Overview of School FIRST (Financial Integrity Rating System of Texas)

This is the 14th year of School FIRST, a financial accountability system for Texas school districts developed by the Texas Education Agency (TEA) in response to Senate Bill 875 of the 76th Texas Legislature in 1999. Every school district in Texas is required to prepare an annual financial management report to disclose the district's financial management performance rating provided by TEA based on its comparison with financial measurements, ratios, and other indicators established by the Commissioner of Education for the State's Financial Accountability System. The rating is based on financial data for the 2014-2015 school year.

The primary goal of School FIRST is to achieve quality performance in the management of school districts' financial resources, a goal made more significant due to the complexity of accounting associated with Texas' school finance system. Its purpose is also to ensure that school districts will be held accountable for the quality of their financial management practices. The system is designed to encourage Texas public schools to manage their financial resources better in order to provide the maximum allocation possible for direct instructional purposes. The system will also disclose the quality of local management and decision-making processes that impact the allocation of financial resources in Texas public schools.

The Schools FIRST accountability rating system assigns one of four financial accountability ratings to Texas school districts, with the highest being "Superior Achievement," followed by "Above-Standard Achievement," "Standard Achievement" and "Substandard Achievement." Districts with serious data quality problems may receive the additional rating of "Suspended- Data Quality." Those districts that receive a substandard or data quality rating must file a corrective action plan with TEA and could face sanctions by the Commissioner of Education.

In order to achieve a Superior achievement rating the district must have a score of 70-100. Above Standard requires a score of 50-69. Meets Standard requires a score of 31-49 and Substandard Achievement is less than 31 or "No" to any one Indicator 1, 2.A, 3, 4, or 5.

EMS Independent School District's Rating

Eagle Mountain-Saginaw ISD's 2015-2016 School FIRST rating: **Superior Achievement**

Of the 20 indicators for the financial period ended August 31, 2015 the district had all "Yes" answers on questions 1 through 5 and received the score of 86 out of 100 points on questions 6 through 15. The report generated by TEA for the Eagle Mountain-Saginaw ISD based on 2014-2015 district data follows along with the overall result for all districts in the state. A copy of the district's report for 2014-2015 is included for comparative purposes.

The District shall pay the Superintendent's membership dues to the American Association of School Administrators and the Texas Association of School Administrators, as well as other memberships which the Superintendent and Board mutually agree are necessary to maintain and improve the Superintendent's professional skills. The District shall bear the reasonable costs and expenses for such attendance or membership.

3.3.5. Civic Activities. The Superintendent will communicate with the Board regarding such activities. The Board shall notify the Superintendent if the activity presents a conflict or interferes with the performance of his duties as Superintendent. The District shall reimburse the Superintendent for

It is also agreed that the Superintendent and Board will hold at least a semi-annual evaluation conference in June of each year, or at another time agreed to by the Board and Superintendent, with a format agreeable to both sides. In the event the Board deems that the evaluation instrument, format, and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, the Superintendent shall be provided a reasonable period of time to demonstrate such expected performance before being evaluated.

9.2. **Complete Agreement.** This Contract embodies the entire agreement between the parties hereto and cannot be varied except by written agreement of the undersigned parties.

9.3 **Conflicts.** In the event of any conflict between the terms, conditions, and provisions of this Contract and the provisions of the Board's policies, or any permissive state or federal law, then, unless otherwise prohibited by law, the terms of this Contract shall take precedence over the contrary provisions of the Board's policies or any such permissive law during the term of the Contract.

9.4. **Savings Clause.** In the event any one or more of the provisions contained in this Contract shall, for any reason, be held to be invalid, illegal or unenforceable, such invalidity, illegality or unenforceability shall not affect any other provision thereof, and this Contract shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.
