August Charities

Special Olympics for Kids and Suicide Prevention for Kids

Chair: The Junior Eagles

The Junior Eagles are supporting two charitable organizations this month.

Special Olympics Colorado provides year-round training and competition in 22 sports for athletes with intellectual disabilities who are living in the state. With the support of volunteers, the generosity of Colorado citizens, corporations and local businesses, they are able to offer kids the chance to participate with other athletes. This helps build confidence and

creates opportunities to participate as productive and respected members of society.

According to the **Western Colorado Suicide Prevention Foundation**, the leading cause of death for the ages 10 to 14 is suicide.

Please come out and support the Junior Eagles and their fundraising activities for these two fine endeavors.

Pictures From the International F.O.E. Convention

Madam President Deb Conrad shared a few pictures from the F.O.E. International Convention held in Louisville, KY during early July.

She reports that she learned a lot at the business sessions and also managed to have a great time. She promises a report of the Convention in her Madam President's message for September.

Worthy President's Message

Hello Again,

I hope everyone is staying cool and enjoying their summer. We have a lot happening in August so read your calendar and come support our charities.

We are still cooking 1/3 lb hamburgers on Tuesday nights and scrumptious breakfasts every Sunday. If you haven't been in a while, come on down and enjoy.

We have a new Winchester rifle with a Vortex scope in 30.06 up for grabs, so get on in and buy some raffle tickets. Don't forget we have live music on two Sundays this month to enjoy. The Junior Eagles have the charity of the month and it is twofold: Special Olympics and Suicide Prevention for kids. Make sure we all support them. Come see us at YOUR aerie.

Fraternally Yours,

Joe Burns, Worthy President

Madam President's Message

Greetings brothers and sisters

What a great month of June we had.

The #595 Eagles Riders B.A.D. Ride was amazing. They did a great job raising over \$2,000 for diabetes. We had a good turnout for Colorado State Convention June 20th through the 23rd. A big thank you to Joe Burns and Sue Reigles for chairing the event, It was a great success. Also thank you to all who worked behind the scenes to make it possible.

I want to send out a big Welcome to our new Auxiliary sisters: Mellisa Sedillo, Linda Roper and Lorna Woodwell. Don't forget them after they have been initiated. Always try to greet each new and old sister and make them feel welcome. Your friendliness may help them decide to become a more active member. Happy birthday to all my sisters and brothers that have birthdays this month.

Thank you Cheryl for doing July's charity for diabetes and liver cancer. The August charity will be Special Olympics for kids and suicide prevention for kids chaired by the Junior Eagles. Please help them make August a successful month.

I was very fortunate to be able to go to the National Convention in Louisville Kentucky and will have a report in my next letter. I would honestly say I'm the turtle in the race and the race is a marathon.

Deb Conrad, Madam President

Aerie Volunteer of the Month John Moore

John is always willing to help serve, bartend or cook as well as serve as the Aerie's Worthy Vice President.

During July, John manned the grill for the Presidents' picnic and jumped in more than once at the last minute to cover and cook for someone who had to cancel their scheduled snack night in July.

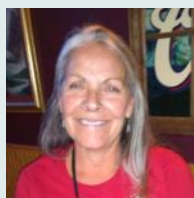

Thank you John for all you do for the Aerie.

Joe Burns, Worthy President

*"If I cannot speak well of an Eagle,
I will not speak ill of him."*

-The motto of the F.O.E.

Auxiliary Volunteer of the Month Verna Murphy

Verna has been an auxiliary member for 17 years. She is the sweetest, kindest person you'll ever want to meet and is one of the backbones that makes our Eagles Nest shine from top to bottom. She literally cleans, organizes and makes sure everything is in its place before we open the doors. Thank you for all you do for the Auxiliary and Aerie.

Deb Conrad, Madam President

Casino Night Deemed a Success

A nice crowd turned out for Casino Night on Friday, July 19th and sent Helen Alley off to California with a big Aerie #595 farewell.

The banquet room was filled with gaming tables and a festive crowd. Thank you to Barbara Bornschein and all who helped make this event happen.

A Thank You From Helen Alley

To all of my brothers and Sister of #595,

Thank you just does NOT begin to say how I feel inside for all of you. Losing Larry was such a shock. Each day is a new beginning. The bumps in the road of life are sometimes a little trying, but life goes on. All of the cards, phone calls and visits have really helped a lot. To the guys who helped move my furniture out for the sale, helped load the moving truck and to all my sisters who came and helped me with the estate sale, thank you from the bottom of my heart. God Bless you for the event you had for us. My life feeling so up side down and you have all been so loving and supportive. You just don't know how grateful I am. I could not have made it without you.

I will be leaving on the 21st of July for California. But I will be coming back for a visit in October. I will keep in touch and just know that I will still be a part of this GREAT Aerie. Till October, I send you all Hugs, Love and Kindness and God's Grace. My cell number will be my phone number now (970-210-3615). My address for now will be 7257 Lower Wyandotte Rd., Oroville, Ca. 95966

Love to all
Helen

News from the Eagle Riders

Wow, summer is flying by fast but there is still a lot of good riding ahead of us. Our monthly "Fun Runs" will continue in the upcoming months so watch for flyers in the Aerie and announcements on Facebook.

