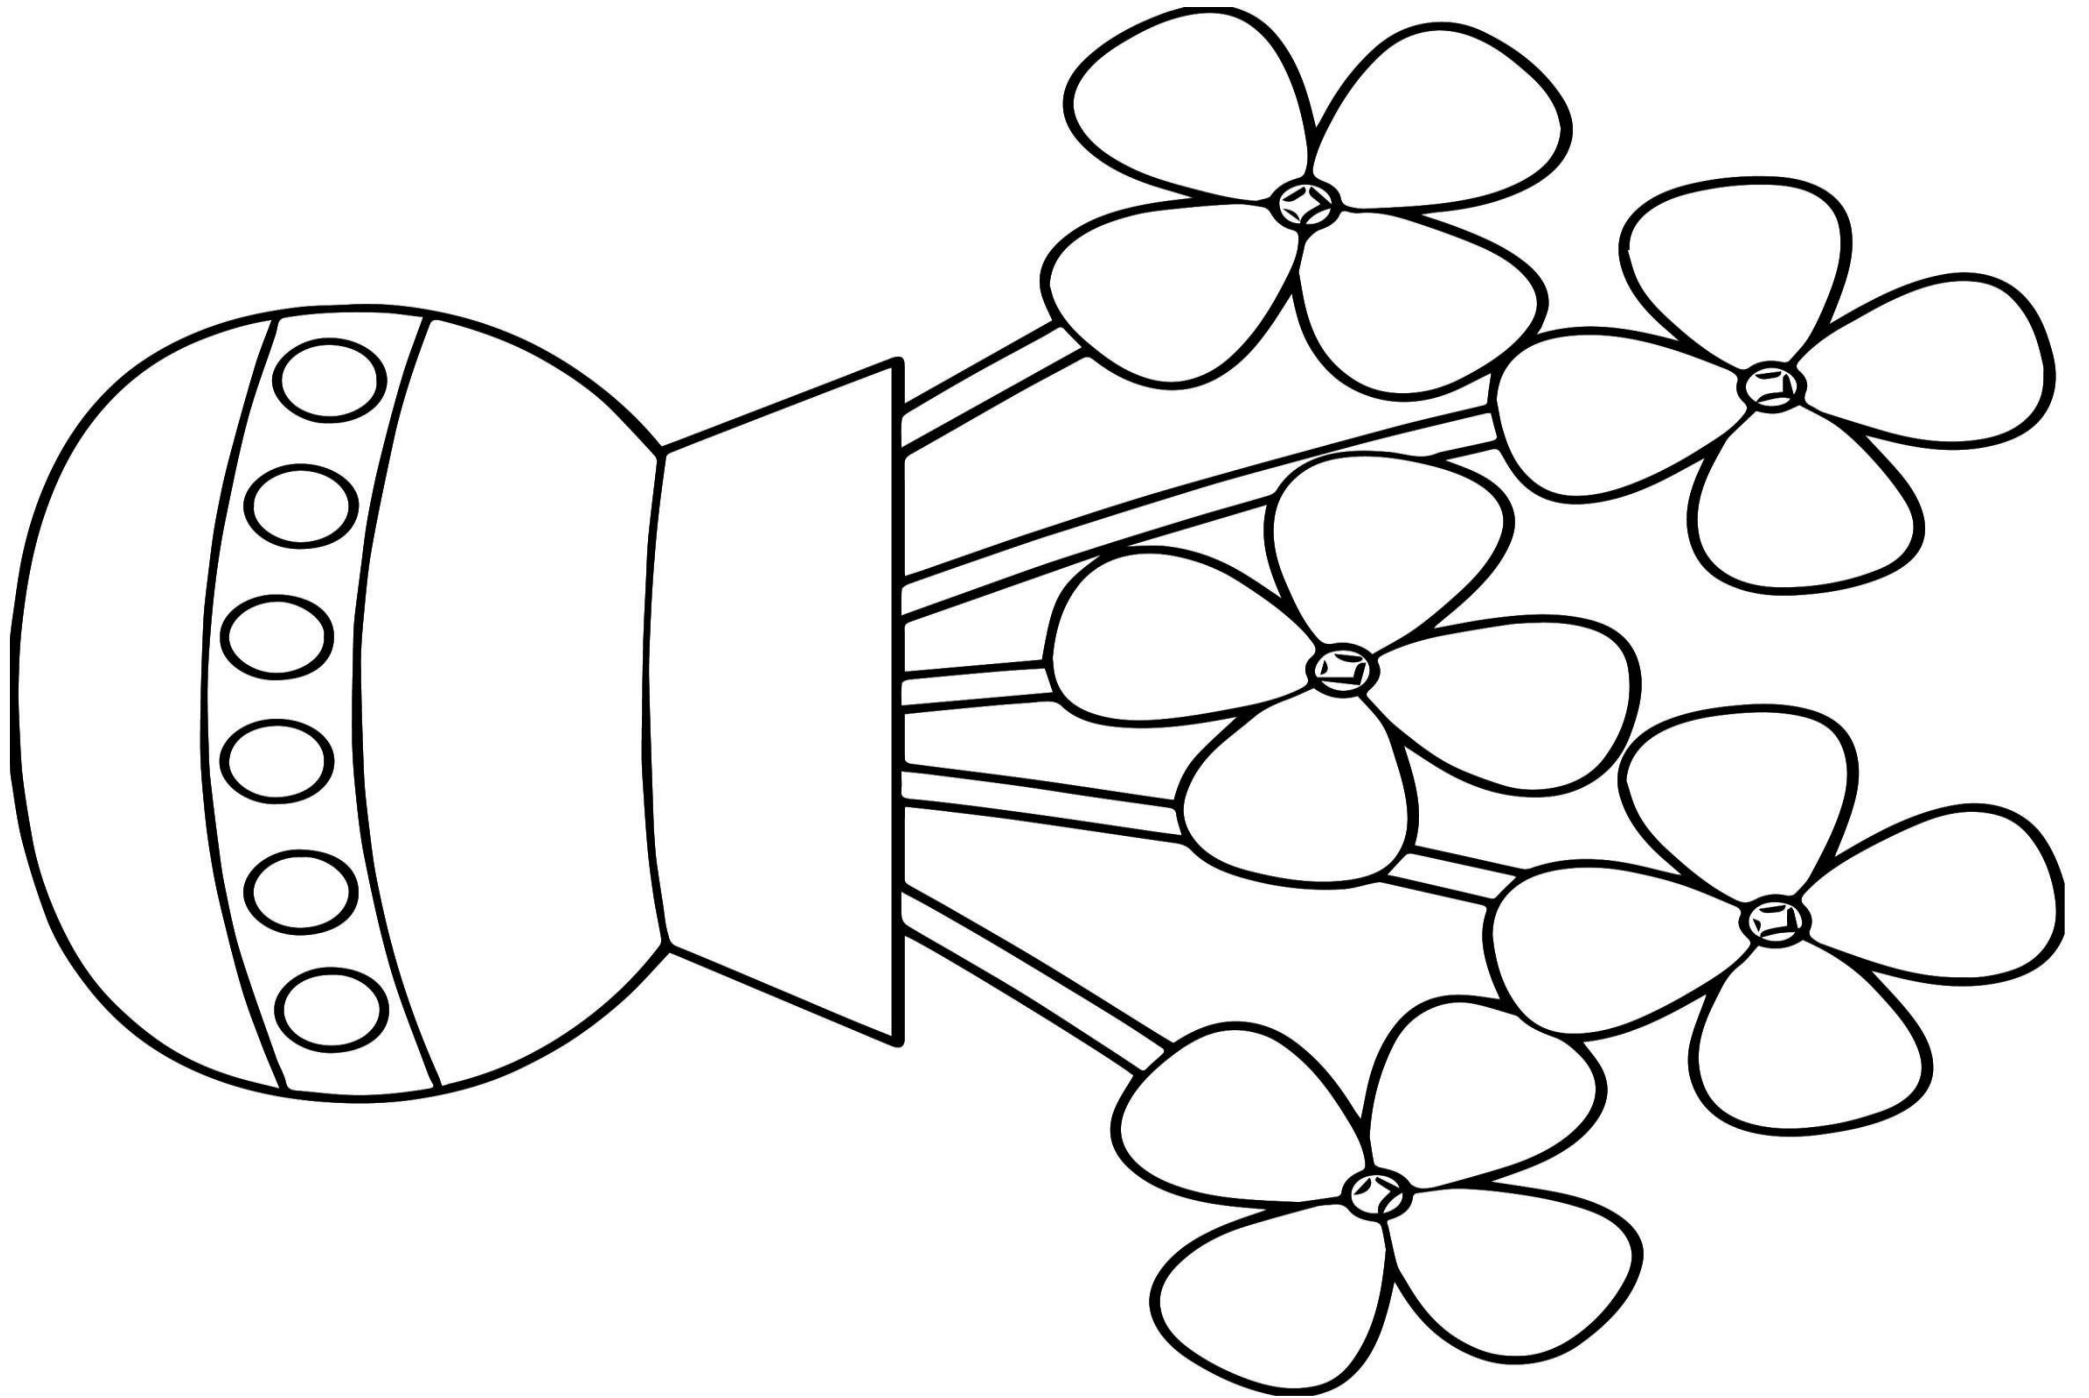

### Big Paper Hug!

Get a long piece of paper or join several pieces together to make a long strip. Colour, paint, decorate or collage the paper. When dry concertina up and put to one side. Draw around your hands and then cut out, these too can be coloured and decorated.

Attach a hand cut out to either end of the concertina strip and write a message on the hands...something like the one in the picture. Fold the hands up and unfold to give a big hug!

For this week's interactive story click on the link below for a read-a-long story. Be aware that adverts may play before the video starts...