In July we raised over \$330 with our Thursday night snack and a Friday night Lasagna. Proceeds from these types of events during the 2nd half of the year benefit Colorado Discover Ability. Kelly Albright is the mastermind behind most of our meals and she sure knows how to cook. Please come give us a try, you won't be disappointed.

August events include: Thursday August 1st, we will be serving "Pork Street Tacos" at 5:30pm. On Saturday Night, August 17th at 5:00pm, we will be hosting another "track Concession Stand" during the Bristol NASCAR race. We cook and serve track favorites like burgers, chicken tenders, fries, corn dogs and, of course, Kelly's Funnel Cake in the Social Room

Thanks to everyone who has supported our efforts! If there is a way that our group can help any of you with your fund-raising efforts, don't be afraid to ask.

Keep the shiny side up and the rubber side down.

Life Line Screening is scheduled to be at the Aerie on August 12th offering to provide people in the Grand Junction area five non-invasive health screening methods to identify risk factors that can lead to cardiovascular disease, stroke, peripheral artery disease and osteoporosis. They are offering these five screens for \$149. Look for posters at the Aerie with instructions on how to register for the screening and a \$10 off coupon.

Are preventive health screenings right for you?

Preventive health screening for cardiovascular disease, stroke and other chronic conditions are extremely valuable for adults age 50+, or age 40+ with risk factors for these conditions: diabetes, high cholesterol, high blood pressure, obesity, a history of smoking, and a family history of stroke and/or heart disease. The health screenings offered by Life Line Screening are only part of your health story—when combined with the care provided by your doctor, they provide a full health screening picture.

An Aerie #595 Veteran Salute

Gail (Lunceford) Davidson was living in Alhambra, CA in 1973. She was a little bored and worried that life might be passing her by when she listened to the pitch from a U.S. Navy recruiter, "Join the Navy and see the world." A few weeks later, she was inducted into the Navy during November in Los Angeles, CA followed by 10 weeks of boot camp at the Naval Training Center in Orlando, FL.

Reflecting on her boot camp training, Gail said, "I loved boot camp. Physical training wasn't a big deal. We spent time on the obstacle course, but if we didn't like the obstacle, we could just walk around it." She was proud to be in the Navy, but her father was even prouder. On her first leave after boot camp, her father (a navigator in the Army Air Corps during WW2) picked her up and it was straight to the American Legion Post so he could show her off in uniform.

After boot camp, Gail was assigned to VAQ Squadron 130 (the Home of the Whales) based at Naval Air Station (NAS) Alameda, California as an operations specialist. The squadron's primary

mission was operating KA-3B tanker aircraft that were often assigned to carriers. After Gail completed flight training for air crews, she was occasionally allowed to go on flight missions. The highlight was landing on a carrier in a KA-3B.

In July of 1974, Gail was one of the first 400 female sailors to be assigned to NAS Adak, Alaska. She describes NAS Adak as her worst duty station. Her Senior Chief ordered her to "dig some worms" so he could go fishing. She refused on the grounds that this activity was not part of her duties and it went downhill from there. Fortunately, she was transferred to NAS Long Beach, California two months later.

During early 1975, she was deployed to NAS Guam where she was one of a staff of 27 operating the fuel farm. She remembers this as her best duty station of her Navy career. She said, "I was the only female at the fuel farm. For the first few weeks they were playing a lot of

practical jokes on me and I really had to be alert so I wasn't fooled. After a few weeks they accepted me as "one of the guys," and it became like having 26 brothers looking out for me." While on Guam, she was also involved with intake screening for Viet Nam refugees after the fall of Saigon. She remembers that it was really sad to see the poor medical conditions and lack of nutrition of the refugees as they arrived on Guam in C-5 cargo planes.

Gail enjoyed her time on Guam, but developed a terminal case of island fever and was happy to leave when she was honorably discharged from the Navy in Guam during November 1977 as a Third Class Petty Officer. She did, however, spend the next 10 years at various Navy bases as a civilian while married to a career Master Chief. Summing up her Navy career in a sentence, she said, "It was the best experience of my life."

She moved to Grand Junction in 1993 while working with Disabled American Veterans (DAV) helping disabled vets file and follow-up claims for their benefits. Gail medically retired from DAV in 2003 and joined the #595 Auxiliary in 2002.

Aerie #595 salutes Gail for her service in the Navy. She is a frequent visitor at the Aerie (usually accompanied by her sister Loretta). The next time you see her at the Aerie, take a minute and thank her for her service.

Editor's note: An Aerie #595 Veteran Salute is scheduled to appear in the Eagle Pride on monthly basis. If you are an Aerie #595 veteran, we hope to run your story. Please submit a photo, sit down and tell us your story.
